INDEPENDENT AUDITOR'S REPORT

Marsh Saldaña, Inc. Employee Benefits Committee and Participants
Marsh Saldaña, Inc. Salary Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Marsh Saldaña, Inc. Salary Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from Great-West Life & Annuity Insurance Company a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by Great-West Life & Annuity Insurance Company a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Marsh Saldaña, Inc. Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marsh Saldaña, Inc. Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marsh Saldaña, Inc. Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marsh Saldaña, Inc. Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MARSH SALDAÑA, INC. SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of the Marsh Saldaña, Inc. Salary Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- a. **General** - The Plan, established in 1979, is a participant directed defined contribution plan covering all full-time employees of Marsh Saldaña, Inc. (formerly Saldaña & Associates, Inc.) (the “Plan Sponsor”) who have one year of service, as defined, and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- b. **Contributions** - Each year, participants may contribute an amount not to exceed the maximum allowed for deferral by the Puerto Rico Treasury Department. Maximum employee’s contributions are 2% of compensation, as defined. The Plan Sponsor contributes 250 percent of a participant’s eligible contributions - up to 2% of compensation as defined. To be eligible for allocation of the Plan Sponsor’s contribution, a participant must have worked at least 1,000 hours during the plan year and must be employed by the Plan Sponsor on the last day of the plan year. Additional amounts may be contributed at the option of the Plan Sponsor’s Board of Directors.
- c. **Participant Accounts** - Each participant’s account is credited with the participant’s contribution and allocations of: (a) the Plan Sponsor’s contribution and, (b) Plan earnings. Allocation of Plan earnings is based on the participant’s account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Forfeitures are allocated as if they were Plan Sponsor contributions and are used to reduce such contributions.
- d. **Vesting** - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor’s matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested upon attaining three years of credited service, and 0 percent vested prior to that. Notwithstanding the above, all participants are 100 percent vested upon attaining normal retirement age.
- e. **Investment Options** - Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options available under Great-West Life & Annuity Insurance Company. The following investments options were available during the year the years ended December 31, 2021 and 2020:

1. DESCRIPTION OF THE PLAN (Continued)

- f. **Notes Receivable from Participants** - Loans to participants are permitted for amounts in excess of \$1,000. In no event will a loan be granted for an amount exceeding 50% of a participant's account balance. Loans have terms of between 1 and 5 years (15 years in the case of loans for the purchase of a principal residence). Loans issued bear interest at a rate of prime interest plus 1%. Outstanding loans at 2020 and 2021 bore interest ranging from 4.25% to 8% based on the issuance date. Principal and interest repayment, made through payroll deductions, accrue to the participant's account. Also loan refinancing is not allowed.
- g. **Payment of Benefits** - Upon termination of service due to death, disability or retirement, a participant may elect to receive either by a lump-sum amount equal to the participant's vested interest in his or her account; or by a joint and 50% survivor annuity, if his or her vested interest exceeds \$5,000.
- h. **Forfeited Accounts** - At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$9,204 and \$8,363, respectively. These accounts may be used to reduce future employer contributions, to reduce related plan cost and expenses or to be allocated to participant's accounts on an annual basis. During the year ended December 31, 2020, the Plan used forfeitures in the amount of \$48,134 to cover employer contributions. No forfeitures were used during the year ended December 31, 2021.
- i. **Administration Costs** - The Plan routinely incurs in expenses for the services of lawyers, actuaries, accountants, third party administrators, and other advisors. Some of these expenses may be paid directly by the Plan Sponsor while other expenses may be paid from the assets of the Plan. The expenses that are paid from Plan assets are shared by all participants either on a pro-rata basis or an equal dollar basis. If the expense is paid on a pro-rata basis, an amount is deducted from the participants account based on its value as compared to the total value of all participants' accounts.
- j. **Plan Termination** - Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The Plan's policy is to prepare its financial statements using the accrual basis of accounting.

Investment Contract (Key Guarantee Portfolio Fund) held by a defined contribution plan are reported at contract value as contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits is prepared using the contract value basis for fully benefit-responsive investment contracts. (See Note 5).

