INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Original Bradford Soap Works, Inc. Retirement Plan for Union Employees
West Warwick, RI

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Original Bradford Soap Works, Inc. Retirement Plan for Union Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets in liquidation available for benefits as of September 21, 2022 and December 31, 2021, and the related statements of changes in net assets in liquidation available for benefits for the period ended September 21, 2022 and the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of September 21, 2022 and December 31, 2021, and for the period ended September 21, 2022 and the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Plan Termination and Liquidation Basis of Accounting

As further described in Notes 1 and 4 to the financial statements, the Plan's sponsor elected to terminate the Plan effective August 31, 2021 and the Plan was liquidated on September 21, 2022. In accordance with accounting principles generally accepted in the United States of America, the Plan's financial statements are presented on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental Schedule H - Line 4j - Schedule of Reportable Transactions is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Original Bradford Soap Works, Inc. Retirement Plan for Union Employees
West Warwick, RI

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Original Bradford Soap Works, Inc. Retirement Plan for Union Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets in liquidation available for benefits as of September 21, 2022 and December 31, 2021, and the related statements of changes in net assets in liquidation available for benefits for the period ended September 21, 2022 and the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of September 21, 2022 and December 31, 2021, and for the period ended September 21, 2022 and the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Plan Termination and Liquidation Basis of Accounting

As further described in Notes 1 and 4 to the financial statements, the Plan's sponsor elected to terminate the Plan effective August 31, 2021 and the Plan was liquidated on September 21, 2022. In accordance with accounting principles generally accepted in the United States of America, the Plan's financial statements are presented on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental Schedule H - Line 4j - Schedule of Reportable Transactions is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF PLAN

The following description of Original Bradford Soap Works, Inc. Retirement Plan for Union Employees (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was a noncontributory defined benefit plan covering substantially all union (Teamsters Local No. 64) employees of The Original Bradford Soap Works, Inc. (the "Company" or "Plan Sponsor"). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan was established, effective January 1, 1986 as a spin-off of The Original Bradford Soap Works, Inc. Retirement Plan (the "prior plan"). All terminated vested participants, retirees, and union members who were participants of the prior plan became participants in this Plan on January 1, 1986.

The Plan Sponsor's Board of Directors was responsible for the oversight of the Plan. The Plan's retirement committee met on a quarterly basis to review investment holdings and monitor investment performance.

Effective September 25, 2004 the Plan was amended to cease accrual of participant benefits and increases in pension benefits. No additional employees eligible to become participants in the Plan after September 25, 2004. Prior to the Plan being frozen on September 25, 2004, each employee became a participant upon the completion of one year of service (1,000 hours) and the attainment of age 21.

On June 28, 2021, the Plan Sponsor's board passed a resolution which approved the termination of the Plan in accordance with the plan provisions. The Plan was terminated effective August 31, 2021 (see Note 4). All Plan assets were liquidated as of September 21, 2022.

Vesting

Participants became vested in the Plan after five years of vesting service was completed. Upon the termination of the Plan all participants became fully and immediately vested in their accrued benefits.

Pension benefits

Employees were entitled to annual pension benefits beginning at normal retirement age (age 65). The Plan permitted early retirement at ages 60-64 with 10 years of vesting service. The Plan also permitted late retirement, allowing employees to accumulate benefit service beyond age 65. Employees could elect to receive their pension benefits in the form of monthly benefits payable during their lifetime, a joint and survivor annuity, a five-year guarantee of benefits, a ten-year guarantee of benefits, or a lump-sum payment subject to approval by the Plan's retirement plan committee.

ORIGINAL BRADFORD SOAP WORKS, INC.
RETIREMENT PLAN FOR UNION EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 21, 2022 AND DECEMBER 31, 2021

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Pension benefits (continued)

Effective August 31, 2021, participants could elect to receive a single lump sum payment of the actuarially equivalent present value of their fully vested accrued benefit or receive the purchase of an immediate annuity payable purchased by the Plan in the form of monthly benefits payable during their lifetime or a 75% or 100% joint and survivor annuity. If the present value of the participant's accrued benefit was less than \$5,000 they received an automatic cashout in a lump sum payment or rollover into an eligible retirement plan.

Death and disability benefits

Death benefit coverage was available for the spouse of a participant who had completed five years of vesting service, and died while in active service or after having deferred the commencement of an early retirement benefit. Any participant who had completed ten years of vesting service and became totally and permanently disabled could have been entitled to disability benefits.

Funding policy

Employer contributions to the Plan were made in amounts sufficient to fund the benefits described above based on periodic actuarial computations. The Employer's policy was to contribute at least the minimum required as mandated by the funding requirements of ERISA. The Plan was in compliance with the minimum funding requirements of ERISA. The Company's contributions of \$64,671 for the year ended December 31, 2021, exceeded or met the minimum funding requirements of ERISA. No payments were required for the period ended September 21, 2022.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

As a result of the Plan termination and liquidation discussed in Notes 1 and 4, the Plan's financial statements are reported on the liquidation basis of accounting. Under the liquidation basis of accounting, assets are measured at the estimated amount expected to be collected.

