Populum Real Estate Holdings, LLC 401(k) Plan
401(k) Retirement Plan Board of Trustees
Boulder, CO

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Populum Real Estate Holdings, LLC 401(k) plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Populum Real Estate Holdings, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Populum Real Estate Holdings, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Populum Real Estate Holdings, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters**2021 Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held for investment purposes at end of year, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Populum Real Estate Holdings, LLC 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 (Audited) and 2020 (Compiled)

NOTE A - DESCRIPTION OF PLAN

The following description of Populum Real Estate Holdings, LLC 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General:

The Plan is a defined contribution pension plan covering substantially all employees of Populum Real Estate Holdings, LLC (the Company) that are 18 years old and have completed two months of service during which employees must complete at least 1 hour of service for each month to become eligible for participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Participants may make voluntary contributions of their annual base pay on a pre-tax basis, up to the maximum dollar amount allowed by law (plus catch-up contributions as defined by the Plan document). The maximum voluntary contribution was \$19,500 in 2021 and 2020, respectively, plus an additional \$6,500 contribution in 2021 for those employees that are age 50 and older. A Company safe harbor matching contribution will be made equal to 100% of the employee elective deferral up to the first 4%. Effective January 1, 2021, the Plan auto-enrolled all eligible participants not participating to an automatic 1% deferral, subject to the participant opting out. Additional profit-sharing amounts may be contributed at the option of the Plan's board of directors and are invested in a portfolio of investments as directed by the Plan. Contributions are subject to certain limitations.

Participants' voluntary contributions and employer's matching contributions are designated under a qualified deferred arrangement as allowed by Sections 401(k) and 401(m) of the Internal Revenue Code.

Participants' Accounts:

Each participant's account is credited with their voluntary contribution and employer's matching contribution, and allocations of (a) the Company's discretionary profit-sharing contributions, and (b) plan earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits:

Upon termination of service, a participant is entitled to receive the vested portion of their account with the remainder being forfeited and treated as plan sponsor contributions and reallocated to participants

Vesting:

Participants are immediately vested in their elective deferral and safe harbor matching contributions. Vesting in the Company's discretionary contribution portion of their accounts is determined based upon years of service. A year of service is defined as a year in which the participant completes 1,000 hours of service.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting (Continued):

A participant is vested according to the following table:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

A participant is automatically fully vested upon attainment of normal retirement age of 65 or termination of employment caused by death or disability.

Notes Receivable from Participants:

Participants may borrow from their account balance with a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range from 1 to 5 years or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits:

Upon termination of service due to death, disability, retirement, separation of service, or upon attainment of age 59 1/2, a participant may elect to receive installment payments or a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeitures:

Upon termination of a participant, the employer's profit-sharing contribution to which the participant is not vested shall be forfeited as of the end of the plan year during which the former participant receives full payment of his or her vested benefit. These forfeitures may be used by the employer to reduce future matching contributions. Forfeitures total \$0 at December 31, 2021 and 2020.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and excluded from these financial statements. Plan fees are incurred when a participant uses a particular feature of the Plan, such as a distribution following termination, participant loans, and other features as defined in the Plan agreement. These fees are included in administrative fees when incurred.

Plan Adopted Provisions:

On March 27, 2020, the Plan formally adopted the applicable provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which was signed into law on March 27, 2020. The CARES Act distribution provision allowed the Plan's participants to take a distribution up to \$100,000 or 100% of their vested balance, whichever is less, from the Plan beginning on or after January 1, 2020, and before December 31, 2020.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Plan Adopted Provisions: (Continued)

Eligible participants who receive a distribution under the CARES Act were not subject to the standard early withdrawal penalty that generally applies to participants under the age of 59½. The CARES Act loan provision allowed the Plan's participants to take a loan up to \$100,000 or 100% of the participants vested balance, whichever is less, through September 22, 2020. In addition, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision allows qualified Plan participants who had Plan loan repayments to suspend such repayments through December 31, 2020, and then reamortize the loan over the remaining period of the loan plus up to an additional 12 months. Pursuant to the CARES Act, the Plan also suspended all minimum required distributions for 2020 and allowed participants who had already taken their minimum required distributions to roll them back into the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (US GAAP).

Investment Valuation and Income Recognition:

Plan investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan sponsor determines the Plan's valuation policies utilizing information provided by third-party investment advisers and custodian. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Use of Estimates:

The preparation of financial statements in accordance with US GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payment of Benefits:

Benefits are recorded when paid.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events:

Management evaluated all activity of the Plan through February 14, 2023, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has obtained a certification from the Trustee that the information provided to the Plan Administrator by the Trustee is complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations and Disclosure under the Employment Retirement Income Security Act of 1974. A summary of information included in the financial statements, which has been certified, is as follows as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Investments at fair value	\$ 1,818,929	\$ 1,599,859
Notes receivable from participants	51,632	67,196
Net appreciation in fair value of investments	196,576	197,580
Interest and dividends	46,292	32,918

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurements*, are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in active markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of an input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

December 31, 2021 (Audited) and 2020 (Compiled)

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets at fair value.

Mutual funds: Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. (Level 1)

Common Collective Trust Funds: As permitted by accounting principles generally accepted in the United States of America (GAAP), the Plan uses net asset value as a practical expedient to determine the fair value of the common collective trust funds. Net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. Redemption for the common collective trust is permitted daily with no other restrictions or notice periods and there are no unfunded commitments. In accordance with GAAP, the common collective trust funds measured at net asset value has not been classified in the fair value hierarchy. The fair value amounts presented in the table below are intended to permit reconciliation to the amounts presented in the statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

<u>2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 1,807,061	\$ -	\$ -	\$ 1,807,061

NOTE E - PLAN TERMINATION

Although it has not expressed any intention to do so, the plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their individual account balances.

NOTE F - INCOME TAXES

The Plan was established using the ADP, LLC Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA plan which, according to an opinion letter dated October 6, 2020 from the Internal Revenue Service, may be relied upon by an employer to adopt and qualify as an approved plan under the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets are invested in funds managed by Reliance Trust Company. Reliance Trust Company is the custodian as defined by the Plan and, therefore these transactions qualify as party-in-interest transactions. Recordkeeping, custodial and other expenses paid by the Plan were incurred with parties-in-interest as defined in Section 3(14) of ERISA.
