**INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of  
Flathead Industries 401(k) Retirement Plan and Trust  
Kalispell, Montana

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements**

We have performed an audit of the financial statements of Flathead Industries 401(k) Retirement Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

## **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), at June 30, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Responsibility for the 2021 Financial Statements**

Our responsibility is to express an opinion on the 2021 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### **Basis for Disclaimer of Opinion on the 2021 Financial Statements**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of June 30, 2021, that the information provided to the Plan administrator by the trustee is complete and accurate.

### **Disclaimer of Opinion on the 2021 Financial Statements**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

### **Report on Form and Content in Compliance with DOL Rules and Regulations for 2021 Financial Statements**

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

RETIREMENT PLAN AND TRUST  
NOTES TO THE FINANCIAL STATEMENTS  
For the Years Ended June 30, 2022 and 2021**

**1. DESCRIPTION OF PLAN**

General

Flathead Industries (the “Employer”) established the Flathead Industries 401(k) Retirement Plan and Trust (the “Plan”) which is a defined contribution plan. Substantially all employees of the Company are eligible to participate in the Plan subject to the eligibility criteria discussed below.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan provisions.

Eligibility and Contributions

Employees are eligible to participate in the Plan upon attaining 21 years of age and after completion of a one Year of Eligibility Service, provided that you are an Eligible Employee on that date. If employed by Flathead Industries or any affiliate who has adopted the Plan, you are considered an “Eligible Employee”. However, you are not an “Eligible Employee” if you are employee who is receiving Montana waiver funding for vocational training services for all purposes. With respect to eligibility to make Elective Deferral Contributions and to receive Matching Contributions and Profit Sharing Contributions, “Year of Eligibility Service” means an Eligibility Computation Period during which you complete at least 1,000 hours of service.

Plan participants are also eligible for Employer discretionary contributions upon completion of 1,000 hours of service and presently employed on June 30. During 2022 and 2021, the employer made discretionary matching contributions equal to a maximum of 5% of eligible compensation, total discretionary contributions totaled \$140,770 for 2022 and \$131,059 for 2021.

Participant Accounts

Individual accounts are maintained for each participant of the Plan. Each participant’s account is credited with the participant’s contributions, the Employer’s discretionary contributions, and any Plan earnings or losses.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers registered investment companies, which includes 5 target retirement funds.

**1. DESCRIPTION OF PLAN (Continued)**

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. The Employer's discretionary contributions are subject to a six-year vesting requirement.

Notes Receivable from Participants and In-Service Withdrawals

Active participants may borrow from their before-tax contributions and rollover accounts an amount equal to the lesser of \$50,000 or 50 percent of their vested account balance. Active participants can take only one new loan per year and have up to two outstanding loans at the same time. The minimum amount a participant can borrow is \$1,000. A participant cannot borrow against Employer discretionary contributions. Loans are secured by the balance in the participant's account and generally bear interest at the Prime rate. New loan terms may not exceed five years. Interest rates on outstanding loans ranged from 5.25 percent to 7.5 percent during the year ended June 30, 2022 and 2021. Principal and interest are paid in equal installments by payroll deductions.

In-service withdrawals to employees are limited to after-tax withdrawals, post-age 59.5 withdrawals, or hardship withdrawals. The minimum withdrawal for an after-tax or post age 59.5 withdrawal is \$500 and partial withdrawals for active participants are limited to two after-tax and two post-age 59.5 withdrawals per year.

Active participants also may take a withdrawal for severe financial hardship, if certain hardship criteria are met and all other resources have been exhausted. Participants are limited to two hardship withdrawals for the same reason per year.

Payment of Benefits

Following termination of employment, retirement, disability, or death, a distribution to a participant shall be made in a lump-sum cash payment except as otherwise provided in the Plan document.

Forfeitures

Forfeitures from participant's nonvested accounts may be used by the Employer to reduce future Employer discretionary contributions or pay administrative fees. As of June 30, 2022 and 2021, forfeitures had a balance of \$1,569 and \$336, respectively. During the year ended June 30, 2022 and 2021, \$4,729 and \$1,151, respectively, of forfeitures was used to cover administrative fees.

**1. DESCRIPTION OF PLAN (Continued)**

Administrative Expenses

Fees and expenses of the Plan for legal, accounting, and other administrative services may be paid directly by the Employer, or, at the Employer's discretion, may be paid in whole or in part from Plan assets. These fees are currently paid by the Employer. Recordkeeping and investment management fees are paid by participants via fund expense ratios.

Plan Termination

Although it has not expressed any intention to do so, the Employer has the right at any time to amend the Plan document to terminate the Plan, subject to the provisions of ERISA. In the event the Plan is terminated, participants would become 100 percent vested in their accounts.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The accompanying financial statements have been prepared in accordance with generally accepted accounting principles ("GAAP") in the United States of America.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Registered Investment Companies are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end. See Note 5 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Payment of benefits is recorded when paid.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. No allowance for loan losses has been recorded as of June 30, 2022 and 2021. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Income Tax Status

The Plan received a favorable determination letter dated March 31, 2014, that finds the Plan was designed in accordance with the applicable IRC requirements and, therefore, the related trust is not subject to tax under current tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its tax qualification. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, as a result, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2019.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires that management make estimates and assumptions which affect the reported assets, liabilities, revenues, and expenditures during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

**3. INFORMATION CERTIFIED BY TRUSTEE**

The following data has been certified as complete and accurate by the Plan trustee as of and for the years ended June 30, 2022 and 2021:

- (a) Investments managed by the trustee included in the statements of net assets available for benefits and the market value information included in the accompanying schedule of assets (held at end of year);
- (b) Investment income included in the statement of changes in net assets available for benefits consisting of net appreciation (depreciation) in fair value of investments, interest, and dividends.

**4. EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are held in investments managed by the Plan trustee, and therefore, these transactions qualify as exempt party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

**5. FAIR VALUE MEASUREMENTS**

The Plan accounts for certain assets and liabilities at fair value. The hierarchy below lists three levels of fair value based on the extent to which inputs used in measuring fair value are observable in the market. The Plan categorizes each of our fair value measurements in one of these three levels based on the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1 – Valuations are based on quoted prices in active markets for identical assets or liabilities.

Level 2 – Valuations are based on observable inputs (assumptions obtained from independent sources) for the asset or liability, either directly or indirectly.

Level 3 – Valuations are based on unobservable inputs (assumptions based on the best information available) that are significant to the fair value of the assets or l

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

*Registered Investment Company (RIC):* Valued at the daily closing price as reported by the fund. RIC's held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The RIC's held by the Plan are deemed to be actively traded.

**5. FAIR VALUE MEASUREMENTS (Continued)**

*Fixed Annuities:* The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

The Plan's policy is to recognize significant transfers between levels at the actual date of the event or circumstance that caused the transfer. For the years ended June 30, 2022 and 2021, there were no transfers in or out of levels 1, 2 or 3.

The Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels discussed as of June 30, 2022 and 2021, are as follows:

All participants who terminated employment prior to July 1, 2022 will continue to be subject to the six-year vesting schedule.

Management has evaluated all events and transactions that occurred after June 30, 2022 through February 28, 2023, the date these financial statements were available to be issued.
