Board of Directors
Ferman Motor Car Company and Affiliated Dealerships 401(k) Savings Plan
Tampa, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Ferman Motor Car Company and Affiliated Dealerships 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the

FORV/S

plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

1. Description of Plan

The following is a brief description of Ferman Motor Car Company and Affiliated Dealerships (the “Companies”) 401(k) Savings Plan (the “Plan”) and is provided for general information purposes only. Participants should refer to the plan documents for more complete information.

General

The Plan is a defined contribution plan covering all full-time employees of the Companies who have one year of service and are age twenty-one or older. A participant has completed one year of service if they have accumulated 1,000 hours of service in the first twelve months of employment. Employees of the following companies are covered by the Plan:

- Ferman Motor Car Company, Inc.
- Ferman Jeep
- Ferman Management Services Corporation
- Ferman Motor Leasing Corporation
- Island Center Corporation
- FTK Corporation
- Sunshine Chevrolet-Oldsmobile of Tarpon Springs, Inc.
- Cigar City Motors, Inc.
- Gulf Coast Harley-Davidson, Inc.
- Cigar City Motor Leasing, Inc.
- Ferman on 54, Inc.
- Ferman of Countryside, LLC
- Ferman on Dale Mabry, Inc.
- Panama City Beach Cycles, LLC

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may elect to contribute 1% to 75% of their eligible compensation, as defined by the plan document. A participant may choose to make these contributions on a pre-tax or after-tax basis not to exceed the maximum allowed under the Internal Revenue Code (“IRC”) in any calendar year. Participants of qualifying age may make additional “catchup” contributions. Effective January 1, 2013, all eligible employees were automatically enrolled in the Plan and the Plan began accepting Roth compensation deferrals. The automatic enrollment includes a deemed enrollment of 3% of eligible compensation. The Companies may elect to contribute an amount equal to a discretionary percentage of the participants’ elective deferrals. During the year ended December 31, 2021, the Companies elected to match 50% of participants’ deferrals up to a maximum match of \$250. In addition, the Companies may make an annual contribution to the Plan at the discretion of the Companies’ Board of Directors. There was no additional discretionary contribution made for the year ended December 31, 2021.

Participants are entitled to receive an allocation of the matching contribution if any, for the plan year if they are employed on the last day of the year and have completed at least 1,000 hours of service during the plan year. This requirement is waived upon retirement, death, or disability during the plan year. The Plan also accepts rollover contributions and direct transfers from other tax-qualified plans.

Ferman Motor Car Company and Affiliated Dealerships 401(k) Savings Plan
Notes to Consolidated Financial Statements

Participant accounts

Each participant's account is credited with the participant's contribution, an allocation of the Companies' matching and additional discretionary contributions, plan earnings, and is charged with benefit payments, plan losses, transaction fees related to notes receivable from participants and distributions, and allocations of administrative expenses. Allocations of plan earnings by fund are made based on the ratio of a participant's account balance to the total account balances of all participants on a daily basis, as defined in the plan documents.

Vesting

Participants are immediately vested in their elective deferrals, voluntary rollovers, and actual allocated earnings thereon. Participants become fully vested in the Companies' matching and additional discretionary contributions thereon upon retirement (age 65), at death, upon total and permanent disability, or as described in the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years, but less than 3 years	20%
3 years, but less than 4 years	40%
4 years, but less than 5 years	60%
5 years, but less than 6 years	80%
6 years or more	100%

Notes receivable from participants

Participants may borrow from their account a minimum of \$1,000 with the maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may not have more than one loan outstanding at any time. Loan terms range from one to five years and are collateralized by the respective participant's account and are evidenced by a note which bears interest rates based on prevailing market rates. Principal and interest are paid ratably through payroll deductions. In no instance may the term for repayment be greater than 5 years, except in the event a participant terminates employment from the employer because of service in the military or the loan qualifies as a home loan, which is limited to 15 years. If a participant terminates employment (or takes a leave of absence) because of service in the military and does not receive a distribution of their account balance, the plan administrator will suspend loan repayments until the participant's completion of military service.

