INDEPENDENT AUDITOR'S REPORT

Patagonia Works 401(k) Plan
259 West Santa Clara Street
Ventura, California 93001

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Patagonia Works 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of April 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended April 30, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section –

- The amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of April 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PATAGONIA WORKS 401(k) PLAN

FINANCIAL STATEMENTS

APRIL 30, 2022 AND 2021

INDEPENDENT AUDITOR'S REPORT

Patagonia Works 401(k) Plan
259 West Santa Clara Street
Ventura, California 93001

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Patagonia Works 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of April 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended April 30, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section –

- The amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of April 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PATAGONIA WORKS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The Patagonia Works 401(k) Plan (the "Plan") is a defined contribution plan with an optional cash or deferred arrangement. The Plan covers eligible employees, as defined in the Plan, of Patagonia Works (the "Company"). The Plan was effective July 1, 1988 and is subject to the provisions of the Employee Retirement Income Security of 1974 ("ERISA").

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. Eligibility

Regular and fixed term full-time and part-time employees of the Company are generally eligible to participate in the Plan after completing three months of service. Seasonal and temporary employees are excluded from participating in the Plan. Effective May 1, 2017, there is no age requirement to participate in the Plan.

B. Contributions

Participants may contribute, on a pre-tax basis, up to 50% of their compensation, as defined by the Plan, subject to Internal Revenue Code ("IRC") limitations. Effective May 1, 2017, participants may also elect to make Roth 401(k) contributions. The Plan provides that the Company has the discretion to provide matching contributions to the Plan. During the most recent plan year (and currently), the Company has matched participant's contributions to the Plan in an amount equal to 50% of the first 5% of the participant's compensation contributed to the Plan. The Company also makes a Safe Harbor matching contribution of 3% of compensation. The Company may also make, at management's discretion, an additional contribution to the Plan in an amount to be determined each year. To receive an allocation of the discretionary contribution, an employee must be eligible and employed on the last day of the Plan year. For the Plan year ended April 30, 2022, the Company made employer matching contributions of \$2,673,489, employer Safe Harbor contributions of \$4,288,128 and a discretionary contribution equal to 3% of the employee's compensation which totaled \$3,934,416. Catch-up contributions are permitted.

New participants are auto-enrolled in the Plan at 3% of compensation.

C. Vesting

Participants are immediately vested in their voluntary contributions, safe harbor contributions, rollover contributions and earnings thereon. Vesting in the Company's matching and discretionary contributions and earnings thereon is based on years of service as follows:

<u>Years</u>	<u>Vesting Percentage (%)</u>
1	0
2	0
3	100

D. Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contributions, safe harbor contributions and allocations of (a) the Company's matching and discretionary contributions and (b) the Plan's earnings. Allocations of the Company's matching and discretionary contributions to the different funds are based on the allocation percentages that

D. Participant Accounts (Continued)

the participants choose. Allocations of the Plan's earnings are based on the different funds' earnings and the relative percentage of the funds the participants choose to hold. The benefit to which a participant is entitled is the benefit that can be provided from the vested amount in his or her account.

E. Forfeitures

Terminated participants' non-vested balances are forfeited and used to reduce future Company contributions. For the year ended April 30, 2022, forfeited non-vested accounts totaled \$334,501. As of April 30, 2022 and 2021, \$149,690 and \$138,423, respectively, were available to offset future Company contributions. Forfeitures totaling \$323,696 were used to offset Company contributions for the year ended April 30, 2022.

F. Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one year to a maximum of five years. The interest rate on loans is based on the prime rate plus 1% and is a fixed rate set for the term of the loan. Loans are secured by the participants' vested account balances. Effective April 2020, the Plan adopted the loan repayment and required minimum distribution suspension provisions of the Coronavirus Act, Relief and Economic Security Act (the "CARES Act").

