The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of May 31, 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of OPTO 22 Money Purchase Pension Plan and Trust's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended May 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the accompanying 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

INDEPENDENT AUDITOR'S REPORT (continued)

Opinion on the 2022 Financial Statements (continued)

- the information in the accompanying 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of OPTO 22 Money Purchase Pension Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OPTO 22 Money Purchase Pension Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT
(continued)

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OPTO 22 Money Purchase Pension Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OPTO 22 Money Purchase Pension Plan and Trust's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT
(continued)

Auditor's Responsibilities for the Audit of the 2022 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

As described in Note 2, these financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our report is not modified with respect to this matter.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of the year ended May 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters (continued)

2022 Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of OPTO 22 Money Purchase Pension Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated February 18, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

OPTO 22 Money Purchase Pension Plan and Trust

Notes to Financial Statements

May 31, 2022 and 2021

Note 1. DESCRIPTION OF THE PLAN

The following description of the OPTO 22 Money Purchase Pension Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established in 1983 and is a money purchase pension plan covering all eligible employees of OPTO 22 (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the provisions of Internal Revenue Code Section 401(a). The Plan does not allow participant loans, hardship withdrawals, participant rollovers or other participant contributions.

Eligibility

All employees of the Company are eligible to participate in the Plan when they are 20½ years or older, are not a member of a collective bargaining unit, and have completed six months of service within the Plan year (must be hired on or before December 1 to participate in the Plan year beginning the following June 1).

Contributions

The Company makes annual contributions of 8% of eligible compensation, subject to the IRC annual compensation limits. To receive a contribution, a participant must be employed on the last day of the Plan year (May 31) and have completed at least 1,000 hours of service during the Plan year. Eligible compensation is compensation for the calendar year ending within the Plan year or, for participants' first year in the Plan, compensation for the period from June 1 to December 31 of the current Plan year.

The Company's corporate year ends December 31, and it funds the Plan contribution before May 31 of the following year. As the Plan has an 'employed on the last day' requirement, the contribution allocation is finalized immediately following May 31. The previously-funded contribution is held in an income-earning unallocated account until the actual allocations are made. The earnings during this period are used to offset future Plan administrative expenses and/or Company contributions. Funded contributions relating to employees who terminate prior to May 31 remain in the Plan and are treated as unallocated assets and may be used to offset future Plan administrative expenses and/or Company contributions.

Note 1. DESCRIPTION OF THE PLAN (continued)

Participant Accounts

Separate participant-directed accounts are maintained within the Plan for each participant.

Investment Options

Participants may choose to direct the investment of their accounts among various investment options available.

Vesting

All amounts in a participant's account will be 100% vested upon reaching normal retirement age prior to termination of employment, and also upon disability prior to termination of employment. Vesting prior to retirement or disability is as follows:

<u>Years of Service</u>	<u>Vesting Percent</u>
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

Terminated participants' non-vested amounts and earnings thereon are retained in an unallocated account to offset future Plan administrative expenses and/or Company contributions. The total forfeitures for the Plan years ended May 31, 2022 and 2021 were \$12,852 and \$3,112, respectively, which were used to reduce the Company's contributions and pay certain plan expenses.

Payment of Benefits

Upon termination of service, for their vested portion, participants may leave their money in the Plan (subject to IRS minimum-distribution rules and small balances the Plan administrator can distribute in a lump sum), receive a lump sum payout, purchase annuities, receive a direct rollover, or some combination of these choices.

Note 1. DESCRIPTION OF THE PLAN (continued)

Administrative Expenses

Trustee and fund management expenses are paid with Plan assets, including as loads on participant investment accounts. Certain administrative services are performed by employees of the Company at no charge to the Plan, and certain Plan expenses are paid by the Company and/or using funds in the unallocated or forfeiture accounts.

Reclassifications to 2021 Financial Statements

Certain reclassifications have been made to the 2021 financial statements to conform to the 2022 presentation. The reclassifications had no effect on net assets available for benefits or net increase (decrease) in net assets available for benefits.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan maintains its books and financial records using the modified cash basis of accounting. Under this method, contributions and revenues are recognized when received rather than when earned, and expenses are recorded when paid rather than when incurred. Additionally under this method, investments are reflected at their estimated fair value.

Investment Valuation

Investments are stated at fair value as provided by the Trustees. Investments in registered investment companies are valued using quoted market prices. Investments in common/collective trusts (i.e. investment contracts) are stated at fair value based on the net asset value of shares held by the Plan at year end.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements as well as the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Benefits Paid to Participants

Benefits paid to participants are recorded when paid.

