INDEPENDENT AUDITORS' REPORT

Plan Administrator
LIFT 403(b) Plan
(formerly known as the Section 403(b) Retirement
Plan for little Dixie Community Action Agency, Inc.)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of the LIFT Community Action Agency, Inc. 403(b) Plan (formerly known as the Section 403(b) Retirement Plan for little Dixie Community Action Agency, Inc.) (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for plan benefits as of July 31, 2022, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (“2022 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from Great-West Trust Company, LLC and Great-West Life and Annuity Insurance Company (“Great-West”), a qualified institution, as of and for the year ended July 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of July 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated February 2, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LIFT 403(b) PLAN
(formerly known as the Section 403(b) Retirement
Plan for little Dixie Community Action Agency, Inc.)

NOTES TO FINANCIAL STATEMENTS

July 31, 2022 and 2021

(1) PLAN DESCRIPTION

Effective January 1, 2022, the Section 403(b) Retirement Plan for little Dixie Community Action Agency, Inc. was amended and the name of the plan was changed to the LIFT 403(b) Plan (the "Plan"). The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. Great-West Trust Company, LLC and Great-West Life and Annuity Insurance Company ("Great-West") were the custodians of the Plan.

General

The Plan is a prototype plan that operates as a Section 403(b) retirement plan. The Plan is designed to comply with Section 403(b) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (the "Code") and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated effective January 1, 2009. The Plan's original effective date was August 1, 1995. The Plan covers all eligible employees of LIFT Community Action Agency, Inc. (the "Company"). Employees are eligible to make elective deferrals to the Plan beginning on their date of hire. Employees are eligible to participate in employer contributions once they have completed 6 months of service. Effective August 1, 2018, the Plan was amended to allow for the auto enrollment of new employees at an initial deferral rate of 3% unless otherwise specified by the employee.

Contributions/Investment Options

Participants can contribute amounts to the Plan not to exceed the lesser of 100% of the participant's eligible compensation, as defined, or the maximum amount established by federal law. Participants age 50 and older may contribute up to an additional \$6,000 of catch-up contributions. The Company contributes 200% of the first 5% of participant contributions. Effective August 1, 2018, the Plan was amended so that matching of participant catch-up contributions was no longer allowed. Participants may direct their contributions and employer contributions to their account among various investment options offered through the Plan's custodians. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contribution, and the allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See Independent Auditors' Report.

(1) PLAN DESCRIPTION, CONTINUED

Vesting

Participants are 100% vested in contributions they make, and they become vested in contributions made by the Company according to the table below:

Vesting Schedule Matching Contributions	
<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

Notes Receivable From Participants

Participants may borrow the lesser of \$50,000 or up to 50% of their vested account balance. The minimum loan is \$1,000. Loans are secured by the balance in the participant's account. Loans shall provide for level amortization with payments to be made over a period not to exceed 5 years except for loans to purchase a principal residence, which can exceed 5 years. A reasonable rate of interest is charged to each participant. A participant may have only two loans outstanding at a time. Upon termination, retirement, or death, the participant or beneficiary has the option to pay off the outstanding loan balance. If the participant elects to not pay off the loan, the outstanding loan balance is converted to an early withdrawal. At July 31, 2022 and 2021, participant notes receivable outstanding were \$407,518 and \$284,182, respectively, with interest rates varying from 3.25% to 6.75%, and 3.25% to 5.50%, respectively.

Withdrawals/Benefits

Prior to a participant's separation from service, the participant's account balance shall be available for distribution in the event of hardship, attaining age 59½, or attaining normal retirement age. Upon termination of employment, death or disability, participants may elect to receive their account balances in the form of a lump sum, installment payments, or annuity payments.

A terminating member of the Plan is paid the current value of their contributions to the Plan, but will forfeit all Company contributions to the extent they are nonvested. As of July 31, 2022 and 2021, there was \$3,163,865 and \$3,645,017, respectively, of unpaid vested benefits to participants no longer participating in the Plan.

Hardship distributions may be made to participants under certain conditions.

See Independent Auditors' Report.

LIFT 403(b) PLAN
(formerly known as the Section 403(b) Retirement
Plan for little Dixie Community Action Agency, Inc.)

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) PLAN DESCRIPTION, CONTINUED

Forfeitures

Company contributions and earnings thereon which become forfeited as a result of any benefit payment or withdrawal provisions of the Plan will be allocated to remaining participants as an additional matching contribution. As of July 31, 2022 and 2021, there was approximately \$31,000 and \$64,000, respectively, of unallocated forfeitures.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of full or partial plan termination, participants will become 100% vested in their accounts.

