Independent Auditor's Report

To the Plan Administrator of the
403(b) Thrift Plan of Comprehensive Community Action, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the 403(b) Thrift Plan of Comprehensive Community Action, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that certain certified investment information, as described in Note 3 to the financial statements, is complete and accurate. Management has also obtained a certification from a second qualified institution for the period January 1, 2021 through December 16, 2021, stating that certain certified investment information, as described in Note 3 to the financial statements, is complete and accurate. Management has also obtained a certification from a third qualified institution as of December 31, 2021 and for the period December 17, 2021 to December 31, 2021, stating that certain certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan of Comprehensive Community Action, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Comprehensive Community Action, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan of Comprehensive Community Action, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Comprehensive Community Action, Inc.'s ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matters (Continued)

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 403(b) Thrift Plan of Comprehensive Community Action, Inc. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institutions. In our report dated December 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(B) THRIFT PLAN OF COMPREHENSIVE COMMUNITY ACTION, INC.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan of Comprehensive Community Action, Inc. (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering substantially all employees of the Comprehensive Community Action, Inc. d/b/a Comprehensive Community Action Program (the Plan Sponsor) (the Agency). The Plan excludes all non-resident aliens and employees working less than 20 hours per week. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Oversight Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors.

b. Contributions

Each year, participants may contribute a percentage up to 100% of pre-tax annual compensation, subject to statutory limitations. Participants who have attained age 50 before the end of the Plan year are eligible for catch-up contributions. The Plan allows for participants to make Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes a 2% auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan.

Employees are eligible to receive discretionary matching contributions from the Agency, if they are eighteen years of age and have completed one year of service (1,000 hours of service) for the Agency and are employed on the last day of the Plan year. The Agency contributed 50% of participant contributions up to 4% of eligible compensation for the year ended December 31, 2021. During 2021, the Agency made discretionary matching contributions of \$168,468.

c. Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's discretionary matching contributions, and an allocation of Plan earnings and net appreciation of investments and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance from Lincoln Financial Group Trust Company, Inc. (Lincoln) and Mutual of America Life Insurance Company (Mutual of America). The loans are secured by the balance in the participant's account. Loan terms range up to five years, unless for the purchase of a primary residence, in which case the maturity is ten years. The interest rate is set at the prime rate, plus 1%, at the time of the loan. Participants may have one loan outstanding at any time. Principal and interest are paid ratably through payroll deductions.

403(B) THRIFT PLAN OF COMPREHENSIVE COMMUNITY ACTION, INC.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN (Continued)

e. Loans to Participants

Participant loans with Variable Annuity Life Insurance Company (VALIC) are collateralized by the participant's account balance and repayments of principal and interest are credited back to VALIC and not their own account balance. There were defaulted loans of \$27,709 as of December 31, 2021 and 2020, included in guaranteed interest accounts in the accompanying statements of net assets available for benefits.

f. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Agency's discretionary matching contributions plus actual earnings thereon is based on years of continuous service. Participants become fully vested upon death or disability.

The following represents the vesting schedule of the discretionary matching contributions:

<u>Years of Continuous Service</u>	<u>Vested Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

g. Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the age of sixty-five or early retirement of fifty-five. Upon termination of service due to death, disability or retirement, a participant receives either a single life annuity or a qualified joint and survivor annuity equal to the participant's vested portion. The Plan requires balances up to \$1,000 be paid out to participants upon termination, and requires balances over \$1,000 and not exceeding \$5,000 be rolled over into an IRA.

The Plan allows in-service withdrawals upon attainment of age 59½. A participant may request a withdrawal upon demonstration to the plan administrator that they are suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to the applicable section of the Internal Revenue Code (the Code) or standards established by the Secretary of the Treasury or their delegate.

403(B) THRIFT PLAN OF COMPREHENSIVE COMMUNITY ACTION, INC.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN (Continued)

h. Forfeitures

Forfeitures represent non-vested Agency contributions forfeited by participants who terminate their employment or who withdraw from the Plan. Forfeitures are held by the qualified institutions and are used to reduce the Agency's future discretionary matching contributions. There were \$5,174 and \$444 of unallocated forfeitures available as of December 31, 2021 and 2020, respectively. Subsequent to year-end, \$6,374 of forfeitures were used to fund the 2021 discretionary matching contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan prepares its financial statements in accordance with generally accepted accounting principles established by the Financial Accounting Standards Board (FASB). References to generally accepted accounting principles (GAAP) in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Mutual funds, money market funds, and separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Units held by the Plan in the separate accounts are based on each fund's daily net asset value (NAV) as a practical expedient which is considered by the plan administrator to be the best approximation of fair value. The guaranteed interest accounts and fixed annuity contract are valued at contract value as they are fully-benefit-responsive. The plan administrator determines the Plan's valuation policies utilizing information provided by Mutual of America, Lincoln and VALIC, the qualified institutions of the Plan. See Note 4 for discussion on fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully-benefit-responsive investment contracts. Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

403(B) THRIFT PLAN OF COMPREHENSIVE COMMUNITY ACTION, INC.

Notes to Financial Statements
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of the Plan are paid directly by the Agency and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing of distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of investments.

Subsequent Events

Subsequent events have been evaluated through February 24, 2023, which is the date the financial statements were available to be issued. There were no such events that met the criteria for recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTIONS

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, VALIC, a qualified institution, has certified to the completeness and accuracy of certain investments reported in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the supplemental schedule, Form 5500, Schedule H, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2021, and certain related investment transactions and investment income reported in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.

Lincoln, a second qualified institution, has certified to the completeness and accuracy of certain investments and notes receivable from participants reported in the accompanying statement of net assets available for benefits as of December 31, 2021, and the supplemental schedule, Form 5500, Schedule H, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2021, and certain related investment transactions and investment income and interest income on notes receivable from participants reported in the accompanying statement of changes in net assets available for benefits for the period December 17, 2021 to December 31, 2021.

Mutual of America, a third qualified institution, has certified to the completeness and accuracy of certain investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2020, and certain related investment transactions and investment income and interest income on notes receivable from participants reported in the accompanying statement of changes in net assets available for benefits for the period January 1, 2021 to December 16, 2021.

Notes to Financial Statements
December 31, 2021 and 2020

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTIONS (Continued)

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs). The fair value hierarchy is as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual and money market funds: Valued at the daily closing price as reported by the fund. Mutual and money market funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual and money market funds held by the Plan are deemed to be actively traded.

403(B) THRIFT PLAN OF COMPREHENSIVE COMMUNITY ACTION, INC.

Notes to Financial Statements
December 31, 2021 and 2020

4. FAIR VALUE MEASUREMENT (Continued)

Separate accounts: The fair value of accumulation units held by the Plan in a separate accounts are based on each account's daily NAV as a practical expedient, which is considered by the plan administrator to be the best approximation of fair value. The NAV is used as a practical expedient to estimate the fair value, unless it is probable that all or a portion of the separate accounts will be sold for an amount different from NAV. As of December 31, 2020, the Plan had no plans to sell the separate accounts at an amount different from NAV. The separate accounts are not exchange traded. Data for NAV's are available daily to plan administrators and client investors via the qualified institution's website, and provide sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of the individual underlying holdings. Underlying holdings are primarily valued using market quotations or prices obtained from independent pricing sources. Redemption frequency and notice period is available on a daily basis. There are no unfunded commitments from participants in the Plan who invest in these accounts.

There have been no change in the methodologies used at December 31, 2021 and 2020.

The following tables present by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Description	2021			Total
	Level 1	Level 2	Level 3	
Mutual and money market funds	<u>\$ 9,614,642</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,614,642</u>
Description	2020			Total
	Level 1	Level 2	Level 3	
Mutual and money market funds	<u>\$ 858,878</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 858,878</u>
Separate accounts, measured at NAV				<u>6,676,069</u>
Total investments, at fair value				<u>\$ 7,534,947</u>

Changes in Fair Value

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

4. FAIR VALUE MEASUREMENT (Continued)

Changes in Fair Value (Continued)

The following table presents the category, fair value, redemption frequency, and redemption notice period for the Plan's investments, and the fair values of which are estimated using the NAV per share as of December 31, 2020:

	<u>Fair Value</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Separate Accounts:			
Equity funds (a)	\$ 3,750,114	Daily	Daily
Growth funds (b)	2,134,625	Daily	Daily
Index funds (c)	238,774	Daily	Daily
Blend funds (d)	234,723	Daily	Daily
Value funds (e)	134,105	Daily	Daily
International funds (f)	114,756	Daily	Daily
Bond funds (g)	<u>68,972</u>	Daily	Daily
Total	<u>\$ 6,676,069</u>		

- (a) These funds invest in various types of domestic stocks in the large, midsize or smaller capitalization groups to seek long-term capital growth.
- (b) These funds invest primarily in growth stocks issued by companies with small sized market capitalizations that the advisor believes to possess above-average growth potential. This group of funds also includes a fund that invests in stock of blue chip growth companies.
- (c) These funds seek investment results that correspond to the investment performance of the S&P 500 Index and invest primarily in the 500 common stocks included in the S&P 500 Index.
- (d) These funds typically invest about 60% of their net assets in stocks and 40% in bonds or other fixed-income investments, including money market funds, which offer income and capital growth opportunities.
- (e) These funds seek to provide long-term capital appreciation and income, and invest mainly in large- and mid-capitalization companies whose stocks are considered undervalued by the fund advisors.
- (f) These funds invest in foreign equities and in fixed income securities to achieve a long-term rate of return.
- (g) These funds invest in various types of debt securities to achieve a long-term rate of return while preserving capital.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Agency has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested and all accrued benefits shall be paid to participants in accordance with the provisions of the Plan.

403(B) THRIFT PLAN OF COMPREHENSIVE COMMUNITY ACTION, INC.

Notes to Financial Statements
December 31, 2021 and 2020

6. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, notes receivable from participants and transactions with investment funds managed and held by the qualified institutions are considered party-in-interest transactions. During 2021, the Plan paid the qualified institutions administrative and service fees of \$3,764.

7. INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Code. The Plan has adopted a prototype plan and the Internal Revenue Service (IRS) has determined and informed the Agency by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter the plan administrator believes the Plan is currently designed and being operated in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b).

GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan filed an incomplete Form 5500 for Plan year 2021. The Plan intends to amend and file a complete Form 5500 filing with the audited financial statements in 2023.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

9. GUARANTEED INTEREST ACCOUNTS

The Plan has contracts with VALIC and Mutual of America. Contributions are held in the Mutual of America and VALIC general account and are maintained in group annuity accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contracts are considered fully-benefit-responsive and are presented at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, there are certain events that limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (1) premature termination of the contract by the Plan, (2) plant closings, (3) layoffs, (4) Plan termination, (5) bankruptcy, and (6) early retirement incentives. The insurance company may not terminate the contract at any amount less than contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the insurance company. Such interest rates are reviewed on a quarterly basis for resetting.

403(B) THRIFT PLAN OF COMPREHENSIVE COMMUNITY ACTION, INC.

Notes to Financial Statements
December 31, 2021 and 2020

10. FIXED ANNUITY CONTRACT WITH LINCOLN

The Plan has a fully-benefit-responsive fixed annuity contract with Lincoln. Lincoln maintains the contributions in a general account. The account is credited with participant contributions and investment income and charged for participant withdrawals and administrative expenses. The fixed annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the fixed annuity contract is fully-benefit-responsive, contract value is the relevant measure attribute for that portion of the net assets available for benefits attributable to the fixed annuity contract. Contract value, as reported by the qualified institution, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal of all or a portion of their investment at contract value. The contract limits the percentage of the investment for periodic elective transfers to variable investments within the Plan during any twelve-month period.

The contract is guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on the ability of Lincoln to meet its financial obligations from the general assets of Lincoln. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

11. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the IRS Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 10,428,947	\$ 9,006,909
Less - defaulted loans remaining in the loan collateral account	<u>(27,709)</u>	<u>(27,709)</u>
Net assets available for benefits per the IRS Form 5500	<u>\$ 10,401,238</u>	<u>\$ 8,979,200</u>

12. RECLASSIFICATION

Certain amounts in the 2020 financial statements have been reclassified to conform with the 2021 presentation.
