INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Rhode Island Eye Institute 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the accompanying financial statements of Rhode Island Eye Institute 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of October 4, 2022 (in liquidation) and December 31, 2021 (ongoing), and the related statement of changes in net assets available for benefits for the period January 1, 2022 through October 4, 2022 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 15, 2022 and December 31, 2021 and for the period ended August 15, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note 1 to the financial statements, the plan sponsor elected to terminate the Plan effective March 18, 2022, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the December 31, 2021 financial statements to the liquidation basis used in presenting the October 4, 2022 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional

omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
OCTOBER 4, 2022 (IN LIQUIDATION)
AND DECEMBER 31, 2021 (ONGOING)

1. DESCRIPTION OF THE PLAN

The following description of the Rhode Island Eye Institute 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution profit-sharing plan covering substantially all employees of Rhode Island Eye Institute, LLC and Ophthalmology, Inc. (collectively referred to as the Company) who had completed three months of services and attained the age of twenty-one. Employees of the Company were eligible for participation in the Plan upon completion of the age and service requirements on the first day of the following month as defined in the Plan agreement. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Termination

In March 2022, management of the Company elected to terminate the Plan. The Plan was amended to initiate the termination of the Plan effective March 18, 2022. As a result of such termination, no additional employees were eligible to become participants of the Plan and no participant elective deferrals or employer contributions were permitted, except as required to satisfy the results of nondiscrimination testing. All participants became 100% vested in the Company's contribution portion of their accounts, plus actual earnings thereon. Each affected participant received the value of his or her account in accordance with the plan agreement on or before October 4, 2022.

Contributions

Eligible participants had the option to elect to contribute a percentage or amount of their pre-tax annual compensation to the Plan subject to the maximum salary reduction contributions permitted by the Internal Revenue Service (IRS). The Plan allowed Roth employee contributions. Participants who had attained age 50 before the end of the plan year were eligible to make catch-up contributions. Participants could have also contributed amounts representing distributions from other qualified plans (rollovers). Catch-up contributions were eligible for inclusion in the calculation of employer matching contributions. Participants directed the investment of their contributions through self-directed brokerage accounts, or through various investment options offered by the Plan.

The Company had the option to elect to make an annual discretionary employer matching contribution to the Plan. Additionally, the Company had the option to make quarterly

See independent auditors' report.

non-elective profit-sharing contributions to the Plan. Such quarterly profit-sharing contributions, if any, were allocated to all participants meeting the hours of service requirement during the plan year if employed on the last day of each quarter. All contributions to participants' accounts are allocated among various investments based on each participant's elections. Contributions were subject to certain IRS limitations. The Company did not elect to make any employer matching contributions or profit-sharing contributions during the period ended October 4, 2022.

Participant Accounts

Each participant's account was credited with the participant's contributions and allocations of the Company's discretionary matching and nonelective profit sharing contributions and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant was entitled was the benefit that could have been provided from the participants' vested account.

Vesting

Participants were vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and nonelective profit sharing contribution portion of their accounts was based on years of service. Vesting occurred in 20% increments each year commencing upon completion of two years of service. A participant was 100% vested after six years of service. Upon termination of the Plan, all participants became 100% vested in the Company's contribution portion of their accounts, plus actual earnings thereon.

Notes Receivable from Participants

Participants had the option to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans were secured by the participant's vested account balance and bore interest at rates ranging from 4.25% to 6.50%. Loans were to be repaid over a period not to exceed five years unless the loan proceeds were used for the purchase of a primary residence, in which case a longer repayment period was allowed. Principal and interest was paid ratably through bi-weekly or monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant, or their beneficiary, had the option to receive a lump-sum amount equal to the value of the

participant's vested interest in his or her account. The Plan provided for mandatory distribution of a participant's vested account balance following severance from employment if such amount was less than \$5,000.

Participants' retirement benefits were determined by the value of each participant's vested interest in his or her account as of the most recent valuation date, plus any participant contributions made since such valuation date. In the case of death, disability, or reaching the normal retirement age of 65, participants became fully vested in the Company's matching and profit sharing contribution portion of their accounts.

All participant account balances have been disbursed as of October 4, 2022.

Early Withdrawals

Prior to termination of employment, disability, or death, participants had the option to elect to withdraw up to 100% of the value of their account attributable to their salary deferral contributions in the event of serious financial hardship as defined in the plan agreement. Such withdrawal cannot exceed the amount necessary to meet the financial hardship and was subject to restrictions as defined in the plan document.

Forfeited Accounts

Forfeited balances of terminated participants' nonvested accounts were held in a separate account within the Plan and shall be first used to offset administrative expenses of the Plan then any remaining forfeitures shall be used to reduce employer contributions. As of December 31, 2021, forfeited non-vested accounts totaled approximately \$700. As of October 4, 2022, there were no forfeited non-vested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements as of October 4, 2022 have been prepared on the liquidation basis of accounting. The statement of net assets available for benefits as of December 31, 2021 has been prepared using the ongoing basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities

See independent auditors' report.

RHODE ISLAND EYE INSTITUTE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS OCTOBER 4, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021 (ONGOING)

and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by investment advisers and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period January 1, 2022 through October 4, 2022 (date of liquidation).

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses was considered necessary as of October 4, 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan were paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant accounts and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through February 6, 2023, which is the date the financial statements were available to be issued.

See independent auditors' report.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual Funds: Valued at the daily closing prices as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS OCTOBER 4, 2022 (IN LIQUIDATION) AND DECEMBER 31, 2021 (ONGOING)

Self-directed brokerage accounts: These accounts include mutual funds, common stock, exchange traded funds, and U.S. government securities, all of which are valued at the closing price reported in the active markets in which the securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's net assets at fair value at December 31, 2021:

	Assets at Fair Value			Total
	Quoted Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	
Investments at fair value:				
Mutual funds	\$ 18,004,056	\$ -	\$ -	\$ 18,004,056
Self-directed brokerage accounts	1,886,592	392,590	-	2,279,182
Total investments at fair value	<u>\$ 19,890,648</u>	<u>\$ 392,590</u>	<u>\$ -</u>	<u>\$ 20,283,238</u>

4. TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under Department of Labor (DOL) Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. Transactions with parties-in-interest for the period January 1, 2022 through October 4, 2022 (date of liquidation) were as follows:

Investments

Fees incurred by the Plan for investment management services are included in net depreciation in the fair value of investments.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from the accompanying financial statements. Also, certain employees of the Company, who are also Plan participants, perform administrative services on behalf of the Plan at no cost to the Plan.

See independent auditors' report.

5. TAX STATUS

The Plan has adopted a prototype plan sponsored by Angell Pension Group. Angell Pension Group has received an opinion letter dated June 30, 2020, that the prototype plan is designed in accordance with applicable requirements of the Internal Revenue Code (IRC). The Plan may request its own determination letter from the appropriate District Director of the IRS. The Company has not, to date, made such a request. The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, a provision for income taxes has not been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or the DOL. The plan administrator has analyzed the tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and DOL, however, there are currently no audits for any tax periods in progress.

6. PLAN FINANCIAL INFORMATION CERTIFIED BY CUSTODIAN
