INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Garage Isla Verde, LLC Retirement Plan
Carolina, Puerto Rico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Garage Isla Verde, LLC Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Garage Isla Verde, LLC Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Garage Isla Verde, LLC Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Garage Isla Verde, LLC Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Aquino, De Córdova, Alfaro & Co., LLP

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Garage Isla Verde, LLC Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Garage Isla Verde, LLC Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Aquino, De Córdova, Alfaro & Co., LLP

CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GARAGE ISLA VERDE, LLC RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of Garage Isla Verde, LLC Retirement Plan (hereinafter referred to as the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Garage Isla Verde, LLC (hereinafter referred to as the Sponsor) who have worked 1,000 hours in a calendar year following 12 months of service and are age twenty one or older. Employees may enter the Plan the first day of the following quarter after they have met the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may make voluntary contributions to the Plan from 0% to 10% (not to exceed 10%) of their compensation.

Each Plan year, the sponsor shall contribute (a) the amount of the total salary deduction of all participants, which amount shall be deemed as the employee deferral contribution and (b) a matching contribution made at the sole discretion of the employer of eligible compensation for each eligible participant, which amount shall be deemed as the employer match contribution. In addition, there may be a discretionary employer contribution based on Plan Sponsor's earnings determined each year by the employer, which amount shall be deemed as the employer profit sharing contribution.

Participants' accounts

A separate account is maintained for each participant in the Plan, reflecting contributions, investments, realized and unrealized investments gains and losses, loans and interest, withdrawals, rollovers, and investment fees. The net value of each participant account is established at the close of each business day through the valuation of each fund's asset at fair value.

Each participant's account is credited with the participant's contribution and an allocation of (a) the Sponsor's contribution, if eligible, (b) and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF THE PLAN - CONTINUED

Plan termination

In the event the Plan terminates, the assets of the Plan will be allocated as prescribed by ERISA and its related regulations.

Forfeited accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled approximately \$800 and \$11,200 respectively. These accounts will be used to pay all plan expenses and/or reduce future Plan Sponsor's matching contributions.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES

Organization

The Plan was organized and became effective on January 1, 1993.

Basis of presentation

The financial statements of the Plan are presented on the accrual method of accounting. The Plan sponsor and Plan administrator is Garage Isla Verde, LLC. The trustee of the Plan is Carlos M. Quiñones.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES - CONTINUED

Accounting policies:

Investments valuation and income recognition

The Plan's investments are participant-directed and are stated at fair value. See Note D for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income, including interest on loans to participants is recorded on the accrual basis. Dividends are recorded on the dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are based upon observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources while unobservable inputs reflect the Plan's view of market assumptions in the absence of observable market information.

The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. In determining fair value, the Plan uses various methods including market, income and cost approaches.

The Plan categorizes its fair value measurements into a three-level hierarchy based on the priority of the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure fair value fall within different levels of the hierarchy, the category level is based on the lowest priority level input that is significant to the fair value measurement of the instrument in its entirety.

The Plan categorizes assets and liabilities carried at fair value in the accompanying statement of assets available for benefits as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Plan have the ability to access.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES - CONTINUED

Fair value measurements - continued

- Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability.

Changes in observability of significant valuation inputs identified during these reviews may trigger reclassifications. Reclassifications are reported as transfers at the beginning of the period in which the change occurs.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of benefits

Benefits are recorded when paid.

After the seismic activity experienced in Puerto Rico on January 7, 2020, the Puerto Rico Treasury Department (the "PRTD") issued on February 19, 2020 Circular Letter No 20-09 ("CC RI 20-09") to allow eligible Retirement Plan and IRA distributions and provide a preferential tax treatment, subject to the applicable withholding rules and the administrative procedures. It was amended on March 29, 2020 with Circular Letter No 20-22 ("CC RI 20-22") in order to establish that the provisions of CC RI 20-09 would be extended to those Special Disaster Distributions made as a result of the state of emergency declared by the Governor as a result of COVID-19. Such determination has its eligible period from February 20, 2020 to December 31, 2020.

Administration expenses

All expenses of maintaining the Plan are accounted for as they are incurred and paid by the Plan Sponsor. Administrative expenses for the years ended December 31, 2021 and 2020, amounted to approximately \$3,200, each year.

	<u>\$ 336,562</u>	<u>\$ 530,721</u>

NOTE D - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan measures fair value using Level 1 and Level 2 inputs because they generally provide the most reliable evidence of fair value. The market approach is used to measure fair value.

NOTE D - FAIR VALUE MEASUREMENTS - CONTINUED

The following tables present the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2021 and 2020:

	Fair value measurement as of December 31, 2021 (Level 1)
Mutual funds	\$ 5,200,929

Mutual funds	\$ 4,683,492
Other funds	782,243
	<u>\$ 5,465,735</u>

NOTE E - INVESTMENTS CONTRACT WITH INSURANCE COMPANY

The Plan has group annuity investments contract with Empower Retirement (Empower). Empower maintains the contributions in allocated contract assets. The administration fee under this contract for the year 2021 and 2020 were approximately \$1,000 and \$743, respectively. The accounts are credited with earnings on the underlying investments and charged for plan withdrawals and administrative expenses made by Empower. The contract is included in the financial statements at fair value, which represents contributions made under the contract, plus appreciation in value and earnings, less plan withdrawals and administrative expenses. The fair value of the investments contract at December 31, 2021 and 2020 was \$166,398 and \$457,981, respectively.

NOTE F - TRANSACTIONS WITH PARTIES-IN-INTEREST

The recordkeeping, contract administrator, custodian of the assets and the auditor of the Plan are considered parties-in-interest to the Plan. The Sponsor is not aware of any prohibited transactions with parties-in-interest. Audit fees paid by the sponsor on behalf of the Plan were approximately \$8,250 for the years ended December 31, 2021 and 2020, each. Fees paid to the recordkeeping, and contract administrator amounted to approximately \$25,000 in 2021 and \$15,000 in 2020, and were reduced from investment income.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE G - LOANS TO PARTICIPANTS

The participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at 1% over the current banking prime rate (3.25% and at December 31, 2021 and 2020, respectively) at the time of the loan request. Principal and interest are paid through monthly payroll deductions, and the maximum period to pay is 5 years.

NOTE H - INCOME TAX STATUS

The Department of the Treasury of the Commonwealth of Puerto Rico has ruled that the Plan qualifies under Section 1081.01 (e) of the Income Tax Act of 2011 (the Act), and is, therefore, not subject to income tax under the present income tax law. The Plan is required to operate in conformity with the Act to maintain its qualification. The Plan's Retirement Committee is not aware of any course of action or series of events that have occurred that might affect the Plan's qualified status.

NOTE I - RISK, UNCERTAINTIES AND CONCENTRATION

Financial instruments that potentially subject the Plan to significant concentrations of credit risk consist principally of investments and receivables. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the market price of the investments and other Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.
