Management, having determined it is permissible in the circumstances, has elected to have the audit of OB/GYN Affiliates 401(k) Profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the Certified Investment Information footnote to the financial statements, is complete and accurate.

We were engaged to audit the accompanying financial statements of OB/GYN Affiliates 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

We do not express an opinion on the financial statements of OB/GYN Affiliates referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Opinion

During 2020, the Plan Sponsor switched third-party payroll provider and Custodian of plan assets. Due to these circumstances, we are unable and do not express an opinion on these financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OB/GYN Affiliates 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of OB/GYN Affiliates 401(k) Profit Sharing Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of OB/GYN Affiliates 401(k) Profit Sharing Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

Other Matter—Supplemental Schedules Required by ERISA

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Auditors Report on the 2020 Financial Statements

We were engaged to audit the financial statements of OB/GYN Affiliates 401(k) Profit Sharing Plan. We were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the financial statements.

Each year, participants may authorize payroll deductions up to 90% of compensation as before-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. New participants are automatically enrolled at 2% withholding and may opt out within 90 days of the first deferral.

The Plan permits the Company to make discretionary match and profit sharing contributions. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

A participant may direct contributions in any of the investment funds offered by the Plan. Participants may change their investment options at any time.

Payment of Benefits

A participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account upon termination of service due to separation of service, death, disability, retirement or other reasons.

Forfeited Accounts

If a participant terminates or is terminated from employment before becoming fully vested in their account balance, the non-vested portion of the participant's account is forfeited.

Notes Receivable from Participants

Participants are permitted to borrow a minimum of \$1,000 up to a maximum equal to the lesser of 50 percent of their vested account balance or \$50,000, reduced by the highest outstanding note balance in their account during the previous 12 months, except for the amounts borrowed under the CARES Act, which are subject to higher limits. The note is secured by the balance in the participant's account and bears an interest rate based on rates available for similar notes from commercial institutions and is fixed for the term of the note. Interest rates on the outstanding notes at December 31, 2021 ranged from 4.25% to 7.00%. The notes are repaid ratably through payroll deductions over a period of five year or less.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Notes to Financial Statements

December 31, 2021 and 2020

Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Fair Value footnote for discussion of fair value measurements.

Net appreciation in fair value of investments is reflected in the statement of changes in net assets available for benefits and includes realized gains/losses on investments bought and sold and the change in appreciation from one period to the next. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Forfeited Accounts

Accounts forfeited by participants who terminate service prior to becoming fully vested may be used to pay plan expenses or reduce the employer's matching contribution. For the years ended December 31, 2021 and 2020 participants forfeited \$3,327 and \$2,288, respectively.

Forfeitures may be used to reduce the employer's contribution to the Plan and to pay plan expenses. \$14,879 and \$11,661 in forfeitures were used to reduce the employer's contribution to the Plan in 2021 and 2020, respectively. Unallocated forfeited accounts totaled \$9,472 at December 31, 2020.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the participant, as provided by the Plan agreement.

Fair Value Measurements

ASC 820 establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds and Money Market Accounts: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution, has certified the following information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) as complete and accurate:

- Investments and notes receivable from participants as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020;
- Net investment income and dividends and interest as shown in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2021 and 2020;
- Investment information included in the Notes to Financial Statements;
- All investment information included in the Supplemental Schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – As of December 31, 2021.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information included in the financial statements and ERISA-required supplemental schedule.

Related Party Transactions

Related party transactions include those with fiduciaries or employees of the Plan, any person who provides service to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association or relatives of such persons.

The notes receivable from participants as of December 31, 2021 and 2020 in the amount of \$69,413, and \$61,693 are a party-in-interest transactions. Certain employees of the Company provide administrative services to the Plan. These employees are not paid by the Plan for their services.

Notes to Financial Statements

December 31, 2021 and 2020

Tax Status

The Plan received a determination letter from the Internal Revenue Service dated July 8, 2014, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (Code). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan Administrator has analyzed the tax position taken by the Plan, and has concluded that as of December, 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statement of net assets available for benefits.

Recent market conditions have resulted in an unusually high degree of volatility and increased the risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan. In the event of termination or partial termination of the Plan, all amounts credited to a participants' account become fully vested.

Corrective Contributions

The Plan experienced operational failures in 2021. The Company did not calculate the employee contribution or employer matching contribution on certain eligible wages. The financial statements reflect a receivable from the Company for the resolution of the operational failure. The Company is self-correcting the operational failure under the IRS self-correction guidelines. The Company believes that the matter identified for remediation would not cause the Plan to be disqualified by the IRS; therefore, no provision for income taxes have been included in the Plan's financial statements. During 2021, the Company failed to remit participant withholdings to the Plan in a timely manner. The Company will follow the IRS self-correction guidelines.

COVID-19

Effective April 5, 2020 the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, effective April 1, 2020, the Plan adopted the temporary loan repayment deferral provision for the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

Notes to Financial Statements

Subsequent Events

The Plan evaluated subsequent events through October 15, 2022, the date the financial statements were issued. On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. As a result, the Plan's various investment securities have incurred significant declines in fair value since December 31, 2021. The impact of COVID-19 continues to evolve rapidly and the Company is not able at this time to estimate its full impact on the Plan's financial statements.

Effective December 31, 2021, the Plan began transferring its assets to a new trust company, Transamerica Life Insurance Company. Plan assets as of December 31, 2021 were moved into a cash account and were in transit before being fully transferred.

Effective January 1, 2022, the Plan signed new plan documents with an IRS opinion letter dated June 30, 2020 that incorporated the changes for the cycle three restatement period. The basic terms and operations of the plan did not change.
