INDEPENDENT AUDITOR'S REPORT

February 2, 2023

To the Plan Administrator of the
DeCarolis Truck Rental, Inc. Profit Sharing and Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DeCarolis Truck Rental, Inc. Profit Sharing and Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of April 29, 2022 (in liquidation) and December 31, 2021 (ongoing), and the related statements of changes in net assets available for benefits for the period ended April 29, 2022 (in liquidation) and the year ended December 31, 2021 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DeCarolis Truck Rental, Inc. Profit Sharing and Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of April 29, 2022 and December 31, 2021, and for the period ended April 29, 2022 and year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DeCarolis Truck Rental, Inc. Profit Sharing and Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Basis of Accounting

As discussed in Note 1 to the financial statements, the governing body of DeCarolis Truck Rental, Inc. Profit Sharing and Savings Plan approved a plan of liquidation on February 27, 2022, and management determined liquidation is imminent. As a result, DeCarolis Truck Rental, Inc. Profit Sharing and Savings Plan changed its basis of accounting from the going-concern basis used in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DeCarolis Truck Rental, Inc. Profit Sharing and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

DECAROLIS TRUCK RENTAL, INC. PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS APRIL 29, 2022 AND DECEMBER 31, 2021

1. DESCRIPTION OF PLAN

The following description of the DeCarolis Truck Rental, Inc. Profit Sharing and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan covering substantially all of the employees of DTR and Monroe School Transportation, Inc. (MST), a former wholly-owned subsidiary of DTR (collectively, the Company or the Plan Administrator). In January 2018, coinciding with the sale of MST to an unrelated third-party, all employees of MST were terminated and were no longer contributing to the Plan. Each of these former participants became fully vested in their account balances as a result of the sale. The Plan contained both 401(k) and profit-sharing provisions. Unless otherwise indicated, the Plan provisions were identical for both components. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company was acquired by Penske Truck Leasing (Penske) through a transaction completed on December 17, 2021. In connection therewith, plan management resolved to terminate the Plan on February 27, 2022. No contributions were made to the Plan after January 31, 2022, and certain other Plan activity, such as originating participant loans, was restricted. The Plan continued to hold investments, recorded earnings and losses and certain other Plan activity, including benefit payments, until all assets were distributed from the Plan. On April 29, 2022, all remaining assets of the Plan were distributed and the Plan terminated.

Administration

DTR was the Plan Sponsor and administrator of the Plan. Ascensus Trust Company (Ascensus) served as the trustee of the Plan. Ascensus, Inc. was the third-party administrator of the Plan and provided record-keeping services to the Plan.

Eligibility

Employees were eligible to participate in the Plan upon completion of three months of continuous service.

Contributions

Participants were allowed to make voluntary tax-deferred contributions of up to 100% of their compensation, as defined by the Plan, subject to certain limitations under the Internal Revenue Code (IRC). The Plan contained an automatic enrollment provision. Newly eligible employees who had not affirmatively opted out of enrollment or made an alternative deferral election in the Plan were automatically enrolled at 2% of their compensation. As long as a participant did not opt out of the automatic increase provision, the participant's elective deferral amount was automatically increase by 1% each year at the beginning of each plan year, up to a maximum of 6%. The Company made matching contributions and/or profit-sharing contributions on a discretionary basis. The Company made no profit sharing contributions to the Plan for the period from January 1, 2022 to April 29, 2022 or for the year ended December 31, 2021. There were no matching contributions made for the period January 1, 2022 to April 29, 2022. The Company made matching contributions of \$1,966 for the year ended December 31, 2021.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Participants directed the investment of their contributions and the Company's contributions into the various investment options offered by the Plan. Each participant's account was credited with the participant's contribution, Company matching contributions, actual earnings or losses and allocations of (a) the Company's profit-sharing contributions and (b) administrative expenses of the Plan. Allocations of profit-sharing contributions and plan expenses were based on participant compensation and account balances, respectively. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

Participants were immediately vested in their contributions and actual earnings and losses thereon. Employer contributions vested 20% per year beginning upon completion of two years of service. Participants were fully vested after completion of six years of service.

Benefit Payments

The Plan provided for benefit payments upon termination of service, death, disability or attainment of retirement age. Participants were allowed to elect disbursement of their vested account balance in a lump-sum amount, in installments, or as a direct rollover into an individual retirement account or another qualified plan. The normal retirement age was the date a participant reaches the age of 65.

In-Service Withdrawals

Participants were allowed to elect disbursement of all or part of their account balances upon the attainment of age 59 ½. Participants were also allowed to withdraw their rollover contribution account balance at any time.

Hardship Withdrawals

Hardship withdrawals from the Plan were permitted from a participant's account in certain circumstances. All hardship withdrawals needed to comply with the rules relating to hardships, which were uniformly applicable to all participants.

Notes Receivable from Participants

Participants were allowed to borrow up to the lesser of \$50,000 or 50% of their vested account balance. Loan terms ranged from one to five years, unless they were used to purchase a primary residence, in which case repayment did not exceed ten years. The loans were secured by the balance in the participant's account and bore interest at a fixed rate equal to the prime rate at the date of the loan application. Principal and interest were paid ratably through payroll deductions.

Administrative Expenses

The Plan paid most of the significant expenses associated with the administration of the Plan. Certain administrative expenses were paid by the Company.

