Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance
Fourth Retirement Savings Plan (formerly Choice Employer Solutions 401(k) Plan)
Tampa, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Fourth Retirement Savings Plan (formerly Choice Employer Solutions 401(k) Plan) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the investment information is prepared and certified to by the institution, in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Charles Schwab Trust Bank as of December 31, 2021 and for the period July 20, 2021 through December 31, 2021, and Lincoln National Life Insurance Company as of December 31, 2020 and for the period January 1, 2021 through July 19, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Fourth Retirement Savings Plan (formerly Choice Employer Solutions 401(k) Plan) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fourth Retirement Savings Plan (formerly Choice Employer Solutions 401(k) Plan)'s ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fourth Retirement Savings Plan (formerly Choice Employer Solutions 401(k) Plan)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fourth Retirement Savings Plan (formerly Choice Employer Solutions 401(k) Plan)'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4a – schedule of delinquent participant contributions and Schedule H, line 4i – schedule of assets (held at end of year), as of or for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by Lincoln National Life Insurance Company. In our report, dated October 15, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Fourth Retirement Savings Plan (Formerly Choice Employer Solutions 401(k) Plan) (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan was established on January 1, 2013, as a multiple employer defined contribution plan covering eligible employees of Choice HR, Inc. and its affiliates (the Sponsor or the Sponsoring Employer) and Adopting Employers. The Plan has been amended and restated to comply with certain tax legislation. Employees are eligible to participate in the Plan based on elections made by the Adopting Employers (Participating Employers). The provisions of the Plan as applicable to the Adopting Employer and its employees are based on the selections of the Adopting Employer with respect to the variable features provided by the Plan document and the adoption agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Retirement Committee is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

The Plan is a multiple-employer plan as described in Section 413(c) of the Internal Revenue Code (IRC). The Company is a Professional Employer Organization (PEO) and provides payroll processing and human resource services to its clients. Each client of the Sponsoring Employer has the option of adopting this Plan for the benefit of its employees. A client establishes its eligibility requirement related to age and length of service for its employees in accordance with the Plan document and IRC. An Adopting Employer may elect to waive or change the service eligibility requirement for individuals who are performing services for the Adopting Employer as of the date the Plan is adopted. However, hiring individuals after the adoption date is subject to the standard requirements, unless otherwise elected.

As of December 31, 2021, Charles Schwab Trust Bank (the Trustee), serves as the Trustee of the Plan, processes and maintains participant data and holds the Plan's investment assets. As of December 31, 2020, and for the period January 1, 2021, through July 19, 2021, Lincoln National Life Insurance Company (the former Custodian) provided recordkeeping and custodian services to the Plan. The Sponsor is the Plan Administrator and has contracted with Ameritas BlueStar Retirement Services, Inc. to provide third-party administrator services.

Plan amendment

Effective January 1, 2021, the Plan was amended and restated to comply with certain tax legislation and changed the Plan's name from Choice Employer Solutions 401(k) Plan to Fourth Retirement Savings Plan.

Contributions

Each year, participants may voluntarily contribute an amount of their annual compensation as elected by their Adopting Employer, within the limits prescribed by the Internal Revenue Service (IRS). For the year ended December 31, 2021, individual participants' contributions were limited to \$19,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500 for the year ended December 31, 2021. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their contribution percentages or may elect to completely suspend contributions quarterly. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Plan also provides for Roth 401(k) elective deferrals, if elected by Adopting Employers.

(FORMERLY CHOICE EMPLOYER SOLUTIONS 401(k) PLAN)**

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Contributions

Each Adopting Employer elects the level of safe harbor, matching and/or profit-sharing contributions. Adopting Employer contributions, if any, are recorded in the year for which the contributions apply. Aggregate Adopting Employer contributions for the year ended December 31, 2021 totaled \$447,420. Participating Employer contributions are invested in funds in accordance with the participant's direction and the Plan's provisions. Contributions are subject to certain IRS limitations.

Participant accounts

Each participant account is credited with the participant's contribution, and an allocation of (a) their Adopting Employer's matching contributions, if applicable, and (b) Plan earnings or losses, and is charged with his or her withdrawals and an allocation of Plan administrative expenses. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and their Adopting Employer's safe harbor contributions, if applicable, plus actual earnings thereon. Vesting in the Adopting Employer's discretionary or profit-sharing contributions is based on years of continuous service. Adopting Employer's discretionary or profit sharing contributions made on behalf of a participant, and earnings thereon, vest in accordance with the schedule specified in the corresponding Adopting Employer's adoption agreement. Vesting schedules vary based on the Adopting Employer's elections. Participant accounts become fully vested upon death, disability, or normal retirement age (65) or Plan termination.

Forfeitures

Nonvested forfeited accounts may be used to reduce Participating Employer's future matching contributions or to offset certain Plan administrative expenses. Total forfeitures utilized to reduce Participating Employer's contributions and pay for Plan administrative expenses for the year ended December 31, 2021 totaled \$27,369. At December 31, 2021 and 2020, forfeited nonvested accounts available for use approximated \$125,000 and \$238,000, respectively.

Participant notes receivable

Participants are permitted to borrow from their account a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years unless the loan is used to acquire a principal residence of the participant which must be repaid in a reasonable period of time not to exceed thirty years. Loans are secured by the vested account balance in the participant's account, and bear interest at the prime rate plus 1%. A participant may only have two (2) loans outstanding at any time. Delinquent notes receivable from participants are reclassified as distributions, as defined. Principal and interest are repaid through regular payroll deductions.

Payment of benefits

Upon termination of service due to death, disability, or normal retirement (age 65), a participant is entitled to receive a distribution equal to the value of the vested interest in his or her account in the form of a lump-sum distribution, installments, or a rollover into another qualified plan.

(FORMERLY CHOICE EMPLOYER SOLUTIONS 401(k) PLAN)**

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Payment of benefits, continued

For termination of service due to other reasons, a participant may choose to leave the vested interest in the Plan if such amounts exceed \$5,000 or elect a lump-sum distribution. Participants with vested amounts less than \$5,000 must elect a lump-sum distribution. A participant may also receive a distribution if they experience undue financial hardship in accordance with IRS guidelines. The Plan also allows for in-service withdrawals at age 59½.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan assets. Certain administrative expenses of maintaining the Plan are paid directly by the Participating Employers and are not reflected in these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

CARES Act

In March 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated and implemented certain provisions of the CARES Act.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Non-interest bearing cash

The Plan's short-term investments consist of uninvested cash held by the Trustee and are considered to be cash equivalents and are recorded at cost, which approximates fair value.

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit responsive investment contracts). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and Trustee.

Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Participant notes receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make scheduled repayments and the Plan Administrator deems the note receivable to be in default, the note receivable is reduced and a benefit payment recorded per the terms of the Plan document.

(FORMERLY CHOICE EMPLOYER SOLUTIONS 401(k) PLAN)**

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and such differences could be material.

Risks and uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk, liquidity risk and credit risk. Due to the high level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participants' account balances and the amounts reported in the financial statements.

Payment of benefits

The Plan records benefits when paid.

Plan administration

The Sponsor is the Plan Administrator and, as such, controls and manages the operations of the Plan. Effective July 20, 2021, Charles Schwab Trust Bank (the Trustee) holds the Plan's assets and executes investment transactions as of December 31, 2021 and for the period July 20, 2021 through December 31, 2021. From January 1, 2021 through July 19, 2021, the Plan's investments were maintained by Lincoln National Life Insurance Company (the former Custodian). The Trustee invests cash received, along with interest and dividend income and makes distributions to participants (subject to the direction of participants). Fees from covered service providers of the Plan are in compliance with Department of Labor's (DOL) regulations regarding ERISA Section 408(b)(2).

The Sponsor contracted with Ameritas BlueStar Retirement Services, Inc. for fiduciary and third-party administrative services.

Uncertain tax positions

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, Plan management has determined it does not have any positions at December 31, 2021 that it would be unable to substantiate.

Note 3 – Investment Information Certified by the Trustee and former Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank, the Trustee, and Lincoln National Life Insurance Company (the former Custodian), both qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and participant notes receivable as shown on the statements of net assets available for benefits as of December 31, 2021 and 2020;

Note 3 – Investment Information Certified by the Trustee and former Custodian, Continued

- Net investment activity and interest income on participant notes receivable as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Investment information included in the footnotes and supplemental schedule of assets (held at end of year) as of December 31, 2021.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2021 and 2020. During the year ended December 31, 2021, there were no transfers of financial instruments into or out of Level 3. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – valued at quoted market prices, which represent their daily net asset value (NAV) reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are traded on national exchanges (active markets).

Money market fund – valued at NAV of \$1, the money market fund is a public investment vehicle. NAV is a quoted price in an active market, thus are classified within Level 1 of the fair value hierarchy.

