Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate(s) affecting the financial statements was:

Your estimate of the fair values of investments held in mutual funds are based on the net asset value and contract values, respectively. We evaluated the key factors and assumptions used to develop the fair values of investments held in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure(s) affecting the financial statements were:

The disclosure of information prepared and certified by trustee in Note 3 to the financial statements provides explanation as to the basis of the audit engagement being an ERISA Section 103(a)(3)(C) audit and provides a level of assurance to the accuracy of the information stated within the financial statements.

The disclosure of fair value measurements in Note 4 to the financial statements provides the methodology used in determining fair value of mutual funds.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

- The completion of our audit was delayed due to a plan merger and we encountered significant difficulties in reconciling transferred-in assets reported on the form 5500 with supporting documents provided. Management was able to correct all misstatements communicated before the issuance of the auditor's report on the financial statements.
- We also encountered significant deficiency for non-timely contributions, inconsistency in remitting participant contributions to the Plan. The disclosure of delinquent contributions is described in Note 9 to the financial statements and the supplemental Schedule of Delinquent Participant Contributions as of December 31, 2021.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

Effective January 1, 2022 Mountain Aviation Inc. 401(K) Plan was merged into the Wheels Up Partners LLC Retirement Savings Plan Inc.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Wheels Up Partners LLC Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Wheels Up Partners LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Wheels Up Partners LLC Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wheels Up Partners LLC Retirement Savings Plan's ability to continue as a going concern for the twelve months following the date the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wheels Up Partners LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wheels Up Partners LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021 and the supplemental Schedule of Delinquent Participant Contributions as of December 31, 2021 are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Wheels Up Partners LLC Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 6, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan

The following description of the Wheels Up Partners LLC Retirement Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan more commonly known as a 401 (K) plan covering all employees of the Company and its wholly owned subsidiaries who have met certain requirements as to age and length of service described in the Plan Document. The Plan was established on January 1, 2014 and was amended and restated effective January 1, 2021 to reflect the merger described below, as well as in accordance with the Cycle 3 restatement in order to bring the Plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37 and other legal requirements. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

b. Merger with Delta Private Jets, Inc. Savings and Investment Plan, Gama Group 401(K) Plan, and Travel Management Company 401(K) Plan

On January 1, 2021, Delta Private Jets, Inc. Savings and Investment Plan, Gama Group 401(K) Plan, and Travel Management Company 401(K) Plan, were merged into the Wheels Up Partners LLC Retirement Savings Plan. Prior to the merger, the Plan covered only the eligible employees of Wheels Up Partners LLC.

Total assets transferred	\$86,723,761
--------------------------	--------------

c. Eligibility

Employees are eligible to participate in the Plan once they have reached age 21 and completed one month of service. Automatically excluded employees are those covered under a collective bargaining agreement (i.e. union employees) and non-resident aliens who do not receive compensation from any U.S. sources.

WHEELS UP PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. Description of Plan (continued)

d. Contributions

Each year participants may contribute up to 100%, but no less than 1%, of the participant's annual compensation, not to exceed \$19,500 in 2021 and 2020, subject to certain discrimination tests prescribed by the Internal Revenue Code. The annual base salary for purposes of the Plan is limited by the Internal Revenue Code ("IRC") to \$290,000 and \$285,000 for the years ended December 31, 2021 and 2020, respectively. A participant may also rollover amounts representing distributions from other qualified contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 in 2021 and 2020.

The employer may match a discretionary contribution amount. If the employer elects to match, the contribution will be in an amount equal to 50% of the participant's annual compensation up to first 6% of the participant's deferred contributions. For the years ended December 31, 2021 and 2020, the employer made matching contributions which totaled \$5,161,248 and \$773,609, respectively.

The Company may make, at its discretion, a profit-sharing contribution to participants who have completed at least 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. Any contributions will be allocated in the ratio that each participant's compensation bears to the compensation of all eligible participants. There were no profit-sharing contributions for the years ended December 31, 2021 and 2020.

e. Participants Accounts

Each participant's account is credited with the participant's contributions, discretionary Company's matching contributions, and discretionary profit-sharing contributions, if any, as well as withdrawals, charged with an allocation of investment gains or losses, and administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transaction, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

f. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Per adoption agreement, there are different vesting schedules for different participating employers. The participants from merged employers follow their previous plan's vesting schedules. Vesting in the Company's discretionary non-elective contribution portions of their accounts is based on years of continuous service. All new participants are vested 100% based on credited service, or based on normal retirement date in accordance with adoption agreement. Upon disability or death, participants become fully vested.

WHEELS UP PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. Description of Plan (continued)

g. Notes Receivable from Participants

Participants may borrow from their fund accounts up to the lesser of \$50,000 or 50% of the vested account balance. All loans must be repaid in five years unless used for the purchase of the participant's principal residence for which the repayment period is fifteen years. The participant's vested account balance serves as collateral for the loan, which bears interest at rates which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates on outstanding notes receivable ranged between 4.25% and 6.5% for years ended December 31, 2021 and 2020. Principal and interest are paid ratably through payroll deductions.

h. Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive benefits by a lump-sum amount equal to the value of the participant's vested interest in their account in cash, by a joint and survivor annuity, a life annuity made over the remaining life of the participant or payments made over the life of a participant and a designated beneficiary.

i. Forfeited Accounts

Non-vested portions of a participant's account balance will be forfeited when the participant receives a distribution of the entire vested benefits. At December 31, 2021 and 2020, the Plan held \$424,428 and \$306, respectively in forfeited non-vested accounts. In the event there are forfeited accounts, these amounts are transferred to a holding account until they are used to first pay any plan expenses, then if any forfeitures remain, they will reduce employer's matching contributions. During the years ended December 31, 2021 and 2020, no forfeitures were used to reduce the employer's matching contributions.

j. New Authoritative Pronouncements and Legislation

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act are effective on January 1, 2021 and 2020 and will require significant changes to plan administration and recordkeeping.

In March 2020, the World Health Organization officially declared the Coronavirus Disease 2019 (COVID-19) outbreak a global pandemic.

As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that included numerous employee benefit plan provisions to assist plan sponsors and participants.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. Description of Plan (continued)

j. New Authoritative Pronouncements and Legislation (continued)

On December 27, 2020, The Consolidated Appropriations Act of 2021 (the Act) was signed into law. The Act enhances and expands certain provisions of the Coronavirus Aid, Relief and Economic Security Act.

In accordance with the Bipartisan Budget Act of 2018, for hardship distributions made on or after January 1, 2020, suspension of participant contributions is no longer required in connection with a hardship withdrawal.

2. Summary of Accounting Policies (continued)

a. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except that benefits paid to Plan participants are recorded on a cash basis.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and changes therein and, disclosure of contingent assets and liabilities. Accordingly, the actual amounts could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the plan's valuation policies utilizing information provided by the investment advisers, trustee and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

WHEELS UP PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

d. Notes Receivable from Participants

Notes to participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded.

e. Contributions

Contributions from participants are recorded when the Company makes payroll deductions. Employer matching contributions are calculated, funded and recorded in the period in which the related participant contributions are due. Contributions receivable represent amounts not yet deposited into the participants' individual accounts.

f. Payment of Benefits

Benefits are recorded when paid.

g. Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

h. Date of Management's Review of Subsequent Events

The company has evaluated events occurring subsequent to December 31, 2021 through March 8, 2023, the date on which the financial statements were available to be issued. Effective January 1, 2022 Mountain Aviation Inc. 401(K) Plan was merged into the Wheels Up Partners LLC Retirement Savings Plan Inc.

3. Information Prepared and Certified by Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, trustee of the Plan.

WHEELS UP PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

4. Fair Value Measurements

Fair Value Measurements in accordance with current accounting standards, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted process for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

WHEELS UP PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

4. Fair Value Measurements (continued)

Money Market Funds: Valued at cash and cash equivalents.

Collective Investment Trusts: Valued at the net asset value (“NAV”) of the units of a bank collective trust. The NAV, as provided by the trustee, is used as a readily determinable fair value to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This readily determinable fair value is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

<u>Assets at Fair Value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money Market	\$ 177	\$ -	\$ -	\$ 177

WHEELS UP PARTNERS LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

6. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the Determination Letter, the Plan administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than now would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Related-Party and Party-in-Interest Transactions

Fidelity Management Trust Company, trustee of the Plan as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits
