INDEPENDENT AUDITORS' REPORT

SFVCMHC, Inc., as Plan Administrator of SFVCMHC, Inc. 403(b) Plan

Scope and Nature of the ERISA 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of **SFVCMHC, Inc. 403(b) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of **June 30, 2022**, and the related statement of changes in net assets available for benefits for the year ended **June 30, 2022**, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of **SFVCMHC, Inc. 403(b) Plan's** 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in **Note 3** to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of **SFVCMHC, Inc. 403(b) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **SFVCMHC, Inc. 403(b) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SFVCMHC, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SFVCMHC, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Investments and Participant Loans as of and for the year ended June 30, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of **SFVCMHC, Inc. 403(b) Plan**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated February 24, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SFVCMHC, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the **SFVCMHC, Inc., 403(b) Plan** provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on November 1, 2002 as a defined contribution plan under the provision of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan has been amended from time to time, including the most recent amendment adopted and effective September 15, 2015. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA).

Trustee and Administrator of the Plan

The Plan's investments are held by Charles Schwab Trust Bank, the trustee/custodian, and Standard Retirement Services provides administrative and recordkeeping services for the Plan.

The Plan is administered by the Company, San Fernando Valley Community Mental Health Center, Inc.

Eligibility

The Plan is a defined contribution plan covering all eligible employees of the Company, as defined in the 'Plan' document. There is no service requirement. Upon meeting the eligibility requirements, employees are eligible to enter the Plan beginning on their 'Date of Hire'.

Contributions

Contributions to the Plan are made through employee contributions, including catch-up contributions, Company contributions, and participant roll over contributions.

- *Employee Contributions* - Each pay-period eligible employees may elect to contribute a percentage or dollar amount of their eligible contributions on a pre-tax basis, after-tax basis (ROTH) or a combination of both to the Plan subject to the limits of the Internal Revenue Service.
- *Employee Rollover Contributions* - Participants eligible for a withdrawal from another eligible retirement plan or traditional IRA may roll over all or part of that amount into the Plan.
- *Employer Matching Contributions* - At the discretion of the Board of Directors, the Company can make matching contributions, covering all eligible employees who have attained the age of 21, have completed at least 1,000 hours of service and are employed by the Employer on the last day of the Plan, as directed by the participants. The matching contributions made to the Plan for the year ended June 30, 2022 totaled \$227,169.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

1. DESCRIPTION OF PLAN (continued)

Investments

Participants can direct the investment of their accounts (including employee and Company contributions) among various investment options offered by the Plan. The Plan offers a group of mutual funds and collective investment trusts as administered by Charles Schwab Trust Bank, as investment options for the participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, Plan earnings, and charged with an allocation of plan fund administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100 percent vested after three years of credited service. Employer contributions, if any, vest equally over a three-year period. A participant is also 100% vested upon normal retirement age, death or disability.

Notes Receivable from Participant

Participants can borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 reduced by the highest outstanding loan balance during the prior twelve months or 50% of their vested account balance. Loan terms range from 1 - 5 years at a reasonable interest rate determined by the administrator and are secured by their account balance. Interest rates range from 3.50% to 5.50% annually. Principal and interest is paid ratably through semi-monthly payroll deductions.

Payment of Benefits

Upon termination, death, disability, or retirement, a participant's account is distributed in a single lump-sum payment if the balance is less than \$5,000. If the account balance is more than \$5,000, the participant may choose from a number of different benefit options (some of which may require a spousal consent). In the case of death, the distribution shall be made to the participant's beneficiary.

Forfeited Accounts

Forfeitures of non-vested employer contributions, if any, shall be used to reduce employer contributions or to pay the Plan's administrative expenses for the plan in which they occurred or thereafter. As of June 30, 2022 and 2021, forfeited accounts totaled \$1 and \$2, respectively. Forfeitures in the amount of \$10,572 and \$15,197, respectively, were used by the Company to reduce the employer contribution during June 30, 2022 and 2021.

1. DESCRIPTION OF PLAN (continued)

Coronavirus Aid, Relief, and Economics Security Act (CARES Act)

In response to the COVID-19 pandemic, the CARES Act was enacted on March 27, 2020. The CARES Act, among other benefits, provides certain relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operational immediately, prior to amending the Plan agreement. The Plan implemented and adopted the following provisions of the CARES Act:

- Through December 31, 2020, qualified individuals are permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distribution is not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate. Participants who take a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distributions within three-years and not be subject to federal income tax as a result.
- Increased the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance and extend the period for loan repayment for up to one year for qualifying coronavirus-related reasons.
- Required minimum distributions for calendar year 2020 are waived for retired and retirement-aged individuals.

Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

2. SUMMARY OF ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Presentation

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) and the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of the Plan's mutual funds is based on quoted prices held by the Plan. See Note (4) for discussion of fair value measurements.

SFVCMHC, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

2. SUMMARY OF ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

The Plan had adopted the requirements in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)*. In accordance with Topic 820 the Plan's Stable Value Asset Fund is fully benefit-repsonsive investment contract that is reported at contract value. Because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan, it is the relevant measure for the portion of net assets available for benefits of a defined contribtiosn plan attributable to fully benefit-responsive investment contracts. See Note (5) for discussion of investment at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent loans to participants are recorded as a distribution based upon the terms of the plan documents.

Excess Contributions Payable

Amounts payable to participants in excess of the amount allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions for the years ended June 30, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and are charged directly to the participant's account.

SFVCMHC, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

3. INVESTMENTS CERTIFIED BY TRUSTEE

All information disclosed in the accompanying financial statements, notes and supplementary schedule related to the Plan's investment assets and notes receivable from participants at June 30, 2022 and 2021, and net appreciation in fair value of investments, interest and investment expenses for the year then ended, was obtained or derived from data that has been prepared and certified to as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA by Charles Schwab Bank, the trustee for the Plan.

4. FAIR VALUE MEASUREMENTS

Fair value measurements, as defined by the applicable accounting standards, enable the reader of the financial statements to assess the inputs used to develop those measurements by establishing a hierarchy for ranking the quality and reliability of the information used to determine fair values. The Plan classifies and discloses assets carried at fair value in one of the following three categories.

The three levels of the fair value hierarchy are described below:

- Level One - Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level Two - Inputs are observable inputs other than quoted (Level 1) prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable to can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level Three - Unobservable inputs that are supported by little, or no market activity and that are significant to the fair value of the assets or liabilities.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or 2 were not available.

Investments at fair value consist of **'Mutual Funds'** that are valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are measured using Level 1 inputs methodology and are reported at 'Carrying Value' as of the balance sheet date.

Plan's investments in mutual funds are valued at fair value as of June 30, 2022 and 2021, and are reported at \$13,789,690 and \$15,717,187, respectively.

Gains and losses included in changes in net assets available for benefits for the year ended June 30, 2022 are reported in net appreciation in fair value of investments.

SFVCMHC, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

5. INVESTMENT AT CONTRACT VALUE

The assets in this account are maintained as general assets with The Standard Insurance Company (Standard), and are considered as invested in an insurance contract. The fund is available through a rider to Standard's group annuity contract. The methodology for calculating the interest crediting rate is based on account yield forecasts from Standard's advisory group and the margins required for their business. The credit rating is declared in advance and is reset quarterly. The fund's declared crediting rate will never be below 1% annually.

The investment is included in the financial statements at contract value (relevant measurement attribute for this fund), as described in Note (2), as reported to the Plan by Standard. Contract value represents contributions made under the contract, less withdrawals and administrative expenses, plus interest credited. Daily liquidity at contract value is available for participant contributions and withdrawals regardless of market conditions.

Certain events limit the ability of the Plan to transact at contract value. Such events include premature termination of the contracts by the Plan, layoffs, Plan termination, bankruptcy, mergers, and early retirement incentives. The Plan does not believe that any events would limit the Plan's ability to transact at contract value with participants are probable. There are no reserves against contract value for credit risk of Standard, or otherwise.

For the Plan years ending on the following dates, contract value and crediting rates for the Plan's Stable Value Asset A were:

	2022	2021
Contract Value as of:	\$ 3,176,098	\$ 3,003,939
Crediting Rate* for Plan Year Ending on:	2.18%	2.29%

* Calculated as the percentage increase in the fund's NAV of the Standard Stable Asset A over the plan year ending on the referenced rate.

6. RELATED-PARTY TRANSACTIONS

The Company, the participants, and the Trustee/Custodian have all been identified as parties-in-interest. The Plan invests in shares of mutual funds and common collective trust funds managed by Charles Schwab Bank and Standard Retirement Services, trustee, and custodian for the Plan. Therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. Participant loans also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. Certain administrative expenses of the Plan are paid by the Company and qualify as party-in-interest.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

SFVCMHC, INC. 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

8. TAX STATUS

The Plan was established effective November 1, 2002. The Plan has been amended from time to time, including an amendment adopted and effective September 15, 2015.

The Plan operates under an 'Adoption Agreement that states that the underlying prototype plan document is qualified under Section 403(b) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 403(b) of the Code. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualifications. The plan administrator is not aware of any course of action or series of events that it believes would adversely affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize any tax liability (asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of June 30, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of liability (asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of participant contributions per the financial statements for the years ended June 30, 2022 and 2021 to Schedule H of the Form 5500:
