Report of Independent Certified Public Accountants

To the Plan Administrator of
National University College 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of **National University College 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of **National University College 401(k) Plan** 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note (3) to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **National University College 401(k) Plan** and to meet ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **National University College 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **National University College 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **National University College 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of **National University College 401(k) Plan**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H – Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H – Line 4(a) – Schedule of Delinquent Participant Contributions for the year then ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

National University College 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of the Plan:

The following description of the National University College 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

(a) General –

On June 15, 2009, National College of Business & Technology Company, Inc. ("the Plan Sponsor") adopted a defined contribution profit sharing plan for the Florida Technical College division, in the form of the Ascensus Prototype Document Sponsorship Service, for the purpose of providing retirement benefits to employees and to encourage and assist them in adopting a regular savings program by means of payroll deductions through a plan that qualifies under applicable laws of the Internal Revenue Service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The adoption agreement signed by the Plan, assigned Ascensus Trust Company as the Trustee for an indefinite period of time. The effective date of the Plan was June 15, 2009.

Effective March 29, 2018, the Plan was amended and restated, as a result of a reorganization transaction among the Plan's Sponsor and its subsidiaries. Such reorganization was effective on February 1, 2018.

There were 64 and 44 participants with account balances in the Plan as of December 31, 2021 and 2020, respectively.

(b) Eligibility –

The Plan covers all employees of the Plan Sponsor after completion of one (1) year of service and are age twenty-one (21) or older. The Plan excludes employees covered by a collective bargaining agreement.

(c) Contributions –

Participants can make pre-tax contributions up to \$19,500 per year. Catch-up contributions by participants with age fifty (50) or over at the end of the plan year are set up to \$6,500 per year.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct all or a portion of the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. Effective January 1, 2020, the Plan Sponsor matches participants' savings contributions at the rate of 50 cents for each dollar of participants' pre-tax contribution, up to a maximum of 6% of the participants' compensation.

(d) Participant accounts –

An account is maintained for each participant, credited with the participant's contribution, Sponsor's matching contributions and, allocation of investment income based on participant's account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(e) Vesting –

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three (3) years of eligible service.

National University College 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(f) Forfeitures –

Forfeitures of non-vested account balances in any given year are to be applied to reduce employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$14,238 and \$10,455, respectively. During the year ended December 31, 2021, no forfeitures were used to reduce Sponsor contributions.

(g) Notes receivable from participants –

Participants may borrow from their vested account balance in the Plan a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 less the highest outstanding loan balance during the prior twelve (12) months or 50% of their vested account balance. The loans are secured by the balance in the participant's account, and bear interests based on the prime rate plus 1%. Principal and interest is paid through bi-weekly payroll deductions, and are reinvested to the participants' investment accounts based on their investment elections in effect at the time of reinvestment. There were no outstanding balance of notes receivable from participants as of December 31, 2021. Outstanding notes receivable from participants as of December 31, 2020 amounted to \$3,490.

(h) Payment of benefits –

Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, partial payments, or a direct rollover to an individual retirement account or to another qualified plan.

(2) Summary of Accounting Policies:

(a) Basis of accounting –

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP).

(b) Basis of presentation –

The Plan's fiscal year ends on December 31st of each year. All references to year in these notes to financial statements represent calendar year unless otherwise noted. The Plan has evaluated subsequent events through February 15, 2023, the date the financial statements were available to be issued.

(c) Use of estimates –

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

(d) Investment valuation and income recognition –

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See related Note (4) for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

National University College 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(e) Notes receivable from participants –

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

(f) Payment of benefits –

Benefits paid directly to participants are recorded when paid. As of December 31, 2021 and 2020, there were no benefits due to withdrawn participants that had not been paid.

(g) Administrative expenses –

Except for loan origination fees associated with notes receivable from participants, all administrative fees are paid by the Plan's Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. In addition, certain investment related expenses are included in net appreciation of fair value of investments. See Note (6).

(h) Excess contributions payable –

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as liability with a corresponding reduction to contributions. See Note (5).

(i) Risks and uncertainties –

The Plan invests in various investments securities which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(3) Information certified by trustee:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Ascensus Trust Company, trustee of the Plan.

(4) Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

National University College 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

Level 2 - Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market account: Valued at the amount of cash balances on deposit.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at fair value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

National University College 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(5) **Excess participants' contributions:**

The Plan failed to pass the Average Deferral Percentage (ADP) test for the years ended December 31, 2021 and 2020. Excess participants' contributions refunds amounting to \$32,729 and \$35,837, were recorded as a liability in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, respectively. The Plan will reimburse the 2021 excess contributions to its participants during 2022. The Plan reimbursed the 2020 excess contributions to its participants during plan year 2021.

(6) **Administrative fee:**

The Trustee charges an administrative fee for the services performed under the Plan Agreement associated with Plan recordkeeping, accounting, and trustee services. Total administrative fees for the year ended December 31, 2021, paid directly by the Plan's Sponsor amounted to \$1,286.

(7) **Plan termination:**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, the rights of all affected participants in their accounts, up to the date of such termination, shall become non-forfeitable.

(8) **Party-in-interest investments and transactions:**

In accordance with the Department of Labor's Regulation 2510.3-102, an employer is required to segregate participants' contributions from its general assets as soon as practical when amounts are contributed by participants or withheld from their wages for a pension benefit plan such as the Plan.

During the year ended December 31, 2021, there were unintentional delays in the remittance of participants' contributions withheld amounting to \$24,012. The Plan's Sponsor will absorb the costs incurred by the Plan as a result of the untimely remittances of the participants' contributions. On February 8, 2023 and February 7, 2023, the Plan Sponsor remitted \$25.33 and \$56.92, respectively, in lost earnings in order to cover 2021 and 2020 failures in the amount of \$24,012 and \$28,213, respectively.

(9) **Tax status:**

The Plan has received its latest determination letter from the Internal Revenue Services ("IRS") dated January 1, 2018, stating that the Plan is qualified under section (401) of the Internal Revenue Code, and therefore, the related trust is exempt from taxation.

The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

National University College 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(10) **Subsequent events:**

- Subsequent to year end, certain events, such as the war in Ukraine, the overall inflation, and the other current economic factors, have affected negatively the global financial system. This has resulted in substantial volatility in financial markets and the banking system. These economic events have had a significant adverse impact on investment portfolios. As a result, the Plan's investments have and probably will continue to incur in a significant decline in fair value.
- The Plan Sponsor is expecting to undergo a change of ownership transaction in 2023 pursuant to which 100% of the stock in the Plan Sponsor's corporate parent entity would be acquired by Renovus Holdings I, LLC, an affiliate of Renovus Capital Partners. The Plan Sponsor has received already the Middle States Commission on Higher Education and the "Junta de Instituciones de Postsecundarias" ("JIP") approval.
