INDEPENDENT AUDITOR'S REPORT

Finance Committee of Vantage Holding Company, LLC
Vantage Holding Company
401(k) Savings Plan
Meadville, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of the Vantage Holding Company 401(k) Savings Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA (qualified institution).

Management has obtained a certification from the qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedule Required by the ERISA

The supplemental schedule, schedule of assets held at end of year, as of June 30, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. In our report dated February 17, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the Vantage Holding Company 401(k) Savings Plan (Plan) provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions.

General: The Plan is a contributory defined contribution plan which covers all employees of Vantage Holding Company, LLC, Vantage Healthcare Network, Inc., Vantage Healthcare Linen Services, LLP, Vantage Health Group Telecommunications, LLC, Vantage DME d/b/a Vantage Home Medical Equipment and Services, Vantage LTC d/b/a Vantage Care Apothecary, and Advanced Litho Care, LTD d/b/a Vantage Mobile Services, collectively referred to as the Employer and Plan Sponsor. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees who have completed one year of service as defined in the Plan, as well as having attained age 21, are eligible to participate in the Plan.

In addition, the Plan includes an automatic enrollment policy. Under the policy, if an employee does not submit an automatic enrollment waiver, he or she will be automatically enrolled in the Plan at a 3% deferral rate.

Contributions: Eligible employees may contribute from 1% to 60% of their eligible compensation or the maximum amount allowed by the IRC, pre-tax or after-tax. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Employer may make a discretionary matching and profit sharing contributions. For the Plan year ended June 30, 2022, the discretionary matching contributions were 100% of each participant's contributions up to 3%. There were no discretionary profit sharing contributions made to the Plan during the year ended June 30, 2022. Participants may also roll over amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is (a) credited with the participant's contributions, (b) credited with the Employer's contributions, if any, (c) credited (reduced) with investment income (loss) and appreciation (depreciation) in the fair value of investments, and (d) reduced by participant withdrawals and Plan administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Allocations to individual participant accounts are based upon values at specified valuation dates.

Vesting: Participants are immediately vested in their contributions, rollover contributions, and Employer match contributions as defined by the Plan document, plus any actual earnings thereon. Participants are fully vested in Employer discretionary profit sharing contributions after three years.

Notes receivable from participants: A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her vested account balance. Loan terms may not exceed five years; however, if the loan is for the purchase of a principal residence, the Plan Administrator may permit a longer repayment term. A participant may have up to three (3) loans outstanding at any time. Loans are collateralized by the participant's account balance. The interest rate for these loans is fixed for the life of the loan. The loans bear interest at a rate of prime plus one percent. Interest rates range from 4.25% to 6.50%. Principal and interest are paid through payroll deductions.

401(k) SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

Payment of benefits: Upon termination of employment due to death, disability, or retirement, a participant may elect to remain in the Plan or receive a deferred annuity, lump-sum distribution, or installment payments of the vested account balance. Participants may also withdraw all or any part of their account balance representing deferral and rollover contributions for financial hardship or for the birth or adoption of a child. The Plan follows federal guidelines for hardship withdrawals. The Plan Sponsor may initiate a mandatory distribution for those terminated participants whose vested account balance is \$1,000 or less.

Unallocated accounts: Unallocated accounts include contributions for participants who were either not eligible, did not meet some type of allocation condition, or exceeded the compensation limit. Such unallocated accounts may be used to reduce Employer contributions. As of June 30, 2022 and 2021, unallocated accounts totaled \$6,105 and \$6,005, respectively. No unallocated accounts were used during the year ended June 30, 2022.

Investment options: Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment direction daily.

Note 2. Significant Accounting Policies

The accounting policies followed by the Plan and the method of applying those policies which materially affect the determination of net assets available for benefits and changes in net assets available for benefits are as follows:

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefit payments: Benefit payments are recorded when paid.

Administrative expenses: The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor as provided by the Plan document.

Subsequent events: In preparing these financial statements, the Employer evaluated events that occurred through January 6, 2023, the date the financial statements were available to be issued, for potential recognition or disclosure.

