**The Administrative Committee of
California Medical Association Employees'

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of California Medical Association Employees' Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CALIFORNIA MEDICAL ASSOCIATION EMPLOYEES' RETIREMENT SAVINGS PLAN (401(k) PLAN)

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the California Medical Association Employees' Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General – The California Medical Association and affiliates (the Employer) established the Plan, effective January 1, 1996, as a defined contribution plan under the provisions of Section 401(k) of the Internal Revenue Code (IRC) for the benefit of eligible employees of the Employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Coronavirus Aid, Relief, and Economic Security Act – In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. In April 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. These distributions may be repaid within three years from the day following the distribution.

Administration – The Employer is the administrator of the Plan and, as such, carries out the duties imposed under ERISA. The Employer has delegated certain responsibilities for the operation and administration of the Plan. Administrative and recordkeeping services are provided by American Funds.

Eligibility – Regular employees of the Employer age 21 and older are eligible to begin pay deferrals to the Plan at their date of hire or on the first day of the month after attaining age 21. Participants are eligible for Employer contributions on the first day of the Plan year or the first day of the seventh month of the Plan year following completion of 1 year with a minimum of 1,000 hours of service.

Contributions – Participants may elect to contribute up to 75% of their eligible pre-tax compensation, but not less than 1%, as defined in the Plan, subject to IRC limitations. The Employer makes a safe harbor non-elective contribution equal to 3% of participants' compensation. The Plan also provides a matching contribution equal to 100% of a participant's deferrals up to 6% of their compensation. Additional non-elective contributions to eligible participants are allowed under the Plan.

Participant accounts – Each participant's account is credited with the participant's contributions, rollovers, employer contributions, and the participant's share of Plan earnings or losses and expenses. Participant accounts are invested based solely on participant elections.

Notes receivable from participants – A participant may borrow the lesser of \$50,000 or 50 percent of his or her vested account balance subject to a \$1,000 minimum loan amount. Loans must be repaid within five years, unless proceeds are used for the purchase of a primary residence, in which case the repayment period may be extended up to 15 years. A loan is secured by the vested balance in the participant's account and bears a fixed rate of interest determined at loan inception at 1% above the

EMPLOYEES' RETIREMENT SAVINGS PLAN
(401(k) PLAN)**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021**

prime rate published in the Wall Street Journal. Principal and interest is paid through payroll deductions. Notes receivable from participants at December 31, 2021 carried an interest rate between 4.25% and 6.50%.

Interest on notes receivable from participants – Interest on participant loans is recognized in the period it is assessed.

Vesting and forfeitures – Participants are immediately vested in their contributions, rollover contributions, safe harbor contributions and earnings thereon. Vesting in the Employer's discretionary matching, fixed matching, and non-elective contributions plus actual earnings thereon is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vested Interest (%)</u>
1	0
2	25
3	50
4	75
5	100

Forfeitures of terminated participants' non-vested accounts will be used to reduce Employer contributions. Forfeitures totaled \$20,865 in 2021, and the balance of unapplied forfeitures was \$20,865 and \$3,232 at December 31, 2021 and 2020, respectively.

Payment of benefits – Upon termination of service, including termination due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the vested interest in his or her account. Normal retirement age under the Plan is age 65. Hardship distributions are permitted under limited circumstances as defined in the Plan.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition – Plan investments are stated at fair value based on quoted market prices. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment of benefits – Benefits are recorded when paid.

Administrative expenses – Investment fund operating expenses are incurred directly by the fund and are therefore factored into each fund's value as a reduction in investment return. Expenses associated with administering the Plan paid from the Plan's net assets are reflected in the Plan's financial statements. A majority of other costs incurred for administering the Plan were paid by the Employer.

CALIFORNIA MEDICAL ASSOCIATION EMPLOYEES' RETIREMENT SAVINGS PLAN (401(k) PLAN)

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and uncertainties – The Plan invests in various investment securities. Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent events have been evaluated for recognition and disclosure through August 9, 2022, the date the financial statements were available to be issued. Management concluded that no material subsequent events have occurred since December 31, 2021, that require recognition or disclosure in such financial statements.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within a fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CALIFORNIA MEDICAL ASSOCIATION EMPLOYEES' RETIREMENT SAVINGS PLAN (401(k) PLAN)

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the closing price reported on the active market on which the individual funds are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Assets at Fair Value as of December 31, 2021</u>			
<u>Investment type</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 34,036,907		
Total assets at fair value	<u>\$ 34,036,907</u>	<u>\$</u>	<u>\$</u>

<u>Assets at Fair Value as of December 31, 2020</u>			
<u>Investment type</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 30,178,898		
Total assets at fair value	<u>\$ 30,178,898</u>	<u>\$</u>	<u>\$</u>

4. FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

At December 31, 2021, the Plan's investments were held by Capital Bank and Trust (the Trustee). The following is a summary of the Plan's financial information that is included in the financial statements and supplemental schedule based on information certified by the Trustee as complete and accurate with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Interest and dividends for the year ended December 31, 2021 was \$2,124,510. Net appreciation in the fair value of investments for the year ended December 31, 2021 was \$2,602,408. The fair value of investments at December 31, 2021 and 2020, as reported by the Trustee were \$34,036,907 and \$30,178,898, respectively.

5. INCOME TAX STATUS

The IRS has determined and informed the plan sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

(401(k) PLAN)**

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021**

The Plan has applied the accounting principles related to accounting for uncertainty in income taxes and has determined that there is no material impact on the financial statements.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date, which will be treated as the valuation date.

7. RELATED PARTY TRANSACTIONS

Certain mutual fund investments offered under the Plan are issued by American Funds, the Plan's third-party administrator. Purchase and sale transactions in these funds are considered party-in-interest transactions under ERISA regulations and are permitted under provisions of the Plan and specifically exempt from the prohibition of party-in-interest transactions under ERISA.