Payment of benefits

In the event of termination of employment with the Companies, a participant shall be entitled to the payment of benefits equal to a lump-sum of the value of the participant's vested interest in his or her account, to maintain his or her account with the Plan, or a combination of both. If the value of the terminated participant's vested benefit does not exceed \$1,000, the entire amount shall automatically be paid to the participant in a single lump sum.

After reaching age 59½, a participant may request a single lump sum distribution of any portion of the participant's account to the extent such account is 100% vested.

The Plan allows participants to withdraw a portion of their vested account balance in the event of immediate and heavy financial need. Any hardship withdrawal is limited to the amount needed to meet the financial need and must qualify with respect to plan provisions.

Forfeitures

Forfeitures of terminated participants' non-vested accounts are used first to reduce the Plan's ordinary and necessary administrative expenses for the plan year and any remaining forfeitures are used to reduce the

Companies' matching contribution in the following year. The amount of forfeitures used to offset administrative expenses during the year ended December 31, 2021 was approximately \$13,400.

At December 31, 2021 and 2020, the Plan had forfeitures of approximately \$700 and \$1,500, respectively, available to reduce future administrative expenses and matching contributions.

2. Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") and present net assets available for benefits and changes in net assets available for benefits.

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses represent the change in market value of the investments during the year. See Note 7 for discussion of fair value measurements.

Administrative expenses

Certain administrative expenses have been paid by the Plan. Certain other administrative expenses, including legal and accounting fees, are paid by the Companies. Certain administrative functions are performed by employees of the companies. No such employee receives compensation from the Plan.

Risks and uncertainties

The Plan provides for various investment options in mutual funds and money market funds. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income related to notes receivable from participants has been classified as interest income from notes receivable from participants in the statement of changes in net assets available for benefits. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

3. Unaudited Information Certified by the Plan's Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31, 2021 and 2020, and for the year ended December 31:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	<u>\$ 36,463,625</u>	<u>\$ 31,195,428</u>
Notes receivable from participants	<u>\$ 522,956</u>	<u>\$ 477,787</u>
Net appreciation in fair value of investments	<u>\$ 2,837,285</u>	
Interest income from notes receivable from participants	<u>\$ 20,016</u>	
Interest and dividend income	<u>\$ 1,940,351</u>	

4. Plan Termination

The Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

5. Tax Status

The IRS has determined and informed the Plan by letter dated January 23, 2017, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Net assets available for benefits per Schedule H of Form 5500	<u>\$ 36,986,581</u>	<u>\$ 31,730,630</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the year ended December 31, 2021 to net income on Form 5500:

Net increase in net assets available for benefits per the financial statements	\$ 5,418,395
Deemed distributions at December 31, 2020	(57,415)
Increase in participant contribution receivable at December 31, 2021	(66,738)
Change in excess participant contributions payable	<u>(38,291)</u>
Net income per Schedule H of Form 5500	<u>\$ 5,255,952</u>

7. Fair Value Measurements

Fair value, as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1:** Observable inputs such as quoted prices in active markets.
- Level 2:** Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- Level 3:** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds and Money Market Funds

These investments are valued at quoted market prices in exchange and active markets, which represent the net asset values of shares held by the Plan at year end and are classified as Level 1 investments.

Ferman Motor Car Company and Affiliated Dealerships 401(k) Savings Plan
Notes to Consolidated Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Total investments at fair value	<u>\$ 31,195,428</u>	<u>\$ 31,195,428</u>	<u>\$ -</u>	<u>\$ -</u>

8. Parties-in-Interest

Participant loans are considered party-in-interest transactions, as defined in Section 3(14) of ERISA, because they are transacted with plan participants. Fees incurred by the Plan for recordkeeping are paid by the Plan. These transactions qualify as party-in-interest transactions, as defined in Section 3(14) of ERISA; they are, however, expressly exempted from the prohibited transaction rules.

