REPORT OF INDEPENDENT AUDITOR

TO THE PLAN ADMINISTRATOR

BRIDGING ACCESS TO CARE, INC. PENSION PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

I have performed an audit of the financial statements of the Bridging Access to Care, Inc. Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of April 1, 2022 (liquidation basis), and the related statement of changes in net assets available for benefits for the period then ended (liquidation basis), and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the period ended April 1, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In my opinion, based on my audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section,

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1, the Plan Sponsor approved a resolution on March 15, 2021 to terminate the Plan effective April 1, 2021. The Plan's assets were fully distributed as of April 1, 2022. In accordance with GAAP, the Plan has adopted the liquidation of basis accounting in presenting the 2022 and 2021 financial statements. My opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements* section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matter - Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated March 16, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

APRIL 1, 2022 AND JUNE 30, 2021

1. DESCRIPTION OF PLAN

The Bridging Access to Care, Inc. Pension Plan (the Plan) is a defined contribution money purchase plan covering substantially all employees of Bridging Access to Care, Inc. (the Employer or Plan Sponsor). The Plan was established July 1, 1991 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The following description of the Plan only provides general information. Participants should refer to the Plan agreement or the Summary Plan Description for a more complete description of the Plan's provisions.

PLAN FREEZE / PLAN TERMINATION

Effective July 1, 2017, the Employer decided to freeze the Plan. As a result, no contributions were accrued after that date and no new participants could join the Plan (unless it was unfrozen). Finally, all participants in the Plan became fully vested in their benefits.

On March 15, 2021, the Employer approved a resolution to terminate the Plan effective April 1, 2021 and amend the Plan to provide immediate termination distribution options. In early 2022, benefits were distributed to participants or were settled by the purchase of deferred annuity contracts to provide future benefits. All assets of the plan were distributed as of April 1, 2022.

PARTICIPATION

Through July 1, 2017, employees of the Employer who were 18 years of age could participate on their date of hire, except for non-resident aliens and leased employees.

CONTRIBUTIONS

Prior to July 1, 2017, the Employer made nonelective contributions to participants who had completed 500 hours of service during a Plan year and were employed on the last day of the Plan year. These contributions were equal to 7.5% of each eligible participant's compensation, as defined in the Plan. Additional Employer contributions could be allocated to participants based on a formula integrated with the Social Security taxable wage base.

Through April 1, 2021, participants could rollover amounts from other qualified plans. There were no participant elective deferral contributions allowed under the Plan.

1. DESCRIPTION OF PLAN (CONTINUED)

VESTING

Since July 1, 2017, participants are 100% vested in all balances in their accounts.

PARTICIPANT LOANS / SECURED COLLATERAL BALANCES

Loans are made available to participants using the value of their account as collateral for the loan. Participants do not borrow from the Plan directly, but instead borrow from Mutual of America Life Insurance Company (Mutual of America).

Participants may obtain loans up to the lesser of \$50,000 (reduced by the highest outstanding loan balance in the previous year less any current outstanding loan balance), or 50% of the participants' account balance. In addition, participants may only have two loans outstanding, generally at a five year maximum term (longer for primary residence purchase). Loans are subject to a minimum of \$1,000, and bear interest at a variable rate, as determined quarterly by Mutual of America.

Participants requesting a loan must transfer 120% of the requested loan to the Interest Accumulation Account (see Note 4) to serve as security for the outstanding loan. If the participant defaults on the loan, they will be taxed on the outstanding loan balance. In addition, Mutual of America has the right to foreclose upon the security interest in the Interest Accumulation Account. As of June 30, 2021, outstanding loans were \$38,495, with corresponding secured collateral balances of \$46,194.

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

As a result of the Plan's termination described in Note 1, the Plan financial statements are presented using the liquidation basis of accounting. The liquidation basis of accounting did not have a significant impact compared to the going concern accrual basis of accounting.

