To the Plan Administrator and Trustee
RegEd 401(k) Plan
Morrisville, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of RegEd 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of RegEd 401(k) Plan. As permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

REGED 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan

The following description of the RegEd 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General – The Plan became effective on September 1, 2015 and is a defined contribution plan covering eligible employees of Regurus, LP and its subsidiaries (the “Sponsor”). The Plan was most recently amended on January 8, 2021 to credit service provided to former employees of Relx Inc. All employees are eligible for the Plan with the exception of nonresident aliens, leased employees, and reclassified employees. Generally, employees governed by a collective bargaining agreement and leased employees are not eligible to participate in the Plan. Participants are permitted to enter the Plan on the first day of the month following their hire date. Participants are automatically enrolled at 4% deferral rate that increases 1% each January 1 until the participant reaches 6%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Administration – The Plan is administered by the Sponsor, which serves without compensation. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. The Sponsor has outsourced the record keeping function of the Plan to Wells Fargo Bank, N.A. and Principal Trust Company (the “qualified institution”). Wells Fargo Bank, N.A. served as the Plan’s qualified institution as of December 31, 2020 and was acquired by Principal Trust Company which served as the Plan’s qualified institution from January 1, 2021 through December 31, 2021.

Contributions – Each year, participants may contribute a portion of their eligible compensation on a pretax basis, subject to certain Internal Revenue Code (“IRC”) limitations. Participants have the option to make Roth contributions to their accounts and are allowed to make catch-up contributions if over the age of 50 subject to certain IRC limits. Participant contributions are remitted each pay period to the Plan by the Sponsor from employee payroll deductions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Sponsor will contribute a fixed amount equal to 33% of a participant’s salary deferrals up to 6% of the participant’s eligible compensation. Rollover contributions are not eligible for Sponsor matching contributions.

Sponsor’s management may also make a discretionary profit-sharing contribution as determined annually. In order to share in the profit-sharing contributions, a participant must be employed on the last day of the Plan year and have completed at least 1,000 hours of service during the year. Profit sharing contributions are made pro rata based on the participant’s eligible compensation as a percentage of total eligible compensation. The Sponsor’s management elected not to make a profit-sharing contribution for the year ended December 31, 2021.

Participant Accounts – Each participant’s account is credited with the participant’s contributions, Sponsor matching contributions, allocations of the Sponsor’s discretionary profit-sharing contribution, if any, and Plan earnings. Each participant’s account is charged with benefits paid to participants and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Employee contributions, rollover contributions, and related investment income or loss are fully vested at all times. Participants become fully vested in Sponsor matching and discretionary profit-sharing contributions upon completion of three years of service (33% after one year; 66% after two years; and 100% after three years), normal retirement at age 65, or termination of employment due to disability.

REGED 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan (continued)

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000. The maximum note receivable allowed under the Plan is equal to 50% of their vested account balance under the Plan or \$50,000, reduced by the excess of the other outstanding balances of notes from the Plan. The notes are permitted for specific purposes as stated in the Plan Document and terms range from one to five years unless such loan is used to acquire a dwelling unit which will be used as the principal residence of the participant. The notes are secured by the vested interest in the participant's account. The notes will bear interest to be computed using the prime rate plus 1.00%. Principal and interest is paid ratably through payroll deductions each payroll period.

Benefits Paid to Participants – On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment. If the participant's vested balance does not exceed \$5,000, the Plan requires a distribution. Upon proof, to the satisfaction of the Plan administrator of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals prior to age 59½.

Forfeitures – Forfeitures can be used to pay administrative expenses or reduce future Sponsor contributions. \$19 of forfeited funds were used to pay administrative expenses and \$11,663 of forfeited funds were used to reduce Sponsor contributions during the year ended December 31, 2021. The balance of the forfeiture account was \$50 and \$26 as of December 31, 2021 and 2020, respectively.

Investment Options – Participants may direct contributions to selected investments as made available and determined by the Plan administrator. Participants may change their investment options at any time throughout the year via direct phone and internet access to the third-party administrator.

Note 2—Summary of significant accounting policies

Basis of Presentation – The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management and the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments in the Plan are reported at fair value. U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

REGED 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2—Summary of significant accounting policies (continued)

Benefits Paid to Participants – Benefits paid to participants are recorded when paid.

Administrative Expenses – In accordance with the provisions of the Plan, certain administrative expenses such as qualified institution fees and investment management fees are paid by the Plan and are included in the accompanying financial statements. Any administrative expenses not meeting the Plan provisions are paid by the Sponsor and are not included in the accompanying financial statements. Administrative expenses paid by the Sponsor are not reimbursed by the Plan.

