Independent Auditors' Report

Plan Administrator
JCI 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of JCI 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

JCI 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of the Plan

The following description of the JCI 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the amended plan agreement for a more complete description of the Plan’s provisions.

(a) General

The Plan is a defined contribution plan covering all employees of JCI Jones Chemicals, Inc. (the “Company” or the “Employer”) who have completed six months of service and have attained age twenty-one. The Plan was established effective June 1, 1986, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Plan has adopted certain provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 (“EGTRRA”).

(b) Contributions

Participants in the Plan may contribute up to 100% of their annual pretax compensation, not to exceed the maximum annual contribution limit allowed by the Internal Revenue Code. The Plan provides for matching contributions of 100% of employee contributions up to 6% of a participant’s eligible compensation. Upon enrollment in the Plan, participants may direct employee and Employer contributions in whole percentage increments to any of the investment options and may change their investment options on a quarterly basis. The Plan also accepts rollover contributions from other qualified plans at any time.

The Company may, at its discretion, make additional discretionary and qualified non-elective contributions to the Plan. There were no discretionary and qualified non-elective contributions made during 2021.

(c) Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Company’s contributions, rollover contributions from other qualified retirement plans, and allocations of the Plan’s investment income and administrative expenses. The allocation of plan investment income and administrative expenses is based upon the participant’s account balance.

(d) Vesting

Participants are immediately 100% vested in their voluntary and rollover contributions plus actual investment income thereon. Participants are 100% vested in Company matching contributions plus the actual investment income thereon after completion of the second year of service.

JCI 401(K) PLAN

Notes to Financial Statements - Continued

(1) **Description of the Plan - Continued**

(e) **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms may not exceed five years unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined at the time of the loan by the plan administrator. The interest rate in effect ranged from 4.25% to 6.50% during 2021. Principal and interest are paid ratably through payroll deductions. A participant may not have more than one outstanding loan balance at any time and not have more than five loans during any one year period. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

(f) **Payment of Benefits**

The Plan provides for payment of benefits of the participant's vested account balance as soon as reasonably practical upon retirement, death, total and permanent disability, or termination of employment. The Plan also provides for distribution to a participant upon reaching normal retirement age. Benefits are recorded when paid.

Participants, while employed, may make withdrawals against their vested account balance in accordance with the Plan, which generally requires the demonstration of financial hardship.

As a result of the Bipartisan Budget Act of 2018 and effective January 1, 2019, the requirement to suspend employee contributions and Company matching contributions to the Plan as a result of a hardship withdrawal was removed.

In December 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE") Act was signed into law. Provisions relate to required minimum distributions and the limitation of life-time or stretch distributions to remain compliant under the applicable laws and regulations.

The Plan was operationally amended to implement the relief provision under the Coronavirus Aid Relief and Economic Security ("CARES") Act which allowed for special coronavirus-related distributions up to \$100,000. In June 2020, the Internal Revenue Service issued Notice 2020-50, which expanded eligibility for special coronavirus-related distributions under the CARES Act and allowed for repayment of these distributions provided the repayment occurs within three years of receipt of the distribution.

(g) **Forfeitures**

Non-vested benefits of terminated participants are forfeited on the date the employee terminates. Forfeitures are used to reduce Employer matching and Employer qualified non-elective contributions. At December 31, 2021 and 2020, \$4,887 and \$9 was available to offset Employer matching and Employer qualified non-elective contributions, respectively. The Company did not use forfeitures to reduce Employer match contributions and pay plan expenses during the year ended December 31, 2021.

(1) Description of the Plan - Continued

(h) Administrative Expenses

All significant costs related to plan administration are paid by the Company.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis and present the net assets available for benefits and changes in net assets available for benefits in accordance with accounting principles generally accepted in the United States of America.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

Investments in registered investment companies are stated at fair value as determined by quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year end.