NOTES TO FINANCIAL STATEMENTS

Note 3. Information Certified by Trustee

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA for 2022 and 2021. Accordingly, AIG Federal Savings Bank, the Trustee of the Plan, has certified to the completeness and accuracy of all investments reported on the accompanying statements of net assets available for benefits as of June 30, 2022 and 2021, the supplemental Form 5500, Schedule H, Part IV, Line 4i - schedule of assets held at end of year as of June 30, 2022, and the related investment activity reported on the statement of changes in net assets available for benefits for the year ended June 30, 2022.

Note 4. Investments and Fair Value Measurements

Authoritative guidance regarding *Fair Value Measurements* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I measurements), and the lowest priority to unobservable inputs (Level III measurements). The three levels of the fair value hierarchy under the authoritative guidance are described below:

Level I Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is the description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used as of June 30, 2022 or 2021:

Registered investment companies: Valued at the closing price reported in the active market in which individual funds are traded.

The method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30:

Assets at Fair Value as of June 30, 2022				
	Total	Level I	Level II	Level III
Registered investment companies	\$ 11,624,021	\$ 11,624,021	\$ -	\$ -

Assets at Fair Value as of June 30, 2021				
	Total	Level I	Level II	Level III
Registered investment companies	\$ 13,898,495	\$ 13,898,495	\$ -	\$ -

Note 5. Investment Contract With Insurance Company

The Plan has a fully benefit-responsive contract with AIG Retirement Services. AIG Retirement Services maintains the contributions in a Fixed Interest Option. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Contract value, as reported to the Plan by AIG Retirement Services, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a monthly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (ii) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions; (iii) bankruptcy of the Plan Sponsor or other Plan Sponsor events (e.g., divestitures or spin-offs of a subsidiary) which cause a significant withdrawal from the Plan; or (iv) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA.

The Fixed Interest Option investment choice is a non-tradable obligation of AIG Retirement Services. The investment's contract or proceeds cannot nor will not be assigned or sold to another party without the consent of AIG Retirement Services.

Note 6. Related Party Transactions

Certain Plan investments are shares of registered investment companies and a stable value fund managed by The Variable Annuity Life Insurance Company (VALIC). VALIC is a member company of AIG Federal Savings Bank. AIG Federal Savings Bank is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for the administrative services and/or investment management services amounted to \$86,349 for the year ended June 30, 2022. Certain administrative functions are performed by officers or employees of the Employer. No such officers or employees receive compensation from the Plan.

**VANTAGE HOLDING COMPANY
401(k) SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

Note 7. Termination of Plan

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants would become 100 percent vested in their entire account.

Note 8. Tax Status

The Plan has adopted a non-standardized pre-approved profit sharing plan sponsored by VALIC Retirement Services Company. The sponsor of the pre-approved plan has received an opinion letter, dated June 30, 2020, from the Internal Revenue Service (IRS) as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan has been amended since the pre-approved plan received this opinion letter; however, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by a taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, tax returns for years ended December 31, 2019, and thereafter remain subject to examination by the appropriate taxing authorities

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term would materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits and changes in net assets available for benefits. During the Plan year as well as going forward, the credit and liquidity environment in the United States and throughout the global financial system resulted/may result in substantial volatility in financial markets and the banking system.

NOTES TO FINANCIAL STATEMENTS

Note 10. Reconciliation of Federal Form 5500 to Financial Report

There are differences between the federal Form 5500 filed with the Internal Revenue Service and the financial report. These differences are due to the recording of defaulted loans and corrective distributions at year end in the financial report. The following is a reconciliation of the federal Forms 5500 to the financial reports for the years ended June 30:

	2022	2021
Net assets per federal Forms 5500	\$ 13,181,180	\$ 15,841,239
Add: Defaulted loans	-	5,800
Net assets available for benefits per financial reports	\$ 13,181,180	\$ 15,847,039
Net (loss) per federal Form 5500	\$ (2,660,059)	
Less: Corrective distributions	(5,800)	
Net (decrease) per financial report	\$ (2,665,859)	

Note 11. Plan Amendments

Effective July 1, 2021, the Plan was amended to decrease the number of outstanding loans allowed from five to three at any time and automatic enrollment percentage increased from 1% to 3%.

Note 12. Subsequent Event

Effective July 27, 2022, Plan management replaced the American Growth Fund of America R6 with the Vanguard Growth Index Implication Fund.
