INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
**Plan De Compensación Diferida 1165(e) del
Concilio de Salud Integral de Loíza, Inc.**
Loiza, Puerto Rico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of **Plan De Compensación Diferida 1165(e) del Concilio de Salud Integral de Loíza, Inc.** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and 2020 and the related statements of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Plan De Compensación Diferida 1165(e) del Concilio de Salud Integral de Loíza, Inc.**'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of **Plan De Compensación Diferida 1165(e) del Concilio de Salud Integral de Loíza, Inc.** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Plan De Compensación Diferida 1165(e) del Concilio de Salud Integral de Loíza, Inc.**'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Plan De Compensación Diferida 1165(e) del Concilio de Salud Integral de Loíza, Inc.**'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Plan De Compensación Diferida 1165(e) del Concilio de Salud Integral de Loíza, Inc.**'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

1. DESCRIPTION OF PLAN

The following description of the **Plan De Compensación Diferida 1165(e) del Concilio de Salud Integral de Loíza, Inc.** (the Plan) provides only general information. Participants should refer to the Summary of the Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of **Plan De Compensación Diferida 1165(e) del Concilio de Salud Integral de Loíza, Inc.** who have completed twelve (12) consecutive months of service and are age 18 years or older. The original effective date of the Plan was October 1, 2001. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

Effective October 1, 2001, Concilio de Salud Integral de Loíza, Inc. a non-profit organization, (the Company) created a committee to serve as the Plan Administrator. The Plan's Committee is composed mainly of the Company's President, Vice-president, and Finance Director. The Plan's Trustee is Plan's Sponsor President. The Plan's recordkeeper and custodian are Great-West Life and Annuity Insurance Company which is responsible for managing the investments, administrative matters, and recordkeeping of the Plan's participant transactions.

Contributions

A participant may contribute not less than 2% of pre-tax annual compensation as defined in the Plan and shall not exceed the pre-tax contribution limit allowed under Puerto Rico Internal Revenue Code section 1081.01(d) (\$15,000). The participants may contribute after-tax contributions and may not be less than 1% nor exceed 10% of compensation. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants.

The Employer will make Matching Contributions equal to \$1.50 for each dollar of a Participant's Matchable Contributions. However, the Employer will not make Matching Contributions on Matchable Contributions that exceed 2% of the Participant's Compensation during any Matching Period. The Matching Period according to Plan Document is "Monthly". Employer Matching Contributions will be allocated among a Participant's Pre-Tax Contributions.

Rollover Contributions

Participants may roll over their funds previously held for their account in another employee benefit plan on a tax-free basis.

1. DESCRIPTION OF PLAN, (Continued)

Participants Accounts

Each participant's account is credited with the participant's and Company contributions and a pro-rata allocation of the Plan's earnings, net of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants become immediately vested at the time of participation in the Plan in their contributions plus actual earnings thereon. Vesting in the Company's matching contributions portion of their accounts, plus actual earnings thereon are based on years of continuous service. Participants become 100% vested in the matching contributions after three years of credited service.

Payment of Benefits

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company, or termination of the Plan, the participant's account is distributed in the form of a lump sum distribution equal to the value of the participant's vested interest in his/her account or monthly, quarterly, semiannual or annual installments over a period of years certain.

In conditions of "financial hardship", a participant may apply to the Plan Administrator for approval to withdraw that portion of his retirement account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Upon termination of the Plan, the assets will be distributed to participants in accordance with the Plan's provisions and existing laws and regulations.

Forfeited Accounts

On December 31, 2021, forfeited non-vested accounts totaled \$7,190. These accounts will be used by the Plan's Sponsor to reduce future employer contributions or Plan administrative expenses.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Company contributions of their account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting and have been prepared in accordance with generally accepted accounting principles of the United States of America.

Investments Valuation and Income Recognition

Investments are reported at fair value, except for investment contracts, which are reported at contract value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The mutual funds are credited with actual earnings on the underlying investments and charged for participants' withdrawals and administrative expenses. The investment contract is based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

Investment Contract

Investment Contract (Key Guarantee Portfolio Fund) held by a defined contribution plan are reported at contract value as contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Changes in Net Assets Available for Benefits is prepared using the contract value basis for fully benefit-responsive investment contracts.