Note 3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. Fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Fair values are based on publicly quoted prices in active markets for identical assets. The fair value of investments in registered investment companies is based on the publicly quoted net asset value of the shares held by the Plan at year-end. The fair value of investments in shares of common/collective trust is based on net asset value per unit.

Level 2 Fair Value Measurements

Fair values are based on observable inputs other than publicly quoted prices in active markets for identical assets.

Level 3 Fair Value Measurements

Fair values are based on unobservable inputs used for valuing the asset.

Fair Value Measurements as of May 31, 2022 using:

	Level 1	Level 2	Level 3	Total
Investments in registered investment companies	\$ 10,709,758	\$ -	\$ -	\$ 10,709,758
Investments in common/collective trust	9,774,790	-	-	9,774,790
Total	<u>\$ 20,484,548</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 20,484,548</u>

Fair Value Measurements as of May 31, 2021 using:

	Level 1	Level 2	Level 3	Total
Investments in registered investment companies	\$ 12,756,317	\$ -	\$ -	\$ 12,756,317
Investments in common/collective trust	9,022,633	-	-	9,022,633
Total	<u>\$ 21,778,980</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,778,980</u>

Note 4. INVESTMENTS

All funds allocated to participants are participant-directed. Unallocated funds, held in the Galliard Stable Return Fund, previously named the Wells Fargo Stable Value Fund, at May 31, 2022, aggregated \$628,620, of which \$624,189 represents the Company contribution made during the fiscal year, net of certain expenses and other transactions. Unallocated funds, held in the Wells Fargo Stable Value Fund at May 31, 2021, aggregated \$628,236 of which \$626,890 represents the Company contribution made during the fiscal year, net of certain expenses and other transactions. Of these amounts, \$622,775 was allocated to participant accounts in the days immediately following May 31, 2022, and \$622,310 was allocated to participant accounts in the days immediately following May 31, 2021, in accordance with the Plan document. Earnings from unallocated funds included in the net realized and unrealized gain in fair value of common/collective trust are insignificant.

Note 5. INFORMATION PREPARED AND CERTIFIED BY PLAN TRUSTEE

The following is a summary of the Plan's financial information and data that has been prepared and certified to as complete and accurate by the Trustees as of and for the years ended May 31:

	2022	2021
Investments at fair value	\$ 20,484,548	\$ 21,778,980
Dividend income	88,739	94,858
Net realized and unrealized gain in fair value of investments in common/collective trust	131,853	158,409
Net realized and unrealized gain (loss) in fair value of investments in registered investment companies	(1,377,743)	3,262,526
Other income	76,397	5,158

Note 6. PLAN TERMINATION

The Company anticipates that the Plan will continue without interruption but reserves the right to amend or discontinue the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, the account of each participant would be fully vested.

Note 7. TAX STATUS

The Plan is operated pursuant to a volume submitter plan that is intended to be a qualified pension plan under the provisions of IRC Section 401(a) and Section 501(a).

OPTO 22 Money Purchase Pension Plan and Trust

Notes to Financial Statements

(Continued)

May 31, 2022 and 2021

Note 7. TAX STATUS (continued)

Effective June 1, 2014, the Plan was amended and restated to comply with mandatory every-six year Internal Revenue Service restatement requirement. The Internal Revenue Service has determined and informed the Plan administrator by a letter dated March 31, 2014 (for the prototype plan effective June 1, 2014), that the volume submitter plan has met the requirements of the applicable sections of the Internal Revenue Code and thus is exempt from federal income taxes. The Plan has been amended since that date. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. The June 1, 2020 restatement was still in process during the Plan year ended May 31, 2022 and did not take effect until June 1, 2022.

Accordingly, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to the Plan year ended May 31, 2019.

Note 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9. PARTY-IN-INTEREST

Trustee fees are paid with assets of the Plan. Principal Trust Company is the Plan record-keeper and manages certain investments for the Plan for the Plan year ended May 31, 2022. Principal Trust Company and Wells Fargo Bank, N.A. Institutional Retirement and Trust were the Plan record-keepers and managed certain investments for the Plan year ended May 31, 2021. Principal Trust Company and Wells Fargo Bank, N.A. are the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. To the extent the Plan invests in funds managed by the trustees or their affiliates, such transactions qualify as party-in-interest transactions permitted under ERISA.

Note 9. PARTY-IN-INTEREST (continued)

Management has evaluated subsequent events for accrual and disclosure through February 13, 2023, which is the date the May 31, 2022 financial statements were available to be issued.
