INDEPENDENT AUDITORS' REPORT

Plan Administrator of the Pulverman 401(K) Plan
Dallas, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Pulverman 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of October 31, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period January 1, 2022 to October 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Pulverman 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 31, 2022 and December 31, 2021, and for the period January 1, 2022 to October 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the liquidation basis of accounting in the format prescribed by the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pulverman 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination

As further discussed in Note 6 to the financial statements, Plan Management terminated the Pulverman 401(k) Plan effective February 28, 2022 and all assets were liquidated as of October 31, 2022. As a result, the Plan's financial statements are presented on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the liquidation basis of accounting in the format prescribed by the DOL Rules and Regulations for Reporting and Disclosure under ERISA, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pulverman 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the liquidation basis of accounting in the format prescribed by the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the liquidation basis of accounting in the format prescribed by the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by DOL Rules and Regulations for Reporting and Disclosure under ERISA. Since the Plan was terminated and all assets liquidated as of October 31, 2022, Management has no supplemental information to present.

PULVERMAN 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD JANUARY 1, 2022 TO OCTOBER 31, 2022
AND THE YEAR ENDED DECEMBER 31, 2021

1. DESCRIPTION OF PLAN

The following description of the Pulverman (Company) 401(K) Plan (Plan) provides only general information. Effective January 1, 2022, the Plan was amended and restated to bring the Plan into compliance with the requirements of the Cumulative List of Changes in Plan Qualification Requirements for Pre-Approved Defined Contribution Plans for 2017. Participants should refer to the Plan agreement for a more complete description of the Plan's provision.

A. General:

The Plan is a defined contribution plan covering substantially all full-time employees of the Company who are age 21 or older with 6 months of service. Participants are eligible to receive the employer match and discretionary nonelective contributions after 1 year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is in compliance with the Pension Protection Act of 2006.

B. Contributions:

Each year, participants may elect to defer pre-tax or after-tax (ROTH) annual compensation, defined in the Plan as wages, tips, and other compensation on Form W-2, up to the maximum allowed by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company contributes a discretionary matching percentage. In 2021, the employer contributed 50% of the first 4% of compensation that a participant contributed to the Plan. Contributions are remitted to the Plan on a weekly basis coincident with the Company's payroll schedule.

The Company may also make discretionary profit-sharing contributions. Participants are eligible to share in the discretionary profit-sharing contribution if (a) they were eligible participants on the last day of the Plan year and/or (b) they met the hours of service requirement during the Plan year. Contributions are subject to certain limitations. The Company made no discretionary profit-sharing contributions as of October 31, 2022 and December 31, 2021.

C. Participants Accounts:

Each participant's account is credited with the participant's contribution and the Company's matching contribution and allocations of (a) the Company's discretionary nonelective contribution, if any, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

- D. Vesting:
Participants are vested immediately in their contributions plus actual earnings thereon. Matching and discretionary nonelective employer contributions plus actual earnings thereon vests ratably from 20% after two years of service up to 100% after six years of credited service.
- E. Notes Receivable from Participants:
Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear a rate of interest based on the bank prime rate plus 2%. Principal and interest are paid ratably through payroll deductions. Participants may only have one loan outstanding at a time. Notes receivable from participants provisions were amended by the Coronavirus Aid, Relief, and Economic Security (CARES) Act for 2020. See Plan Amendments Section.
- F. Payment of Benefits:
On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or in installments over a period of not more than the participant's assumed life expectancy. The Plan allows automatic lump-sum distributions if the value of the participant's vested account balance is less than \$1,000. The participant must consent to distributions in excess of \$1,000. If a participant does not make an election, the amount is automatically rolled over to an IRA. A participant may withdraw any part of their vested account at any time after they attain age fifty-nine and a half. A participant may withdraw all or part of their elective contribution account in the event of undue financial hardship. Distribution provisions were amended by the CARES Act for 2020. See Plan Amendments section.
- G. Forfeited Accounts:
At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$3,893, respectively. These accounts will be used to offset employer contributions or pay administrative expenses of the Plan. The forfeiture account increased by \$26 for current year forfeitures, \$17 for current year dividends and (\$171) for current year losses. The Forfeited non-vested account was used to reduce employer contributions and pay administrative expenses by \$3,765.
- H. Plan Amendments:
Effective April 2020, the Plan adopted the suspension of required minimum distribution provision of the CARES Act that was signed into law on March 27, 2020. As a result of the act, required minimum distributions were completely waived for 2020. Effective April 11, 2022, the Plan was formally amended to adopt the CARES Act.

PULVERMAN 401(K) PLAN

FOR THE PERIOD JANUARY 1, 2022 TO OCTOBER 31, 2022
AND THE YEAR ENDED DECEMBER 31, 2021

Effective April 2020, the Plan adopted the distribution provision of the CARES Act. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Effective April 11, 2022, the Plan was formally amended to adopt the CARES Act.

Effective April 2020, the Plan has adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments for twelve months. Effective April 11, 2022, the Plan was formally amended to adopt the CARES Act.

Effective April 2020, the Plan adopted the coronavirus related loans up to \$100,000 that must be taken by September 22, 2020 to a qualified individual. Effective April 11, 2022, the Plan was formally amended to adopt the CARES Act.

