Independent Auditors' Report

To the Plan Administrator
Kompass Kapital Management, LLC 401(k) Retirement Plan
Overland Park, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Kompass Kapital Management, LLC 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution (that management determined meets the requirements of ERISA Section 103(a)(3)(C)).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the Compiled 2020 Financial Statement

Plan management is responsible for the accompanying financial statement of the Kompass Kapital Management, LLC 401(k) Retirement Plan, which comprise the statement of net assets available for benefits as of December 31, 2020. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Service Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2020 financial statement.

a. General

The Plan is a defined contribution plan that provides tax deferral benefits for the employees of Kompass Kapital Management, LLC (the Company). The plan was restated effective June 1, 2021, to include employees of Krucial Staffing, LLC, Dynamic Logistic, LLC, Staffbridge, LLC, Moonshot Innovations, LLC, Favorite Healthcare Staffing, Inc, Colorado River Ranch, and NavigationMD, Inc. As a result of the restatement, the Plan received transfers from the related 401(k) plans as follows:

Krucial Staffing 401 (k) Plan	\$ 1,922,267
Dynamic Logistix, LLC 401(k) Retirement Plan	1,853,002
Staffbridge 401(k) Retirement Plan	316,618
Moonshot, LLC 401(k) Plan	3,356,797
Favorite Healthcare Staffing 401(k) Retirement Plan	<u>22,065,988</u>
 Total transfers	 \$ <u><u>29,514,672</u></u>

Full time employees are eligible to enter the Plan when they have reached 18 years of age. Effective June 1, 2021, the plan was restated to allow part-time, temporary, and seasonal employees who have attained age 18 and completed 1,000 hours of service to enter the plan. An employee's entry date is the first day of the month following the date he or she meets the eligibility requirements. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Subsequent to year end, Krucial Staffing, LLC and Favorite Healthcare Staffing, Inc. ceased to be participating employers in the Plan and as a result, assets in the amount of \$23,462,108 were transferred out of the Plan.

b. Contributions

Employees participating in the Plan may enter into an elective deferral agreement authorizing the employer to withhold a portion of the participant's compensation, up to the Code Section 415 limit, to contribute to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible for make catch-up contributions.

1. Description of Plan (Continued)

b. Contributions (Continued)

The Company makes a rigid discretionary matching contribution. For the year ended December 31, 2021, the Company elected to match 100% of the first 6% contributed to the Plan.

During the year ended December 31, 2021, the Company made matching contributions of \$2,125,078.

The Company may also make an annual discretionary nonelective contribution to the Plan in an amount, if any, determined solely by the Company. Employees employed on the last day of the Plan year who have completed at least 1,000 hours of service during the plan year are eligible to receive this contribution. No nonelective contribution was made during the year ended December 31, 2021.

c. Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the Company's contributions, as well as allocations of the Plan earnings. Participant accounts are charged with withdrawals and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their voluntary salary deferrals plus the earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 5 years of continuous service, death, or disability.

e. Investments

Participants direct the investment of their contributions into various investment options offered by the Plan.

1. Description of Plan (Continued)

f. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Participants may have two loans outstanding. The notes are secured by the balance in the participant's account and bear interest 1 percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. Effective June 1, 2021, the Plan was amended to no longer permit notes receivable from participants.

g. Payment of Benefits

Upon termination of service due to death, disability, retirement, termination of employment or attaining age 59.5, a participant may receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Participants or beneficiaries who must receive required minimum distributions may receive payments in installments. For account balances less than \$5,000 a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Benefits are recorded when paid.

h. Forfeited Accounts

Under the provisions of the Plan, when certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents a forfeiture. Forfeited balances can be used to reduce future employer contributions and pay administrative expenses. At December 31, 2021, forfeited nonvested accounts totaled \$173,375.

i. Administrative Expenses

The Company bears a significant portion of the administrative costs for the plan, including the costs of officers and employees who perform certain administrative functions. Administrative expenses that are paid by the Plan consist of fees charged by the Plan's recordkeeper.

2. Summary of Significant Accounting Policies

The following are the significant policies followed by the Plan:

a. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

KOMPASS CAPITAL MANAGEMENT, LLC

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021

2. Summary of Significant Accounting Policies (Continued)

b. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of net assets available for benefits and the changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability. Liabilities were recorded by the plan in 2021. The Plan distributed the excess contributions to the applicable participants prior to March 11, 2022.

e. Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation of the fair value of investments.

f. Income Taxes

The Plan's income tax filings are subject to audit by various taxing authorities. The Plan's open audit periods are 2018 and forward.

g. Subsequent Events

Subsequent events have been evaluated up to March 10, 2023, the date these financial statements were available to be issued.

3. Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are selected to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021

3. Fair Value of Financial Instruments (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>34,650,114</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>34,650,114</u>

2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>1,743,416</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>1,743,416</u>

4. Investment Contract with Insurance Company

The Plan entered into a benefit-responsive insurance contract with Massachusetts Mutual Life Insurance Company which is managed by Great West Investments ("Great-West"). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates are based on a formula agreed upon with the issuer and were 2.39% on December 31, 2021. The Holding Account Rate is an effective annual rate and is credited at the equivalent daily rate. Such interest rates are reviewed weekly and reset at least as frequently as quarterly.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021

4. Investment Contract with Insurance Company (Continued)

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan; (2) the investor provides effective communication to MassMutual that the agreement will be fully or partially terminated as of a date selected by the Investor, which will be no earlier than thirty days after the investor provides effective communication to MassMutual; (3) the Internal Revenue Service determines that the Plan no longer meets the requirements of Code Section 401(a), 403(a), 414(d), 414(e) or any other applicable Code provision; (4) the investor breaches a provision in the contract; and (5) MassMutual provides effective communication to the investor that the agreement will be terminated as of a date at least 90 days after MassMutual provides effective communication to the investor.

5. Information Prepared by and Certified by Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments held at December 31, 2021 and 2020
- Notes receivable from participants at December 31, 2021 and 2020
- Net appreciation in fair value of investments for the year ended December 31, 2021
- Interest and dividends for the year ended December 31, 2021
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental Schedule of Assets (Held at End of Year).

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

**KOMPASS KAPITAL MANAGEMENT, LLC
401(k) RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2021

7. Tax Status

The prototype Plan sponsor has obtained an opinion letter dated March 2014, in which the Internal Revenue Service stated that the prototype Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. The Plan itself has not received a determination from the IRS and the plan and related trust continue to be exempt. The Plan has been amended since receiving the determination letter. However, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the plan's financial statements.

8. Exempt Party-in-Interest Transactions

The guaranteed insurance contract is managed by Great West Investments. Great West Investments is an affiliated company of Reliance Trust Company, trustee of the Plan; therefore, these transactions qualify as exempt party-in-interest transactions.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
