Independent Auditors' Report

To the Participants and Plan Administrator of the
Southeastern Printing Company, Inc. 401(k) Retirement Plan
Stuart, Florida

Opinion

We have audited the financial statements of Southeastern Printing Company, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole as of and for the years ended December 31, 2021 and 2020. The supplemental schedules, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 and the Schedule H Line 4a – Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"). Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Southeastern Printing Company, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2021 and 2020

1. Plan Description

The following description of the Southeastern Printing Company, Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

Southeastern Printing Company, Inc. 401(k) Retirement Plan (the “Plan”) was originally established effective January 1, 1997 by Southeastern Printing Company, Inc. (the “Company”). The Plan was amended and restated effective January 1, 2021. The Plan qualifies as a profit sharing plan permitting discretionary employer contributions, but not requiring that such contributions be made from employer profits, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Plan is considered to be a multiple employer plan for the benefit of employees of the following companies within a controlled group: Southeastern Printing Company, Inc., SEP Communications, LLC, and FDC Print, LLC. The Plan is a defined contribution plan covering all employees who have completed 90 days of service and are at least 21 years of age.

Contributions

Plan participants may elect participation in the Plan on a quarterly basis and each year contribute up to the maximum amount allowed by law of pretax annual compensation, as defined in the Plan agreement and as permitted by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at a non-escalating rate of 3% of eligible compensation and their contributions invested in a Target Retirement Fund based on the participant's age and projected retirement date until changed by the participant. Participants may also make a rollover transfer to the Plan from a 401 (k) qualified retirement plan which may include after tax amounts, a 403(b) tax-deferred annuity, a governmental 457(b) deferred compensation plan, and/or taxable IRA. Effective January 2016, the Company implemented a safe harbor employer match of 100% on deferrals up to 3% and 50% on deferrals between 3% and 5%. The Company may make profit sharing contributions to the Plan, at its discretion, at an amount equal to a percentage of the participants' eligible compensation. Contributions of \$68,300 and \$85,500 were authorized for the years ended December 31, 2021 and 2020, respectively. Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a common collective trust as investment options for participants. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Southeastern Printing Company, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2021 and 2020

1. Plan Description (cont.)

On March 25, 2018, the Plan sponsor amended the Plan to eliminate safe harbor provisions for all employees except those union employees who are members of GCC/IBT Local 197-M of the Graphics Communications Conference/International Brotherhood Teamsters ("union"). As a result, Plan participants, other than those in the union, will no longer receive Company matching contributions.

Investment Options

Upon enrollment, participants may direct their elective contributions in any one of the allowable investment funds offered by the Plan. Participants may make changes in their investment elections at any time.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's matching contributions and an allocation of (a) the Company's discretionary profit sharing contributions (when authorized), (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their 401 (k) voluntary contributions plus actual earnings thereon. Vesting in the Company matching and profit sharing contributions is based on years of continuous service. A participant is fully vested once they have completed five years of service with 20% vesting credited each year. Safe harbor matching contributions are 100% vested at the date of contribution.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes receivables are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50%, which are commensurate with local prevailing rates at the time the notes are issued, as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Participants are allowed to have 1 loan outstanding from the plan with loan term not exceeding five years.

Participant notes are valued at their outstanding balances, which approximates fair value.

401(k) Retirement Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Plan Description (cont.)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or annual installment payments, as defined by the Plan agreement. Participants with vested benefits less than \$5,000 (i.e., small accounts) are required by the Employer to be removed from the Plan and a lump sum payment is processed as soon as administratively feasible. For termination of service or for other reasons, a participant will receive the value of the vested interest in his or her account as a lump sum distribution. The Plan also permits withdrawals of active participants' elective contributions and rollover contributions only in amounts necessary to satisfy financial hardship as defined by the Plan agreement.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$595 and \$457, respectively. These accounts will be used to reduce future Company contributions or to pay Plan expenses. During 2021, \$4,486 of forfeited non-vested accounts were used to offset employer match contributions and \$1,358 was used to reduce plan expenses. During 2020, \$3,790 of forfeited non-vested accounts was used to offset employer match contributions.

Administrative Expenses

The Plan's administrative expenses are paid either by the Plan or the Company, as provided by the Plan document. Certain administrative expenses, including an allocation of related Plan administration, accounting and legal costs, are paid by the Company and qualify as party-in-interest transactions which are exempt from prohibited transaction rules. Expenses that are paid directly by the Company are excluded from these financial statements. Fees for custodial and record keeping services are paid by the Plan which are allocated equally to each participant. Participants are charged directly for loan fees and fees related to certain distribution types.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates and these differences could be material.

Southeastern Printing Company, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2021 and 2020

2. Summary of Significant Accounting Policies

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value, including the collective trust fund and stable value fund. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of the investments within the Plan are reflected on a trade date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

The change between years in the market value of investments and realized gains and losses through purchases and sales of investments are reflected as net appreciation (depreciation) in fair value of investments in the accompanying statements of changes in net assets available for benefits.

