INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Employee Benefit Plan of HR New Hire, LLC
Southaven, MS

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Employee Benefit Plan of HR New Hire, LLC (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500; Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Form 5500; Schedule H, Part IV, Line 4a – Schedule of Delinquent Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Employee Benefit Plan of HR New Hire, LLC. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated February 15, 2023, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to the Financial Statements
December 31, 2021

Note 1 – Description of the Plan

The following description of Employee Benefit Plan of HR New Hire, LLC (the “Plan”) provides only general information. Participants should refer to the Plan document for more comprehensive information.

General – The Plan is a multiple employer plan as described in Section 413(c) of the Internal Revenue Code (“IRC”). As such, clients of HR New Hire, LLC (the “Plan Sponsor”) may adopt this plan for its employees and become participating employers. Each participating employer may elect options as to eligibility, participation, contributions, and vesting. The Plan is subject to the provisions of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility and participation – All employees of the participating employers are eligible to participate in the Plan once the age and service requirements are met. Depending on the option elected by the participating employer, an employee must be 18 to 21 years or older and must satisfy one of the following three criteria to meet the service requirement: 1,000 hours of service in a twelve-month consecutive period; a specified period of time that is twelve months or less; or, the employee may immediately enter the Plan.

Contributions – Participants may, through salary deferrals, make regular 401(k) or Roth 401(k) contributions of up to limits set by the IRC. The Plan also permits rollover contributions from qualified plans. Participants direct the investment of all contributions credited to their accounts into various investment options offered by the Plan.

Each employer who adopts the Plan may elect to make discretionary matching contributions, discretionary non-elective profit sharing contributions, 401(k) safe harbor contributions or they may elect to not make any contributions to the Plan.

Participant accounts – Each participant’s account is credited and/or reduced with the participant’s contributions and withdrawals, employer matching and profit-sharing contributions, and allocations of the Plan earnings and losses. Allocations are based on participant earnings, participant elective contributions, or account balances, as defined. The benefit to which a participant is entitled is the vested balance in the participant’s account.

Vesting – Participants are immediately 100% vested in their contributions and any employer safe harbor contributions, plus actual earnings or losses thereon. A participant’s vested interest in their account attributable to matching and non-elective contributions other than safe harbor contributions is based on various options available to the participating employer.

Notes receivable from participants – An employer may elect to allow participants to borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the loan was used to acquire a principal residence, in which case the repayment period may exceed five years. Notes are secured by the vested balances in participants' accounts. There were no outstanding loans at December 31, 2021.

Payment of benefits – Distribution of a participant's vested account balance may commence upon the earlier of retirement, death, disability, or separation from service. A participant may elect to receive an amount equal to the value of the vested interest in his or her account in a single lump-sum payment or direct rollover. Distributions are subject to the applicable provisions of the Plan document.

Notes to the Financial Statements
December 31, 2021

Note 1 – Description of the Plan (continued)

Payment of benefits (continued) – The Plan allows, in certain hardship situations as defined in the Plan document, participants to withdraw amounts from their account balances while actively employed. A participant experiencing financial hardship may, with sufficient evidence, withdraw a portion of their account attributable to employee contributions. The amount of the withdrawal may not be greater than the immediate financial need. These hardship withdrawals are subject to IRC restrictions and penalties.

Forfeited accounts – Any non-vested portion of the Plan Sponsor’s contributions credited to the accounts of participants who withdraw from the Plan are forfeited and used for either payment of eligible administrative expenses or to reduce Plan Sponsor contributions. There were forfeiture balances of approximately \$11,000 as of December 31, 2021 and 2020, and approximately \$3,000 of forfeitures were used to reduce employer contributions during the year ended December 31, 2021.

Termination – Although it has not expressed an intention to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their accounts.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents – The Plan considers all cash balances and highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Investments, investment valuation, and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value determinations, other than those measured using the net asset value (“NAV”) as a practical expedient, are made based upon a fair value hierarchy that prioritizes the inputs to valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

EMPLOYEE BENEFIT PLAN OF HR NEW HIRE, LLC
Notes to the Financial Statements
December 31, 2021

Note 2 – Summary of Significant Accounting Policies (continued)

Investments, investment valuation, and income recognition (continued) – The three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other-than-quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and,

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Pooled separate accounts – These investments are public investment vehicles valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market; however, the investments are in pooled separate accounts through the subaccounts of the Trustee and, therefore, are classified within Level 2 of the valuation hierarchy.

Interest bearing cash – These investments are classified within Level 1 of the valuation hierarchy as the funds are held in cash deposit accounts.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recognized when earned. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought, sold, and held during the year.

Excess contributions payable – Contributions received from participants during the year ended December 31, 2021, are net of payments of approximately \$5,000 made after the Plan year end to certain active participants to return excess contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are included in the accompanying statements of net assets available for benefits as excess contributions payable as of December 31, 2021. There were no excess contributions during the year ended December 31, 2020.

Note 2 – Summary of Significant Accounting Policies (continued)

Benefits paid to participants – Benefits are recorded when processed and paid by the Plan.

Administrative expenses – Administrative expenses paid by the Plan are recorded when incurred. The Plan Sponsor absorbs a significant amount of the cost of plan administration.

Note 3 – Information Provided and Certified by the Trustee

The following is a summary of the Plan’s financial information and data certified by Mutual of America Life Insurance Company (“Mutual”) as complete and accurate in accordance with 29 CFR 2520.103-5(c) of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA:

EMPLOYEE BENEFIT PLAN OF HR NEW HIRE, LLC
Notes to the Financial Statements
December 31, 2021

Note 5 – Party-in-Interest Transactions

Certain of the Plan's investments are in pooled separate accounts through subaccounts of Mutual and, therefore, these transactions qualify as party-in-interest transactions. Fees paid during the year for accounting and other services rendered by parties-in-interest qualify as party-in-interest activity, they are expressly exempted from prohibited transactions rules (ERISA, Tittle 1, and Section 408(b)).

Note 6 – Income Tax Status

The Plan obtained its latest opinion letter dated November 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, Plan management believes that the Plan is currently designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, as the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7 – Risks and Uncertainties

The Plan invests in various investment options in investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Note 9 – Subsequent Events

Plan management has evaluated subsequent events through February 15, 2023, in connection with the preparation of these financial statements, which is the date the financial statements were available to be issued. Subsequent to December 31, 2021, financial markets continue to be volatile. As a result, the Plan's investments incurred a decline in fair value since December 31, 2021. However, because the values of the Plan's individual investments have and will continue to fluctuate in response to changing market conditions, the decline in fair value is considered temporary and was not recognized as of December 31, 2021.