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments Valuation and Income Recognition - Investment are reported at fair value (except for the fully benefit responsive investment contract (Key Guaranteed Portfolio Fund), which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Such notes receivables are guaranteed by the allocation that each participant holds in their respective investments and/or investment contract. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Benefits Payable - The Plan accounts for benefits payable in accordance with Accounting Standard Codification (ASC) 962-205-50-1. ASC 962-205-50-1 requires that benefits payable to persons who have withdrawn from participation in a defined contribution plan be disclosed in the notes to the financial statements rather than recorded as a liability of the Plan. Net assets available for benefits to participants who elected to withdraw from the plan at December 31, 2021 and 2020 amounted to \$978,103 and \$1,040,653, respectively.

Subsequent Events - The plan has evaluated subsequent events through February 13, 2023, which is the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY CUSTODIAN OF THE PLAN ASSETS (UNAUDITED)

Following is a summary of the investment's information provided to the Plan Administrator by Great-West Life & Annuity Insurance Company (Great-West), the custodian of the Plan's assets, regarding the Plan investments as of and for the years ended December 31, 2021 and 2020, included in the Plan's financial statements and supplemental schedule. The Plan Administrator has obtained certifications from the custodian that such information is complete and accurate:

Total	<u>\$ 16,673,713</u>	<u>\$ 15,623,971</u>

The investments gains (losses) for the years ended December 31, 2021 and 2020 are as follows:

Total	<u>\$ 699,491</u>	<u>\$ 1,505,899</u>	<u>\$ 425,785</u>	<u>\$ 1,045,018</u>

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements, supplemental schedules and Note 4.

4. FAIR VALUE OF ASSETS AND LIABILITIES

The Plan adopted FASB ASC 820-10 (“SFAS 157”) “Fair Value Measurements”. FASB ASC 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 (“SFAS 157”) are described below:

Basis of Fair Value Measurement:

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3 - Prices or valuations that required inputs that are both significant to the fair value measurement and unobservable.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual funds: Valued at the quoted net asset value (“NAV”) of shares held by the Plan at year end from the National Securities Clearing Corporation and/or directly from a fund house or a secondary pricing source, such as Interactive Data Corporation.

Guaranteed portfolio: Valued at contract value based on the earnings of the underlying assets in the entire medium - long term new portfolio compared to the minimum interest crediting rate as stated in the contract and prevailing market conditions. Interest crediting rate is reset quarterly. (See Note 5),

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value:

		December 31, 2021		
		Fair value measurements using		
	Total Assets at Fair Value	Quoted prices in active markets for identical assets/liabilities (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Key Guaranteed portfolio	\$ 1,154,415	\$ -	\$ 1,154,415	\$ -
Mutual funds	15,510,094	15,510,094		-
Other investments in separate accounts	9,204	9,204		-
Total	<u>\$ 16,673,713</u>	<u>\$ 15,519,298</u>	<u>\$ 1,154,415</u>	<u>\$ -</u>

4. FAIR VALUE OF ASSETS AND LIABILITIES (Continued)

	December 31, 2020			
	Fair value measurements using			
	Total Assets at Fair Value	Quoted prices in active markets for identical assets/liabilities (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)

Mutual funds	14,419,478	14,419,478		-
Other investments in separate accounts	8,363	8,363		-
Total	<u>\$ 15,623,971</u>	<u>\$ 14,427,841</u>	<u>\$ 1,196,130</u>	<u>\$ -</u>

5. KEY GUARANTEED PORTFOLIO FUND WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company (Great-West). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is benefit-responsive, contract value is the relevant measurement attributable for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value which approximates fair value. No adjustment was required in the statement of Net Assets Available at December 31, 2021 and 2020, because as reported by Great-West, both, "fair value" and "contract value" are the same value. Contract value, as reported to the Plan by Great-West, represents contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value (which approximates fair value) of the investment contract at December 31, 2021 and 2020, was \$1,154,415 and \$1,196,130, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the schedule maturity date.

5. KEY GUARANTEED PORTFOLIO FUND WITH INSURANCE COMPANY (Continued)

The average yields earned by the guaranteed investment contract are as follows:

Average yields:	2021	2020
Based on actual earnings	1.00%	1.04%
Based on interest rate credited to participants	0.90%	1.04%

6. INCOME TAXES

The Plan constitutes a qualified plan, exempted from income tax under the provisions of Section 1081.01 of the Puerto Rico Internal Revenue Code. The Plan is not a qualified plan under the Internal Revenue Code of the United States. In June 2015, the Plan received acknowledgment from the Puerto Rico Treasury Department regarding the notification of the Plan's most recent amendment, effective January 1, 2012, and assertions as to lack of objection to the amendment and the understanding that the amendment will not affect the ruling issued on behalf of the Plan in July 2009.