G. Benefits

Benefits may be withdrawn upon termination of employment, becoming disabled, and/or attaining normal retirement age (age 59½). Upon termination, participants with a vested account balance in the Plan of no more than \$1,000 will have a lump sum payment paid directly to them. For participants with a vested account balance of more than \$1,000, but less than or equal to \$5,000, the balance will be rolled over to an Individual Retirement Account with Vanguard Fiduciary Trust Company if the participant does not elect a distribution or rollover to another account. Participants with a vested balance more than \$5,000 may elect to receive a lump sum payment, or equal installment payments over a period not to exceed the life expectancy of the participant or the joint life and last survivor expectancy of the participant and a designated beneficiary. In addition, participants having a vested balance greater than \$5,000 may choose to defer their payments until age 70½ or normal retirement age per the Plan, whichever is later. Participants may withdraw their vested balances before normal retirement age in limited circumstances and subject to the Plan's provisions. Hardship withdrawals are permitted. Benefits are recorded when paid.

H. Administrative Fees

Plan administration and investment management expenses are permitted to be paid by the Plan. All other Plan expenses are paid by the Company.

I. Fidelity Bond

The Plan has coverage of \$10 million for Patagonia Works's fiduciary liability and coverage of \$2 million for crime related to ERISA plans. The \$2 million satisfies legal bond requirements.

NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

J. Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with investment, it is at least reasonably possible that changes in equity markets, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments of the Plan are held by Vanguard Fiduciary Trust Company and invested based solely upon instructions received from participants.

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables represent the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of April 30, 2022 and 2021:

		April 30, 2022			
		Level 1	Level 2	Level 3	Total
Mutual Funds	\$	239,227,211	\$ -	\$ -	\$ 239,227,211

C. Investment Valuation and Income Recognition (Continued)

	April 30, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 245,511,610	\$ -	\$ -	\$ 245,511,610

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consist of mutual funds stated at fair value based on quoted market prices. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Net (depreciation) of investments relates to mutual funds.

The Plan's investment in The Cleanest Line Fund reported at net asset value mirrors the Russell 3000 Index while avoiding investments in a wide variety of industries, including energy, metals and mining, and agricultural chemicals. There are no unfunded commitments or redemption restrictions.

D. Common/Collective Trust

The Plan maintains a fully benefit-responsive Retirement Savings Trust III investment contract reported at contracted value. Contributions to the investment contracts are invested in a combination of synthetic and traditional investment contracts and cash and credited for interest and charged for participant withdrawals and administrative expenses. The trustee is contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions within the terms of the Plan.

The Retirement Savings Trust has no unfunded commitments or redemption restrictions. The Retirement Savings Trust III is designed to preserve principal with returns comparable to short to intermediate-term fixed income securities. The average maturity range is 2 to 4 years.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan at any time. In the event the Company terminates the Plan, participants shall become 100% vested in the balance of their accounts and the Plan's assets shall be allocated as prescribed by ERISA and related regulations.

NOTE 4 - RELATED PARTY TRANSACTIONS

Vanguard Fiduciary Trust Company provides investment options offered under the Plan. Transactions in these funds, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

PATAGONIA WORKS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2022 AND 2021

NOTE 5 - INCOME TAX STATUS

The Company adopted the Vanguard Fiduciary Trust Company Prototype Plan. In June 2020, Vanguard received an opinion letter from the Internal Revenue Service that the Plan complies with applicable sections of the IRC. The plan administrator and tax counsel believe that the Plan is designed and is currently being operated in compliance with the qualification requirements of the IRC, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at April 30, 2022 and 2021 and investment (loss) for the year ended April 30, 2022 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Vanguard Fiduciary Trust Company, the trustee of the Plan.

NOTE 7 - PLAN AMENDMENT

On December 29, 2021, the Plan amended its hardship withdrawal provisions to comply with the Internal Revenue Service's updated hardship distribution regulations.

NOTE 8 - SUBSEQUENT EVENTS

On May 25, 2022, the Plan was amended to specify that Lost Arrow, Inc., is no longer a participating employer in the Plan, effective June 1, 2022.

In June 2022, the Plan document was restated to migrate the Plan to the current Internal Revenue Service pre-approved template used by Vanguard. The Company made a plan design change to exclude employees from non-U.S. affiliates who transfer to a participating U.S. affiliate on a temporary basis.

Management has evaluated subsequent events through December 22, 2022, the date on which the financial statements were available to be issued. Except as noted above, there were no other material subsequent events that required recognition or additional disclosures in these financial statements.
