Independent Auditor's Report

To the Administrative Committee of
Munn's Air Conditioning & Heating 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Munn's Air Conditioning & Heating 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are

required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A – DESCRIPTION OF PLAN

The following description of Munn's Air Conditioning & Heating 401(k) Plan (the "Plan") provides only general information.

General - The Plan is a defined contribution plan covering all employees of Munn's Sales & Service, Inc. and Drain Cleaning and Repairs USA, LLC d/b/a Zoom Drain Central Florida (the "Companies") who have completed two months of service and are age twenty-one or older. Effective September 1, 2021, the Plan was amended to eliminate the minimum age requirement of twenty-one years of age. Zoom Drain Central Florida was sold in November 2021 and ceased operations. Eligible employees may enroll on the first day of the month coinciding with or subsequent to satisfaction of these requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Inception of the plan was January 1, 2001. The Plan has been restated and amended, with the most recent restatement effective April 1, 2022.

Contributions - Each year, participants may make pretax and Roth contributions from 1% to 90% of eligible compensation, as defined in the Plan, subject to the limitations provided by the Internal Revenue Code ("IRC"), which was \$19,500 for those under age 50 during 2021 and 2020, and \$26,000 for those age 50 or over during 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Companies make contributions to the Plan each pay period equal to 100% of the first percent of employee deferrals, plus 50% of employee deferrals between 2% and 6%. The Companies may also make profit sharing contributions; however, there were no profit sharing contributions made during the year ended December 31, 2021. Plan provisions also include an automatic contribution arrangement, whereby eligible employees are automatically enrolled at 6% pre-tax contribution unless the employee opts out of the Plan. Participants direct their investment of all contributions credited to their accounts into various investments offered by the Plan.

Participant Accounts - Each participant's account is credited with his or her contributions and an allocation of (a) the Companies' contribution, (b) the Companies' discretionary profit-sharing contribution, (c) plan earnings/(losses), (d) forfeitures of terminated participants' non-vested accounts, and (e) administrative expenses. Allocations are based on participant earnings or account balances with certain limitations. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in his or her voluntary contributions. Vesting in the Companies' discretionary profit-sharing contributions and matching contributions plus earnings thereon are based on years of continuous service. A participant becomes 50% vested after one year of service and 100% vested after two years of service.

Payment of Benefits - Upon termination of services due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in partial payments or systematic installments as elected by the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021**NOTE A – DESCRIPTION OF PLAN (concluded)**

Forfeited Accounts - If participants end employment before they are 100% vested in the Companies' discretionary profit-sharing contributions and matching contribution portion of their accounts, the non-vested portion of the account is forfeited. Forfeitures are reallocated as Companies' contributions to the participants remaining in the Plan. Forfeited non-vested amounts of \$7,839 were used to reduce the Employer contributions for the year ended December 31, 2021. The forfeited non-vested account amounted to \$4 and \$5 as of December 31, 2021 and 2020, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates - Preparation of financial statements in accordance with generally accepted accounting principles accepted in the United States of America ("U.S. GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and changes therein, and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's fair value policies utilizing information provided by investment advisers and custodians. See Note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Operating Expenses - All expenses of maintaining the Plan are paid by the Companies. These expenses do not include indirect fees charged by service providers.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and significant to fair value measurement and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were available to the Plan.

NOTE C – FAIR VALUE MEASUREMENTS (concluded)

Valuation methodologies used for assets measured at fair value are as follows:

Common Collective Trusts: Valued at the net asset value (“NAV”) of units of the underlying investments of a collective trust as well as a variety of separate accounts and mutual funds, as provided by the fund trustee. The NAV is used as a practical expedient to estimate fair value.

Fair value of assets measured on a recurring basis as of December 31, 2021 and 2020, are as follows:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<u>December 31, 2021:</u>				
Money market fund	\$ 791,344	\$ 791,344	\$ -	\$ -
Common collective trusts	<u>3,727,219</u>	<u>-</u>	<u>3,727,219</u>	<u>-</u>
	<u>\$ 4,518,563</u>	<u>\$ 791,344</u>	<u>\$ 3,727,219</u>	<u>\$ -</u>
 <u>December 31, 2020:</u>				
Mutual funds	\$ 3,491,595	\$ 3,491,595	\$ -	\$ -
Common collective trust	<u>310,152</u>	<u>-</u>	<u>310,152</u>	<u>-</u>
	<u>\$ 3,801,747</u>	<u>\$ 3,491,595</u>	<u>\$ 310,152</u>	<u>\$ -</u>

Gains and losses (realized and unrealized) included in changes in net assets available for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

NOTE D – INVESTMENTS

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$431,862 for the year ended December 31, 2021.

NOTE E – RELATED PARTY TRANSACTIONS

The Plan incurred administrative expenses of \$37,822 for the year ended December 31, 2021. Of this amount, \$23,373 was paid by the Plan and \$14,449 was paid and/or accrued by the Companies, parties-in-interest.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions and profit-sharing contributions.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021**NOTE G – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN**

The following information included in the accompanying financial statements and supplemental schedule(s) was obtained from data that has been prepared and certified as complete and accurate by the custodian as of December 31, 2021:

Investments at fair value:

Money market fund	\$ 791,344
Common collective trusts	\$ 3,727,219

NOTE H – TAX STATUS

The Internal Revenue Service has determined and informed the Companies by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authority. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits per financial statements as of December 31, 2021 and 2020, to Form 5500:

The following is a reconciliation of the net increase in net assets available for benefits per financial statements for the year ended December 31, 2021, to Form 5500:

Net increase per financial statements	\$ 689,873

Net increase per Form 5500	<u>\$ 690,786</u>

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021**NOTE J – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE K – COMMITMENTS AND CONTINGENCIES

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus ("COVID-19") pandemic. The outbreak of COVID-19 is affecting communities, business operations, as well as the US economy and financial markets. The full extent to which COVID-19 will impact the Plan is uncertain at this time and will depend on new information that may emerge concerning COVID-19 and the actions to contain and treat its impact and the economic impact on local, regional, national, and international markets.

In response to COVID-19, the federal government created legislation impacting 401(k) plans through temporary regulations outlined in the CARES Act. The features included:

1. The maximum loan limit was increased to \$100,000.
2. Permitted Hardship Withdrawals up to \$100,000 without tax penalty. These withdrawals are still subject to ordinary income tax, but participants were able to spread the income tax over three years. The participant can also elect to repay the withdrawal at the end of three years for a total or partial refund of taxes paid on the withdrawal.
3. Required Minimum Distributions were suspended for participants who were required to take them in 2020.
4. Loan repayments can be delayed for one year, measured from the original due date.

Certain provisions of the CARES Act expired on December 30, 2020. The Consolidated Appropriations Act of 2021 ("CAA") was signed into law on December 27, 2020, and temporarily replaced or extended provisions created in the CARES Act. The features included:

1. The maximum loan limit remained at \$100,000. This provision expired June 25, 2021.
2. Qualified Disaster Distributions up to \$100,000 without tax penalty. This provision expired June 25, 2021.
3. Loan repayments can be delayed for one year, measured from the original due date.

NOTE L – SUBSEQUENT EVENT

Effective April 1, 2022, the Plan was restated to be in compliance with current laws and regulations. The restatement did not change plan provisions disclosed in Note A.

Subsequent events were evaluated through February 4, 2023, which is the date the financial statements were available to be issued.