In July 20, 2018, the Plan amended the Plan's adoption agreement, effective September 20, 2017, to incorporate financial hardship withdrawals pursuant to Administrative Determination No. 17-29.

The plan administrator and the plan's tax counsel believe that the Plan is currently designed and being operation in compliance with the applicable requirements, therefore, they believe that the Plan was qualified as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Puerto Rico Treasury Department. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations the years prior to 2017.

7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of funds managed by Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company is the custodian and record keeper; therefore, these transactions qualify as party-in-interest transactions. Fees paid to party in interest by the plan during the year ended December 31, 2021 included payments to A&A Employee Benefit Consulting Corp., as benefit consultant and contract administrator; Resources Investment Advisors as investment advisors; and Great-West Life & Annuity Insurance Company as recordkeeper amounted to \$10,000, \$108,939, and \$22,580, respectively. Fees paid to party in interest by the plan during the year ended December 31, 2020 included payments to A&A Employee Benefit Consulting Corp., as benefit consultant and contract administrator; Resources Investment Advisors as investment advisors; and Great-West Life & Insurance Company as recordkeeper amounted to \$10,000, \$102,368, and \$15,121, respectively.

The Administrative Committee as Trustee is also considered as party of interest to the Plan.

8. RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

IRS announces tax relief for Puerto Rico victims of Hurricane Fiona

PR-2022-10, September 19, 2022

WASHINGTON — Victims of Hurricane Fiona beginning September 17, 2022, now have until February 15, 2023, to file various individual and business tax returns and make tax payments, the Internal Revenue Service announced today.

Following the recent disaster declaration issued by the Federal Emergency Management Agency, the IRS announced today that affected taxpayers in certain areas will receive tax relief.

Individuals and households affected by Hurricane Fiona that reside or have a business in all 78 municipalities in Puerto Rico qualify for tax relief. The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This means individuals who had a valid extension to file their 2021 return due to run out on October 17, 2022, now have until February 15, 2023, to file. The IRS noted, however, that because tax payments related to these 2021 returns were due on April 18, 2022, those payments are not eligible for this relief.

The February 15, 2023, deadline also applies to the quarterly estimated tax payments, normally due on January 17, 2023 and to the quarterly payroll and excise tax returns normally due on October 31, 2022 and January 31, 2023. Businesses with an original or extended due date also have the additional time, including calendar-year corporations whose 2021 extensions run out on October 17, 2022.

Penalties on payroll and excise tax deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits are made by October 3, 2022.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original or extended filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty. For information on services currently available, visit the [IRS operations and services](#) page at [IRS.gov/coronavirus](https://www.irs.gov/coronavirus).

Covered Disaster Area

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](tel:866-562-5227) to request this tax relief.

The localities listed above constitute a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected Taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until February 15, 2023 to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after September 17, 2022, and before February 15, 2023, are granted additional time to file through February 15, 2023.

Affected taxpayers that have an estimated income tax payment originally due on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, and will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before February 15, 2023.

The IRS also gives affected taxpayers until February 15, 2023, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits were made by October 3, 2022.

Casualty Losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. See [Publication 547](#) for details.

Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684, Casualties and Thefts](#) [PDF](#) and its [instructions](#) [PDF](#).

Affected taxpayers claiming the disaster loss on their return should put the Disaster Designation, "**Puerto Rico**

Hurricane Fiona" in bold letters at the top of the form. Be sure to include the FEMA disaster declaration number, **EM-3583-PR**, on any return. See [Publication 547](#) for details.

Other Relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned Disaster Designation "**Puerto Rico Hurricane Fiona**" in bold letters at the top of [Form 4506, Request for Copy of Tax Return](#) [PDF](#), or [Form 4506-T, Request for Transcript of Tax Return](#) [PDF](#), as appropriate, and submit it to the IRS.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may [download forms and publications](#) from the official IRS website, IRS.gov.
