Independent Auditor's Report

Board of Trustees
Briggs Medical Service Company 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Briggs Medical Service Company 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Spin-off

As discussed in Note 11, the Plan sponsor approved a spin-off of certain Plan assets into the Izzo Golf 401(k) Savings Plan on December 28, 2020. These Plan assets were transferred to the Izzo Golf 401(k) Savings Plan on March 5, 2021. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a—schedule of delinquent participant contributions and loan repayments for the year ended December 31, 2021 and Schedule H, Line 4i—schedule of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Briggs Medical Service Company 401(k) Savings Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of Briggs Medical Service Company 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility: The Plan is a defined contribution plan made available to all eligible employees of Briggs Medical Service Company (the Company), DMS Holdings, Inc., Omnimed, Inc., Izzo Golf, Inc., Premier Retail, Inc., Briggs Homecare LLC and Subsidiaries, and Simple LTC Systems LLC. Participants enter the Plan on the first day of the month following their compliance with eligibility requirements. Employees are eligible to make deferrals after meeting a service requirement of three months for employees of Briggs Medical Service Company, DMS Holdings, Inc., Omnimed, Inc., Izzo Golf, Inc., Premier Retail, Inc., and Simple LTC Systems LLC. During the year ended December 31, 2021, Izzo Golf, Inc., Premier Retail, Inc., and Simple LTC Systems LLC discontinued as participating employers. Employees are eligible to make deferrals after meeting a service requirement of six months for employees of Briggs Homecare LLC and Subsidiaries. The Plan is subject to the current provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the applicable current Internal Revenue Code provisions.

Contributions and investment options: Each year participants may contribute up to 100% of pretax annual compensation, as defined by the Plan, subject to Internal Revenue Service limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan allows for an automatic 3% of compensation election deferral contribution with an automatic 1% increase each subsequent July 1, up to 6% of compensation. The participant may change the deferral percentage at any time, subject to the Plan's limitations.

The employer match is at the discretion of the employer. The Company approved a discretionary matching contribution for the year ended December 31, 2021, at 50% of the employee elected deferral percentage up to a maximum employee deferral percentage of 6% for all participating employers, except for Izzo Golf, Inc. and Premier Retail, Inc., which have no employer match.

The employer can make additional discretionary contributions to the Plan. No additional discretionary contributions were approved for the year ended December 31, 2021.

The amounts contributed by the participants and the Company are deposited into guaranteed interest accounts or registered investment companies (mutual funds) at the participant's discretion. Participants may change their allocation on a daily basis. This Plan is subject to the provisions of the ERISA.

Participant accounts: Each participant's account is credited with the participant's contribution, the employer matching contribution, and an allocation of a) Plan earnings and b) administrative expenses. Allocations of Plan earnings and administrative expenses are based upon each participant's account balances. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Employee contributions are fully vested at all times, and the participant's interest in the employer contributions are evenly vested over five years, except that such interests become fully vested in the event of the participant's retirement, death or disability.

Payment of benefits: Participants or their beneficiaries are eligible to receive their benefit upon retirement, termination, death or disability. Withdrawals by a participant while employed are limited to those requested due to financial hardship as defined by the Plan or upon the attainment of age 59½.

Briggs Medical Service Company 401(k) Savings Plan

Notes to Financial Statements

Note 1. Plan Description (Continued)

Notes receivable from participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 reduced by the highest outstanding note receivable balance in the previous 12-month period or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the prevailing rate as determined by the Plan Administrator. Principal and interest is paid ratably through monthly payroll deductions. Notes receivable outstanding at December 31, 2021, have maturities through 2026 and bear interest between 4.25% and 6.50%. Notes receivable outstanding at December 31, 2020, bore interest between 4.25% and 6.50%.

Forfeited accounts: Plan forfeitures are used to reduce the participating employers' matching contributions and to pay administrative expenses. At December 31, 2021 and 2020, cumulative nonvested forfeitures were approximately \$62,000 and \$31,000, respectively. During the year ended December 31, 2021, forfeitures of approximately \$49,000 were utilized to reduce the employer matching contributions and to pay administrative expenses.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Accounting estimates and assumptions: The preparation of financial statements in conformity with accounting principles general accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 8 for discussion of fair value measurements and Note 9 for a discussion on fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

Payments of benefits: Benefits are recorded when paid.

Subsequent events: The Plan Administrator has evaluated subsequent events through February 15, 2023, which is the date the financial statements were available to be issued. Following a 2021 investigation by the Department of Labor regarding the Plan Sponsor's inadvertent failure to make timely deposits during the years 2017 through 2021, the Plan Sponsor remitted lost earnings to the Plan in April 2022. The lost earnings payments were paid from the Plan Sponsor's assets and not from the assets of the Plan.