Use of Estimates

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America, which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Benefit Payments

Benefit payments are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)

Administrative Expenses

The Company provides certain administrative and accounting services to the Plan at no cost. Administrative expenses including audit fees and legal fees are paid directly by the Company. Other administrative expenses directly incurred by the Plan include investment management and distribution fees charged directly to the participant's accounts. These administrative expenses are presented as a deduction to net assets on the Statement of Changes in net Assets Available for Benefits.

Risk and Uncertainties

The Plan provides for various investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

Date of Management Review

Subsequent events were evaluated through February 13, 2023, which is the date the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held on December 31, 2021, net appreciation in fair value of investments, and interest and dividends for the year then ended, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Custodian. The table below presents the investments held by the custodian:

4. FAIR VAUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

Financial Accounting Standard Board (FASB) established the Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, which provides a framework for defining and measuring fair value under generally accepted accounting principles. This codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. In some cases where market prices are not available, observable market-based inputs are used to calculate fair value, in which case the measurements are classified within Level 2. If quoted or observable market prices are not available, fair value is based upon internally developed models that use, where possible, current market-based parameters such as interest rates, yield curves, and currency rates. These measurements are classified within Level 3.

The fair value of mutual funds is based upon quoted prices in active markets for identical assets and liabilities therefore classified as Level 1.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021, and 2020.

		Fair Value Measurements at the End of the Reporting Year Using:		
		Level 1	Level 2	Level 3
<u>December 31, 2021</u>				
Mutual Funds	\$	2,455,225	\$ -	\$ -
<u>December 31, 2020</u>

5. KEY GUARANTEED PORTFOLIO FUND WITH INSURANCE COMPANY

In 2008, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Great-West Life and Annuity Insurance Company. Great-West Life and Annuity Insurance Company maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, the contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Great-West Life and Annuity Insurance Company, represents contributions made under the contract, plus earnings, fewer participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract on December 31, 2021, was \$552,441. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Great-West Life and Annuity Insurance Company. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or a merger with another plan), (b) changes to the Plan's prohibition on competing for investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or a material misrepresentation. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement before the scheduled maturity date.

Notes to Financial Statements

6. TAX STATUS

The Plan constitutes a qualified plan exempt from income tax under the Puerto Rico Internal Revenue Code of 2011, Section 1081.01. On January 1, 2012, the Plan received acknowledgment from the Puerto Rico Treasury Department that the Plan and related trust are designed in accordance with applicable requirements of Section 1081.01 of the Puerto Rico Internal Revenue Code of 2011. The Plan Administrator and the Plan's Tax Counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements, therefore, they believe that the Plan was qualified as of the financial statements date.

Accounting principles generally accepted in the United States of America require the management of the Plan to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Puerto Rico Treasury Department. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years before 2012.

7. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has a group annuity contract managed by Great-West Life and Annuity Insurance Company and its subsidiaries and/or affiliates. Certain subsidiaries provide administration, custodial, and recordkeeping services. These specific investments issued or managed by Great-West Life and Annuity Insurance Company qualify as party-in-interest transactions.

8. NON-EXEMPT TRANSACTIONS

As reported in Schedule H, Line 4a- Schedule of Delinquent Participant Contributions, the Plan remitted various participant contributions to the Plan after the date required by Department of Labor Regulation 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company. Late remittances for the years 2021 and 2020 amounted to \$133,500 and \$122,563, respectively. The Company is currently in the process of remitting lost earnings to the Plan in 2023.

9. SUBSEQUENT EVENTS

On September 17, 2022, the Puerto Rico Governor, Hon. Pedro Pierluisi, issued Executive Order No. OE-2022-045, declaring a state of emergency due to the passing of Hurricane Fiona through the Island. Consequently, on September 27, 2022, the Puerto Rico Treasury Department ("PR Treasury") issued Administrative Determination No. 22-08 ("AD No. 22-08"), summarizing the fiscal administration measures for the benefit of taxpayers and authorized representatives affected by the emergency that has been generated as a result of Hurricane Fiona. Among these administrative measures, the PR Treasury announced the availability of Qualified Retirement Plans and Individual Retirement Accounts (IRAs) to issue special hardship distributions. Distributions must be made between October 6, 2022, and December 31, 2022 (the Eligible Period).

