Independent Auditors' Report

To the Trustees
ICBD Holdings, LLC 401(k) Plan
Boca Raton, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit – 2021 Financial Statements

We have performed an audit of the accompanying financial statements of ICBD Holdings LLC 401(k) Plan, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion – 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Continued from previous page

Basis for Opinion – 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management – 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit – 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Continued from previous page

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) at December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Continued from previous page

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of the Plan

The ICBD Holdings, LLC 401(k) Plan (the “Plan”) was established on January 1, 2019, to allow eligible employees of ICBD Holdings, LLC (the “Sponsor”) to defer a portion of their compensation to supplement retirement income, and is maintained for the exclusive benefit of its employees and beneficiaries. The terms of the Plan permit eligible employees to make elective contributions to the Plan out of their compensation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

During 2020, the Sponsor merged with Exact Billing Solutions and Recovering Life Services. As a result of the merger, participants began participating in the ICBD Plan.

The following is a brief description of the Plan and is provided for general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Plan Administration

The Plan entered into an agreement whereby Newport Trust Company, (the “Custodian” or “Newport”) has been appointed the TPA, record-keeper and Custodian of the Plan assets. Under the terms of the agreement, the Custodian holds and invests the funds of the Plan subject to the direction of the Plan participants.

Eligibility

For the purpose of participant contributions, an eligible employee shall enter the Plan upon attainment of the age of 21. An employee is eligible to participate on the first day of the calendar month following employment.

Contributions

Participants may contribute pretax compensation up to the maximum allowed by the Internal Revenue Service (“IRS”). The maximum pre-tax contribution for the year ended December 31, 2021 was \$19,500. In addition, participants over 50 years of age are permitted to make additional annual catch-up contributions of \$6,500 for the year ended December 31, 2021. Roth deferral contributions are allowed in the Plan.

The Plan Sponsor makes a discretionary matching contribution equal to a percentage of salary deferrals. Each year, the Plan Sponsor determines the amount of Flexible Discretionary Match percentage and the Plan Sponsor is required to provide a separate notice no later than 60 days after the last match payment is made for the Plan year. No matching or non-elective discretionary contributions were made during the year ended December 31, 2021.

Rollovers

The Plan accepts eligible rollover contributions from qualified plans.

Note 1 – Description of Plan, continued

Participant Accounts

The Plan maintains separate accounts for each participant. Each participant's account is credited with the participant's contribution, Sponsor's discretionary matching contribution and the Plan earnings (losses), and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary and rollover contributions, plus actual earnings thereon. Vesting in the Sponsor's discretionary matching contributions plus actual earnings thereon is based on years of continuous service.

<u>Years of Service</u>	<u>Vesting Percentages</u>
Less than 2	0%
2 or more	20%
3 or more	40%
4 or more	60%
5 or more	80%
6 or more	100%

Payment of Benefits

The Plan permits withdrawals when a participant terminates employment, retires, becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59 ½. Benefits are payable in lump sum payments, equal installments or partial payments as outlined in the Plan document. The Plan also allows for hardship distributions based on proven financial need, as defined by the IRS. In the event that the vested accrued benefit is less than \$1,000, the Plan for accounts with less than \$5,000 the Plan Administrator will direct the Trustee to distribute to an Individual Retirement Account. Administrator may make a single payment without the election or request of the participant. Upon the death of a participant, the vested balance of the participant's account is distributed to the participant's beneficiary.

Excess Contributions Refundable

Amounts payable to participants totaling was \$1,872 and \$32,880 for the years ended December 31, 2021 and 2020, respectively, for contributions in excess of amounts allowed by the IRS, are recorded as a liability in the statements of net assets available for plan benefits, with a corresponding reduction to participant contributions.

Note 1 – Description of Plan, continued

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in several investment choices as more fully described in the Plan document. Participants may change their investment options at any time.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Date of Management's Review

The Plan has evaluated subsequent events through January 26, 2023, the date the financial statements were issued.

Note 3 – Information Certified by the Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-5 and 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for plan benefits at December 31, 2021 and 2020 and the schedule of assets (held at end of year) at December 31, 2021, and the related investment activity reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under that framework are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4 – Fair Value Measurements, continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

		2021			
		Level 1	Level 2	Level 3	Total
Mutual funds		<u>\$ 372,040</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 372,040</u>
Total investments, at fair value					<u>\$ 372,040</u>
		2020			
		Level 1	Level 2	Level 3	Total
Mutual funds		<u>\$ 269,133</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 269,133</u>
Total investments, at fair value					\$ 269,133

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to amend any or all provisions of the Plan as well as to discontinue its contributions or terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 6 – Tax Status

The Plan has adopted a Volume Submitter Profit Sharing Plan ("Volume Submitter") sponsored by Newport Group, Inc. dated November 30, 2020. The Volume Submitter plan has received an opinion letter from the IRS dated November 30, 2020 as to the plan's qualified status. The Plan's opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by a tax authority. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that at December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Risks and Uncertainties

Investment Risks

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Note 8 – Party-in-Interest Transactions

Newport qualifies as a party-in-interest, and all investments and certain investment activity presented in the accompanying financial statements and supplemental schedule are considered transactions with party-in-interest according to the Department of Labor guidelines. Fees paid by the Plan for the investment management and recordkeeping services amounted to \$7,463 for the year ended December 31, 2021.

These transactions are exempt from the prohibited transactions under ERISA.

Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to net assets per the Form 5500 at December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for plan benefits per the financial statements	\$ 373,814	\$ 240,824
Participants' contributions receivable	(3,646)	(4,571)
Excess contributions refundable	<u>1,872</u>	<u>32,880</u>
Net assets available for plan benefits per Schedule H of Form 5500	<u>\$ 372,040</u>	<u>\$ 269,133</u>

The following is a reconciliation of participants' contributions per the financial statements to Schedule H of Form 5500 at December 31, 2021:

Contributions received from participants' per the financial statements	\$ 108,213

Note 9 – Reconciliation of Financial Statements to Form 5500, continued

The following is a reconciliation of benefit payments per the financial statements to Schedule H of Form 5500 at December 31, 2021:

Benefits paid to participants per financial statements	\$ (62,346)
Excess contributions refundable in the prior year	(32,880)
Excess contributions refundable in the current year	<u>1,872</u>
Benefits paid to participants per Schedule H of Form 5500	<u>\$ (93,354)</u>

Note 10 – Prohibited Transactions

During 2021 and 2020, the Plan Sponsor failed to remit participant contributions into the Plan timely in the amounts of \$23,273 and \$26,251, respectively. The Plan Sponsor will file IRS Form 5330 and will pay all applicable excise taxes related to the prohibited transactions.

Note 11 – Operational Deficiency

During 2021 and 2020, it was discovered that certain employee deferrals were not withheld by the Plan. The exclusion resulted in non-compliance with provisions of the Plan document. Management is currently evaluating the error and will correct the operational error using the IRS Self-Correction Program.
