FRIENDS OF
BALBOA PARK

Your park. Our passion.

Re: Plan #257282

To Whom It May Concern:

Friends of Balboa Park is a nonprofit organization. It merged with another nonprofit and made the decision to continue with the retirement plan of the organization it merged with and to close out Friends of Balboa Park's 401K plan. Therefore, a final 5500 tax return had to be filed. ADP prepared the last complete 5500 in June 2022 and provided the form for me, Allison Soares, volunteer Treasurer, to sign electronically on their website. Since the non-profit was no longer in existence, ADP did not send the final 5500 through their website as they have previously done.

Our organization received an e-mail in the middle of 2022 saying that we should "receive our final 5500 in December or January 2023." Over the past week multiple members from our organization have attempted to contact ADP to determine where our final 5500 was. Finally, today, January 25th, 2023, after hours and hours of hold times with ADP, we were finally able to speak to an agent who unfortunately informed us that the final 5500 return was now late. It was due January 17th. We received no phone from ADP or any letters giving us any update as to filing this final return.

As any reasonable nonprofit organization would, when we merged with a new organization, we relied on professional organizations such as ADP to help guide us and provide us with the appropriate documentation to close out the 401K plan with the filing of a final 5500.

We respectfully request the penalties for the late filing return be abated. We are a nonprofit organization and after a long difficult global pandemic, we were unaware of the filing date for the final 5500 and the extremely high penalties for being less than 10 days late. Please consider this request for penalty abatement. If you have any additional questions please contact us.

Sincerely,

Allison Soares, Treasurer
