INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Wonton Food, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Wonton Food, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Wonton Food, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wonton Food, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wonton Food, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wonton Food, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wonton Food, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Wonton Food, Inc. 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Wonton Food, Inc. 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Principal Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF PLAN:

The following description of the Wonton Food, Inc. 401(K) Plan (the Plan) provides only general information. Plan participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all eligible employees of Wonton Food, Inc. (the Company) who are not subject to a collective bargaining agreement. Employees are eligible to participate in the Plan upon attaining the age of 21 and completing 6 months service. Eligible employees are automatically enrolled to defer 3% of the compensation as of the date they become a participant, unless they choose a different percentage or choose not to defer. If the employee does not choose a different percentage, the percentage will automatically increase each January 1st by 1% up to a maximum of 6%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Employees may contribute a percentage of their compensation, the maximum of which is set by law. The limit is \$19,500 for calendar year 2021. In addition, participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions up to \$6,500 for 2021. Employer matching contributions are equal to 100% of the employee's elective deferral contributions which are not over 1% of the compensation plus 50% of the elective deferral contributions which are over 1% of the compensation, but are not over 6% of the compensation.

3. Participant's Accounts

Participant accounts are credited with the participants' contributions, the company's contributions and allocations of plan earnings less an allocation of administration expense. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be paid from the participant's vested account. Participants may direct contributions to be invested in any of the investments offered by the Plan.

4. Vesting

The participant's contribution plus any rollover amounts from another plan and earnings thereon are fully vested. Employer contributions and earnings thereon in a participant's account become vested after completion of two years of service or upon death, totally disabled or normal retirement.

5. Note Receivable from Participants

Participants may borrow from their plan accounts an amount equal to at least \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Notes receivable are considered a directed investment of participants' accounts under the Plan. All payments of principal and interest by participants on a note are credited to the participant's account. Repayment will normally be made through payroll deductions.

6. Payment of Benefits

On termination of service due to death or retirement, a participant may choose to have their vested account paid under any of the optional forms available under the plan if the value of the participant's vested interest in the account is greater than \$5,000. If the vested interest is less than \$5,000, the account balance may only be distributed in a single sum.

7. Coronavirus Aid, Relief and Economic Security Act ("CARES Act")

In March of 2020, the U.S. government passed legislation to help address the financial hardships Americans were suffering due to the global novel coronavirus pandemic ("COVID-19" or "the virus"). As a result of this legislation, the following provisions were adopted. The withdrawal and increased loan limit features allowed under this new legislation are outlined below. Under the CARES Act, only a "qualifying individual" is eligible for the enhanced withdrawal and loan opportunities.

A "qualifying individual" is (i) a participant (or his or her spouse or dependent) who is diagnosed using a CDC-approved COVID-19 test; or (ii) a participant who experiences adverse financial consequences as a result of being quarantined, furloughed, laid off, subjected to reduced work hours, or unable to work due to a lack of child care, in all cases due to the virus. The Plan may rely on a participant's certification that one or more of the above conditions is satisfied.

Under the CARES Act, qualifying individuals in the Plan were eligible to withdraw up to \$100,000 from available sources in one or more distributions without incurring the 10% early distribution penalty tax that would otherwise generally apply to payments made prior to age 59 $\frac{1}{2}$. Qualifying individuals were able to repay the funds within three years to any eligible retirement plan to which a rollover contribution can be made, and the federal table income could be spread ratably over three years. This opportunity expired on December 30, 2020.

Qualifying individuals were also eligible to take loans up to 100% of their vested balance from available sources limited to a maximum of \$100,000, less the highest outstanding loan balances over the prior 12 months. Qualifying individuals could also defer their current or new loan payments for due dates falling on the date of enactment through December 31, 2020 by one year.

This opportunity expired on September 23, 2020, 180 days after enactment of the CARES Act.

8. Forfeiture accounts

At December 31, 2021 and 2020, there were no forfeited nonvested accounts. These accounts were used to reduce future employer contributions.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following are the significant accounting policies followed by the Plan:

1. Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting.

2. Investments and Income Recognition

The plan investments are stated at fair value in accordance with Accounting Standards Codification (ASC) 820, Fair Value Measurement. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) includes the Plan's realized gains (losses) on investments bought and sold as well as changes in unrealized gains (losses) on investments held during the year.

3. Payment of Benefits

Benefits are recorded when paid.

4. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in net assets available for benefits during the applicable reporting period, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

5. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document.

C. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company, the trustee of the plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, Note D, the supplemental Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

WONTON FOOD, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

E1. FAIR VALUE MEASUREMENTS:

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. ASC 820 describes three levels of inputs that may be used to measure fair value:

Level I: Quoted prices in active markets for identical assets or liabilities.

Level II: Observable inputs other than Level I prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or inputs that are observable or corroborated by observable market data for substantially the full term of the assets or liabilities.

Level III: Unobservable inputs supported by little or no market activity and that reflect the reporting entity's own assumptions about the exit price, including assumptions that market participants would use in pricing the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

Continued:

E1. FAIR VALUE MEASUREMENTS:

Fair value estimates are made at a specific point in time, based on available market information and other observable inputs. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair value may not be realized in the ultimate settlement of the financial asset as these values do not represent any premium or discount that could result from selling an entire holding of a particular financial asset at one time. Other expenses that would be incurred in an actual sale or settlement are not included in the amounts disclosed.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

MUTUAL FUNDS

Mutual Funds are quoted market prices for shares held by the Plan at year end.

COLLECTIVE INVESTMENT TRUSTS AND POOLED SEPARATE ACCOUNTS

At December 31, 2021 and 2020, the Plan's investments included units of collective investment trusts ("CIT") and Pooled Separate Accounts ("PSA"), which provide long term investors with an asset allocation strategy designed to provide a strategic portfolio of diversifying asset classes. The CIT and PSA are valued at the net asset value ("NAV") of units held by the Plan at year end as a practical expedient. The NAV represents the value at which the units of the CIT and PSA may be purchased or redeemed. Valuation of the CIT and PSA occurs, at a minimum, each day the CIT and PSA are open for contributions and redemptions. Unit values are determined by dividing the CIT or PSA's net assets by the number of units outstanding on the valuation date. Redemptions are permitted on a daily basis and are executed based on the CIT or PSA unit value determined on that day. There were no unfunded commitments related to the CIT and PSA as of December 31, 2021 and 2020. The PSA has a transfer restriction of once every 30 day period. The CIT and PSA investments have not been categorized in the fair value hierarchy.

E1. FAIR VALUE MEASUREMENTS:

In accordance with Subtopic 820-10, the Plan's investments in the CIT and PSA were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

E2. FIXED INCOME GUARANTEED OPTION:

Principal Fixed Income Guaranteed Option ("PFIGO") is a guaranteed general account-backed, stable value group annuity contracts that can provide a conservative foundation of the retirement program's investment line-up. A rate of interest contractually guaranteed by Principal Life is credited to participant account balances. This net crediting rate is after the deduction of 0.45% for fees for administrative and recordkeeping services provided to the plan. Currently, this net crediting rate is a 1.10% effective annual rate, until May 31, 2022. The rate will be reset June 1, 2022, and semiannually thereafter.

The PIFGO provides that benefit-responsive distributions for underlying securities may be withdrawn at contract value. Benefit-responsive distributions are generally defined as a withdrawal on account of a participant's retirement, disability, or death, or participant-directed transfers in accordance with the terms of the Plan. The PFIGO meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

An employer-level liquidation or employer initiated transfer of the plan's interest in the Principal Fixed Income Guaranteed Option will be subject to either a 12-month advance notice or a 5% surrender charge. A 5% surrender charge will also apply if the cumulative percentage of participant transfers from the Principal Fixed Income Guaranteed Option exceeds 20% of the plan's interest in the contract during the 12 month period immediately preceding the employer-level surrender of the plan's interest in the contract.

The following represents the contract value of investment contracts held by the Plan:

	<u>2021</u>	<u>2020</u>
Fixed Income Guaranteed Option	\$8,582,522	\$8,774,170

F. RELATED-PARTY TRANSACTIONS:

Certain Plan investments are held in investments managed by the Plan trustee, and therefore, these transactions qualify as exempt part-in-interest transactions. Participant loans are also considered party-in-interest transactions.

G. PLAN TERMINATION:

The Company expects to continue the Plan indefinitely, but reserve the right to terminate the Plan in whole or in part at any time upon giving written notice to all parties concerned. The account of each participant shall be 100% vested and nonforfeitable as of the effective date of the complete termination of the Plan.

H. TAX STATUS:

The Plan operates under a prototype plan of Principal Life Insurance Company. The prototype plan obtained its latest opinion letter on June 30, 2020 in which the Internal Revenue Service stated that the prototype plan was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since its adoption, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified, and the related trust was tax exempt as of the financial statement date.

U.S. GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2018.

I. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

J. SUBSEQUENT EVENT:

Subsequent events have been evaluated for recognition in the December 31, 2021 financial statements through October 11, 2022, the date on which the financial statements were available to be issued.
