INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
K9s for Warriors (401(k) Plan)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of K9s For Warriors (401(k) Plan) ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at Year End as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

K9s for Warriors (401(k) Plan)

Notes to Financial Statements

1. Summary Plan Description:

The following description of the K9s for Warriors (401(k) Plan) ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2016 for the administration of any contributions made by K9s For Warriors, Inc. (the "Organization") and to encourage eligible employees to defer a part of their current income to provide for their retirement, death or disability under the provisions of Section 401(k) of the Internal Revenue Code. The Plan covers all full time US employees. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Participants may contribute to the Plan the first day of the month following the date of hire and following the attainment of age 21.

Contributions

Participants may elect to defer, subject to the limitation by the Internal Revenue Code of 1986, as amended, up to 90% of their annual eligible compensation. The Organization makes matching contribution at an amount equal to 100% of the participant's elective deferrals that do not exceed 5% of the participant's compensation. The Organization may also make a profit-sharing contribution.

Participant Accounts and Forfeitures

A Deferred Salary Account, Non-Deductible Voluntary Contribution Account, a Rollover Account, a Company Optional Profit-Sharing Account, and a Company Match Account are maintained for each participant. Deferrals elected by each participant will be credited to the participant's Deferred Salary Account and all Company match contributions will be allocated to the participant's Company Match Account. Plan earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants invested in that fund. Any related administrative expenses based on participant earnings or account balances are deducted from the participant's account. The participants' accounts are adjusted daily to reflect contributions, income and expenses.

Forfeited nonvested accounts may be used to pay Plan expenses or reduce employer contributions. At December 31, 2021, forfeited nonvested accounts totaled \$20. The Plan used forfeited nonvested accounts totaling \$38,860 to reduce employer contributions during the 2021 Plan year.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and common collective trusts as investment options for participants.

K9s for Warriors (401(k) Plan)

Notes to Financial Statements

1. Summary Plan Description (Continued):

Vesting

The participant's Deferred Salary Account, nondeductible Voluntary Contribution Account and Rollover Account are always 100% vested. The Company Match and Optional Profit-Sharing Accounts are vested based on the following table:

<u>Years of Service</u>	<u>Vested Percentage</u>
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

The entire vested balance in an individual participant's account, shall be payable to the participant, upon the election of the participant, upon retirement at or after age 65, upon determination of total and permanent disability, or to the participant's beneficiary in the event of death. Additionally, hardship withdrawals and certain other in-service withdrawals are also permitted by the Plan if certain criteria are met. Account balances that are under \$1,000 may be automatically paid out at the discretion of the Plan.

Notes Receivable from Participants

Participants are permitted one outstanding loan at a time. Participants may borrow a minimum of \$500, up to 50% of their vested contributions and related earnings, not to exceed \$50,000. Loans are secured by the balance in the participant's account and must be repaid in level payments through payroll deductions within a five-year period, except for loans for the purchase of a principal residence which may be repaid over a reasonable period of time not to exceed a maximum of 30 years. Generally, notes receivable from participants include interest at two percent above the prime rate.

2. Summary of Accounting Policies:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

K9s for Warriors (401(k) Plan)

Notes to Financial Statements

2. Summary of Accounting Policies (Continued):

Income Valuation

Participants in the Plan direct their accounts to be invested in various investment options. Investments are presented at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Income Recognition

Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Realized gains and losses on the sales of securities are reported on the average cost method.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are reported at amortized principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributed based upon the terms of the Plan document. The loans are secured by the balance in the participants' accounts.

Administrative Expenses

The Plan's administrative expenses may be paid by either the Plan or the Organization as provided by the Plan document. Administrative expenses recorded in the Plan pertain primarily to loan origination and distribution fees, which are charged directly to those participants with outstanding loans or distributions. For the year ended December 31, 2021, total fees of \$1,130 charged to participants accounts are included in administrative expenses.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options in any combination of pooled separate accounts and a guaranteed interest account. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value of investment securities in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

K9s for Warriors (401(k) Plan)

Notes to Financial Statements

3. Fair Value Measurements:

Financial Accounting Standards Board Accounting Standards Codification Topic 820 (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual funds

The fair values of mutual fund investments held by the Plan are determined by obtaining quoted prices on nationally recognized security exchanges (Level 1 inputs).

Common Collective Trust

The Plan invests in various common collective trusts which own investment contracts that may invest in conventional, synthetic and separate account investment contracts issued by life insurance companies, banks and other financial institutions. The investments in the common collective trusts are valued at the net asset value (NAV) as determined by the issuer of the trust based on the value of the underlying investments held by the trust which is the basis for current transactions. Net asset value is used as a practical expedient to estimate fair value of the trust. The Plan is permitted to redeem investment units at NAV on the measurement date of the redemption.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

K9s for Warriors (401(k) Plan)

Notes to Financial Statements

3. Fair Value Measurements (Continued):

The following table summarizes by level within the fair value hierarchy, the Plan investments measured at fair value as of December 31, 2021:

<i>December 31,</i>	Level	2021
Mutual funds	1	\$ 1,045,379
Common/collective trust	(a)	123,965
		<u>\$ 1,169,344</u>

(a) In accordance with ASC Subtopic 820-10, certain investments that were measured at fair value using the net asset per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts represented in the table are intended to permit reconciliations of the fair value hierarchy to the amounts presented on the Statement of Net Assets Available for Benefits

4. Information Prepared and Certified by the Trustee:

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

<i>December 31,</i>	2021
Mutual funds	\$ 1,045,379
Common/collective trust	123,965
 <i>Year ended December 31,</i>	 2021
Net appreciation in fair value of investments	\$ 10,189
Dividends	110,028

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

5. Income Tax Status:

The Internal Revenue Service has determined and informed the Company by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Service.

Management evaluated the Plan's tax positions and concluded that as of December 31, 2021, the Plan had taken no uncertain tax positions that require recognition of a liability (or asset) in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for tax years before 2018.

K9s for Warriors (401(k) Plan)

Notes to Financial Statements

6. **Party-In-Interest Transactions:**

ADP, LLC provides recordkeeping services to the Plan and is considered a party in-interest to the Plan. Reliance Trust Company (Reliance) is the trustee and custodian of the Plan, therefore, transactions involving managed investments qualify as party-in-interest transactions. Reliance is considered parties in-interest to the Plan.

7. **Financial Instruments:**

Financial instruments which potentially subject the Plan to concentrations of credit risk consist primarily of investments in a money market and mutual funds. The Plan limits its credit risk by maintaining its accounts with what it believes to be high-quality financial institutions.

8. **Plan Termination:**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100 percent vested in their accounts.

9. **Reconciliation of Financial Statements to the Form 5500:**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2021:

<i>December 31,</i>	2021
Net assets reflected on Form 5500	\$ 1,191,130
Employer contributions receivable	8,713
Net assets reflected in the financial statements	<u>\$ 1,199,843</u>

The following is a reconciliation of the increase in Plan assets per the financial statements to the Form 5500 for the year ended December 31, 2021:

<i>Year ended December 31,</i>	2021
Net income per the Form 5500	\$ 397,374
Employer contributions receivable	8,713
Net increase per the financial statements	<u>\$ 406,087</u>

K9s for Warriors (401(k) Plan)
Notes to Financial Statements

10. Subsequent Events:

Effective June 1, 2022, the Plan was amended to escalate the vesting schedule of employer matching contributions to 50% vested after two years of service and 100% vested after three years of service.

Management has evaluated subsequent events through December 6, 2022 the date the financial statements were available to be filed and has determined that, other than the information disclosed below, there were no material events requiring recognition or disclosure.
