To the Trustees of
Nippon Life Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Nippon Life Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)" audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the 2021 Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Nippon Life Group 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any audit procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NIPPON LIFE GROUP 401(k) PLAN

Notes to Financial Statements
December 31, 2021 and 2020

1. Description of the Plan

The following description of Nippon Life Group 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (the “Code”) covering all employees of Nippon Life Insurance Company of America, NLI Representative Office, NLI International, Inc., and Nippon Life Global Investors Americas, Inc. (the “Company” and “Plan administrator”). The trustee and custodian of the Plan assets is Principal Life Insurance Company (“Principal Life”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was passed by Congress. The CARES Act contained several provisions that temporarily impact 401(k) plans, including the waiver of required minimum distributions, a new hardship withdrawal option, increased loan limits, and a pause option for loan payments. The provisions of the CARES Act were effective and operationalized immediately, prior to amending the Plan document. The Company has adopted certain relief provisions included in the CARES Act, and an official amendment is expected to be signed on or before December 31, 2025.

Eligibility

An employee of the Company is eligible to enter the Plan and make elective deferrals on the first day of the month following completion of three months of service. Hourly employees and contractors are excluded from the Plan.

Contributions

Under the terms of the Plan, eligible employees may elect to defer any amount of their annual compensation limited to a maximum annual amount specified by the IRS (\$19,500 for employees under age 50 and \$26,000 for employees ages 50 and over in 2021). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company matches 100% of each employee's contribution up to 5% of the employee's salary limited to a Section 415 calculation. Additional amounts may be contributed at the discretion of the Company's board of directors. For the year ended December 31, 2021, the Company made no additional contributions to the Plan.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution including rollovers, (b) the Company's matching contribution, (c) the self-directed investment earnings and losses, less any self-directed discretionary expenses, and an allocation of administrative expenses, and (d) any of the Company's discretionary contributions.

Investment Options

The Plan provides a variety of investment options with differing risk and growth characteristics. As of December 31, 2021 and 2020, a substantial portion of the Plan's net assets available for benefits were invested in pooled separate accounts. Participants may change their investment allocations and/or transfer their account balances among the various funds at any time.

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

1. Description of the Plan (Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contributions plus earnings thereon is based on years of continuous service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants also become fully vested in the Company's contributions at their normal retirement age of 65, upon retirement due to disability, upon death, and upon termination of the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts, subject to Code regulations, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The outstanding loans are secured by the balance in the participant's account and bore interest ranging from 6.25% to 8.50%, as of December 31, 2021 and 2020, which is commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions. The notes mature through December 2025. The unpaid balance of any loan is immediately payable upon termination of employment.

Benefit Payments and Withdrawals

Benefits start on a participant's normal retirement date if the participant is no longer an employee and has a vested account under the Plan. The participant may choose to have benefits paid on this date even if the participant is still an employee. Normal retirement means the first day of the month on or after the participant reaches age 65.

Vesting is immediate upon termination of service due to death or disability. The participant will be entitled to receive an amount equal to the participant's vested interest in his or her account in either a lump-sum amount or in annual installments over a period to be determined by the participant.

On termination of service for reasons other than death or disability, the participant will be entitled to receive an amount equal to the participant's vested interest in his or her account in either a lump-sum amount or in annual installments over a period to be determined by the participant. However, the waiting period for distributions is the end of the Plan year.

NIPPON LIFE GROUP 401(k) PLAN

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

1. Description of the Plan (Continued)

Benefit Payments and Withdrawals (Continued)

In-service distribution may be made from the participants' vested accounts at any time for a hardship withdrawal. Events that qualify for a hardship withdrawal are as follows: to cover necessary medical expenses, for costs directly related to the purchase of the participant's primary residence, for expenses related to post-secondary education, for payments necessary to prevent the participant's eviction from or foreclosure of the primary residence, burial and funeral expenses for deceased family members or expenses for repair and damages of the participant's primary residence.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures may be used to pay Plan expenses or to offset the Company's contributions to the Plan.

During 2021, forfeitures of \$0 and \$117,374 were used to pay Plan expenses and reduce the Company's contributions to the Plan, respectively. At December 31, 2021 and 2020, unused forfeitures were \$12,369 and \$17,069, respectively.

NIPPON LIFE GROUP 401(k) PLAN

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment adviser, custodian, and insurance company. In accordance with the Plan's policy of stating investment at fair value, net unrealized gains and losses for the year are included in the accompanying statement of changes in net assets available for benefits.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's interest and dividend income and gains and losses on investments bought and sold, as well changes in unrealized gains and losses on investments held at year end.

Expenses

All expenses incurred in maintaining the Plan are paid using the Plan's assets, unless the Company, at its discretion, elects to pay certain expenses. These expenses include fees of the Plan's custodian and third-party administrators. The expenses of maintaining the Plan paid directly by the Company are excluded from these financial statements.

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in the fair value of investments. Administrative expenses for the year ended December 31, 2021 were \$81,770.

3. Information Prepared and Certified by Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments at December 31, 2021 and 2020, and investment income for the year ended December 31, 2021, that are disclosed in the accompanying financial statements and supplemental schedule, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the custodian of the Plan.

4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 - Quoted market prices in active markets for identical assets or liabilities.

Level 2 - Observable market-based inputs or unobservable inputs that are corroborated by market data, such as quoted prices for similar assets or liabilities or model-derived valuations.

Level 3 - Unobservable inputs that are not corroborated by market data.

NIPPON LIFE GROUP 401(k) PLAN

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

4. Fair Value Measurement (Continued)

The asset or liability fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Collective investment trust: Valued using the net asset value (“NAV”) as a practical expedient to estimate fair value.

Pooled separate accounts: Valued using the NAV as a practical expedient, provided by the administrator of the fund based on the valuation of the underlying investments.

Mutual funds: Valued at the quoted market price of shares held by the Plan at year end.

Guaranteed interest accounts: Valued at fair value, which represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There are no redemption restrictions or future commitments on the instruments that use net asset value as the practical expedient.

The following table sets forth, by level within fair value hierarchy, the Plan’s invested assets as of December 31:

	Level 1	Level 2	Level 3	Total
2021				
Mutual funds	\$ 8,167,864	\$ -	\$ -	\$ 8,167,864

Guaranteed interest accounts	-	-	1,301,414	1,301,414
Total investments in the fair value hierarchy	<u>\$ 6,331,412</u>	<u>\$ -</u>	<u>\$ 1,301,414</u>	7,632,826
Pooled separate accounts*				17,374,068
Collective investment trust*				<u>13,227,363</u>
Total investments at net asset value				30,601,431
Total investments				<u>\$ 38,234,257</u>

**Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.*

The following table sets forth a summary of changes in the fair value of the Plan's level 3 assets for the years ended December 31:

	2021	2020
Fair value at the beginning of the year	\$ 1,301,414	\$ 705,033
Unrealized gains (losses)	(1,756)	7,365
Interest income	11,585	9,163
Purchases	126,324	2,074,303
Sales	(644,635)	(1,494,450)
Fair value at the end of the year	<u>\$ 792,932</u>	<u>\$ 1,301,414</u>

Changes in unrealized gains and losses from the guaranteed interest accounts are not included in the statement of change in net assets available for benefits as the contract is recorded at contract value for purposes of the net assets available for benefits.

5. Related Party and Party-In-Interest Transactions

The Plan's investment assets represent funds invested in or managed by Principal Life. Principal Life is also the custodian of the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation or depreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

The Plan allows participants to borrow from their vested balances. These transactions qualify as party-in-interest transactions and are exempt from prohibited transaction rules under ERISA.

NIPPON LIFE GROUP 401(k) PLAN

Notes to Financial Statements (Continued) December 31, 2021 and 2020

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

7. Tax Status

The Plan sponsor adopted a non-standardized prototype plan, which received a favorable Internal Revenue Service opinion letter dated June 30, 2020. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax liability or (asset) if the Plan takes a position that is more likely than not to be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

8. Guaranteed Interest Accounts

The Plan's investment portfolio includes guaranteed interest accounts. Such contracts are recorded at fair value which represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates. The contracts provide for a guaranteed return on principal over a specified time period. The Plan's guaranteed interest accounts have maturities through December 31, 2025 and rates ranging from 0.21% to 1.89%. The interest rates are reset upon the maturity of the contracts.

9. Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

10. Subsequent Events

Management has evaluated subsequent events through October 17, 2022, which is the date the financial statements were available to be issued. No other events have occurred subsequent to December 31, 2021 requiring recording or disclosure in these financial statements.