9. Subsequent Events

In preparing these financial statements, plan management has evaluated events and transactions for potential recognition or disclosure through February 9, 2023, the date the financial statements were available to be issued.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Ferman Motor Car Company and Affiliated Dealerships 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the

FORV/S

plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

1. Description of Plan

The following is a brief description of Ferman Motor Car Company and Affiliated Dealerships (the “Companies”) 401(k) Savings Plan (the “Plan”) and is provided for general information purposes only. Participants should refer to the plan documents for more complete information.

General

The Plan is a defined contribution plan covering all full-time employees of the Companies who have one year of service and are age twenty-one or older. A participant has completed one year of service if they have accumulated 1,000 hours of service in the first twelve months of employment. Employees of the following companies are covered by the Plan:

- Ferman Motor Car Company, Inc.
- Ferman Jeep
- Ferman Management Services Corporation
- Ferman Motor Leasing Corporation
- Island Center Corporation
- FTK Corporation
- Sunshine Chevrolet-Oldsmobile of Tarpon Springs, Inc.
- Cigar City Motors, Inc.
- Gulf Coast Harley-Davidson, Inc.
- Cigar City Motor Leasing, Inc.
- Ferman on 54, Inc.
- Ferman of Countryside, LLC
- Ferman on Dale Mabry, Inc.
- Panama City Beach Cycles, LLC

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may elect to contribute 1% to 75% of their eligible compensation, as defined by the plan document. A participant may choose to make these contributions on a pre-tax or after-tax basis not to exceed the maximum allowed under the Internal Revenue Code (“IRC”) in any calendar year. Participants of qualifying age may make additional “catchup” contributions. Effective January 1, 2013, all eligible employees were automatically enrolled in the Plan and the Plan began accepting Roth compensation deferrals. The automatic enrollment includes a deemed enrollment of 3% of eligible compensation. The Companies may elect to contribute an amount equal to a discretionary percentage of the participants’ elective deferrals. During the year ended December 31, 2021, the Companies elected to match 50% of participants’ deferrals up to a maximum match of \$250. In addition, the Companies may make an annual contribution to the Plan at the discretion of the Companies’ Board of Directors. There was no additional discretionary contribution made for the year ended December 31, 2021.

Participants are entitled to receive an allocation of the matching contribution if any, for the plan year if they are employed on the last day of the year and have completed at least 1,000 hours of service during the plan year. This requirement is waived upon retirement, death, or disability during the plan year. The Plan also accepts rollover contributions and direct transfers from other tax-qualified plans.

Ferman Motor Car Company and Affiliated Dealerships 401(k) Savings Plan
Notes to Consolidated Financial Statements

Participant accounts

Each participant's account is credited with the participant's contribution, an allocation of the Companies' matching and additional discretionary contributions, plan earnings, and is charged with benefit payments, plan losses, transaction fees related to notes receivable from participants and distributions, and allocations of administrative expenses. Allocations of plan earnings by fund are made based on the ratio of a participant's account balance to the total account balances of all participants on a daily basis, as defined in the plan documents.

Vesting

Participants are immediately vested in their elective deferrals, voluntary rollovers, and actual allocated earnings thereon. Participants become fully vested in the Companies' matching and additional discretionary contributions thereon upon retirement (age 65), at death, upon total and permanent disability, or as described in the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years, but less than 3 years	20%
3 years, but less than 4 years	40%
4 years, but less than 5 years	60%
5 years, but less than 6 years	80%
6 years or more	100%

Notes receivable from participants

Participants may borrow from their account a minimum of \$1,000 with the maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may not have more than one loan outstanding at any time. Loan terms range from one to five years and are collateralized by the respective participant's account and are evidenced by a note which bears interest rates based on prevailing market rates. Principal and interest are paid ratably through payroll deductions. In no instance may the term for repayment be greater than 5 years, except in the event a participant terminates employment from the employer because of service in the military or the loan qualifies as a home loan, which is limited to 15 years. If a participant terminates employment (or takes a leave of absence) because of service in the military and does not receive a distribution of their account balance, the plan administrator will suspend loan repayments until the participant's completion of military service.

