Independent Auditors' Report

To the Board of Directors
HumanGood 401k Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the HumanGood 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statement (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the 2021 Audit of the Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the HumanGood 401(k) Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the HumanGood 401(k) Plan's, ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the HumanGood 401(k) Plan's, internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the HumanGood 401(k) Plan's, ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the HumanGood 401(k) Plan were audited by RINA Accountancy LLP, who merged with Aprio, LLP as of August 1, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

A handwritten signature in black ink that reads "Aprio, LLP". The signature is stylized, with the "A" being particularly large and the "P" having a long, sweeping tail that extends under the "o".

HUMANGOOD 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

1. DESCRIPTION OF THE PLAN:

The following brief description of the HumanGood 401(k) Plan (formerly known as ABHOW/be.group 401(k) Plan) (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provision.

General - The Plan is a defined contribution plan that was established on January 1, 1999 for employees of HumanGood NorCal (the “Company”). The Plan was last restated effective January 1, 2021 to comply with the IRS Cycle 3 restatement remedial amendment period. The participating entities in the Plan include: HumanGood Washington, HumanGood Nevada, HumanGood Arizona, Inc., HumanGood Affordable Housing, HumanGood Foundation West, HumanGood Fresno, HumanGood SoCal, HumanGood Foundation South, HumanGood Idaho, Beacon Development Group, LLC, Redwood Senior Homes & Services, and Westminster Gardens. Effective March 1, 2021, HumanGood East, a subsidiary of HumanGood, merged its 401(k) Plan (the “Presbys Inspired Life 401(k) Plan”) into the HumanGood 401(k) plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Employees become eligible to participate in the Plan immediately upon hire. Eligible participants must also be at least 21 years of age and may be covered under a collective bargaining agreement. Employees may elect to contribute up to 50% of their annual wages to the Plan (maximum of \$19,500 for 2021 and 2020, with an additional \$6,500 for participants over 50 years of age in 2021 and 2020) through salary deductions. Such contributions are currently not taxable to the participants pursuant to Section 401(k) of the Internal Revenue Code (the “IRC”). The Plan permits participants to make Roth Elective Deferrals. The Plan currently offers various mutual funds, common collective trusts, and self-directed brokerage accounts.

The Company provides a matching contribution of 100% of elective deferrals up to the first 3% of compensation plus 50% of elective deferrals up to the next 2% of compensation. Unless otherwise directed by the participant, the Company contributions are deposited to the JPMorgan SmartRetirement Funds.

Vesting and Benefit Payments - Participants are immediately vested in the Company contributions and their own contributions and earnings thereon. Employees may receive the value of their vested benefits as a lump-sum distribution or remain in the plan if their balance is greater than \$5,000. Balances between \$1,000 and \$5,000 will be rolled into a Transamerica IRA account. All other accounts will be processed as cash distributions. On termination of service due to death, disability or retirement, a participant will receive an amount equal to the value of the participant’s vested interest in his or her account.

Participants’ Accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Loans - Participants can apply for a loan from the Plan. Loans are made only from the participant’s account and are subject to the nondiscriminatory terms and conditions prescribed by the administrator. An individual participant may borrow from \$1,000 to 50% of their account balance not to exceed \$50,000. The loans bear interest at the then current prime rate of interest plus 1%. Loans must be repaid over a period not to exceed 5 years, or 10 years if the proceeds from the loan are used to acquire the participant’s principal residence.

HUMANGOOD 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

1. DESCRIPTION OF THE PLAN (Continued):

Administrative Fees - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Company personnel perform various administrative services for the Plan. The payroll and related overhead costs associated with these services are not included as plan expenses. Fees related to participant recordkeeping and specific participant transactions are charged directly to each participants' account and are included in administrative expenses.

2. SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Plan Termination – Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant loans - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Benefit payments - Benefit payments are recorded when paid.

3. NATURE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

HUMANGOOD 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

4. RISK AND UNCERTANTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the financial statements.

5. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS (UNAUDITED):

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by State Street Bank and Trust and Transamerica Financial Life Insurance Company (the trustees of the Plan).

6. FAIR VALUE MEASUREMENTS:

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under professional accounting standards are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	---

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the quoted net asset value of shares traded in active markets and held by the Plan at year end.

HUMANGOOD 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

6. FAIR VALUE MEASUREMENTS (Continued):

Common collective trusts: The Plan's interest in the common collective trust is valued based on the information reported by the Plan's recordkeeper, using the audited statements of the common collective trust at year-end. The common collective trust is calculated at NAV based on the unit value of the underlying investment of the stable value fund, which is an observable input.

Self-directed brokerage accounts: Valued based on quoted market prices in the active market in which the individual holdings are held.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

Investments at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Total

HUMANGOOD 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

7. PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are shares of mutual funds managed by a third-party administrator as defined by the plan agreement. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to \$293,619 and \$245,258 for the years ended December 31, 2021 and December 31, 2020, respectively. These transactions qualify as party-in-interest transactions, which are exempt from the ERISA prohibited transaction rules.

8. TAX STATUS:

On January 1, 2021, the Plan was restated to adopt the Transamerica Retirement Solutions, LLC Pre-Approved 401(k) Profit Sharing Plan. This Plan received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020. Management believes that the Plan and related is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. CONTRACT WITH INSURANCE COMPANY:

The Plan entered into a traditional, fully benefit-responsive investment contract with TFLIC. TFLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate determined twice annually by TFLIC and is backed by the general account of TFLIC or associated entities.

Because the investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by TFLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020, was \$34,868 and \$24,300, respectively. The crediting interest rate has no contractual maximum or minimum. Such interest rates are reviewed on a semiannual basis for resetting.

HUMANGOOD 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS – DECEMBER 31, 2021 AND DECEMBER 31, 2020

9. CONTRACT WITH INSURANCE COMPANY:

Certain events limit the Plan's ability to transact at contract value with TFLIC. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) a material amendment to the contract without the issuer's consent, (b) a violation of a material obligation under the contract, or (c) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. The Transamerica Group Annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

10. RECONCILIATION OF FINANCIAL STATEMENTS WITH FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to Form 5500:
