To The Administrative Committee of
Triple-S Vida, Inc. Retirement & Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **Triple-S Vida, Inc. Retirement & Savings Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by Banco Popular de Puerto Rico, the trustee of the Plan in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of **Triple-S Vida, Inc. Retirement & Savings Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Triple-S Vida, Inc. Retirement & Savings Plan's** ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Triple-S Vida, Inc. Retirement & Savings Plan**'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Triple-S Vida, Inc. Retirement & Savings Plan**'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Assets (Held at the End of the Year as of December 31, 2021), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of **Triple-S Vida, Inc. Retirement & Savings Plan**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Triple-S Vida, Inc. Retirement & Savings Plan

Notes to Financial Statements December 31, 2021

(1) Description of Plan:

The following description of the Triple-S Vida, Inc. Retirement & Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General -

The Plan is a defined contribution plan covering substantially all employees with one year of service at Triple-S Vida, Inc., (the Sponsor) a wholly-owned subsidiary of Triple-S Management Corporation. The Sponsor is member of a controlled group of corporations, related entities or affiliated service group under common control (Note 6). Effective March 1, 2014, as a result of the Sponsor acquisition of Atlantic Southern Insurance Company (Atlantic), the Plan was amended to include Atlantic as a participating employer in the Plan. Investments from the Atlantic plan were liquidated and the cash was transferred to the Plan. The Plan is part of the Banco Popular de Puerto Rico (BPPR) Master Defined Contribution Retirement Plan (the Master Plan). It is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Plan is effective for all new employees beginning on or after January 1, 2008.

(b) Plan Amendment -

Effective April 8, 2020, the Plan Adoption Agreement was amended to include as part of in-service distributions, distributions related to special disasters as permitted by sections 1081.01 (b) (1) (J) of the Puerto Rico Internal Revenue Code of 2011, as amended.

(c) Plan Administration -

The Plan is administered by the Retirement Committee which is appointed by the board of directors of the Sponsor. The Plan's trustee, BPPR (the Trustee), is responsible for the custody and management of the Plan's assets. BPPR is also responsible for the recordkeeping of the Plan's participant transactions.

(d) Contributions -

For each plan year starting January 1, 2013 and up to March 31, 2017, participants' pre-tax contributions may not exceed \$15,000. The Sponsor annually contributes 100 cents for each dollar of a participant's first 1% and 0.50 cents for each dollar from 2% up to 3% of each dollar of pre-tax contributions that a participant contributes to the Plan. For each plan year starting April 1, 2017 and thereafter, participants' pre-tax contributions may not exceed \$15,000. The Sponsor annually contributes 50% of a participant's pre-tax contributions up to a maximum of 6% of the participant's compensation. Participants who reach age 50 by the close of the Plan year are allowed to make a catch-up contribution limited to \$1,500 per Plan year. After-tax contributions are allowed but may not exceed 10% of the aggregate compensation paid by the Sponsor during all the years the participant has been a Plan participant and are subject to other limitations. Participants may also contribute amounts representing distributions from other qualified plans (rollovers), only if the employee has met the participant requirements of the Plan as of the date of the rollover. The Sponsor may deposit profit sharing contributions to the Plan. Profit sharing contributions are discretionary and based on a formula related to profit, compensation and other factors. Matching and discretionary contributions are allocated to participants who completed more than 500 hours of service during the Plan year and were employed by the Sponsor on the last day of the Plan year. The Plan is authorized to transfer the participant's accounts between the Plan and any other qualified plan sponsored by an affiliated company under the controlled group.

Triple-S Vida, Inc. Retirement & Savings Plan

Notes to Financial Statements December 31, 2021

(e) **Participant Accounts** -

Each participant's account is credited with the participant's contribution, the Sponsor's matching contribution, the Sponsor's discretionary contributions, if any, and the Plan earnings/(losses) based on the participants account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(f) **Testing** -

Participants are vested immediately in their contributions plus actual earnings thereon. Participants become vested in the Sponsor's profit-sharing contributions after the third year of continuous service. Participant's vesting in the Sponsor's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service, as follows:

<u>Completed Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
At least 2	25%
At least 3	50%
At least 4	75%
5 or more	100%

(g) **Payment of Benefits** -

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments over a ten year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

(h) **Notes Receivable from Participants** -

Effective July 1, 2012, the Plan agreement was amended and participant loans are no longer available under the Plan.

Outstanding loans under the Plan are secured by the balance in the participant's account and bear interest at the rate of one percent over the prime rate (3.25% at December 31, 2021) determined on a monthly basis. Principal and interest is paid ratably through payroll deductions. Participant loans are presented as notes receivable from participants in the accompanying statements of net assets available for benefits.

(i) **Forfeited Accounts** -

At December 31, 2021 and 2020, forfeited non-vested accounts amounted to \$75,303 and \$25,285, respectively. Forfeitures under the Plan can be either allocated to participant's accounts during the Plan year, used to reduce the amount the Sponsor must contribute to the Plan or used to reduce related Plan costs and expenses. During the year ended December 31, 2021 forfeitures from non-vested participants accounts amounted to \$36,099. Unrealized gains from forfeitures amounted to \$1. During 2021, other adjustments that increased the forfeitures balance amounted to \$13,918.

(j) **Investment Elections** -

The participants' contributions and the Plan's Sponsor matching contributions are allocated to the various investment options offered by the Plan as directed by participants.

(2) Summary of Accounting Policies:

(a) Basis of Accounting -

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

(b) Use of Estimates -

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition -

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Notes Receivable from Participants -

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan's provisions.

(e) Excess Contribution Payable -

Amounts payable to participants for contributions in excess of amounts allowable by the IRS are recorded as a liability with a corresponding reduction to contributions.

(f) Payment of Benefits -

Benefits payments to participants are recorded upon distribution. There were no benefit payments pending to disbursed at December 31, 2021.

(g) Plan Expenses -

The Sponsor is responsible for the general administration of the Plan and for carrying out the provisions thereof. Fees charged by the trustee for the administration services to the investments in the trust fund, including taxes, brokerage commissions and registration charges, must be paid from the trust fund, and all other administrative expenses may be paid all or in part by the Sponsor or deducted from the trust fund.

(h) **Net Transfers to Other Affiliated Plans -**

Plan assets transferred into and out of the Plan from and to other affiliated company sponsored qualified plans as a result employee status changes are included in the "Net transfers to other affiliated plans" line item of the accompanying statement of changes in net assets available for benefits. The following table summarizes such plan transfers for the year ended December 31, 2021.

	Year ended December 31, 2021
Transfers to other affiliated plans:	
Triple-S Retirement & Savings Plan	\$ (89,194)
Transfers to other affiliated plans	<u>\$ (89,194)</u>

(3) **Fair Value Measurements:**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under Financial Accounting Standard Board (FASB) Accounting Standard Codification (ASC) 820, *Fair Value Measurement and Disclosures* are (1) Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access, (2) Level 2 inputs to the valuation methodology other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, and (3) Level 3 inputs to the valuation methodology are unobservable and significant for the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Interest bearing deposits:* The carrying amount of interest-bearing deposits are reasonable estimates of the fair value due to the demand nature of the instruments.

The valuation of the net assets of each plan in the Master Trust arises from the application of the Unitized Value Method calculated using the NAV of each investment held by each Plan multiplied by the number of outstanding shares or units held by each participating plan. The net investment income or loss is calculated considering the number of shares or units of each investment in the plan.

(5) Information Certified by the Trustee:

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by BPPR, the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee with information included in the Plan's financial statements and supplemental schedules.

(6) Related-Party and Party-in-Interest Transactions:

Certain Plan investments are shares of mutual funds managed by BPPR, the trustee and record keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. BPPR receives an administrative fee from the mutual funds for providing certain administrative or shareholder services to the mutual funds.

Plan's Sponsor is a member of a controlled group of corporations, related entities or affiliated service group under common control as follow:

- Triple-S Management Corporation, Holding Company
- Triple-S Vida, Inc., Affiliate and Plan Sponsor
- Triple-S Salud, Inc., Affiliate
- Triple-S Propiedad, Inc., Affiliate
- Triple-S Insurance Agency, Affiliate
- Clinica Las Americas Guaynabo, Inc., Affiliate

Plan assets transferred into and out of the Plan from and to other affiliated company sponsored qualified plans as a result employee status changes are included in the "Net transfers to other affiliated plans" line item of the accompanying statement of changes in net assets available for benefits. Refer to Note 2 h) for further detail on transfers to affiliated plans.

Triple-S Vida, Inc. Retirement & Savings Plan

Notes to Financial Statements December 31, 2021

(7) Tax Status:

The Puerto Rico Department of Treasury (the Treasury Department) has determined and informed the Plan by a letter dated June 30, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Puerto Rico Internal Revenue Code of 2011 (the Code) and the Internal Revenue Circular Letter No. 11-10 of December 16, 2011 (the IRC). Once qualified, the Plan is required to operate in accordance with the Code and IRC to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Treasury Department. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In Puerto Rico, the tax laws permit examination of the Plan Sponsor's Income tax returns for up to four years after the initial return is filled. The Tax year of the Plan Sponsors with respect to the Plan that remain open for examination are from 2017 to 2021.

(8) Plan Termination:

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

(9) Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(10) Excess Contributions Payable:

For 2020, the Plan failed to pass the Average Deferral Percentage (ADP) test. In order to correct the failure of the ADP test, the Code requires either making additional contributions to the non-highly compensated employees or refunding the highly compensated employees the excess contributions. The Plan elected to reimburse to certain highly compensated employees the excess contributions amounting to \$8,892 which was recognized as a payable as of December 31, 2020. There were no excess contributions for the year ended December 31, 2021.

(11) Subsequent Events:

The Plan has evaluated all subsequent events through February 1, 2023 which is the date the financial statements were available to be issued. There are no material subsequent events that would require further disclosure to the Plan's financial statements, other than the matters disclosed below.

Triple-S Management Corp was acquired by GuideWell Mutual Holding Corporation on February 1, 2022. As of the date of this financial statements, the merger did not have an impact on the Plan.

Notes to Financial Statements December 31, 2021

On February 24, 2022, Russia initiated an unprovoked invasion of Ukraine. The North Atlantic Treaty Organization (NATO) member countries responded by gradually imposing a series of sanctions on Russia. These economic sanctions sparked volatility in the global financial markets and the duration of these uncertainties and the financial effects cannot be estimated at this time.

On September 13, 2022, the Plan amended the adoption agreement to include any required true-up employer contributions that shall be made to such eligible participants; provided that to be eligible for this true-up employer contribution(s), the participant must be employed in a Plan-eligible position on the last day of the Plan Year for which the true-up contribution is to be made, and that the employee has not separated from employment as of the date the true-up contribution payment is to be made. This amendment is effective for the 2022 Plan Year and thereafter.

On September 27, 2022, the Puerto Rico Department of Treasury issued Administrative Determination No. 22-08 to, among other measures, allow participants affected by Hurricane Fiona to make in-service distributions at preferential tax rates.