Concilio de Salud Integral de Loíza, Inc.**
Loíza, Puerto Rico

The stockholders and staff of De Angel & Compañía, CPA, LLC, are pleased to announce the successful completion of an independent peer review of our accounting and auditing practice. This review was undertaken as a condition of membership in the American Institute of Certified Public Accountants (AICPA), the national organization of CPAs in public practice, industry, government, and education.

In 1988, the members of the AICPA overwhelmingly approved a proposal to require members in public practice to participate in a practice-monitoring program. In August 2000, the Puerto Rico Society of CPAs (PRSCPA) adopted a voluntary peer review program, which follows the lead established by the AICPA.

Our peer review was conducted by **Román Toro & Co., CPA, PSC**, an independent firm (the Reviewer). The Reviewer first determined that we have an adequate quality control system, and then checked to see that professional's standards were followed in a representative sample of our accounting and auditing engagements.

After a thorough study of our policies and procedures, the Reviewer concluded our firm complies with the stringent quality control standards established by the AICPA and the PRSCPA. Our firm is committed to periodic peer reviews to foster quality performance.

Bankers, bonding agents, investors, suppliers, legal advisors, and others use the financial statements our firm audits, reviews, or compiles. We think those people, our clients, and our staff deserves independent quality assurance that our firm provides quality services. We are proud of our peer review results and would be happy to answer any questions you might have.

Sincerely,

Carlos De Ángel Ramírez

IRS announces tax relief for Puerto Rico victims of Hurricane Fiona

PR-2022-10, September 19, 2022

WASHINGTON — Victims of Hurricane Fiona beginning September 17, 2022, now have until February 15, 2023, to file various individual and business tax returns and make tax payments, the Internal Revenue Service announced today.

Following the recent disaster declaration issued by the Federal Emergency Management Agency, the IRS announced today that affected taxpayers in certain areas will receive tax relief.

Individuals and households affected by Hurricane Fiona that reside or have a business in all 78 municipalities in Puerto Rico qualify for tax relief. The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This means individuals who had a valid extension to file their 2021 return due to run out on October 17, 2022, now have until February 15, 2023, to file. The IRS noted, however, that because tax payments related to these 2021 returns were due on April 18, 2022, those payments are not eligible for this relief.

The February 15, 2023, deadline also applies to the quarterly estimated tax payments, normally due on January 17, 2023 and to the quarterly payroll and excise tax returns normally due on October 31, 2022 and January 31, 2023. Businesses with an original or extended due date also have the additional time, including calendar-year corporations whose 2021 extensions run out on October 17, 2022.

Penalties on payroll and excise tax deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits are made by October 3, 2022.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original or extended filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty. For information on services currently available, visit the [IRS operations and services](#) page at [IRS.gov/coronavirus](https://www.irs.gov/coronavirus).

Covered Disaster Area

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](tel:866-562-5227) to request this tax relief.

The localities listed above constitute a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected Taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until February 15, 2023 to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after September 17, 2022, and before February 15, 2023, are granted additional time to file through February 15, 2023.

Affected taxpayers that have an estimated income tax payment originally due on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, and will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before February 15, 2023.

The IRS also gives affected taxpayers until February 15, 2023, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits were made by October 3, 2022.

Casualty Losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. See [Publication 547](#) for details.

Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684, Casualties and Thefts](#) [PDF](#) and its [instructions](#) [PDF](#).

Affected taxpayers claiming the disaster loss on their return should put the Disaster Designation, "**Puerto Rico**

Hurricane Fiona" in bold letters at the top of the form. Be sure to include the FEMA disaster declaration number, **EM-3583-PR**, on any return. See [Publication 547](#) for details.

Other Relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned Disaster Designation "**Puerto Rico Hurricane Fiona**" in bold letters at the top of [Form 4506, Request for Copy of Tax Return](#) [PDF](#), or [Form 4506-T, Request for Transcript of Tax Return](#) [PDF](#), as appropriate, and submit it to the IRS.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may [download forms and publications](#) from the official IRS website, IRS.gov.
