INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Board of Directors and participants of
the United Home Care Services, Inc.'s 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of United Home Care Services, Inc.'s 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Home Care Services, Inc.'s 401(K) Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

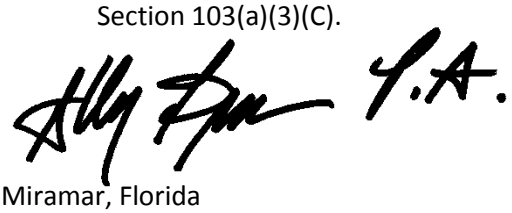

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of June 30, 2022, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of the Plan

The following description of United Home Care Services, Inc.'s 401(K) Plan (the "Plan"), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan created under the provisions of Section 401 of the Internal Revenue Code ("IRC"), which includes a qualified deferred arrangement as described in Section 401 of the IRC. As such, the Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan, which was adopted effective July 1, 1999, is classified as a defined contribution plan. The employees of United Home Care Services, Inc. (the "Company"), are eligible to participate in the Plan after they have completed one year of service with at least 1,000 hours of service during the Plan year. The primary purpose of the Plan is to provide employees of the Company with financial benefits upon retirement.

Administration

The Plan is administered under a trust agreement between the Reliance Trust Company (the "Trustee") and the Company. The Trustee is responsible for investment of plan assets and carries out its fiduciary responsibilities through appointment of an administrative committee and various investment managers.

Contributions

Participants may elect to make contributions to the Plan. Deferrals in any taxable year may not exceed IRS limits. Participants' deductions are made through a salary reduction agreement.

The employer safe harbor matching contribution formula is based on the following: 100% of the first 3% of participant deferrals, then 50% of the next 2% of participant deferrals. The deposit and allocation of the contribution will take place quarterly.

Discretionary profit-sharing contributions may be made by the Company, as well. The participant must be employed as of the last day of the Plan year and have worked at least 1,000 hours during the Plan year in order to receive the contribution.

Note 1 - Description of the Plan (cont'd)

Participant accounts

Under the Plan, a separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, discretionary profit-sharing contributions, safe harbor matching contributions, and allocations of Plan earnings, and charged with an allocation of administrative expenses, if any. Participant contributions and employer contributions are allocated, at the participant's election, to investment funds held at Reliance Trust Company (the "Trustee"). Plan earnings are allocated based on the actual earnings of the respective participant's investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum of the lesser of $50,000, or 50% of the vested interest of their account balances. The loans are collateralized by the balance in the participant's account. Participants may have only one loan outstanding at a time. The administrator will determine a reasonable rate of interest by reviewing the interest rates charged for similar types of loans by other lenders. Loan repayments will be made not less frequently than quarterly. The term of the loan may not exceed five years. However, if the loan is for the purchase of a principal residence, the administrator may permit a longer repayment term. Principal and interest are paid ratably through semi-monthly payroll deductions.

Investment options

Upon enrollment in the Plan, a participant may direct its allocated contributions to be invested in one or more of the investment options available to the Plan.

Vesting

Participants are immediately vested in their own contributions, safe harbor matching and rollover accounts, plus actual earnings thereon. Vesting in the employer-contributed portion, if any, of their accounts is based on years of continuous service, as follows:

Years of Service	Profit Sharing Contributions Percentage Vested	Discretionary Matching Contributions Percentage Vested
1	0%	0%

Note 1 - Description of the Plan (cont'd)

Payment of benefits

Distributions are made upon death, retirement, permanent disability, or request for withdrawal for extreme financial hardship, as defined in the Internal Revenue Code ("IRC"). Distributions are based on the participant's vested interest value in their account and are made in a single lump-sum payment.

Forfeitures

Forfeitures arising from participants with less than fully vested interests in the Plan will be applied to reduce future contributions or pay reasonable plan expenses.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America and with the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA requires the Plan administrator to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investment valuation and income recognition

The Plan's investments are stated at fair value and are invested in interest-bearing money market funds and registered investment company fund vehicles. Investment funds are valued at quoted market prices, which represent the net asset value of funds held by the Plan at year end. Account balances are allocated to each participant by the Plan's third-party administrator.

Note 2 - Summary of Significant Accounting Policies (cont'd)

Investment valuation and income recognition (cont'd)

Purchases and sales of marketable securities are recorded on a trade-date basis. Interest and dividend income is recorded as earned on the accrual basis. Interest is automatically reinvested in additional fund units.

In accordance with the Plan's policy of stating marketable securities at market value, the net appreciation (depreciation) in fair value of investments each year for the Plan is reflected in the Plan's statement of changes in net assets available for benefits.

Administrative fees and other costs

Administrative fees amounting to approximately $8,500 and $8,100 were charged by the Plan administrator directly to the Plan during 2022 and 2021, respectively. Certain other expenses of the Plan were paid by the Company. Other investment related fees and commissions are netted against net appreciation in fair value of investments.

Payment of benefits

Benefit payments to participants are recorded when paid.

Income taxes

The Plan is exempt from federal income taxes pursuant to Section 501(a) of the Internal Revenue Code.

Date of management's review

The Plan has evaluated the subsequent events through January 18, 2023 which is the date the financial statements were available to be issued.

Description	2022
Net depreciation in fair value of investments	$ (1,184,132)
Interest and dividends	263,259
	$ (920,873)

Note 4 - Fair Value Measurements

The Plan's assets and liabilities reported at fair value are valued using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair values. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Note 4 - Fair Value Measurements (cont'd)

Level 1 Fair Value Measurements - The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Fair Value Measurements - The participant loans are not actively traded, and significant other observable inputs are not available. Thus, the fair value of participant loans is equal to the amortized cost of the loans because the loans are secured by each respective participant's account balance.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits as follows:

June 30, 2022

Note 5 - Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated January 25, 2021, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2019.

Note 6 - Information Prepared and Certified by Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan Trustee, Reliance Trust Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Note 9 - Investment Risk

The Plan's investments are not insured and are subject to the normal credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Trustee.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 - Subsequent Events

Management has evaluated events and transactions for subsequent events that would impact the financial statements for the year ended June 30, 2022, through January 18, 2023, the date the financial statements were available to be issued.

Effective September 1, 2022, the Plan was amended to reflect that in order for the participant to receive a contribution, they must have completed 90 days of service. Prior to this date, they must have worked at least 1,000 hours during the Plan year in order to receive the contribution.
