INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Goodwill Services, Inc. 401(a) Retirement Plan
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Goodwill Services, Inc. 401(a) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

2021 Supplemental Schedule Required by ERISA, Continued

procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Goodwill Services, Inc. 401(a) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

401(A) RETIREMENT PLAN

Notes to Financial Statements

1. Description of Plan:

The following description of the Goodwill Services, Inc. 401(a) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document or summary plan description for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Goodwill Services, Inc. (the "Organization") employed under the prevailing wage contracts effective January 1, 2011. There are no age or service eligibility requirements for participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective December 1, 2021, the Plan document was restated and all assets of the Plan were transitioned to Mutual of America Life Insurance Company.

Contributions: Pursuant to the Plan document, the Organization makes contributions based on rates that satisfy the wage determination issued by the governmental agency responsible for the contract. Distributions from other qualified retirement plans could also be contributed to the Plan and retained as a rollover contribution. No employee deferral contributions are permitted under the Plan.

Participant Accounts: Each participant's account is credited with the Organization's contributions and allocations of Plan earnings or losses and charged with an allocation of administrative expenses. If the participants accrue an allocation of the Organization's contributions under the Plan in addition to the prevailing wage contribution, the Plan administrator will not reduce the participant's employer contribution allocation by the amount of the prevailing wage contribution. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Participants may direct the custodians of the Plan as to the investment of their account balances in accordance with guidelines established by the Plan. Participants can change their investment elections at any time.

Vesting: Participants are immediately vested in the Organization's employer contributions account, plus actual earnings thereon.

Plan Loans: Loans are not permitted from the Plan.

Plan Administration: The Plan administrator is an employee of the Organization who is not compensated for administrative services rendered.

GOODWILL SERVICES, INC.
401(A) RETIREMENT PLAN

Notes to Financial Statements, Continued

1. Description of Plan, Continued:

Payment of Benefits: Distributions before the later of age 62 or normal retirement age, the participant may elect to receive a distribution of their vested account balance in the form of a lump-sum amount, installment payments, of some or all of their Plan accounts. A participant with an account balance of less than \$5,000 is required to take a lump sum payment upon termination of service. Participants who are 62 or older are also allowed to receive in-service distributions of nonelective contributions.

In April 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. The provision allows Plan participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.

2. Summary of Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Subsequent Events: Management has evaluated subsequent events through February 4, 2023, the date the financial statements were available to be issued, and has determined that except as disclosed below, there are no subsequent events to be reported in the accompanying financial statements.

Effective December 1, 2022, the Plan was amended to no longer accept rollover contributions.

GOODWILL SERVICES, INC.
401(A) RETIREMENT PLAN

Notes to Financial Statements, Continued

3. Fair Value Measurements:

The FASB has issued guidance for measurement and disclosure of fair value and establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology are quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair valuation measurement.

Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments carried or disclosed at fair value:

General insurance company accounts: Investments are fully liquid cash equivalents and are thus excluded from the fair value hierarchy. Investments in general insurance company accounts totaled \$37,623 as of December 31, 2021. There were no investments in general insurance company accounts as of December 31, 2020.

Separate accounts: Investments consist solely of investments in mutual funds registered with the Securities and Exchange Commission ("SEC") and are value at the net asset value ("NAV") at which the mutual fund shares are actively traded at year end. Because the investments are maintained in separate accounts, the NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determinable to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

GOODWILL SERVICES, INC.
401(A) RETIREMENT PLAN

Notes to Financial Statements, Continued

3. Fair Value Measurements, Continued:

There were no assets or liabilities whose fair value was determined using Level 1, 2, or 3 inputs at December 31, 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 2,507,108	\$ 2,507,108
Total investments at fair value	<u>\$ 2,507,108</u>	<u>\$ 2,507,108</u>

The Plan's investments in separate accounts are measured at NAV as a practical expedient, in accordance with Accounting Standards Codification subtopic 820-10, and have not been included in the fair value hierarchy. The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021:

<u>Instrument</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Separate Accounts	\$ 2,811,478	N/A	Daily	None

4. Administrative Expenses:

Although not required by the Plan, most of the costs of the Plan administration are absorbed by the Organization.

5. Related-Party Transactions:

The Plan invests in separate accounts (mutual funds) sponsored by an affiliate of the custodians. The Plan paid administrative fees to the affiliate of the custodians totaling \$12,934 for 2021.

6. Plan Termination:

The Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. The Organization has expressed no intention to exercise this right.

GOODWILL SERVICES, INC.
401(A) RETIREMENT PLAN

Notes to Financial Statements, Continued

7. Tax Status:

The Organization had previously adopted a Prototype Profit Sharing Plan which received a favorable opinion from the Internal Revenue Service on March 31, 2014, stating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Prototype Profit Sharing Plan had been amended since receiving the determination letter; however, the Plan administrator believes that the Plan was designed in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and that the related trust is tax-exempt.

In connection with the restatement in December 2021, the Plan does not have an opinion or determination letter from the Internal Revenue Service. However, the Plan administrator believes the Plan was designed in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Management has evaluated the effects of accounting guidance related to uncertain income tax positions and concluded that the Plan had no significant financial statement exposure to uncertain income tax positions at December 31, 2021 and 2020. The Plan is not currently under audit by any tax jurisdiction.

8. Risks and Uncertainties:

The Plan provides for various investments in various securities. Investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

9. Financial Information Certified by the Qualified Institutions:

Great-West Life & Annuity Insurance Company and Great-West Trust Company, the custodians of the plan from January 1, 2020, through November 30, 2021, has certified that the following information is complete and accurate:

- Investments, at fair value;
- Investment income; and

Mutual of America Life Insurance Company, the custodian of the Plan from December 1, 2021, through December 31, 2021, has certified that the following information is complete and accurate:

- Investments, at fair value;
- Investment income; and
- Schedule of assets (held at end of year).