Forfeitures

Forfeitures of non-vested account balances were used to offset Plan expenses or reduce employer contributions. Forfeitures and earnings (losses) of non-vested account balances totaled (\$80) and \$6,936 during 2022 and 2021, respectively. Amounts used to offset administrative expenses and employer contributions totaled \$1,473 and \$5,400 during 2022 and 2021, respectively. There was no balance of forfeited non-vested accounts at April 29, 2022. At December 31, 2021 there was \$1,552 of forfeited account balances available to offset future expenses or employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

In accordance with the Plan termination effective February 27, 2022, the Plan was terminated in 2022 as a standard termination and the plan changed its basis of accounting from the ongoing basis to the liquidation basis of accounting. Accordingly, the Plan's financial statements have been prepared on a liquidation basis of accounting for the period January 1, 2022 to April 29, 2022 and on the accrual basis (ongoing basis) of accounting as of and for the year ended December 31, 2021.

Investment Valuation and Income Recognition

Under the liquidation basis of accounting, the Plan's assets were stated at the estimated amount of cash or other consideration that the Plan expected to collect in settling or disposing of those assets in carrying out its plan for liquidation. Fair value approximated the estimated consideration for each of the Plan's assets subject to the liquidation basis of accounting for the period from January 1, 2022 through April 29, 2022.

Investments were stated at fair value for the year ended December 31, 2021. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities were recorded on a trade date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the near term could materially affect the amounts reported in the accompanying financial statements.

Fair Value Measurements

The Plan used various valuation techniques in determining fair value. Financial Accounting Standards Board Accounting Standards Codification 820 (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fell within the hierarchy for the year ended December 31, 2021 is presented in Note 4.

In certain cases, the inputs used to measure fair value fell into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy was determined based on the least reliable input that is significant to the fair value measurement.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Delinquent notes were reclassified as distributions based on the terms of the Plan document. No allowance for credit losses was provided at April 29, 2022 or December 31, 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Benefit Payments

Benefit payments were recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRC were recorded as a liability.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Ascensus, the trustee of the Plan, as of April 29, 2022 and for the period from January 1, 2022 to April 29, 2022 and as of and for the year ended December 31, 2021, and is included in the accompanying financial statements:

	April 29, <u>2022</u>	December 31, <u>2021</u>
Investments, at fair value	\$ <u> -</u>	\$ <u>9,666,472</u>
Notes receivable from participants	\$ <u> -</u>	\$ <u>186,123</u>
Investment income (loss)	\$ <u>(1,179,869)</u>	\$ <u>1,140,262</u>
Interest income on notes receivable from participants	\$ <u>554</u>	\$ <u>4,336</u>

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>9,127,140</u>	\$ <u> -</u>	\$ <u> -</u>	\$ 9,127,140
Common collective trusts, at NAV				<u>539,332</u>
				<u>\$ 9,666,472</u>

4. FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value for the year ended December 31, 2021.

Mutual funds: valued at fair value based on quoted market prices in active markets.

Common collective trusts: valued at fair value using the net asset value (NAV) per share practical expedient, which is derived from the market value of the underlying investments. The NAV of the funds are calculated and posted daily by the trustee. The investment strategies of the common collective trusts are generally to invest in underlying funds with the goal of producing favorable long-term returns and to provide a reliable source of income to Plan participants.

There were no restrictions on redemption of the common collective trusts, nor were there any unfunded commitments.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believed its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of financial instruments could result in different fair value measurements at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

Ascensus Trust Company was the trustee of the Plan. As such, transactions between Ascensus Trust Company and the Plan qualify as party-in-interest transactions. In addition, transactions involving notes receivable from participants qualify as party-in-interest transactions.

6. TAX STATUS

The Plan operated under a prototype plan developed by Ascensus, Inc. The Internal Revenue Service determined and informed Ascensus, Inc., by a letter dated March 31, 2014, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan did not apply for its own determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan was designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes have been included in the Plan's financial statements.

As of April 29, 2022 the Plan does not have a liability for unrecognized tax benefits. The Plan files Form 5500 with the Internal Revenue Service.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain items are classified differently between the financial statements and Form 5500. The following is a reconciliation of total net assets available for benefits per the financial statements to total net assets available for benefits per Form 5500 as of April 29, 2022 and December 31, 2021:

	April 29, <u>2022</u>	December 31, <u>2021</u>
Net assets available for benefits, per the financial statements	\$ -	\$ 9,835,934
Accrued loan interest on participant loans receivable	-	1,362
Participant contributions receivable	-	(5,869)
Adjustment for excess contributions	<u>-</u>	<u>24,496</u>
Net assets available for benefits, per Form 5500	<u>\$ -</u>	<u>\$ 9,855,923</u>

The following is a reconciliation of the Plan's change in net assets available for benefits per the financial statements to the change in net assets available for benefits per Form 5500 for the period January 1, 2022 to April 29, 2022 and for the year ended December 31, 2021:

	April 29, <u>2022</u>	December 31, <u>2021</u>
Change in net assets available for benefits, per the financial statements	\$ (9,835,934)	\$ 1,017,712
Excess contributions payable in the current year, paid in the following year	(24,496)	24,496
Change in accrued loan interest	(1,362)	203
Participant contributions receivable	5,869	(5,869)
Other	<u>-</u>	<u>(676)</u>
Change in net assets available for benefits, per Form 5500	<u>\$ (9,855,923)</u>	<u>\$ 1,035,866</u>

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through February 2, 2023, which is the date the financial statements were available to be issued.
