Magnum Construction Management 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Magnum Construction Management 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Magnum Construction Management 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditors' Report (Continued)

To the Plan Sponsor of the
Magnum Construction Management 401(k) Plan

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Magnum Construction Management 401(k) Plan's ability to continue as a going concern for one year from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report (Continued)

To the Plan Sponsor of the
Magnum Construction Management 401(k) Plan

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Magnum Construction Management 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Magnum Construction Management 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The predecessor auditors were engaged to audit the 2020 financial statements of MCM Savings Plan (also known as Magnum Construction Management 401(k) Plan). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed them not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. In their report dated October 14, 2021, they indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA

Magnum Construction Management 401(k) Plan

Notes to Financial Statements

December 31, 2021

Note 1 Description of Plan

The following description of the Magnum Construction Management 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on January 1, 1995, is a defined contribution plan covering all full-time employees who have two months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan oversight is performed by the Plan trustees, who are officers of the Company. Reliance Trust Company ("Trustee") receives and invests the contributions and Plan earnings as directed by the participants.

Contributions to the Plan

The Plan allows participants to make tax-deferred contributions (compensation deferrals) up to the maximum limits imposed by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. After a participant attained the age of twenty-one and completed two months of service employee can participate in the plan. For the year ended December 31, 2021, the Company matched 100% of the participant contributions to the Plan up to 3% of the participant compensation plus 50% of the participant's elective deferral contribution over 3% up to 5%.

Rollovers

The Plan permits participant designated rollover contributions into plan. At December 31, 2021, there were no participant directed rollovers.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited Accounts

Forfeitures of non-vested participant account balances can be used to pay administrative expenses of the Plan and/or to reduce contributions otherwise required of the employer. During 2021, forfeitures were used in the amount of \$84,055 to reduce employer contributions. At December 31, 2021 there was no unused forfeitures.

Vesting

Participants are immediately vested in their compensation deferral contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on the election to contribute. If a participant elects to contribute, employer's contribution is 100 percent vested immediately.

Magnum Construction Management 401(k) Plan
Notes to Financial Statements
December 31, 2021

Note 1 Description of Plan (Continued)

Distribution of Benefits

Participants or their beneficiaries are eligible to receive distributions from their account upon retirement, permanent and total disability, death, or financial hardship, as defined. Employees who terminate employment prior to the occurrence of one of the above events have 60 days from the date of their account distribution to invest the funds in a qualified tax deferred investment without taxation or penalty.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have one loan outstanding at any time. Notes under \$2,000 shall be repaid within a period of three years. All other notes shall be repaid within five years unless the note is for the purchase of a primary residence in which case the repayment schedule must be for a reasonable period of time, not to extend fifteen years. Interest accrues at the prevailing commercial rate for notes of similar types and currently ranges from 4.25% to 6.50%. The notes are collateralized by the participants' vested interest in their account balance. Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made through payroll deductions.

Note 2 Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Uses of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan sponsor determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and bank. See note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis of accounting. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses was considered necessary as of December 31, 2021. At December 31, 2021, notes receivable from participants totaled \$132,575.

Magnum Construction Management 401(k) Plan
Notes to Financial Statements
December 31, 2021

Note 2 Summary of Significant Accounting Policies (Continued)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Note 3 Information Prepared and Certified by Trustee

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021, and net appreciation in fair value of investments, interest and dividends for the years then ended was obtained or derived from information supplied to the plan sponsor and certified as complete and accurate by Reliance Trust Company and Empower Trust Company, LLC, the trustees of the Plan.

Note 4 Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 5 Tax Status

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan sponsor believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Magnum Construction Management 401(k) Plan

Notes to Financial Statements

Note 6 Fair Value Measurements

Accounting Standards Codification (“ASC”) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- * quoted prices for similar assets or liabilities in active markets;
- * quoted prices for identical or similar assets or liabilities in inactive markets;
- * inputs other than quoted prices that are observable for the asset or liability;
- * inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual funds and common collective trust: Valued at the closing price reported on the active market on which the individual securities are traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (“Level 1”).

Guaranteed Interest Account: The value at any time will equal contributions and transfers to that account, plus interest, minus withdrawals and transfers out of the contract and charges deducted as specified on the contract. The guaranteed interest account is not considered fully benefit-responsive because certain transactions are permitted to be conducted at other than contract value and is valued at estimated fair value as determined by the Trustee. The guaranteed interest account is classified within Level 2 of the valuation hierarchy (“Level 2”).

Magnum Construction Management 401(k) Plan
Notes to Financial Statements
December 31, 2021

Note 6 Fair Value Measurements (Continued)

The preceding methods described, may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Common/collective trusts	\$ 20,780	\$ -	\$ -	\$ 20,780
Mutual funds	9,051,986	-	-	9,051,986
Guaranteed interest account	-	141,947	-	141,947
Total assets at fair value	<u>\$ 9,072,766</u>	<u>\$ 141,947</u>	<u>\$ -</u>	<u>\$ 9,214,713</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,956,808	\$ -	\$ -	\$ 9,956,808
Guaranteed interest account	-	360,080	-	360,080
Total assets at fair value	<u>\$ 9,956,808</u>	<u>\$ 360,080</u>	<u>\$ -</u>	<u>\$ 10,316,888</u>

Note 7 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, a novel strain of coronavirus was declared a global pandemic and a National Public Health Emergency. The novel coronavirus pandemic and related "shelter-in-place" orders and other governmental mandates relating thereto (collectively, "COVID-19") adversely affected and will, in all likelihood continue to adversely affect, the Plan's operations and financial results for the foreseeable future.

Magnum Construction Management 401(k) Plan
Notes to Financial Statements
December 31, 2021

Note 7 Risks and Uncertainties (Continued)

The COVID-19 pandemic has caused the shutdown of large portions of our national economy. While portions of the national economy have reopened, there is still significant uncertainty around the extent and duration of business disruptions related to COVID-19, as well as its impact on the U.S. economy and consumer confidence. The extent to which COVID-19 impacts the Plan's future results will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the continuing severity of COVID-19, whether there are additional outbreaks of COVID-19, and the actions taken to contain it or treat its impact. If the virus continues to cause significant negative impacts to economic conditions or consumers' confidence, the Plan's results of operations, financial condition and cash flows could be materially adversely impacted.

Also, the country is experiencing an inflationary period which has an adverse effect on the financial markets, which directly affects the Plan's performance. The Plan Sponsor is taking the necessary steps to minimize any possible negative effect on profitability.

Note 8 Related Party Transactions and Parties in Interest Transactions

Certain Plan investments are managed by Reliance Trust Company, the trustee for the Plan, and therefore these transactions qualify as party in interest transactions.

The Trustee provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement ("MSA") between the Company and the Trustee. The Trustee receives revenue from mutual fund service providers for services the Trustee provides to the funds. This revenue is used to offset certain amounts owed to the Trustee for its administrative services to the Plan.

If the revenue received by the Trustee from such mutual fund service providers exceeds the amount owed under the MSA, the Trustee remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay plan sponsor expenses or allocated to the accounts of the participants. During 2021, there were no excess amounts. The Plan or plan sponsor may make a payment to the Trustee for administrative expenses not covered by revenue sharing.

Note 9 Subsequent Events

The Plan has evaluated subsequent events through February 4, 2023 the date the financial statements were available to be issued and determined no additional items required disclosures.