Risks and Uncertainties – The Plan provides for various investment options in mutual funds and common collective trusts. These investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Fair Value Measurements – U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP defines three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Common Collective Trusts – These investments are public investment vehicles valued using NAV as a practical expedient provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. Common collective trusts have not been classified under the fair value hierarchy.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 3—Information certified by the qualified institution (unaudited)

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Wells Fargo Bank, N.A., the qualified institution as of December 31, 2020, and Principal Trust Company, qualified institution as of December 31, 2021 and for the year then ended, have certified to the completeness and accuracy of the following data included in the accompanying financial statements.

- Investments, at fair value and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4—Fair value measurements

The Plan's financial instruments carried at fair value are classified by the following fair value hierarchy levels as of December 31:

	2021				Total
	Level 1	Level 2	Level 3	Other	
Mutual funds	\$ 27,370,187	\$ -	\$ -	\$ -	\$ 27,370,187
Common collective trusts*	-	-	-	900,247	900,247
Total investments, at fair value	<u>\$ 27,370,187</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 900,247</u>	<u>\$ 28,270,434</u>
	2020				Total
	Level 1	Level 2	Level 3	Other	
Mutual funds	\$ 18,547,924	\$ -	\$ -	\$ -	\$ 18,547,924
Common collective trusts*	-	-	-	1,346,302	1,346,302

* In accordance with U.S. GAAP, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 4—Fair value measurements (continued)

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient:

As of December 31, 2021				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trusts	\$ 900,247	N/A	Daily	Daily
As of December 31, 2020				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trusts	\$ 1,346,302	N/A	Daily	Daily

Note 5—Common collective trusts

The Plan invests in Reliance MetLife Stable Value Series 25157 - Class 0 (the “Fund”), which is a collective investment trust that consists of separately managed investment portfolios directed by Reliance Trust Company. The underlying funds strive to invest in high-quality bonds with short- to intermediate-term maturities and insurance contracts.

An investment contract is a contract issued by a financial institution to provide a stable rate of return to the buyer of the contract for a specified period of time. A security-backed contract has similar characteristics as a traditional investment contract and is comprised of two parts: the first part is a fixed-income security or portfolio of fixed-income securities; the second part is a contract value guarantee (“wrapper”) provided by a third party. Wrappers provide contract value payments for certain participant-initiated withdrawals and transfers, a floor crediting rate, and return of fully accrued contract value at maturity.

There are several risks specific to investment contracts. One of the primary risks involved is credit risk of the contract issuer. Credit risk for security-backed contracts includes risks arising from the potential inability of the issuer to meet the terms of the contract wrapper and the potential default of the underlying fixed-income securities. Secondly, liquidity is limited because of the unique characteristics of investment contracts and the absence of an actively traded secondary market. Interest rate risk is also present because rates may be fixed with these products. Principal Trust Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Certain events limit the Plan's ability to transact at net asset value with Reliance Trust Company. Such events include, but are not limited to, the following: (a) material amendments to the Funds' structure or administration, (b) changes to the participating plans' competing investment options (including the elimination of equity wash provisions), (c) complete or partial termination of the Funds (including a merger with another fund), (d) the failure of the Funds to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (e) the redemption of all or a portion of the interests in the Funds held by a participating plan at the direction of the participating plan sponsor (for example, the closing or sale of a subsidiary, employing unit, or affiliate), (f) any change in law, regulation, ruling, administrative or judicial position, or accounting requirement, applicable to the Funds or participating plans, and (g) the delivery of any communication to plan participants designed to influence a participant not to invest in the Funds. Plan management does not believe that any events that would limit the Funds' ability to transact at net asset value with Plan participants are probable of occurring.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 6—Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	2021	2020
Net assets available for benefits per the financial statements	\$ 28,712,723	\$ 20,272,352

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2021:

Net increase in net assets available for benefits per the financial statements	\$ 8,440,371
Change in deemed distributions	(5,169)
Net income per Form 5500	<u>\$ 8,435,202</u>

Note 7—Party-in-interest transactions

Certain administrative expenses are paid to the investment advisor and recordkeeper of the Plan. These transactions qualify as party-in-interest transactions. These administrative expenses amounted to \$90,953 for the year ended December 31, 2021.

Notes receivable from participants also qualifies as party-in-interest transactions.

Note 8—Plan termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, no further contributions will be made to the Plan and all amounts credited to the participants will become 100% vested. Distributions of participant accounts will be made in a manner permitted by the Plan.

Note 9—Tax status

The Sponsor adopted a volume submitter profit sharing plan with a cash or deferral arrangement. The volume submitter plan received a favorable opinion letter from the Internal Revenue Service ("IRS") on March 31, 2014 which stated the volume submitter plan is designed in accordance with applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The volume submitter plan has been amended since receiving the determination letter. The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan also has no income subject to unrelated business income tax and, therefore, continues to be tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10—Subsequent events

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events subsequent through February 14, 2023, the date these financial statements were available to be issued.

Effective July 1, 2022, the Plan was amended and restated to adopt a pre-approved plan provided by the qualified institution. There were no significant changes to any Plan provision. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.