VALUATION OF INVESTMENTS

The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

BRIDGING ACCESS TO CARE, INC. PENSION PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts and disclosures reported in the financial statements. Actual results may differ from management's estimates and assumptions.

RECLASSIFICATION

Certain amounts from the 2021 financial statements have been reclassified to conform to the current period presentation. Such reclassifications had no effect on net assets available for benefits as previously reported.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the audit report date, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 *Fair Value Measurements* (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The financial instruments' fair value measurement level is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Other significant observable inputs (including quoted prices in active markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

BRIDGING ACCESS TO CARE, INC. PENSION PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value.

- Pooled separate accounts – The Plan's units of participation are valued using net asset value as a practical expedient, as reported by the investment manager. These net asset values generally represent amounts at which units are redeemed on a regular basis.
- Guaranteed investment contract – Fair value represents contract value, adjusted for any liquidation costs (none per the terms of the contract). Contract value represents contributions made under the contract, plus interest at the contract rate, less funds used to pay plan benefits and the insurance company's administrative expenses.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair value information for investments held at June 30, 2021 is as follows:

	Level 1	Level 2	Level 3	Total
Investments in fair value hierarchy:				
Guaranteed investment contract	\$ -	\$ 330,652	\$ -	\$ 330,652
Investments using NAV practical expedient:				
Pooled separate accounts				2,023,885
Total assets at fair value				\$ 2,354,537

4. INVESTMENTS

All investment information disclosed in the accompanying financial statements, including investments held at April 1, 2022 and June 30, 2021, and net gain (loss) on pooled separate accounts and interest income for the periods then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mutual of America Life Insurance Company, the custodian of the Plan (a qualified institution).

BRIDGING ACCESS TO CARE, INC. PENSION PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. INVESTMENTS (CONTINUED)

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In May 2018, the Plan Sponsor entered into a guaranteed investment contract with Mutual of America (Interest Accumulation Account). Mutual of America maintains the Plan's original deposits in a general fund to which it adds interest from the underlying investments. The contract is fully benefit responsive, but is reported at fair value under the liquidation basis of accounting. As there is no withdrawal charge, contract value is equivalent to fair value.

The crediting interest rate is determined by Mutual of America and reviewed periodically for resetting, with a guaranteed minimum crediting rate of 0.15% effective January 1, 2022 (1.0% through December 31, 2021). The crediting rate was 1.0% from July 1, 2020 to December 31, 2021 and 0.25% from January 1, 2022 to April 1, 2022.

There are no restrictions on withdrawal of funds under the contract, other than amounts pledged to secure outstanding participant loans (see Note 1).

5. PARTY-IN-INTEREST TRANSACTIONS

Plan investments consist of pooled separate accounts and a guaranteed investment contract managed by Mutual of America, the custodian of the Plan. Therefore, these transactions and accounts qualify as party-in-interest.

The Plan incurs various management fees and operating expenses for its investments in pooled separate accounts. These costs are not reflected separately, but are included in the net investment return of these investments.

Direct expenses paid from Plan assets consist of monthly participant account maintenance charges. Participant loan fees are deducted from the proceeds of the loan, rather than paid from Plan assets. Any other costs of Plan administration are paid by the Plan Sponsor.

BRIDGING ACCESS TO CARE, INC. PENSION PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

6. TAX STATUS

For the Plan document in effect through May 1, 2018, the Plan had received an opinion letter from the Internal Revenue Service dated March 31, 2014, stating that the written form of the underlying volume submitter document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Subsequent to the receipt of this opinion letter, the plan was restated effective May 1, 2018. No determination letter has been received for this version of the Plan document. However, the Plan Sponsor believes that the written form of the restated Plan document also complies with the applicable requirements of the Internal Revenue Code. Therefore, income earned under the Plan is considered tax-exempt.

In addition to maintaining a proper written document, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor has indicated that it will take the necessary steps, if any, to maintain the Plan's qualified status.

The Plan Sponsor has concluded that as of April 1, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to tax examinations for reporting years prior to 2019.
