To the Plan Administrator and Participants of
ReSource Pro 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Resource Pro 401(k) Profit Sharing Plan & Trust (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, schedule H, part IV, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2021, and schedule H, part IV, line 4i - schedule of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not required parts of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 3, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

ReSource Pro 401(k) Profit Sharing Plan and Trust (the “Plan”) established a 401(k) plan effective January 1, 2019. The following is a description of the ReSource Pro 401(k) Profit Sharing Plan and Trust. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan’s provisions.

General and Administration of the Plan

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective July 1, 2021, Principal Trust Company replaced Mid Atlantic Trust Company as the Plan’s trustee. During July 2021, Plan assets transferred from Mid Atlantic Trust Company to Principal Trust Company.

Also effective July 1, 2021, Principal Trust Company replaced Paychex, Inc. as the Plan’s recordkeeper and third party administrator.

Eligibility

All employees of ReSource Pro LLC (the “Company”) are eligible to participate in the Plan provided they are 21 years of age. The Plan allows participants to enter the Plan immediately upon meeting the age requirement.

Employee Contributions

Participants can contribute a portion of their compensation up to the Internal Revenue Service (“IRS”) maximum allowance in 2021 of \$19,500 with an additional \$6,500 catch-up contribution for employees over 50 years of age in 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). The Plan also allows for Roth contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions

The Company is required to make ADP safe harbor matching contributions per payroll period on participants’ elective deferrals which do not exceed 4% of compensation. Employer profit sharing contributions are also permitted at the discretion of the Company for qualifying participants who are employed on the last day of the Plan year and have completed 500 hours during the Plan year.

Participant Accounts

A separate account is established and maintained for each Plan participant. Each participant’s account is credited with the participant’s contributions, Company safe harbor matching contributions, profit-sharing contributions and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants.

Vesting

Participants are 100% vested immediately in their contributions plus actual earnings thereon. Participants are also immediately vested in ADP safe harbor matching contributions and profit-sharing contributions provided by the Company.

ReSource Pro 401(k) Profit Sharing Plan and Trust
Notes to Financial Statements
December 31, 2021 and 2020

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Principal and interest are repaid ratably through bi-weekly payroll deductions. The loans bear interest at a rate commensurate with a prevailing commercial rate for a secured personal loan. Interest rates charged on notes receivable were 4.25% to 6.5% as of December 31, 2021.

Payment of Benefits

In the event of retirement, disability or termination of employment, participants may elect a partial or lump-sum distribution equal to the value of the participant's vested balance. Participants may also request in-service distributions of their vested balances upon attaining age 59 ½ or distributions of their pre-tax and Roth deferrals due to certain hardships.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Payment of Benefits

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Principal and interest are repaid through payroll deductions.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for the investment in the Principal Guaranteed Option, a fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants and the measurement date. See Note 3, Fair Value Measurements.

Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. Regarding the Principal Guaranteed Option, the Company believes that disclosure of (a) the nature of the investment, (b) events, if any, that limit the Plan's ability to execute transactions at contract value with the issuer, and (c) a description of the events and circumstances that would permit issuers to terminate the contract and settle at amounts that differ from contract value, is not material to these financial statements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded when earned. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Expenses

The Plan expenses can be paid directly by the Plan sponsor or by the Plan. Administrative expenses paid by the Plan were \$37,574 for the year ended December 31, 2021. Additionally, investment related expenses have been included in net appreciation in fair value of investments are not readily determinable.

ReSource Pro 401(k) Profit Sharing Plan and Trust
Notes to Financial Statements
December 31, 2021 and 2020

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Company to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein at the date of the financial statements and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value:

Shares of Registered Investment Companies: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Pooled Separate Account (PSA): Valued using quoted prices in markets that are not active, and valued by the net asset value ("NAV") of the pooled separate account, based on the fair value of the underlying holdings.

Common/Collective Trust (CCT): Valued at the net asset values of the underlying investments as adjusted for the trust's related liabilities and administrative expenses charged. There are no redemption restrictions or unfunded commitments of the Plan related to this investment. The fair value of the investments is measured using the net asset value practical expedient.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value of the PSA and CCT is measured using the NAV practical expedient, and in accordance with ASU 2015-07, it is not required to be categorized within the fair value hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 9,999,662	\$ -	\$ -	\$ 9,999,662
Pooled separate account measured at net asset value*	-	-	-	30,551
Total assets at fair value	\$ 9,999,662	\$ -	\$ -	\$ 10,030,213

	2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 7,608,525	\$ -	\$ -	\$ 7,608,525
Common/collective trust measured at net asset value*	-	-	-	131,084
Total assets at fair value	\$ 7,608,525	\$ -	\$ -	\$ 7,739,609

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value at December 31,		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Pooled separate account	\$ 30,551	\$ -	N/A	Immediate	None
Common collective trust	\$ -	\$ 131,084	N/A	Immediate	None

4. TAX STATUS

The Plan adopted a prototype plan sponsored by Alliant Insurance Services Inc. The Internal Revenue Service ("IRS") determined and informed Alliant Services Inc. by opinion letter dated June 30, 2020, that the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, Plan management believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the DOL. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. Furthermore, there are no tax related interest or penalties for the years presented in these financial statements.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan document to terminate the Plan at any time, subject to the provisions of ERISA.

6. INFORMATION CERTIFIED BY TRUSTEES

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Principal Trust Company, the current trustee of the Plan, has certified to the completeness and accuracy of all investments, related investment activity, notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2021, the statement of changes in net assets available for benefits for the period from July 15, 2021 to December 31, 2021, and the schedule of assets (held at end of year) as of December 31, 2021. Mid Atlantic Trust Company, the former trustee of the Plan, has certified to the completeness and accuracy of all investments, related investment activity, note receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2020, the statement of changes in net assets available for benefits for the period from January 1, 2020 to July 14, 2021.

No auditing procedures were performed by the independent auditor with respect to information certified as complete and accurate by the trustees of the Plan, except for comparing such information with the information reported in the financial statements.

7. RELATED-PARTY TRANSACTIONS

Certain participants have borrowed from their account balances which are presented as notes receivable from participants. As participants are considered parties-in-interest, such loan transactions qualify as exempt party-in-interest transactions.

Certain Plan investments are managed by Principal Trust Company, the trustee as defined in the Plan and, therefore, these transactions qualify as party-in-interest.

8. PLAN OPERATIONS

For the year ended December 31, 2021, the Plan inadvertently delayed making deposits of certain participants' withholdings, totaling \$78,576. During 2021, Plan management restored lost earnings related to \$4,714 and \$2,338 of 2021 and 2019 withholdings, respectively. During 2022, Plan management restored principal, lost earnings, and safe harbor match contributions related to \$48,733 of affected participants' 2021 withholdings and restored principal and safe harbor match contributions related to \$25,129 of affected participants' 2021 withholdings. In 2023, Plan management expects to restore lost earnings related to \$25,129 of affected participant 2021 withholdings. Amount of lost earnings for 2021 are not considered material to the financial statements as a whole.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. These investments are exposed to risks such as interest rate, market and credit risk. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in risks in the near term could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.
