We have performed an audit of the financial statements of **1081.01 Retirement Plan for Employees of DDB Latina Puerto Rico, Inc.** ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **1081.01 Retirement Plan for Employees of DDB Latina Puerto Rico, Inc.** 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note (3) to the financial statements, is complete and accurate.

- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of **1081.01 Retirement Plan for Employees of DDB Latina Puerto Rico, Inc.** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **1081.01 Retirement Plan for Employees of DDB Latina Puerto Rico, Inc.**'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 financial statements of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **1081.01 Retirement Plan for Employees of DDB Latina Puerto Rico, Inc.**'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

1081.01 Retirement Plan for Employees of DDB Latina Puerto Rico, Inc.

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of the Plan:

The following description of the 1081.01 Retirement Plan for Employees of DDB Latina of Puerto Rico, Inc. (the "Plan") provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

(a) General –

The Plan was created on January 1, 1998. It is a defined contribution profit sharing plan with cash or deferred arrangement, which was created for the purpose of providing retirement benefits for eligible employees of DDB Latina of Puerto Rico, Inc. ("Plan Sponsor"). The Plan is established to comply with the requirements of Section 1081.01 of the Internal Revenue Code for a New Puerto Rico ("IRC-NPR"). The Puerto Rico Treasury Department ("PRTD") has ruled that the terms of the Plan meet the requirements of this Section. The effects of such qualification, maintained through the continued operations of the Plan, are to:

1. Exempt the Plan's investment income from income taxes,
2. Allow the Plan Sponsor to deduct annual contributions, made in accordance with the Plan, for income tax purposes; and
3. Allow eligible employees (participants under the Plan) to exclude such contributions, and income earned thereon, from their taxable income until distributed.

The Plan covers all full-time employees of DDB Latina of Puerto Rico, Inc., who are over 21 years of age. Effective January 1, 2010, qualified employees should also comply with a minimum service of at least one year or 1,000 service hours. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The PRTD issued Circular Letter of Internal Revenue No. 20-23 with the purpose of amending Circular Letter of Internal Revenue 20-09 to include under the definition of Eligible Expenses for the purpose of Special Disaster Distribution certain expenses incurred as a result of the state of emergency declared by the Governor of Puerto Rico because of the COVID-19 pandemic. Effective March 2020, the Plan allows withdrawals up to \$10,000 for special disasters distributions due to COVID-19.

As of December 31, 2021 and 2020, there were 122 and 129 participants, respectively, with account balances in the Plan.

(b) Contributions –

Each year, participants may contribute up to \$15,000 of pre-tax annual compensation, as established by Act No. 1 of January 31, 2011 of the IRC-NPR. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of \$1,500. Participants may also contribute to the Plan amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participants direct all or a portion of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and fixed annuities as investment options for participants. The Plan Sponsor may elect to match participant's contributions. During the year ended December 31, 2021, matching contributions were equal to 50 cents for each dollar of participant's pre-tax contribution, up to a maximum of 4% of participants' compensation.

1081.01 Retirement Plan for Employees of DDB Latina Puerto Rico, Inc.

Notes to Financial Statements December 31, 2021 and 2020

The Plan Sponsor may make annual discretionary contributions and/or profit-sharing contributions to the Plan, as determined by the Plan Sponsor every Plan year. During the year ended December 31, 2021 the Plan made profit-sharing contributions amounting to \$50,772 which are presented as employer contributions in the accompanying statement of changes in net assets.

(c) Participant accounts –

An account is maintained for each participant, credited with the participant's contribution and allocation of: a) the Plan Sponsor's contributions, b) investment income (losses), and charged with an allocation of administrative expenses, as applicable. Allocations are based on participants' earnings and account balances, as defined. The benefit to which a participant is entitled upon termination of employment is the vested portion of the amount accumulated in the participant's account.

(d) Vesting –

Participants are immediately vested on their contributions and the earnings thereon. Vesting on employer matching contributions and the balance of their employer profit sharing contributions accounts, including accumulated earnings thereon, is based on years of continuous service.

Vesting starts at 20% of the participant's account after the first year of service and increases by 20% for each additional year, to reach 100% after five years of credited service. Notwithstanding the above, participants will become fully vested on their profit-sharing contributions upon death, disability and plan termination.

(e) Forfeitures –

Forfeitures of non-vested account balances in any given year may be used to reduce the Plan's administrative expenses and then reallocated as profit sharing or matching contributions of the Sponsor. At December 31, 2021 and 2020, forfeited non-vested accounts amounted to \$41,144 and \$29,857, respectively. During the year ended December 31, 2021, no forfeitures were used to pay for administrative expenses or to reduce employer's matching contributions.

