## Independent Auditor's Report

To the Profit Sharing Committee of Wikoff Color Corporation  
and Participants of Wikoff Color Corporation Profit Sharing Plan  
Fort Mill, SC

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements***

We have performed an audit of the financial statements of the Wikoff Color Corporation Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of May 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended May 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion on the 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the 2022 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2022 financial statements.

In preparing the 2022 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2022 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2022 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ***Other Matters***

### ***2022 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at the end of the year) as of May 31, 2022 listed in the table of contents is presented for purposes of additional analysis and is not a required part of the 2022 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2021 Financial Statements***

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 14, 2022 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

## **Notes to Financial Statements**

### **1. Plan Description**

The following description of the Wikoff Color Corporation Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

#### ***General***

The Plan is a defined contribution plan covering all U.S. employees of Wikoff Color Corporation and Subsidiaries (the “Company”) who have completed 1,000 hours of qualifying service. Once an employee satisfies the eligibility requirements, the employee is allowed to participate in the Plan on the first day of the plan year or the first day of the seventh month of the plan year. Principal Trust Company (“Principal”) serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

#### ***Contributions***

Profit sharing amounts may be contributed at the option of the Company’s Board of Directors. The profit sharing amounts have traditionally been contributed based on the amount of current net profits of the Company. The contribution amounted to approximately 10% of the Company’s net profits before income taxes, as defined, for 2022. Participant contributions to the Plan are not allowed.

#### ***Investment Options***

Participants direct the investment of Company contributions into various investment options offered by the Plan. Currently, the Plan offers investment options consisting of mutual funds, common/collective trust funds, a stable value common collective trust fund, and Wikoff Color Corporation Common Stock Class B. Investments in the Wikoff Color Corporation common stock are limited to 35% of a participant’s total account balance.

#### ***Participant Accounts***

Each participant’s account is credited with allocations of the Company’s contribution, plan earnings and forfeitures, and charged with allocations of plan losses and administrative expenses. Allocations are based on participants’ wages/salary, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

#### ***Vesting***

Vesting in the Company’s contribution plus actual earnings thereon is based on years of service. Participants entering the Plan are 100% vested after five years of credited service.

#### ***Payment of Benefits***

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount or installment payments equal to the value of the vested interest in the participant’s account.

***Forfeited Accounts***

At May 31, 2022 and 2021, forfeited non-vested accounts totaled \$17,092 and \$4,601, respectively. Forfeited nonvested accounts are allocated to participants' accounts on the same basis as employer contributions during the Plan year in which the forfeiture occurs. In 2022, forfeited nonvested accounts totaling \$18,579 were reallocated to participants' accounts.

**2. Summary Of Significant Accounting Policies**

***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

***Use of Estimates***

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates and assumptions.

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Payment of Benefits***

Benefits are recorded when paid.

***Administrative Expenses***

The Plan's expenses are paid by the Plan, as provided in the plan document.

***Subsequent Events***

The Plan has evaluated subsequent events through March 9, 2023, the date the financial statements were available to be issued.

### **3. Fair Value Measurements**

Fair value as defined under GAAP is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1: Observable inputs such as quoted prices in active markets.
- Level 2: Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- Level 3: Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels. Disclosure of unobservable inputs to fair value measurement has not been included because quantitative unobservable inputs are not developed by the Plan when measuring fair value and have not been made available to the Plan by the trustee.

There have been no changes in the methodologies used at May 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

#### ***Mutual funds***

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

#### ***Stable value common collective trust funds***

The Plan invests in stable value collective trust funds for which quoted prices are not available in active markets for identical instruments. The Plan utilizes the Net Asset Value ("NAV") per share provided by the Trustee as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the stable value collective trust funds, the issuer reserves the right to require notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The stable value collective trust funds are not required to be classified within a level on the fair value hierarchy.

#### ***Common/collective trust funds***

These funds are valued at the NAV of units of the collective fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The common collective trust funds are not required to be classified within a level on the fair value hierarchy.

#### ***Common stock***

The Plan has an investment in the Company's common stock. Company common stock is valued at the repurchase price per share approved by the Board of Directors of the Company, which is calculated based upon a formula developed to approximate fair value. Since the value of the Company's common stock is not based on quoted prices or derived from valuation data, it is classified as Level 3 within the valuation hierarchy.

## Wikoff Color Corporation Profit Sharing Plan

### Notes to Financial Statements

---

The Plan recognizes transfers between the levels as of the actual date of the event or change in circumstances that caused the transfer. There were no gross transfers between the levels for the year ended May 31, 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net depreciation in fair value of investments in the statement of changes in net assets available for benefits.

#### 4. Unaudited Information Certified by The Trustee

The accompanying financial statements include the following unaudited information as of May 31, 2022 and 2021, and for the year ended May 31, 2022, that was obtained from data prepared and certified to be complete and accurate by the Plan's trustee:

|                                               | <u>2022</u>          | <u>2021</u>          |
|-----------------------------------------------|----------------------|----------------------|
| Investments at fair value                     | <u>\$ 30,963,467</u> | <u>\$ 35,302,222</u> |
| Net depreciation in fair value of investments | <u>\$ 336,267</u>    |                      |
| Interest and dividends                        | <u>\$ 135,145</u>    |                      |

#### 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination or upon complete or partial discontinuance of contributions, each participant will have a nonforfeitable right to 100% of the balance of the participant's account as of the date of termination. After deducting each participant's proportionate share of expenses related to the administration of the termination, the account of each participant will be paid to the participant or beneficiary in such a manner as the Company will determine.

#### 6. Income Tax Status

The Plan has not obtained a determination letter from the Internal Revenue Service (the "IRS") stating that the Plan was in compliance with the applicable requirements of the Internal Revenue Code (the "IRC"). The Plan is relying on IRS approval of the volume submitter profit sharing plan that it is utilizing. The IRS has determined and informed the volume submitter plan sponsor by a letter dated March 31, 2014 that the volume submitter plan document was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

**Wikoff Color Corporation Profit Sharing Plan**  
**Notes to Financial Statements**

---

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of May 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **7. Party-In-Interest Transactions**

Certain plan investments are shares of Company common stock and mutual funds and common/collective trust funds managed by Principal. The Company is the plan sponsor and Principal is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the trustee and administrative services amounted to \$110,007 for the year ended May 31, 2022.

At May 31, 2022 and 2021, the Plan held 47,792 and 50,973 shares, respectively, of common stock of the Company, the sponsoring employer, with a cost basis of \$1,520,264 and \$1,354,862, respectively, and fair value of \$3,753,646 and \$3,338,853, respectively. During the year ended May 31, 2022, the Plan received dividend income of \$12,237 from the investment in the common stock of the Company.

## **8. Reconciliation Of Financial Statements to Form 5500**

| Net assets available for benefits per Form 5500                | <u>\$ 30,963,467</u> | <u>\$ 35,843,433</u> |

For the year ended May 31, 2022, the 5500 was prepared using the cash basis of accounting. For the year ended May 31, 2021, the 5500 was prepared using the accrual basis of accounting. The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500 for the year ended May 31, 2022:

|                                                                                |                       |

| Net decrease in net assets available for benefits per Form 5500                | <u>\$ (4,879,966)</u> |

## **9. Risks And Uncertainties**

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## **10. Subsequent Events**

Effective June 1, 2022, the Wikoff Color Corporation 401(k) Retirement Plan merged into the Wikoff Color Corporation Profit Sharing Plan. Net assets of \$19,222,801 were transferred on that date.