Notes Receivable from Participants

Loans receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, which approximates fair value. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the note receivable to be in default, the participant note receivable is reduced and a benefit payment is recorded.

Contributions

Participant contributions are recorded when withheld from compensation. Employer contributions are recorded in the period in which they become obligations of the Company.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could materially differ from those estimates.

Notes to Financial Statements December 31, 2021 and 2020

3. Concentrations of Credit Risk

The following presents investments that represent 10% or more of the Plan's net assets available for benefits.

<i>December 31,</i>	2021	2020
Vanguard Target Retirement 2020 Fund	\$ 1,403,875	\$ 1,319,217
Vanguard Target Retirement 2025 Fund	1,241,488	1,325,340
Segall Bryant & Hamill Plus Bond Return	-	1,037,949
	\$ 2,645,363	\$ 3,682,506

The Segall Bryant & Hamill Plus Bond Return Fund had a market value of \$298,702 as of December 31, 2021 which did not exceed the 10% threshold.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Southeastern Printing Company, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2021 and 2020

4. Fair Value Measurements (cont.)

The following is a description of the valuation methodologies used for assets measured at fair value. For financial assets recorded at fair value, the description includes an indication of the level of the fair value hierarchy in which the assets are classified. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Shares held in mutual funds are valued at quoted market prices that represent the net asset value (NAV) of shares held by the Plan at year end and are classified as Level 1. The NAV is based on the value of the underlying assets owned by the fund, less its liabilities, then divided by the number of shares outstanding. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Common Collective Trust

The Reliance Trust Company Stable Value Common Collective Trust is valued at the NAV of units by the trustees of the trust. The NAV is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require a 12-month notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There were not any unfunded commitments related to this investment as of December 31, 2021 and 2020.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan had no material financial liabilities as of December 31, 2021 and 2020.

Southeastern Printing Company, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2021 and 2020

4. Fair Value Measurements (cont.)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31:

Investment Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,172,222	\$ -	\$ -	\$ 7,172,222
Stable value common collective trust	-	-	-	438,158
Total investments at fair value	\$ 7,172,222	\$ -	\$ -	\$ 7,610,380

Investment Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,083,986	\$ -	\$ -	\$ 9,083,986
Stable value common collective trust	-	-	-	373,419
Total investments at fair value	\$ 9,083,986	\$ -	\$ -	\$ 9,457,405

- (1) Certain investments are measured at NAV per share (or its equivalent) practical expedient and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

Notes to Financial Statements December 31, 2021 and 2020

4. Fair Value Measurements (cont.)

The following tables set forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31:

<u>Investment Type</u>	2021			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Reliance Trust Company Stable value common collective trust	\$ 438,158	\$ -	Daily	Daily

<u>Investment Type</u>	2020			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Reliance Trust Company Stable value common collective trust	\$ 373,419	\$ -	Daily	Daily

5. Related Party Transactions

Fidelity Investments is the custodian as defined by the Plan and Newport Group, Inc. acts as the Plan's record keeper and assists with Plan administration and, therefore, transactions with these service providers qualify as parties-in-interest. Fees paid by the Plan for recordkeeping and loan/distribution fees equaled \$33,020 and \$31,220 for the years ended December 31, 2021 and 2020. The Plan paid \$42,803 and \$42,063 in advisor/custodial fees for the years ended December 31, 2021 and 2020. These fees are allocated to participants based on their account balances.

6. Income Tax Status

The Plan document is a 401(k) prototype sponsored by Verisight, Inc. The Plan received an opinion letter dated November 30, 2020, in which the IRS stated that the form of the plan document was acceptable under the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is designed, as amended, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Southeastern Printing Company, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2021 and 2020

6. Income Tax Status (cont.)

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan may be subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

8. Risks and Uncertainties

The Plan invests in mutual funds and a common collective trust with the underlying assets consisting of any combination of stocks, bonds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

9. Terminated Participants

When participants terminate employment with the plan sponsor, they may choose to leave their investments in the Plan, as long as their balance is greater than \$5,000. As of December 31, 2021 and 2020, there were 56 and 27 terminated participants, respectively, who had not withdrawn their account balances totaling \$1,382,398 and \$1,827,068, respectively.

Southeastern Printing Company, Inc. 401(k) Retirement Plan

Notes to Financial Statements December 31, 2021 and 2020

10. Cares Act and Plan Provisions

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000;
- Increase the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance;
- Permit COVID-19 impacted participants to take out loans while on furlough;
- Extend the period for loan repayments, if applicable, up to one year; and
- Required minimum distributions related to the 2020 calendar year were waived, including those scheduled to be paid after December 31, 2020 but before April 1, 2021.

The Company has formally adopted the provisions above by amendment in January 2021.

11. Subsequent Events

Subsequent events have been evaluated through the date of the independent auditors' report. Management did identify any events requiring recording or disclosure to the financial statements as of and for the year ended December 31, 2021.

In January 2022, the Plan moved the Stable Value Common Collective Trust from Fidelity Trust to Newport Trust.