Payment of benefits

In the event of termination of employment with the Companies, a participant shall be entitled to the payment of benefits equal to a lump-sum of the value of the participant's vested interest in his or her account, to maintain his or her account with the Plan, or a combination of both. If the value of the terminated participant's vested benefit does not exceed \$1,000, the entire amount shall automatically be paid to the participant in a single lump sum.

After reaching age 59½, a participant may request a single lump sum distribution of any portion of the participant's account to the extent such account is 100% vested.

The Plan allows participants to withdraw a portion of their vested account balance in the event of immediate and heavy financial need. Any hardship withdrawal is limited to the amount needed to meet the financial need and must qualify with respect to plan provisions.

Forfeitures

Forfeitures of terminated participants' non-vested accounts are used first to reduce the Plan's ordinary and necessary administrative expenses for the plan year and any remaining forfeitures are used to reduce the

Companies' matching contribution in the following year. The amount of forfeitures used to offset administrative expenses during the year ended December 31, 2021 was approximately \$13,400.

At December 31, 2021 and 2020, the Plan had forfeitures of approximately \$700 and \$1,500, respectively, available to reduce future administrative expenses and matching contributions.

2. Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") and present net assets available for benefits and changes in net assets available for benefits.

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses represent the change in market value of the investments during the year. See Note 7 for discussion of fair value measurements.

Administrative expenses

Certain administrative expenses have been paid by the Plan. Certain other administrative expenses, including legal and accounting fees, are paid by the Companies. Certain administrative functions are performed by employees of the companies. No such employee receives compensation from the Plan.

Risks and uncertainties

The Plan provides for various investment options in mutual funds and money market funds. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income related to notes receivable from participants has been classified as interest income from notes receivable from participants in the statement of changes in net assets available for benefits. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

3. Unaudited Information Certified by the Plan's Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31, 2021 and 2020, and for the year ended December 31:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	<u>\$ 36,463,625</u>	<u>\$ 31,195,428</u>
Notes receivable from participants	<u>\$ 522,956</u>	<u>\$ 477,787</u>
Net appreciation in fair value of investments	<u>\$ 2,837,285</u>	
Interest income from notes receivable from participants	<u>\$ 20,016</u>	
Interest and dividend income	<u>\$ 1,940,351</u>	

4. Plan Termination

The Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

5. Tax Status

The IRS has determined and informed the Plan by letter dated January 23, 2017, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 36,952,906	\$ 31,534,511
Excess participant contributions payable	100,413	138,704
Deemed distributions	-	57,415
Participant contribution receivable	<u>(66,738)</u>	<u>-</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 36,986,581</u>	<u>\$ 31,730,630</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the year ended December 31, 2021 to net income on Form 5500:

Net increase in net assets available for benefits per the financial statements	\$ 5,418,395
Deemed distributions at December 31, 2020	(57,415)
Increase in participant contribution receivable at December 31, 2021	(66,738)
Change in excess participant contributions payable	<u>(38,291)</u>
Net income per Schedule H of Form 5500	<u>\$ 5,255,952</u>

7. Fair Value Measurements

Fair value, as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1:** Observable inputs such as quoted prices in active markets.
- Level 2:** Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- Level 3:** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds and Money Market Funds

These investments are valued at quoted market prices in exchange and active markets, which represent the net asset values of shares held by the Plan at year end and are classified as Level 1 investments.

Total investments at fair value	<u>\$ 31,195,428</u>	<u>\$ 31,195,428</u>	<u>\$ -</u>	<u>\$ -</u>

8. Parties-in-Interest

Participant loans are considered party-in-interest transactions, as defined in Section 3(14) of ERISA, because they are transacted with plan participants. Fees incurred by the Plan for recordkeeping are paid by the Plan. These transactions qualify as party-in-interest transactions, as defined in Section 3(14) of ERISA; they are, however, expressly exempted from the prohibited transaction rules.

9. Subsequent Events

In preparing these financial statements, plan management has evaluated events and transactions for potential recognition or disclosure through February 9, 2023, the date the financial statements were available to be issued.