(f) Participant loans –

The Plan document stipulates that loans to participants are not permitted.

(g) Payment of benefits –

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount or installment payments equal to the value of the participant's vested interest in his or her account. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

(2) Summary of accounting policies:

(a) Basis of accounting –

The accompanying financial statements have been prepared using the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America (US GAAP).

(b) Basis of presentation –

The Plan's fiscal year ends on December 31st of each year. All references to years in these notes to financial statements represent calendar years unless otherwise noted. The Plan has evaluated subsequent events through February 15, 2023, the date the financial statements were available to be issued.

Notes to Financial Statements December 31, 2021 and 2020

(c) Change in accounting principle –

In August 2018, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) No. 2018-13, “Fair Value Measurement (Topic 820), Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement”. This new guidance removed certain disclosure requirements related to the fair value hierarchy, modified existing disclosure requirements related to measurement uncertainty and added new disclosure requirements. This new guidance was effective for the Plan beginning on January 1, 2020 and did not have a material impact on the Plan’s financial statements.

(d) Investment valuation and revenue recognition –

The Plan’s investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note (4) for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

(e) Excess participants’ contributions payable –

Amounts payable to participants for contributions in excess of amounts allowed by the PRTD are recorded as a liability with corresponding reduction to contributions. See related Note (6).

(f) Benefit payments –

Benefits paid directly to participants are recorded when paid. As of December 31, 2021 and 2020, there were no benefits due to withdrawn participants that had not been paid.

(g) Administrative expenses –

The Plan’s expenses are paid either by the Plan or by the Plan Sponsor, as provided by the Plan Document. Expenses that are paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included as a reduction of investment income presented in the accompanying statement of changes in net assets available for benefits.

(h) Risks and uncertainties –

The Plan invests in various investments securities. Investments securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

(i) Use of estimates –

The preparation of financial statements in conformity with US GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Notes to Financial Statements December 31, 2021 and 2020

(3) Certified investments:

Certain information related to investments disclosed in the accompanying financial statements and the Schedule of Assets (Held at End of Year), including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Great-West Trust Company, LLC, the Plan's custodian.

(4) Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1- Inputs to the valuation methodologies are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2- Inputs to the methodologies include:
 - (a) Quoted prices for similar assets or liabilities in active markets;
 - (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
 - (c) Inputs other than quoted prices that are observable for the asset or liability; and
 - (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

1081.01 Retirement Plan for Employees of DDB Latina Puerto Rico, Inc.

Notes to Financial Statements December 31, 2021 and 2020

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Assets at fair value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds, at fair value	<u>\$ 7,855,113</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,855,113</u>

<u>Assets at fair value as of December 31, 2020</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds, at fair value	<u>\$ 6,769,679</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,769,679</u>

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic condition or model-based valuation techniques may require transfer of financial instruments from one fair value to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there was no transfer in or out of levels 1, 2 or 3.

(5) Guaranteed investment contract with insurance company:

The Plan entered into a fully benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company (the Insurance Company.) It covers its Key Guaranteed Portfolio Fund, which is a general account product. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The average interest earned by the Plan were 1.15% and 1.40% for the years ended December 31, 2021 and 2020, respectively. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the fully benefit-responsive contract criteria, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Great-West Trust Company, LLC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020 was \$464,964 and \$399,142, respectively. The crediting interest rate is compounded daily to the effective annual interest rate. The interest rate to be credited during the calendar year will be determined by Great-West Trust Company, LLC prior to the last day of the previous calendar year and shall be reset annually. The effective annual interest rate will never be less than 1%.

Certain events might limit the ability of the Plan to transact at contract value with the insurance company. Such events include the following; (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the Employers or other Employers events that cause a

1081.01 Retirement Plan for Employees of DDB Latina Puerto Rico, Inc.

Notes to Financial Statements December 31, 2021 and 2020

significant withdrawal from the Plan, (iv) premature termination of the contract, among others. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The insurance company may not terminate the contract at any amount less than the contract value.

(6) Excess participants' contributions:

The Plan failed to pass the Average Deferral Percentage ("ADP") test for the years ended December 31, 2021 and 2020. As of December 31, 2021, and 2020, the accompanying statements of net assets available for benefits includes accounts payable amounting \$4,368 and \$17,904, respectively, representing excess participants refunds for the years ended 2021 and 2020. During the year 2021, the Plan reimbursed the 2020 excess contributions to the corresponding participants. The Plan reimbursed the 2021 excess contributions to the corresponding participants in April 2022.

