INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Total Storage Solutions 401(k)
Profit Sharing Plan and Trust
Anaheim, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed an audit of the accompanying financial statements of Total Storage Solutions 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Total Storage Solutions 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Total Storage Solutions 401(k) Profit Sharing Plan and Trust and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

To the Plan Administrator
Total Storage Solutions 401(k)
Profit Sharing Plan and Trust
Anaheim, California

Other Matters

The audit report dated September 16, 2022, which was a disclaimer of opinion, was not issued in accordance with Statement of Auditing Standards -136. The report dated October 6, 2022, is different from the previous report and satisfies the new reporting requirement under Statement of Auditing Standards -136. Further, the previous reports did not report on the Schedule of Delinquent Participant Contributions, whereas this current report does.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Total Storage Solutions 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Total Storage Solutions 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Total Storage Solutions 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on the Financial Statements
I was engaged to audit the accompanying financial statements of Total Storage Solutions 401(k) Profit Sharing Plan and Trust (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
My responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis of Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion
As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act ("ERISA") of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Massachusetts Mutual Life Insurance Company and Reliance Trust Company, the custodians of the Plan, except for comparing the information with the related information included in the financial statements and the supplemental schedules. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the custodians as of December 31, 2020 that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion
Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, I do not express an opinion on the 2020 financial statements

Report on Form and Content in Compliance with DOL Rules and Regulations
The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodians, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA of 1974.

PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021and 2020

NOTE 1. DESCRIPTION OF PLAN

The following description of the Total Storage Solutions 401(K) Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement and/or any amendments for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Total Storage Solutions, Inc.

The Plan, established in January 2011, is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). To be eligible, employees must have completed one year of service (which includes 1000 hours of service) and attained the age of 21 years old. The Plan includes a Roth 401(k) provision,

On December 31, 2021, the plan's custodian is LT Trust. The plan's assets were held by Matrix Trust Company (who are a sub-custodian of LT Trust). All investment decisions are fully directed by the participants.

Contributions

Each year participants may contribute between 1% and 100% of pretax annual compensation, as defined in the Plan, up to the IRC annual maximum. Such contributions may be pre-tax Elective Deferrals (as defined). In addition, participants may make after-tax Roth Contributions (as defined). Participants may also contribute amounts representing distributions from other qualified plans ("rollovers"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Board of Directors of the sponsoring company will contribute as a matching an amount equal to 100% of the participant's contributions that is not in excess of 3% of the participant's compensation; plus 50% of the amount of the matched employee contributions that exceed 3% of the participant's compensation but that do not exceed 5% of the compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Plan Sponsor's safe harbor matching, (b) Plan earnings or losses, and (c) administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon and the Plan Sponsor safe harbor matching contribution. Vesting in the Plan Sponsor's discretionary profit-sharing contribution portion of their accounts is subject to a vesting schedule of 2-6 years graded.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with interest rates currently charged at commercial institutions for similar loans at that time. Principal and interest are paid ratably through semi-monthly payroll deductions. Interest on the notes ranged from 4.25% to 6.0%, with repayment terms ranging from 2 to 9 years.

Payment of Benefits

Upon leaving the Company for any reason (retirement, termination, disability, or death) a participant can elect to receive their vested benefits in the form of either a single lump-sum cash payment or have a payment paid as a direct rollover to an individual retirement account or to another employer's tax qualified plan. However, if the participant's vested account balance is $5,000 or less, the Company can elect to cash the balance out of the account by establishing a separate IRA outside of the Plan.

Additionally, upon attaining the age of 59 ½, participants are allowed to have in-service distributions from their accounts.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits in the Plan. Forfeitures are retained in the Plan and may be used to pay Plan expenses and reduce future employer contributions. During the December 31, 2021 plan year, there were no balances forfeited.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See fair value measurements footnote for discussion of investment valuation.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent notes receivable that are deemed by the plan administrator to be in default are treated as distributions based on the terms of the Plan document. Interest income on notes receivable from participants is recorded when it is received. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan payments and the plan administrator considers the loan to be in default, the loan balance is reduced, and the delinquent participant notes receivable is recorded as a benefit payment based as the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Plan Fees and Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the sponsoring companies. Expenses paid by the sponsoring companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3. TAX STATUS

The Plan adopted a volume submitter plan which had received an advisory letter dated March 31, 2014, from the IRS which stated the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the advisory letter, the Plan administrator believes the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax provisions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PLAN TERMINATION

Although they have not expressed any intent to do so, the sponsoring companies have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in any employer contributions.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs—Quoted prices for identical assets and liabilities in active markets.

Level 2 Inputs—Observable inputs other than Level 1 prices, such as quoted prices for similar assets and liabilities, quoted prices in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Inputs—Inputs based on prices or valuation techniques that are both unobservable and significant to the overall fair value measurements.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore,

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents The Plan's investments measured at fair value on a recurring basis as of December 31 and are categorized using the three levels of fair value hierarchy:

	December 31, 2021			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Mutual Funds	$1,633,674	$ -	$ -	$1,633,674

	December 31, 2020			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Mutual Funds	$1,265,279	$ -	$ -	$1,265,279

Notes receivable from participants, which are secured by the vested account balance of the borrowing participant, were value at their carrying balance, which approximates fair value.

NOTE 6. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, LT Trust Company, the Custodian of the Plan has certified to the completeness and accuracy of all investments, noninterest bearing cash and notes receivable from participants as of December 31, 2021 and 2020, and the net appreciation in fair value of investments income, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2021.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

COVID-19

On March 11, 2020, the World Health Organization declared the current coronavirus, or COVID-19, outbreak to be a global pandemic. Both prior to and in response to this declaration and the rapid spread of COVID-19 around the world and within the United States, international, federal, state, and local government or other authorities have instituted certain preventative measures. These restrictions are disrupting economic activity worldwide, resulting in volatility in the global capital markets. The complete impact of COVID-19 on companies, the Plan's financial position, results of operations and changes in equity remains dependent on future developments, including the duration of the pandemic and the related length of its impact on the global economy, which cannot be predicted at this time.

CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT

Following this declaration, the U.S. Federal government passed the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" on March 27, 2020. The CARES Act allows eligible plan participants to request penalty-free distributions of up to $100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic, permits increasing the limit for plan loans, permits suspension of loan payments due for up to one year, and permits individuals to stop receiving 2020 required minimum distributions. The Plan has implemented these changes. The Plan is in the process of reviewing the CARES Act and any resulting changes to the Plan.

NOTE 8. RELATED-PARTY TRANSACTIONS

LT Trust Company is the Trustee and record keeper as defined by the Plan for the years ended December 31, 2021. Fees incurred and paid by the Plan for recordkeeping services for the years ended December 31, 2021, are included in administrative expenses. These transactions qualify as party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

NOTE 9. SUBSEQUENT EVENTS

Subsequent events were evaluated through February 22, 2023, which is the date the financial statements were available to be issued.

NOTE 10. DELINQUENT PARTICIPANT CONTRIBUTIONS

During the 2021 audit, it was determined that the Company had failed to remit employee deferrals in the time described in 29 CFR 2510.3-102. As a result of this late remittance, the Plan is considered to have engaged in a prohibited transaction. The plan administrator has identified the procedural errors that allowed the late deferrals to occur and has taken steps to ensure that this does not happen again in the future. The Company has self-corrected the late remittance and remitted lost earning to the plan. These earnings are immaterial to the financial statements.