Administration of Plan Assets

The Plan is administered by the Company, and an officer of the Company is the trustee. The custodians invest the contributions received, as well as interest and dividend income, and make distributions to participants.

Administrative Costs

The Company absorbs certain administrative costs of the Plan, which are paid directly by the Company and are excluded from these financial statements.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

See Independent Auditors' Report.

(2) SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Accrued and unpaid interest at July 31, 2022 and 2021, was a nominal amount.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

Plan participants may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

Reclassification

Certain 2021 amounts have been reclassified to be consistent with the 2022 presentation. These reclassifications had no effect on the amounts previously reported as net assets available for plan benefits.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through February 20, 2023, the date which the financial statements were available to be issued.

See Independent Auditors' Report.

(3) INVESTMENTS

During 2022, the Plan's investments, including gains and losses on investments bought and sold, as well as held, during the year depreciated in value as follows:

Mutual funds	\$ <u>(1,081,393)</u>
--------------	-----------------------

(4) FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In estimating fair value, the Plan utilizes valuation techniques that are consistent with the market approach, the income approach, and/or the cost approach. Such valuation techniques are consistently applied. Inputs to valuation techniques include the assumptions that market participants would use in pricing an asset or liability. Fair values may not represent actual values of assets and liabilities that could have been realized on the measurement date or that will be realized in the future. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Accounting Standards Codification Topic 820, "Fair Value Measurement," establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1 inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 inputs consist of unobservable inputs which are used when observable inputs are unavailable and reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

The Plan uses appropriate valuation methods based on the available inputs to measure the fair values of its assets and liabilities.

See Independent Auditors' Report.

(4) FAIR VALUE MEASUREMENTS, CONTINUED

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Mutual Funds

The fair values of mutual funds are determined by obtaining quoted prices on nationally recognized security exchanges.

The fair values of financial instruments measured on a recurring basis at July 31 were as follows:

		Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Plan for little Dixie Community Action Agency, Inc.)

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(5) GUARANTEED INTEREST ACCOUNTS

As of July 31, 2022 and 2021, the Plan held a fully benefit-responsive group annuity contract with Great-West Life & Annuity Insurance Company. The GWI Fixed Account—Series Class V fund is a group annuity contract and is a general account product of Great-West Life & Annuity Insurance Company. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. Contract value is the relevant measurement attribute for this fund.

Certain events limit the ability of the Plan to transact at contract value with Great-West Life & Annuity Insurance Company. Such events include premature termination of the contracts by the Plan, layoffs, plan termination, bankruptcy, mergers and early retirement incentives. The Plan does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable. There are no reserves against contract value for credit risk of Great-West Life & Annuity Insurance Company, or otherwise.

The average yield earned by the Plan for 2022 and 2021 of 1.85% and 2.15%, respectively, is derived by averaging the quarterly gross interest rates for the fund over the year. The actual average yield earned by the plan for 2022 and 2021 of 1.85% and 2.15%, respectively, is derived by averaging the Plan's quarterly interest rates.

(6) TAX STATUS

The Plan is a prototype plan offered through MassMutual, a custodian of the Plan. Presently, the Internal Revenue Service (IRS) does not provide determination letters on prototype 403(b) plans. The plan administrator has adopted a written 403(b) plan that is intended to satisfy the regulatory requirements of the IRS and believes that the Plan has been operated in accordance with the written plan. The Plan qualified under the Code and thus the Plan is exempt from federal income taxes. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of July 31, 2022, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The plan administrator believes the Plan is no longer subject to income tax examinations for periods prior to 2019.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(7) INFORMATION CERTIFIED BY PLAN CUSTODIANS

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

- Investments and notes receivable from participants as shown in the statements of net assets available for plan benefits as of July 31, 2022 and 2021.
- Investment activity (net depreciation in fair value of mutual funds, and dividends) as shown in the statement of changes in net assets available for plan benefits for the year ended July 31, 2022.
- Schedule H, line 4i—schedule of assets (held at end of year) as of July 31, 2022, as shown on the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(8) PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. As such, transactions conducted by the custodians qualify as party-in-interest transactions.

As discussed in Note 5, the guaranteed interest account was managed by Great-West, and therefore, is considered a party in interest transaction. During 2022 and 2021, the Plan paid Great-West approximately \$21,000 and \$4,500, respectively, for contract administration of the Plan.