Briggs Medical Service Company 401(k) Savings Plan

Notes to Financial Statements

Note 3. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 4. Information Certified and Provided by Empower Retirement, the custodian

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020 and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by Empower Retirement, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets are complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

	December 31	
	2021	2020
Investments at fair value, mutual funds	\$ 18,162,819	\$ 20,201,227
Investment at contract value, guaranteed interest account	2,795,049	4,197,231
Notes receivable from participants	169,438	159,173

Empower Retirement (Empower) also certified to the completeness and accuracy of \$6,268 of interest income from notes receivable from participants, \$395,204 of interest and dividends and \$2,765,716 of net appreciation in fair value of investments (including investments bought, sold and held during the year) for the year ended December 31, 2021.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6. Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by Empower Retirement. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

Note 7. Related-Party Transactions

Certain Plan investments are guaranteed investment contracts managed by Empower. Empower is the custodian as defined by the Plan, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the custodian totaled \$10,930 for the year ended December 31, 2021. The Company also pays certain administrative expenses on behalf of the Plan.

Note 8. Fair Value Measurements

The Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the topic are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds: Mutual funds are reported at fair value based on the quoted market price of the fund and are classified within Level 1 of the valuation hierarchy.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 8. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

2021				
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

	<u>\$ 20,201,227</u>	<u>\$ 20,201,227</u>	<u>\$ -</u>	<u>\$ -</u>

Note 9. Guaranteed Investment Contract

The Plan has a fully benefit-responsive guaranteed investment contract with MassMutual. The MassMutual Diversified SAGIC II (also known as the MassMutual Diversified Bond Separate Account Guaranteed Interest Contract II), is a market value separate investment account (SIA) of MassMutual and is "wrapped" by a general account guarantee to pay a stated rate of return. SAGIC II offers the stable value features of: guarantee of principal and a competitive rate of interest backed by MassMutual; insulation of account balance from market value fluctuations; full liquidity at contract value for participant-directed benefit payments and transfers to "noncompeting investments"; and an additional level of security as assets in the SIA are insulated from the general obligations of MassMutual. The SAGIC II SIA invests in a diversified portfolio of primarily investment-grade fixed income securities (with a potential of up to 25% of assets in below investment-grade debt securities) including but not limited to corporate, U.S. government and agency, foreign issuer and private placement bonds, and mortgage-backed and other asset-backed securities.

The credit quality of the portfolio has historically averaged "A", and the average credit quality of the portfolio will not be less than A-/A3. The crediting rate is determined for each individual plan contract based on anticipated market returns in the SGIC II SIA and the contract value account and market value account differential, in addition to any plan-specific contract charges. All bona-fide participant-initiated withdrawals, including benefit payments, loans and transfers to other noncompeting investment options, are paid at contract value. Transfers to competing fixed income investments are not allowed. Employer-initiated events, such as layoffs, sale of a business unit, or company merger are considered market value events and are subject to contract discontinuance provisions. The SAGIC crediting rate was 2.19% for the year ended December 31, 2021.

Briggs Medical Service Company 401(k) Savings Plan

Notes to Financial Statements

Note 9. Guaranteed Investment Contract (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan); (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 10. Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 11. Spin-off and Terminations

Effective December 28, 2020, the Plan Sponsor approved the spin-off of Plan assets held in accounts of the employees of Izzo Golf, Inc. and Premier Retail, Inc. to the new Izzo Golf 401(k) Savings Plan. Plan assets totaling \$4,482,579 were transferred to the control of the Izzo 401(k) Savings Plan on March 5, 2021 and is shown as a transfer to other plan on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021. Effective August 1, 2021, Simple LTC Systems LLC was removed as a participating employer from the Plan as a result of the sale of the division. All participating employees were terminated allowing them to take distributions or maintain their accounts within the Plan. The employees terminated as part of the sale did not give rise to a partial plan termination.

Note 12. Prohibited Transactions

During 2017 through 2021, the Plan Sponsor inadvertently failed to deposit approximately \$3,234,913 of participant contributions and loan repayments within the required timeframe as stated by the United States Department of Labor regulations. As a result of a DOL investigation during the year then ended December 31, 2021, it was determined the Plan Sponsor would be required to remit the lost earnings, in the amount of \$1,999, that occurred during this timeframe. The lost earnings payments were paid from the Plan Sponsor's assets and not from assets of the Plan in April 2022 correcting the failed deposits.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
