Independent Auditor's Report

Board of Trustees
Cleveland Institute of Music Retirement Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We were engaged to perform an audit of the financial statements of Cleveland Institute of Music Retirement Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2022 Financial Statements

We do not express an opinion on the accompanying 2022 financial statements of Cleveland Institute of Music Retirement Plan. Because of the significance of the matters described in the "Basis for Disclaimer of Opinion for the 2022 Financial Statements" section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2022 Financial Statements

Cleveland Institute of Music Retirement Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of Cleveland Institute of Music Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the "Basis for Disclaimer of Opinion on the 2022 Financial Statements" section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the "Basis for Disclaimer of Opinion for the 2022 Financial Statements" section of our report, it is inappropriate to and we do not express an opinion on this supplemental schedule.

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Cleveland Institute of Music Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution.

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

In our report dated March 18, 2022, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements.

Independent Auditor's Report

Board of Trustees
Cleveland Institute of Music Retirement Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We were engaged to perform an audit of the financial statements of Cleveland Institute of Music Retirement Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2022 Financial Statements

We do not express an opinion on the accompanying 2022 financial statements of Cleveland Institute of Music Retirement Plan. Because of the significance of the matters described in the "Basis for Disclaimer of Opinion for the 2022 Financial Statements" section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2022 Financial Statements

Cleveland Institute of Music Retirement Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of Cleveland Institute of Music Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the "Basis for Disclaimer of Opinion on the 2022 Financial Statements" section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the "Basis for Disclaimer of Opinion for the 2022 Financial Statements" section of our report, it is inappropriate to and we do not express an opinion on this supplemental schedule.

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Cleveland Institute of Music Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution.

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

In our report dated March 18, 2022, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements.

Notes to Financial Statements

June 30, 2022 and 2021

Note 1: Description of Plan

General

The following description of the Cleveland Institute of Music Retirement Plan (Plan) provides general information about the Plan's provisions. The Cleveland Institute of Music (Institute) is the Plan Sponsor. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, copies of which may be obtained from the Plan Sponsor.

On December 22, 2009, the Institute combined its two Section 403(b) annuity arrangements through Teachers Insurance and Annuity Association of America and College Retirement Equities Fund (TIAA-CREF or Insurance Company) to constitute one plan for purposes of the applicable Internal Revenue Code (IRC) Section 403(b) and related requirements, as well as for purposes of meeting the reporting and audit requirements under the IRC and the *Employee Retirement Income Security Act of 1974*, as amended (ERISA). The Plan was amended and restated effective May 22, 2019.

The Plan is a defined-contribution plan covering all full-time and part-time employees. Eligible participants voluntarily participate in the Plan and are eligible to participate immediately upon hire. Effective October 17, 2019, participants are eligible to participate in the Plan the first day of the month after their hire date. Students who are employed by the Plan Sponsor are generally excluded from participation in the Plan. Full-time participants are eligible for matching contributions once they have completed one year of service and are age 18 or older.

The Cleveland Institute of Music Human Resources Committee (Committee) is responsible for the general administration of the Plan. TIAA-CREF is the custodian and record-keeper of the Plan. The Plan is subject to the provisions of ERISA.

Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants who have completed 15 years of service are eligible to make a one-time \$3,000 contribution to the Plan. The Institute will match 200% of the first 4% of compensation that a participant contributes to the Plan. No matching contribution in excess of 8% of a participant's compensation will be made. All contributions are subject to certain limitations of the Internal Revenue Code.

Participants direct their elective contributions into various investment options offered by the Plan, and each participant has the option of directing contributions into any of the investment account options selected by the Plan Sponsor and may change the allocation to the extent permitted by the individual agreements. The Institute's contributions are allocated in the same manner as that of the participant's elective contributions.

Cleveland Institute of Music Retirement Plan

Notes to Financial Statements

June 30, 2022 and 2021

Participant Accounts

Each participant's account is credited with the participant's contributions and the Institute's matching contributions and allocations of the Plan's earnings. Plan earnings are allocated based on the participant's share of the net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Institute's matching contributions, plus actual earnings.