The Morley Stable Value Fund (the "Fund") is a common/collective trust fund. The Fund consists of a diversified portfolio of stable value investment contracts issued by life insurance companies, banks and other financial institutions, the performance of which may be predicted by underlying fixed income investments. The principal value of these assets are designed to remain stable regardless of stock and bond market fluctuations. The Fund is maintained by Principal Global Investors Trust Company who has retained Morley Capital Management to service as investment advisor. The Fund is valued based on the NAV of units reported by the sponsoring bank or trust company. The NAV is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily and there are no restrictions on redemptions from this fund. The Plan had no unfunded commitments relating to the Fund at year end.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Included in net appreciation in fair value of investments are realized and unrealized gains and losses resulting from market value adjustments and from recording the results of sales of investments.

JCI 401(K) PLAN

Notes to Financial Statements - Continued

(2) **Summary of Significant Accounting Policies - Continued**

(d) **Risks and Uncertainties**

The Plan provides for various investment options in any combination of investment securities based upon participant requests. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(e) **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(3) **Information Certified by Great-West Trust Company, LLC (Unaudited)**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations and Disclosures under ERISA. Accordingly, Great-West Trust Company, LLC, the Plan's custodian, have certified that the following information included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments, at fair value and notes receivable from participants as of December 31, 2021 and 2020, as shown in the statements of net assets available for benefits;
- Total investment income and related investment activity for the year ended December 31, 2021, as shown in the statement of changes in net assets available for benefits;
- Assets held for investment purposes as presented in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

JCI 401(K) PLAN

Notes to Financial Statements - Continued

(4) **Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Registered Investment Companies

Registered investment companies are valued at quoted market prices in an exchange and active markets, which represent the NAV of shares held by the Plan at year end.

Common/Collective Trust

Collective trust funds are valued based on the unit value as determined by the sponsoring bank or trust.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

JCI 401(K) PLAN

Notes to Financial Statements - Continued

(4) Fair Value Measurements - Continued

As of December 31, 2021 and 2020, the Plan's investments measured at fair value on a recurring basis were as follows:

Description	Assets Measured at Fair Value at December 31, 2021	Fair Value Measurements at Report Date Using		
		Observable Inputs (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	\$ 14,466,197	<u>14,466,197</u>	<u>-</u>	<u>-</u>
Common/collective trust at NAV	<u>1,536,719 (a)</u>			
	<u>\$ 16,002,916</u>			

Description	Assets Measured at Fair Value at December 31, 2020	Fair Value Measurements at Report Date Using		
		Observable Inputs (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	\$ 12,891,893	<u>12,891,893</u>	<u>-</u>	<u>-</u>
Common/collective trust at NAV	<u>1,208,686 (a)</u>			
	<u>\$ 14,100,579</u>			

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is based on NAV per share practical expedient as of December 31, 2021 and 2020, respectively:

Description	Fair Value at December 31, 2021	Fair Value at December 31, 2020	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Common Collective Trust	\$ <u>1,536,719</u>	<u>1,208,686</u>	<u>-</u>	Daily	(b)

(b) Units may be redeemed daily. There is 30-day redemption notice period for benefit payments and participant transfers to noncompeting options. Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require a twelve month advance written notice.

JCI 401(K) PLAN

Notes to Financial Statements - Continued

(5) **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(6) **Party-in-Interest Transactions**

The Plan paid approximately \$32,000 to Great-West Life & Annuity Insurance Company, an affiliate of the custodian, for services provided to the Plan during 2021. The Plan also paid approximately \$37,000 for investment advisory fees during the year. Participant loans are considered party-in-interest transactions, because they are transacted with plan participants. These transactions qualify as party-in-interest transactions, as defined in Section 3(14) of ERISA; they are, however, expressly exempted from the prohibited transaction rules.

(7) **Tax Status**

The Plan has adopted the Great-West Trust Company Defined Contribution Prototype Plan and Trust, which received its latest opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the prototype plan adopted by the Company, as then designed, was qualified under Section 401(a) of the Internal Revenue Code. The adopted plan document has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) **Subsequent Events**

The Plan has evaluated events and transactions for potential recognition or disclosure in the financial statements through February 13, 2023, the date the financial statements were available to be issued.