Note 4 – Fair Value Measurements, Continued

Pooled separate accounts - Valued at its NAV based upon the units of such pooled separate accounts held by the Plan at year-end multiplied by the respective unit value. The unit values of the pooled separate accounts are based upon significant observable inputs but are not based upon quoted market prices in an active market and are classified as Level 2 investments within the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020:

Fair Value Measurements at December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,349,224	\$ -	\$ -	\$ 11,349,224

Investments, at fair value	<u>\$ 11,365,988</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,365,988</u>

Fair Value Measurements at December 31, 2020				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 12,833,882	\$ -	\$ 12,833,882

Note 5 – Group Annuity Contracts with Insurance Company

The Plan had two fully benefit-responsive investments with The Lincoln National Life Insurance Company (Lincoln or the issuer). As of December 31, 2020, contract value as reported by Lincoln for the Guaranteed Stable Value Account and the Managed Principal Protection Portfolio was \$832,683 and \$1,809,739, respectively. The fully benefit-responsive investment contracts are reported at contract value in the accompanying statements of net assets available for benefits. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit-responsive contracts. Lincoln is the issuer of these contracts and maintains these investments in general accounts. The Guaranteed Stable Value Account and the Managed Principal Protected Portfolio (collectively, the Accounts) are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Lincoln is contractually obligated to repay the principal and interest under the terms of the contract.

Contributions received each quarter are credited with the applicable interest rate during the current quarter and the next three succeeding quarters. Interest is credited daily at a rate not less than the guaranteed minimum interest rate which cannot be less than zero, as shown on the contract specifications. The interest crediting rate is set on a quarterly basis.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Note 5 – Group Annuity Contracts with Insurance Company, Continued

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include, but are not limited to, the following: (1) amendments to the plan document (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which have limited the Plan's ability to transact at contract value with the Plan's participants occurred.

Note 6 – Refunds Payable for Excess Contributions

During 2021 and 2020, the Plan received contributions from participants in excess of Plan and IRS limitations. Such excess contributions were refunded to participants in each of the subsequent years.

Note 7 – Related Party and Party-In-Interest Transactions

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Sponsoring Employer, Adopting Employers, and certain others. As of December 31, 2021, the Plan's investments include mutual funds and money market funds managed, held, and administered by Charles Schwab Trust Bank (the Trustee). Therefore, transactions with the Trustee qualify as party-in-interest transactions. For the period January 1, 2021 through July 19, 2021, the Plan's pooled separate accounts and group annuity contracts were issued, managed, and administered by Lincoln National Life Insurance Company (Lincoln or the former Custodian). Therefore, transactions with Lincoln qualify as party-in-interest transactions.

The Plan Administrator charges the Plan to cover various Plan administrative expenses. For the year ended December 31, 2021, administrative expenses paid directly to the Sponsoring Employer, remitted through a quarterly fee, totaled \$69,095. Other expenses paid by the Plan consist of advisory, legal and audit fees.

Certain administrative functions are performed by officers and employees of the Sponsor. No officer or employee receives compensation from the Plan for these services. Lincoln (the former Custodian) received revenue from service providers for services Lincoln provided to the funds. This revenue was used to offset certain amounts owed to Lincoln for its administrative services. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

Ameritas BlueStar Retirement Services, Inc. (BlueStar), the Plan's third-party administrator, receives fees for certain compliance, accounting, and recordkeeping services. Therefore, transactions with BlueStar qualify as party-in-interest transactions.

Note 8 – Fidelity Bond

The Plan has complied with the fidelity bonding requirements of ERISA.

**FOURTH RETIREMENT SAVINGS PLAN
(FORMERLY CHOICE EMPLOYER SOLUTIONS 401(k) PLAN)**

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 9 – Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their Adopting Employer contribution portion of their accounts.

Note 10 – Plan Transfers

In the normal course of business, the Sponsoring Employer adds Adopting Employers, and assets from the individual qualified plans that the added Adopting Employers previously sponsored are transferred into the Plan, when administratively feasible to do so. Likewise, as Adopting Employers leave the Sponsoring Employer and adopt different qualified plans, assets attributable to these outgoing Adopting Employers are transferred out of the Plan.

Note 11 – Tax Status

On March 31, 2014, the IRS stated that the Volume Submitter Profit-Sharing Plan with CODA adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the Plan and its related trust are tax-exempt. The Plan has not received a determination letter specific to the Plan itself, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 12 – Delinquent Participant Contributions

As required by ERISA Section 2510.3-102, the Sponsor and Participating Employers are required to segregate participant contributions from its general assets and remit to the Plan as soon as is practicable. For the years ended December 31, 2021 and December 31, 2020, certain Participating Employers failed to timely remit participant contributions and loan repayments to the Plan totaling \$107,060 and \$269,867, respectively. As of the date of this report, the Participating Employers have not reimbursed the Plan for lost earnings related to the 2021 and 2020 late contributions.

Note 13 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the statements of net assets available for plan benefits as of December 31, 2021 and 2020 and the statement of changes in net assets available for benefits for the year ended December 31 2021 as shown on the financial statements, with the amounts shown in the Form 5500:

The Plan evaluated events occurring subsequent to December 31, 2021 through February 22, 2023, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