Plan Loans

TIAA-CREF offers loans that are issued directly from funds owned by TIAA-CREF and not directly from a participant's account. Adequate security is required and a portion of the participant's account is reserved, or held in collateral, to cover 110% of the outstanding loan in case of default. The collateral is held in the TIAA Traditional Annuity. These loans are not assets of the Plan. The amount pledged as collateral at June 30, 2022 and 2021, was approximately \$4,300 and \$15,350 respectively. Plan loan interest rates ranged from 4.00% to 4.29% as of June 30, 2022.

The Employee Benefit Security Administration (EBSA) has expressed concern that the pledging of collateral of a participant's balance could be considered a prohibited transaction; however, formal guidance has yet to be issued by the EBSA.

Payment of Benefits

Upon separation of service with the Institute due to death, disability, retirement, or termination, a participant whose vested account balance exceeds \$1,000 may elect to receive either a lump-sum or partial payment, may elect installment payments or may purchase an annuity contract.

A participant whose vested account balance is \$1,000 or less and has not commenced receiving installment payments automatically will receive an immediate lump-sum distribution equal to their vested account balance.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS), and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

Cleveland Institute of Music Retirement Plan

Notes to Financial Statements

June 30, 2022 and 2021

In April 2020, the Institute adopted *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for coronavirus-related distributions (CRD). Through December 31, 2020, qualified participants are permitted to take a CRD of up to \$100,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in calendar year 2020.

Administrative Expenses

Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. Certain administrative expenses of the Plan are paid by the Institute. All other administrative expenses of the Plan are paid by the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Institute has the right under the Plan to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. Upon such termination of the Plan, each participant's account will be distributed in accordance with the terms of the Plan Document.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Payment of Benefits

Benefit payments are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Cleveland Institute of Music Retirement Plan

Notes to Financial Statements

June 30, 2022 and 2021

Investment Valuation and Income Recognition

Investments held by the Plan (except for the fully benefit-responsive contracts, which are reported at contract value) are stated at fair value in accordance with Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. See Note 4 for further discussion and disclosures related to fair value measurements.

The fair value of guaranteed investment contracts (excluding fully benefit-responsive investment contracts) are calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The Committee is responsible for determining the Plan's valuation policies and analyzing information provided by the investment custodians and issuers that is used to determine the fair value of the Plan's investments. For instruments categorized within Level 3 of the fair value hierarchy, the Committee reviews certain unobservable inputs through a review of the contract terms (for example, duration or payout rate), while others are substantiated utilizing available market data.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Subsequent Events

On July 12, 2022, the Plan was amended to adopt the provisions of the CARES Act and the SECURE Act. Management evaluated subsequent events for the Plan through February 15, 2023, which is the date the financial statements were available to be issued.

Cleveland Institute of Music Retirement Plan

Notes to Financial Statements

June 30, 2022 and 2021

Note 3: Certification of Plan Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Teachers Insurance and Annuity Association of America and College Retirement Equities Fund, qualified institutions, have certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the statement of net assets available for benefits as of June 30, 2022 and 2021
- Investment income as shown in the statement of changes in net assets available for benefits for year ended June 30, 2022
- Investment information included in the accompanying schedule of assets (held at end of year) as of June 30, 2022

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Disclosures About Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest-level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation techniques and inputs used for each general type of investment measured at fair value by the Plan:

Cleveland Institute of Music Retirement Plan

Notes to Financial Statements

June 30, 2022 and 2021

TIAA Traditional Annuity Contract

The significant unobservable input used in the fair value measurement of the Plan's TIAA traditional annuity contract is the interest rate of the investment contract. Changes in the contractual interest rate would have resulted in a significant change in fair value to the extent the change deviates from changes in market interest rates. Generally, an increase (decrease) in the difference between the contractual interest rate and the market interest rate would have been accompanied by a directionally opposed change in the fair value.

Together, the guaranteed minimum and additional amounts make up the “crediting rate” in the accumulation phase of the account. TIAA uses a “vintage” method of crediting interest for funds in the TIAA Traditional Fund. Because the yields available on new long-term investments tend to vary over time, TIAA groups the funds received over discrete time periods into vintages. The interest credited to each vintage reflects the investment returns initially obtained on TIAA's investments during each period. When the accumulation in the TIAA Traditional Fund is converted to an annuity based on life expectancy, the present value of the stream of payments is equal to the accumulation.

