Non-prescribed economic assumptions and demographic assumptions are generally selected based on the actuary's professional judgement. No experience studies were completed. The stated assumptions represent the actuary's best estimate of future experience of the plan. Below is additional detail as to the rationale of each assumption selected.

Turnover:	None, as this is deemed immaterial to the determination of liabilities.
Salary Scale:	None, as this is deemed immaterial to the determination of liabilities.
Disability:	None, as this is deemed immaterial to the determination of liabilities.
