INDEPENDENT AUDITOR'S REPORT

To Management
Plumbers, Pipefitters and Mechanical Equipment Service Local No. 392
Supplemental Retirement Plan
Cincinnati, Ohio

Opinion

We have audited the accompanying financial statements of the Plumbers, Pipefitters and Mechanical Equipment Service Local No. 392 Supplemental Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plumbers, Pipefitters and Mechanical Equipment Service Local No. 392 Supplemental Retirement Plan as of May 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plumbers, Pipefitters and Mechanical Equipment Service Local No. 392 Supplemental Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Correction of Error

As discussed in Note K to the financial statements, certain errors resulting in understatement of amounts previously reported for contribution receivables due from employers and employer contributions as of May 31, 2021, were discovered by management of the Company during the current year. Accordingly, amounts reported for contributions receivable due from employers and employer contributions have been restated in the 2021 financial statements now presented, and an adjustment has been made to net assets available for benefits as of May 31, 2021 to correct the error. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plumbers, Pipefitters and Mechanical Equipment Service Local No. 392 Supplemental Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plumbers, Pipefitters and Mechanical Equipment Service Local No. 392 Supplemental Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plumbers, Pipefitters and Mechanical Equipment Service Local No. 392 Supplemental Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED MAY 31, 2022 and 2021**

NOTE A – DESCRIPTION OF PLAN

The following description of the Plumbers, Pipefitters and Mechanical Equipment Service Local No. 392 Supplemental Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more description of the Plan's provisions.

General

The Plan is a multi-employer defined contribution plan covering any employment covered by collective bargaining agreement or any other written agreement that obligates an employer to make contributions to the Plan or which binds the employer to the trust agreement with respect to a particular employee. It is subject to the provisions of the Employer Retirement Income Security Act of 1974 (ERISA).

The employer contractors contribute to the fund at a negotiated rate for each hour that a participant is paid wages, including overtime hours. The current hourly rates in effect are as follows:

<u>Classification</u>	<u>Contribution Rate</u> <u>Year Ended</u> <u>May 31, 2022 and 2021</u>

Commercial plumber service apprentice – 3 & 4 years	2.00 hr
Commercial plumber service apprentice – 5 years	2.00 hr
Commercial plumber service helper	2.00 hr

Contributions

For each plan year, participants may contribute up to 100% of pre-tax contributions, as defined in the Plan, and subject to limitations as defined in legislation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The current agreement provides, among other things, for employers of the

Union members to contribute based upon a negotiated rate for each hour that an employee is paid wages. Participants direct the investment of the contributions into various options offered by the Plan. The Plan currently offers approximately eighteen mutual funds and an insurance investment contract as investment options for participants.

Participant Accounts

Under the Plan provisions, amounts are credited by the Plan to the participants' accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Usual and customary fees and all administrative costs are paid for by the Plan.

Vesting

Participants are immediately vested in contributions plus earnings thereon.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the investment options available to the Plan. Participants may change the allocation percentages at least once in any given three-month period.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum, periodic installments payable over 120 months until account balance is exhausted or a direct rollover to an eligible retirement plan.

Normal retirement age is 59 ½.

Administrative Fees

The Plan charged each member currently a monthly fee of \$9.00 to cover the plan administration. Effective June 1, 2021 the monthly fee was increased from \$5.00 to \$9.00

NOTE B – SUMMARY OF SIGNICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using U.S. generally accepted accounting principles and the accrual of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by its investment advisors and custodians. See Note C for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Payment of Benefits

Benefits are recorded when paid.

Coronavirus Aid, Relief, and Economic Security (CARES) Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security ("CARES") Act was signed into law. Qualified individuals are those diagnosed with COVID-19 or have a spouse or dependent who have been diagnosed, or who experienced "adverse financial consequences" as a result of a quarantine, furlough, lay-off, reduction in work hours, business closure, the lack of childcare, or other factors due to the COVID-19 pandemic. The CARES Act allowed qualified individuals to withdrawal up to \$100,000 of Plan funds with a 10% early withdrawal penalty and no mandatory federal tax withholding requirements. CARES Act distributions were subject to regular income taxes, but such taxes can be repaid pro-rata over a three-year period. The \$100,000 limit was in aggregate across all of a qualified individual's retirement plans, and amounts withdrawn from the Plan may be eligible for repayment within three years.

Administration of Plan Expenses

The Plumbers, Pipe Fitters and Mechanical Equipment Service Local Union No. 392 Health and Welfare Plan carries out the administration of the Plumbers, Pipe Fitters and Mechanical Equipment Service Local Union No. 392 Supplemental Retirement Plan. The Plan is charged with expenses directly related to the Plan. Other expenses are allocated on the basis of employees' time expended and other considerations. The Plan is billed quarterly for its share of expenses. The share of expense amounts reimbursed to the Health and Welfare Plan for years ended May 31, 2022 and 2021 amounted to \$49,655 and \$33,107, respectively. A portion of the Plan expenses were paid by the Union Hall for 2022 and 2021.