The Pooled Separate Account (PSA) (TIAA Real Estate) is valued at the net asset value (NAV) per accumulation unit of the investment. The underlying real estate holdings or other real estate-related investments are valued principally utilizing external appraisals. Although the underlying assets of the account cannot be quickly sold and converted to liquid assets, the TIAA general account provides the Plan with a liquidity guarantee. Transfers out of the pooled separate account are limited to one per calendar quarter. There are no unfunded commitments or redemption notice period.

Variable Annuities (CREF Accounts) consist of eight investment portfolios: the Stock, Global Equities, Equity Index, Bond Market, Inflation-Linked Bond, Social Choice, and Money Market Accounts (individually, referred to as the Account or collectively, referred to as the Accounts). CREF is registered with the Securities and Exchange Commission under the Investment Company Act of 1940 as an open-end management investment company; however, the CREF Accounts themselves are not traded on an exchange in an active market. The Accounts invest principally in equity securities, fixed-income instruments, and short-term instruments in accordance with the Account's investment objective. The Account's underlying investments are primarily valued using market quotations or prices obtained from independent pricing sources, which may employ various pricing methods to value the investments, including matrix pricing, except for the Money Market Account, which is generally valued at the amortized cost. Each Account determines its fair value based on its NAV per accumulation unit of the investment.

Variable Annuities (TIAA Access Accounts) consist of the following investment portfolios: Lifecycle Funds (ten), TRP Inst LC Gr, WAM Core Pl Bd, Bond Plus, Equity Index, Growth & Income, High-Yield, International Equity Index, International Equity, Large-Cap Value Index, Large-Cap Growth, Large-Cap Growth Index, Large-Cap Value, Mid-Cap Growth, Mid-Cap Value, Real Estate Secs, S&P 500 Index, Short-Term Bond, Small-Cap Balance Index, Quant Small-Cap Equity, and Social Choice Equity. TIAA Access is a variable annuity product that is

funded through TIAA Separate Account VA-3 (VA-3), a separate investment account of TIAA registered under the Investment Company Act of 1940. VA-3 invests in proprietary and nonproprietary mutual funds through various subaccounts. These accounts are valued at the NAV per accumulation unit, and the underlying investments are generally valued using market quotations obtained from independent pricing services. There are no withdrawal restrictions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets carried at fair value:

Notes to Financial Statements

June 30, 2022 and 2021

Activity of Level 3 investments for the year ended June 30, 2022, is as follows:

	Guaranteed Annuity Contract
Purchases	\$ 71,286
Sales	(204,095)

There were no transfers into or out of Level 3 for the year ended June 30, 2022.

As the TIAA Traditional Annuity Contract is valued at fair value, which approximates contract value, there are no realized or unrealized gains or losses for these investments included in the net decrease in net assets available for benefits.

Note 5: Investment Contract With Insurance Company

The Plan entered into traditional annuity contracts with TIAA-CREF. The Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

Some of the traditional annuity contracts are fully benefit responsive; therefore, contract value is the relevant measurement. Contract value, as reported to the Plan by the Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan Documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the Insurance Company to terminate the agreement prior to the scheduled maturity date.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7: Related-Party Transactions

The Plan holds contracts managed by TIAA-CREF, the custodian of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

The Plan Sponsor provides certain administrative services at no cost to the Plan.

Note 8: Tax Status

The Plan, together with the investment vehicles, is intended to be a tax-sheltered annuity plan under Section 403(b) of the Internal Revenue Code of 1986, as amended. The Plan has not requested or obtained a determination letter, as the Internal Revenue Service does not currently provide that service for 403(b) plans. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and not subject to tax.

Note 9: Significant Estimates and Concentrations

The current protracted economic decline continues to present employee benefit plans with difficult circumstances and challenges, which in some cases, have resulted in large and unanticipated declines in the fair value of investments. The financial statements have been prepared using values and information currently available to the Plan.

Given the volatility of current economic conditions, the values of assets recorded in the financial statements could change rapidly, resulting in material future adjustments in investment values that could negatively impact the Plan.