For terminating plans, accounting principles generally accepted in the United States of America ("U.S. GAAP") require liquidation basis to be applied from the date liquidation is imminent (the date the decision to terminate is made).

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements, changes in net assets available for benefits during the year, and the actuarial present value of accumulated plan benefits at the date of the financial statements and changes therein. Accordingly, actual results could differ from those estimates.

**ORIGINAL BRADFORD SOAP WORKS, INC.
RETIREMENT PLAN FOR UNION EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 21, 2022 AND DECEMBER 31, 2021**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines its valuation policies utilizing information provided by the trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair value measurements

The financial reporting framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 21, 2022 AND DECEMBER 31, 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 21, 2022 and December 31, 2021.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Pooled separate accounts invest in mutual funds and are valued at the NAV per share. The NAV, as provided by the trustee, is based on the contractual terms of the underlying investments and provides a daily rate for income accretion. The NAV is used as a practical expedient to estimate fair value. The pooled separate account's daily value is calculated based on the contract value, which is based on provisions of the contract. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Group Annuity Contract: Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. See Note 6.

Payment of benefits

Benefits were recorded when paid.

Expenses

The Employer paid certain administrative expenses related to the Plan; therefore, such expenses are not included in these financial statements. Fees related to third-party service providers were paid by the Plan and included in administrative expenses on the statements of net assets available for benefits. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through February 17, 2023, the date on which these financial statements were available to be issued and has determined that there were no material subsequent events that require disclosure.

NOTE 3. ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS

Accumulated plan benefits are those future periodic payments, including lump-sum distributions, that are attributable under the Plan's provisions for the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employers or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits under the Plan are accumulated based on employees' compensation during each year of credited service. The accumulated plan benefits for active employees will equal the accumulation, with interest, of the annual benefit accruals as of the benefit information date. Benefits payable under all circumstances, retirement, death, disability, and termination of employment, are included, to the extent they are deemed attributable to employee service rendered to the valuation date. The actuarial present value of accumulated plan benefits is determined by an independent actuary and is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements, such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The accumulated plan benefit information for the Plan is as follows as of January 1:

	<u>2022</u>	<u>2021</u>
Actuarial present value of accumulated plan benefits:		
Vested benefits:		
Participants currently receiving payments	\$ 2,126,798	\$ 2,229,691
Participants with deferred benefits	1,116,645	1,187,369
Active participants	<u>965,989</u>	<u>1,007,024</u>
 Total actuarial present value of accumulated plan benefits	 <u>\$ 4,209,432</u>	 <u>\$ 4,424,084</u>

	<u>2022</u>	<u>2021</u>
The change in the actuarial present value of accumulated plan benefits is as follows for the year beginning January 1:		
Actuarial present value of accumulated plan benefits, beginning of year	\$ 4,424,084	\$ 3,365,633
Increase (decrease) during the year attributable to:		
Benefits paid	(238,262)	(224,085)
Interest	183,013	227,884
Benefits accumulated and actuarial loss	(159,403)	15,033
Assumption changes	<u>-</u>	<u>1,039,619</u>

NOTE 4. PLAN TERMINATION AND LIQUIDATION

Upon the termination of the Plan, the net assets of the Plan were allocated, as prescribed by ERISA and its related regulations, to provide the following benefits in the order indicated below:

1. Annuity benefits that former employees or their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable (or would have been payable) during those three years. The amount is further limited to the lowest benefit that would be payable under Plan provisions in effect at any time during the five years preceding Plan termination.

NOTE 4. PLAN TERMINATION AND LIQUIDATION (CONTINUED)

2. Other vested benefits insured by the Pension Benefit Guaranty Corporation ("PBGC") (a U.S. government agency) up to the applicable limitations
3. All other vested benefits (that is, vested benefits not insured by the PBGC)
4. All nonvested benefits

On June 28, 2021, the Plan Sponsor's board passed a resolution which approved the termination of the Plan in accordance with the plan provisions. On June 30, 2021, the Plan Sponsor distributed the Notices of Intent to Terminate to retired and nonretired plan participants which disclosed the Plan Sponsor's intent to terminate the Plan. On August 31, 2021, the Plan was amended to update its provisions in accordance with the special amendment period under the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act") and adopt provisions terminating the Plan effective as of August 31, 2021. All benefit payments were made from the Plan on June 1, 2022 and any remaining annuity payments became the responsibility of the new annuity provider as of July 1, 2022. The Plan filed PBGC Form 501 Post-Distribution Certification for Standard Termination on July 22, 2022. The Plan termination was approved by the PBGC and finalized on August 1, 2022. The Plan may be subject to audit by the PBGC and the Plan is required by law to maintain and preserve plan records relating to this termination for six years after the date the Form 501 was filed with the PBGC. After completing all regulatory requirements, all Plan assets were liquidated on September 21, 2022.