Plan Contributions

All contributing contractors submit monthly remittance reports by email to the fringe fund office and ACH remittance payments directly to a lockbox account held by Fifth Third Bank of Cincinnati as agent for the Plan. The Plan office prepares a report of the deposits and electronically disburses funds from the lockbox account to other entities included on the contractor remittance reports.

Reciprocity

The Plan currently has in effect a reciprocity agreement with various other local unions affiliated with the United Association of Plumbing and Pipefitting Industry of the United States and Canada, AFL-CIO, whereby employees who are normally employed within the territory of one local union are sometimes temporarily employed within the territory of another local union. Contributions by employers to the Local Union No. 392

Supplemental Retirement Plan are received on behalf of these employees and remittances are to be made to the employees' Home Fund in accordance with the provisions of the agreement. Likewise, remittances are received by Local Union No. 392 Supplemental Retirement Plan participants who work in other jurisdictions. The Local Union No. 392 Supplemental Retirement Plan had net reciprocity receipts of \$194,612 in 2022 and \$137,934 in 2021.

Expenses

Certain expenses incurred in the set up and maintaining the Plan are paid directly by the Union and are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments. For 2022 and 2021, the Union reimbursed a portion of the plan expenses amounting to \$174,466 and \$81,526, respectively.

Subsequent Events

Subsequent events were evaluated through January 18, 2023, which is the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Union has the liability to access.

Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly, such as: a) quoted prices for similar assets or liabilities in active markets, b) quoted prices for identical or similar assets or liabilities in inactive markets, c) inputs other than quoted prices that are observable for the asset or liability, d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2022 and 2021.

Interest Bearing Cash and Money Market Funds: Valued at the closing unit/share price of \$1.00 (one dollar).

Registered investment companies/mutual funds: Valued at the daily closing price as reported by the fund. The mutual funds are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds are deemed to be actively traded.

Metlife GAC Series 25053, Common/Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of May 31, 2022 and 2021:

<u>May 31, 2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

- (a) In accordance with FASB ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of May 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investments in Metlife GAC Series 25053, Class O CCT are maintained by Reliance Trust Company Stable Value Fund Collective Investment Trust, who files a Form 5500 as a direct filing entity. As a result, the Plan has not disclosed the investments' significant investment strategies.

NOTE D – PLAN AMENDMENT

Effective for distributions required upon the death of a participant occurring after December 31, 2021, the minimum distributions requirements have been amended to follow the SECURE Act requirements. Any post-death distributions that are payable to any designated beneficiary other than an eligible designated beneficiary must be paid in full within 10 years of the participant's death.

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plumbers, Pipe Fitters and Mechanical Equipment Service Local Union No. 392 Health and Welfare Plan is reimbursed by Plumbers, Pipe Fitters and Mechanical Equipment Service Local Union No. 392 Supplemental Retirement Plan for a prorated share of administrative costs, including salaries and rent. The “Share of Office Expenses” was \$49,655 and \$33,107 for the fiscal years ended May 31, 2022 and 2021, respectively. The “Share of Office Expenses” payable to the Health and Welfare Plan was \$9,111 and \$13,800 for the fiscal years ended May 31, 2022 and 2021, respectively.

Plan investments are held in funds managed by Fidelity. Fidelity is the custodian, and therefore, these transactions qualify as party-in-interest transactions.

Benesys Retirement Plan Services is the Plan’s third-party administrator and, therefore, any transactions with Benesys qualify as party-in-interest transactions.

Captrust Financial Advisors provides investment advisory services to the Plan and any transactions qualify as party-in-interest transactions.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Union has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G – TAX STATUS

The Plan and trust obtained its determination letter on July 20, 2020, in which the Internal Revenue Service stated the Plan, as then designated, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan is subject to routine audits by taxing jurisdiction; however, there are no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – CONCENTRATION OF CREDIT RISK

The Plan covers participants in greater Cincinnati, Ohio and Northern Kentucky geographical areas and received contributions primarily from employees and employers in this area.

NOTE J – COVID-19

As a result of the ongoing COVID-19 pandemic, economic uncertainties may arise which could potentially have a negative impact on the Plan in future years. While any disruption is expected to be temporary, there is a considerable uncertainty around the duration, and management cannot reasonably estimate the future related financial statements impact at this time.

NOTE K – CORRECTION OF ERROR

Errors resulting in an understatement of previously reported amounts for contractor receivables due from employers and employer contributions revenue as of May 31, 2021, were discovered by management of the Plan during the year ended May 31, 2022. As a result of this correction, the amount of contractor receivables due from employers and net assets available for benefits reported on the statement of net assets available for benefits increased by \$30,653 as of May 31, 2021. The corresponding increase in employer contributions revenue as reported on the statement of changes in net assets available for benefits caused an increase in the net increase (decrease) of \$30,653 for the year ended May 31, 2021.
