Trustees and Administrative Committee
MCS of Tampa, Inc. 401(k) Plan
Tampa, Florida 33634

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of MCS of Tampa, Inc. 401(k) Plan, (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of MCS of Tampa, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at Year-End, as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of MCS of Tampa, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MCS OF TAMPA, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the MCS of Tampa, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established and made effective October 1, 1997 for the benefit of the employees of MCS of Tampa, Inc. (the "Company"). The Plan and the Trust of which it is a part of are intended to satisfy all the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the Plan's sponsor and Plan Administrator and oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings.

Eligibility: The Plan covers all employees of the Company, with the exception of employees covered by a collective bargaining agreement or considered nonresident aliens. Employees are eligible to participate in the Plan when they are 18 and have six months of service.

Contributions: Each year participants may contribute 100% of pretax annual compensation, as defined in the Plan limited by the provisions of the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund options for participants. The Company contributes 100% of the first 3% and 50% of the next 2% of base compensation that a participant contributes to the Plan. The Company contribution is invested directly into the investment options selected by the participant.

Additional profit sharing and matching contributions may be contributed at the option of the Company's Board of Directors and are also invested directly into the investment options selected by the participant. Contributions are subject to certain Internal Revenue Service ("IRS") limitations. The Company did not make any additional matching contribution or a discretionary profit sharing contribution for the year ended December 31, 2021.

Participant Accounts: Each participant's account is credited with the participant's contribution, the Company's contribution, Plan earnings, and charged with an allocation of investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions plus the actual earnings thereon. Employer contributions and earnings thereon are vested after two years of service.

MCS OF TAMPA, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants: Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and the rate is fixed for the life of the loan. The calculated interest rate will be a commercially reasonable rate of interest that is charged for similar types of loans by other lenders. Generally, the term of a loan may not exceed five years. However, if the loan is for the purchase of a principal residence, the Plan Administrator may permit a longer repayment term. Loans are in arrears and delinquent when any payment is missed. Principal and interest are paid ratably through payroll deductions.

Excess Contribution Payable: Refunds due to participants for contributions made in excess of allowed amounts. Amounts are due by April 15th of the following calendar year.

Payment of Benefits: Upon termination of service due to retirement, death, disability, or termination of employment, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the form of a lump-sum distribution or partial payment. A single lump-sum distribution will be made to terminated participants whose vested balance is less than \$5,000 and alternate instruction is not provided by the participant within a reasonable period of time.

Administrative Expenses: Some administrative expenses, such as audit and consulting costs, may be paid by the Company.

Forfeited Accounts: Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The non-vested portion of terminated participants' account balances is used to reduce future employer contributions. At December 31, 2021 and 2020, there were forfeited, non-vested accounts totaling \$396 and \$8,674, respectively, included in the New York Bank and Trust FDIC insured account.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

MCS OF TAMPA, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan's valuation policies. See Note 4 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when received. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Date of Management's Review of Subsequent Events: Subsequent events were evaluated through February 15, 2023 which is the date the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Broadbridge (Matrix Trust Company) from June 11, 2021 through December 31, 2021, Empower Trust Company, LLC from February 12, 2021 through June 11, 2021, or SunTrust from January 1, 2020 through February 12, 2021, the trustees of the Plan, except for comparing such amounts to information included in the Plan's financial statements and supplemental schedule.

The Plan Administrator has obtained certifications from the trustees that the following information is complete and accurate:

	<u>2021</u>	<u>2020</u>
Statements of net assets available for benefits:		
Investments at fair value	\$ 6,319,116	\$ 4,903,744
Statement of changes in net assets available for benefits:		
Net appreciation in fair value of investments	725,663	
Interest and dividend income	230,659	

Supplemental schedule: All investment balances and information in the supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year-End).

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,319,116	\$ -	\$ -	\$ 6,319,116
Total investments at fair value	<u>\$ 6,319,116</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,319,116</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,903,744	\$ -	\$ -	\$ 4,903,744
Total investments at fair value	<u>\$ 4,903,744</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,903,744</u>

For the years ended December 31, 2021 and 2020, there were no transfers between levels.

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

NOTE 6. ADMINISTRATIVE EXPENSES

The Company pays all administrative expenses of the Plan except for certain investment transaction and recordkeeping fees. Such charges not paid by the Company are applied directly to the accounts of the participants. Administrative expenses paid by the Company are not included in the accompanying financial statements.

NOTE 7. TAX STATUS

Effective June 11, 2021, the Plan adopted a non-standardized pre-approved plan sponsored by Sarasota Private Trust Company. In a letter dated June 30, 2020, the IRS stated its opinion that the form of the non-standardized pre-approved plan is acceptable under section 401 of the IRC for use by employers for the benefit of their employees. Prior to changing the sponsor to Sarasota Private Trust Company, effective May 19, 2015, the Plan adopted a nonstandardized prototype plan sponsored by SunTrust. In a letter dated March 31, 2014, the IRS stated its opinion that the form of the prototype plan is acceptable under section 401 of the IRC for use by employers for the benefit of their employees.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments held during 2021 and 2020 were managed by SunTrust, the Plan's former third-party administrator. As such these transactions qualify as party-in-interest transactions. Party in interested transactions also include loans made to participants. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

MCS of Tampa, Inc. 401(k) Plan
Tampa, Florida 33634

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of MCS of Tampa, Inc. 401(k) Plan, (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of MCS of Tampa, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at Year-End, as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of MCS of Tampa, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MCS OF TAMPA, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the MCS of Tampa, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established and made effective October 1, 1997 for the benefit of the employees of MCS of Tampa, Inc. (the "Company"). The Plan and the Trust of which it is a part of are intended to satisfy all the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the Plan's sponsor and Plan Administrator and oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings.