NOTE 5. FAIR VALUE MEASUREMENTS

The following table set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	<u>Assets at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in fair value hierarchy:				
Mutual funds	\$ 257,095	\$ -	\$ -	\$ 257,095
Group annuity contract	<u>-</u>	<u>-</u>	<u>4,331,685</u>	<u>4,331,685</u>
Total assets in fair value hierarchy	<u>257,095</u>	<u>-</u>	<u>4,331,685</u>	<u>4,588,780</u>
Pooled separate accounts (a)	<u>-</u>	<u>-</u>	<u>-</u>	<u>304,771</u>
Total investments, at fair value	<u>\$ 257,095</u>	<u>\$ -</u>	<u>\$ 4,331,685</u>	<u>\$ 4,893,551</u>

- (a) In accordance with fair value guidance, certain investments that were measured at net value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliations of the fair value hierarchy to the line item presented in the statements of net assets available for benefits.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth a summary of changes in the fair value of Plan's level 3 assets for the period ended September 21, 2022 and the year ended December 31, 2021.

	<u>2022</u>	<u>2021</u>
Balance, beginning of year	\$ 4,331,685	\$ 242,442
Purchases and transfers	587,112	4,351,941
Disbursements and redemptions	(4,931,479)	(319,910)
Income	<u>12,682</u>	<u>57,212</u>
Balance, end of year	<u>\$ -</u>	<u>\$ 4,331,685</u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation (depreciation) in fair value of investments in the statement of changes in net assets available for benefits.

The following table represents the Plan's level 3 group annuity contract, the valuation techniques used to measure the fair value of those financial instruments as of December 31, 2021, and the significant unobservable inputs and the ranges of values for those inputs:

<u>Fair value 12/31/2021</u>	<u>Principal Valuation Technique</u>	<u>Significant unobservable inputs</u>	<u>Range of Significant input values (weighted average)</u>
<u>\$ 4,331,685</u>	Discounted cash flow	Earnings at guaranteed credit rating	Greater than or equal to 2.10%
		Composite market value factor	1.00%

In estimating fair value of the investments in level 3, the Plan's retirement committee may use third-party pricing sources or appraisers. In substantiating the reasonableness of the pricing data provided by third parties, the retirement committee evaluates a variety of factors including review of methods and assumptions used by external sources, recently executed transactions, existing contracts, economic conditions, industry and market developments, and overall credit ratings.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

During the period ended September 21, 2022 and the year ended December 31, 2021, approximately \$239,925 and \$936,290, respectively, was transferred from the mutual fund assets in Level 1 of the fair value hierarchy to the group annuity contract asset in Level 3 of the fair value hierarchy. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 6. GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan had entered into a group annuity contract with Prudential Retirement Insurance and Annuity Company. Prudential Retirement Insurance and Annuity Company maintained the contributions in a general account which was stated at contract value. Contract value approximated fair value. Contract value represented contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the traditional investment contract at December 31, 2021, was \$4,331,685. At September 21, 2022, there was no value in the traditional investment contract due to the Plan's liquidation.

The investment contract issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate was established without the use of a specific formula. During the period ended September 21, 2022, the crediting interest rate ranged from 0% to 1.50%. The crediting rate was reviewed on a semi-annual basis for resetting.

The Plan's ability to receive amounts due is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the issuer or otherwise.

Certain events could limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value are probable of occurring. In addition, there is no provision in the contract which provides the issuer the ability to terminate the contract with the Plan and settle at an amount different from the contract value.

NOTE 7. INFORMATION CERTIFIED BY PLAN TRUSTEE

The following tables summarize investment and other asset information regarding the Plan as of and for the period ended September 21, 2022 and as of and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedules, that were prepared by or derived from, without audit, information prepared by Prudential Retirement Insurance and Annuity Company, the trustee, and furnished to the Plan administrator. The Plan administrator has obtained a certification from the trustee that such information is complete and accurate.

	<u>2022</u>	<u>2021</u>
Investments:		
Mutual funds	\$ -	\$ 257,095
Pooled separate accounts	-	304,771
Group annuity contract	-	4,331,685
Total investments	-	4,893,551
Total certified assets	\$ -	\$ 4,893,551
Dividend and interest income	\$ 13,878	\$ 69,487
Net appreciation (depreciation) in fair value of investments	\$ (129,495)	\$ 281,178

NOTE 8. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by Prudential Retirement Insurance and Annuity Company. Prudential Retirement Insurance and Annuity Company was the recordkeeper and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue-sharing, rather than a direct payment.

NOTE 9. TAX STATUS

The Plan has adopted a prototype non-standardized money purchase pension plan that received a favorable opinion letter from the IRS dated June 25, 2020, that it was designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe the Plan is qualified and the related trust is tax-exempt. On August 23, 2022, the Plan received a favorable determination letter from the IRS stating that the termination of the Plan does not affect its qualification for federal tax purposes. This determination applies only to the status of the Plan under the IRC and does not apply to the Plan's status under any other federal or local statutes.

NOTE 9. TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.
