FINANCIAL STATEMENTS

AUGUST 24, 2022 AND DECEMBER 31, 2021 (LIQUIDATION BASIS)

## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
ThousandEyes, Inc. 401(k) Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of ThousandEyes, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 24, 2022 and December 31, 2021 (liquidation basis), and the related statement of changes in net assets in liquidation available for benefits for the period ended August 24, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of August 24, 2022 and December 31, 2021, and for the period ended August 24, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the liquidation basis of accounting.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Plan Termination**

As further described in Note 5 to the financial statements, the plan sponsor authorized the termination of the plan effective August 4, 2020. In accordance with accounting principles generally accepted in the United States of America, the Plan changed its basis of accounting effective August 4, 2020, from the ongoing basis to the liquidation basis. Our opinion is not modified with respect to this matter.

**THOUSANDEYES, INC. 401(k) RETIREMENT PLAN**  
NOTES TO FINANCIAL STATEMENTS  
AUGUST 24, 2022 AND DECEMBER 31, 2021 (LIQUIDATION BASIS)

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the ThousandEyes, Inc. 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

**A. General**

The Plan is a 401(k) salary deferral and profit sharing plan covering substantially all employees of ThousandEyes, Inc., ("the Company"). The plan administrator believes the Plan is currently designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**B. Administration and Expenses**

The Company designated Fidelity Management Trust Company to serve as trustee and third-party administrator for the Plan. Plan expenses may be paid by the Plan or the Company as provided in the Plan document. Certain investment related expenses are charged directly by the funds and are thereby factored into each fund as a reduction in investment return. Participant accounts are charged quarterly for record keeping and investment advisory services. Certain transaction fees are charged directly to participants. A majority of other costs of operating the Plan are paid by the Company.

**C. Eligibility**

The Plan specifically excludes leased employees and employees covered by a collective bargaining agreement. Substantially all other employees of the Company are eligible to participate in the Plan. There is no age requirement and eligible employees may enter the Plan on commencement of employment after completing one month of service or as soon as administratively possible thereafter.

**D. Participant Contributions**

As noted in Note 5, the Plan was terminated effective August 4, 2020 and no further contributions were accepted into the Plan. Previously, the Plan allowed participants to make pre-tax, Roth and voluntary after-tax contributions to the Plan subject to applicable Internal Revenue Service Code limits.

**E. Participant Accounts**

Each participant's account is credited with the participant's contributions, rollovers, and the participant's share of investment earnings or losses and expenses. Plan assets are invested solely based on instructions received from participants. Participants may choose investments from a diversified menu of mutual funds.

**F. Vesting and Forfeitures**

Participants are immediately 100% vested in their entire account balance.

**THOUSANDEYES, INC. 401(k) RETIREMENT PLAN**  
NOTES TO FINANCIAL STATEMENTS  
AUGUST 24, 2022 AND DECEMBER 31, 2021 (LIQUIDATION BASIS)

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

**G. Notes Receivable from Participants**

The Plan allows participants to borrow not less than \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's account balance, bears a fixed rate of interest determined at loan inception based on prevailing interest rates charged by persons in the business of lending money for similar loans, and must be repaid to the Plan in five years unless the loan is used for the purchase of a principal residence in which case the repayment period may be extended. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document. There were no notes receivable at August 24, 2022.

**H. Payment of Benefits**

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability, retirement, or reaching age 59½ a participant or beneficiary may maintain his or her account in the Plan or elect to receive benefits in a lump sum equal to the value of the participant's account. Hardship distributions are permitted under certain limited circumstances as defined in the Plan, subject to the approval of the Plan administrator.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

The Financial Accounting Standards Board (FASB) issued authoritative guidance that requires an entity to prepare its financial statements using the liquidation basis of accounting when liquidation is imminent. The guidance requires measurement and presentation of assets at the amount of expected cash proceeds from liquidation. An entity includes in its presentation of assets any items it had not previously recognized under accounting principles generally accepted in the United States ("U.S. GAAP") but that it expects to use in settling liabilities. The financial statements are prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**B. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

**C. Investment Valuation and Income Recognition**

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Investment Valuation and Income Recognition (Continued)**

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net depreciation includes gains and losses on investments bought and sold as well as held during the year.

**D. Risks and Uncertainties**

Plan investments are exposed to various investment risks such as interest rate, market, and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

**NOTE 3 - INCOME TAX STATUS**

The Company adopted a prototype plan that has received an opinion letter from the Internal Revenue Service stating that the form of the plan qualifies under applicable provisions of the Code. The Company believes that the Plan is operated in accordance with, and qualifies under, applicable requirements of the Code and related state statutes, and that the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by affiliates of the trustee. Purchases and sales of these funds and payments of direct and indirect administrative and investment management fees to Plan service providers by the Plan are considered party-in-interest transactions under ERISA regulations. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

**NOTE 5 - PLAN TERMINATION**

The Board of Directors of the Company authorized the termination of the Plan effective August 4, 2020, preceding the acquisition of the Company by an unrelated entity. Upon the termination date, each participants' account balance became 100% vested. Following the termination date of the Plan, the Plan shall continue to be administered in accordance with the Plan document except that no new employees of the Company shall be eligible to participate in the Plan and the trustee of the Plan shall not accept contributions to the Plan. Certain officers of the acquiring company are authorized and directed to take any and all further actions necessary and appropriate to effect the termination of the Plan including the preparation and filing of all annual reports and returns with the Internal Revenue Service until such time as a final distribution of assets has been made from the Plan and a final annual report has been prepared and filed. Shortly after the receipt of a determination letter from the Internal Revenue Service on April 19, 2022 regarding the termination of the Plan, the Plan began the

distribution process. Participant balances were distributed to participants' individual retirement accounts, the participants' current employer plan or transferred to the acquiring company's 401(k) Plan (Cisco Systems, Inc. 401(k) Plan). All balances were distributed as of August 24, 2022 and the Plan's net assets were liquidated to zero.

**NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements including investments held at August 24, 2022 and December 31, 2021 and net depreciation of investments, interest and dividends for the period ended August 24, 2022, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by the trustee of the Plan, Fidelity Management Trust Company.

**NOTE 7 - FAIR VALUE MEASUREMENTS**

Accounting guidance establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Plan investments consist of mutual funds that are valued at closing market prices of shares held by the Plan at December 31, 2021 (Level 1). There were no Plan investments at August 24, 2022.

**NOTE 8 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through February 2, 2023, the date on which the financial statements were available to be issued. There are no other material subsequent events that require recognition or disclosure in the Plan's financial statements.