Eligibility: The Plan covers all employees of the Company, with the exception of employees covered by a collective bargaining agreement or considered nonresident aliens. Employees are eligible to participate in the Plan when they are 18 and have six months of service.

Contributions: Each year participants may contribute 100% of pretax annual compensation, as defined in the Plan limited by the provisions of the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund options for participants. The Company contributes 100% of the first 3% and 50% of the next 2% of base compensation that a participant contributes to the Plan. The Company contribution is invested directly into the investment options selected by the participant.

Additional profit sharing and matching contributions may be contributed at the option of the Company's Board of Directors and are also invested directly into the investment options selected by the participant. Contributions are subject to certain Internal Revenue Service ("IRS") limitations. The Company did not make any additional matching contribution or a discretionary profit sharing contribution for the year ended December 31, 2021.

Participant Accounts: Each participant's account is credited with the participant's contribution, the Company's contribution, Plan earnings, and charged with an allocation of investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions plus the actual earnings thereon. Employer contributions and earnings thereon are vested after two years of service.

MCS OF TAMPA, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants: Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and the rate is fixed for the life of the loan. The calculated interest rate will be a commercially reasonable rate of interest that is charged for similar types of loans by other lenders. Generally, the term of a loan may not exceed five years. However, if the loan is for the purchase of a principal residence, the Plan Administrator may permit a longer repayment term. Loans are in arrears and delinquent when any payment is missed. Principal and interest are paid ratably through payroll deductions.

Excess Contribution Payable: Refunds due to participants for contributions made in excess of allowed amounts. Amounts are due by April 15th of the following calendar year.

Payment of Benefits: Upon termination of service due to retirement, death, disability, or termination of employment, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the form of a lump-sum distribution or partial payment. A single lump-sum distribution will be made to terminated participants whose vested balance is less than \$5,000 and alternate instruction is not provided by the participant within a reasonable period of time.

Administrative Expenses: Some administrative expenses, such as audit and consulting costs, may be paid by the Company.

Forfeited Accounts: Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The non-vested portion of terminated participants' account balances is used to reduce future employer contributions. At December 31, 2021 and 2020, there were forfeited, non-vested accounts totaling \$396 and \$8,674, respectively, included in the New York Bank and Trust FDIC insured account.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan's valuation policies. See Note 4 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when received. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Date of Management's Review of Subsequent Events: Subsequent events were evaluated through February 15, 2023 which is the date the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Broadbridge (Matrix Trust Company) from June 11, 2021 through December 31, 2021, Empower Trust Company, LLC from February 12, 2021 through June 11, 2021, or SunTrust from January 1, 2020 through February 12, 2021, the trustees of the Plan, except for comparing such amounts to information included in the Plan's financial statements and supplemental schedule.

The Plan Administrator has obtained certifications from the trustees that the following information is complete and accurate:

	<u>2021</u>	<u>2020</u>
Statements of net assets available for benefits:		
Investments at fair value	\$ 6,319,116	\$ 4,903,744
Statement of changes in net assets available for benefits:		
Net appreciation in fair value of investments	725,663	
Interest and dividend income	230,659	

Supplemental schedule: All investment balances and information in the supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year-End).

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,319,116	\$ -	\$ -	\$ 6,319,116
Total investments at fair value	<u>\$ 6,319,116</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,319,116</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,903,744	\$ -	\$ -	\$ 4,903,744
Total investments at fair value	<u>\$ 4,903,744</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,903,744</u>

For the years ended December 31, 2021 and 2020, there were no transfers between levels.

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

NOTE 6. ADMINISTRATIVE EXPENSES

The Company pays all administrative expenses of the Plan except for certain investment transaction and recordkeeping fees. Such charges not paid by the Company are applied directly to the accounts of the participants. Administrative expenses paid by the Company are not included in the accompanying financial statements.

NOTE 7. TAX STATUS

Effective June 11, 2021, the Plan adopted a non-standardized pre-approved plan sponsored by Sarasota Private Trust Company. In a letter dated June 30, 2020, the IRS stated its opinion that the form of the non-standardized pre-approved plan is acceptable under section 401 of the IRC for use by employers for the benefit of their employees. Prior to changing the sponsor to Sarasota Private Trust Company, effective May 19, 2015, the Plan adopted a nonstandardized prototype plan sponsored by SunTrust. In a letter dated March 31, 2014, the IRS stated its opinion that the form of the prototype plan is acceptable under section 401 of the IRC for use by employers for the benefit of their employees.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments held during 2021 and 2020 were managed by SunTrust, the Plan's former third-party administrator. As such these transactions qualify as party-in-interest transactions. Party in interested transactions also include loans made to participants. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