Effective January 2020, the Plan has adopted certain requirements of the Setting Every Community Up for Retirement Enhancement (SECURE) Act which changed required minimum distribution age from 70.5 to 72, requires non-spouse beneficiaries to withdraw funds within ten years, allows penalty free withdrawals for new parents and other provisions. Effective April 11, 2022, the Plan was formally amended to adopt the SECURE Act.

Effective April 26, 2022, the Plan was amended for mandatory distributions for \$1,000 or less. If the participant does not make an election, the amount is automatically rolled over to an IRA.

Effective May 10, 2022, the Plan was amended for distributions not exceeding \$5,000, then your vested account balance will be distributed in a single lump-sum payment. If your vested balance exceeds \$5,000, you may elect to receive a single lump-sum payment or partial withdrawals if the participant or their beneficiary receives required minimum distributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting:

The financial statements of the Plan are prepared using the liquidation basis of accounting and are presented in the format prescribed by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("Department of Labor"). The prescribed format differs from accounting principles generally accepted in the United States of America in that they do not require interest and dividends earned within mutual funds, pooled separate accounts, or bank common/collective trusts, etc., to be reported separately from the change in fair value (e.g. net appreciation/depreciation).

FOR THE PERIOD JANUARY 1, 2022 TO OCTOBER 31, 2022
AND THE YEAR ENDED DECEMBER 31, 2021

B. Use of Estimates:

The preparation of financial statements requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

C. Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and trust company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Contributions are recorded in the period earned. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and may include interest and dividends earned in mutual funds as allowed by the Department of Labor.

D. Notes Receivable from Participants:

Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of October 31, 2022 and December 31, 2021. If a participant ceases employment, all loans become due and payable at the severance date. If not repaid or directly rolled over to a new employer's Plan, the Plan administrator will deem the participant loan to be in default and the participant loan balance will be reduced and a benefit payment will be recorded.

E. Payment of Benefits:

Benefits are recorded when paid.

F. Administrative Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of benefit payments and loans to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

G. Date of Management Review:

Subsequent events were evaluated through February 20, 2023 is the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan Administrator has elected the method of compliance in accordance with ERISA Section 103 (a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following investment information was certified as complete and accurate by Newport Trust Company, as trustee, and was not subjected to any auditing procedures performed by the independent auditors:

- a. Investments as shown in the accompanying statements of net assets available for benefits of \$0 as of October 31, 2022 and \$2,836,003 as of December 31, 2021.
- b. Notes receivable from participants as shown in the accompanying statements of net assets available for benefits of \$0 as of October 31, 2022 and \$19,599 as of December 31, 2021.
- c. Net investment activity of (\$316,457) and interest income on notes receivable from participants of \$378 as shown in the accompanying statement of changes in net assets available for benefits for the period January 1, 2022 to October 31, 2022.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2:

Input to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and

PULVERMAN 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD JANUARY 1, 2022 TO OCTOBER 31, 2022
AND THE YEAR ENDED DECEMBER 31, 2021

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 31, 2022 and December 31, 2021.

Common/Collective Trusts:

Valued at the net asset value (NAV) of units of a bank collective trust at Newport Trust Company, the Plan trustee. The NAV, as provided by the Plan trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Registered Investment Companies:

Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2021 (All Plan assets were distributed as of October 31, 2022):

	<u>Assets at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Companies	\$ 2,764,135	\$ -	\$ -	\$ 2,764,135
Investments Measured at Net Asset Value (a)	<u>-</u>	<u>-</u>	<u>-</u>	<u>71,868</u>
INVESTMENTS AT FAIR VALUE	<u>\$ 2,764,135</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,836,003</u>

(a) In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 (All Plan assets were distributed as of October 31, 2022). Since the individual funds comprising the Plan's investment in common/collective trusts file a Form 5500 as a direct filing entity (DFE), disclosures of significant investment strategies are not required.

5. PARTY IN INTEREST

The Plan investments include shares of common/collective trusts and registered investment companies managed by Newport Trust Company, the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid thru revenue sharing, rather than a direct payment. The trustee allocated quarterly trustee and recordkeeping fees of \$15,908 to participants and charged loan and distribution administration fees of \$6,350 directly to participants in 2022. In 2022, audit fees were paid by the Plan sponsor on behalf of the Plan.

6. PLAN TERMINATION

Effective December 31, 2021, the Plan sponsor, Pennmark Technologies Corporation sold substantially all of its assets to another entity. On February 28, 2022, all employees were transferred over to the new company and the Plan was terminated. Plan assets were liquidated as of October 31, 2022. Participants were fully vested as of the date of the termination.

7. TAX STATUS

The IRS has determined and informed the prototype plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the latest IRS determination letter, the Plan administrator believes the Plan is designed, and is currently being operated, in accordance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. ECONOMIC IMPACT

In December 2019, a novel strain of coronavirus was reported in Wuhan, China. The World Health Organization has declared the outbreak to constitute a "Public Health Emergency of International Concern." The COVID-19 outbreak is disrupting supply chains and affected production across a wide range of industries. As a result of the Pandemic, the Plan was affected mainly by market responses to the economic effects of shutdowns and disruptions. However, effects to the Plan have been minimal up to this point.

Depending on the duration of the COVID-19 crisis and continued negative impact on economic activity, the Plan might experience negative results. The exact impact on Plan activities in 2022 was minimal.