(7) Administrative expenses:

The Trustee receives an administrative fee for the services performed under the Plan Agreement. The fee may be paid from the accumulated forfeitures or directly by the Sponsor without reimbursement by the Plan. During the year ended December 31, 2021, administrative expenses amounting to \$550 were paid by the Plan Sponsor.

(8) Party-in-interest investments and prohibited transactions:

The Plan's investment transactions are managed by the custodian, whose subsidiary is the record keeper of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined by ERISA. There were no prohibited transactions with party-in-interest during the year ended December 31, 2021.

(9) Plan termination:

Although it has not expressed any intent to do so, the Plan's Sponsor has the right under the Plan to discontinue its contributions at any time and/or terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in the employer contributions, portion of their accounts.

(10) Income tax status:

The Plan has received its latest determination letter from the PRTD dated September 26, 2016, stating that the Plan is qualified under Section 1081 of the IRC-NPR, and therefore, the related trust is exempt from taxation.

The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the PRTD.

Management has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

Notes to Financial Statements December 31, 2021 and 2020

(11) Subsequent events:

- (a) Subsequent to year end, certain events, such as the war in Ukraine, the overall inflation, and the other current economic factors, have affected negatively the global financial system. This has resulted in substantial volatility in financial markets and the banking system. These economic events have had a significant adverse impact on investment portfolios. As a result, the Plan's investments have and probably will continue to incur in a significant decline in fair value.
- (b) On September 27, 2022, the PRTD issued Administrative Determination No. 22-08 to, among other measures, allow participants affected by Hurricane Fiona to make in-service distributions at preferential tax rates.

IRS announces tax relief for Puerto Rico victims of Hurricane Fiona

PR-2022-10, September 19, 2022

WASHINGTON — Victims of Hurricane Fiona beginning September 17, 2022, now have until February 15, 2023, to file various individual and business tax returns and make tax payments, the Internal Revenue Service announced today.

Following the recent disaster declaration issued by the Federal Emergency Management Agency, the IRS announced today that affected taxpayers in certain areas will receive tax relief.

Individuals and households affected by Hurricane Fiona that reside or have a business in all 78 municipalities in Puerto Rico qualify for tax relief. The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This means individuals who had a valid extension to file their 2021 return due to run out on October 17, 2022, now have until February 15, 2023, to file. The IRS noted, however, that because tax payments related to these 2021 returns were due on April 18, 2022, those payments are not eligible for this relief.

The February 15, 2023, deadline also applies to the quarterly estimated tax payments, normally due on January 17, 2023 and to the quarterly payroll and excise tax returns normally due on October 31, 2022 and January 31, 2023. Businesses with an original or extended due date also have the additional time, including calendar-year corporations whose 2021 extensions run out on October 17, 2022.

Penalties on payroll and excise tax deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits are made by October 3, 2022.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original or extended filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty. For information on services currently available, visit the [IRS operations and services](#) page at [IRS.gov/coronavirus](https://www.irs.gov/coronavirus).

Covered Disaster Area

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](tel:866-562-5227) to request this tax relief.

The localities listed above constitute a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected Taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until February 15, 2023 to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after September 17, 2022, and before February 15, 2023, are granted additional time to file through February 15, 2023.

Affected taxpayers that have an estimated income tax payment originally due on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, and will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before February 15, 2023.

The IRS also gives affected taxpayers until February 15, 2023, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after September 17, 2022, and before February 15, 2023, are postponed through February 15, 2023, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after September 17, 2022, and before October 3, 2022, will be abated as long as the tax deposits were made by October 3, 2022.

Casualty Losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. See [Publication 547](#) for details.

Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684, Casualties and Thefts](#) [PDF](#) and its [instructions](#) [PDF](#).

Affected taxpayers claiming the disaster loss on their return should put the Disaster Designation, "**Puerto Rico**

Hurricane Fiona" in bold letters at the top of the form. Be sure to include the FEMA disaster declaration number, **EM-3583-PR**, on any return. See [Publication 547](#) for details.

Other Relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned Disaster Designation "**Puerto Rico Hurricane Fiona**" in bold letters at the top of [Form 4506, Request for Copy of Tax Return](#) [PDF](#), or [Form 4506-T, Request for Transcript of Tax Return](#) [PDF](#), as appropriate, and submit it to the IRS.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may [download forms and publications](#) from the official IRS website, IRS.gov.
