ACMH, Inc. Tax Deferred Annuity Plan

Financial Statements

May 31, 2022

Independent Auditor's Report

The Plan Administrator ACMH, Inc. Tax Deferred Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of ACMH, Inc. Tax Deferred Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of May 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from the qualified institutions as of and for the year ended May 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

ACMH, Inc. Tax Deferred Annuity Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of May 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and to other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

The Plan Administrator
ACMH, Inc. Tax Deferred Annuity Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Plan Administrator ACMH, Inc. Tax Deferred Annuity Plan

We were engaged to audit the accompanying statement of net assets available for benefits of ACMH, Inc. Tax Deferred Annuity Plan as of May 31, 2021, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2021 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by State Street Bank and Trust Company and Transamerica Financial Life Insurance Company, the custodians of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the custodians as of May 31, 2021, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statement. Accordingly, we do not express an opinion on the 2021 financial statement.

ACMH, Inc. Tax Deferred Annuity Plan

Notes to Financial Statements
May 31, 2022

1. Description of Plan

The following description of the ACMH, Inc. Tax Deferred Annuity Plan (the "Plan") provides general information about the Plan's provisions. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and Eligibility

The Plan is a contributory 403(b) tax deferred annuity plan sponsored by ACMH, Inc. (the "Sponsor") for the benefit of its employees. Employees are immediately eligible to participate in the Plan as a contributing participant upon commencement of employment with the Sponsor. Excluded employees are employees who normally work less than 20 hours per week, an employee who is eligible to participate in a 401(k) plan, employees who are eligible to participate in another 403(b) annuity contract or custodial account of ACMH, Inc., student employees and employees who are non-resident aliens. Participants are required to have one year of service to qualify for safe harbor-matching contributions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). State Street Bank and Trust Company ("State Street") is the custodian of the Plan. Transamerica Financial Life Insurance Company ("TFLIC") sponsored certain group annuity contracts and was a custodian of the Plan through March 1, 2022. Transamerica Retirement Solutions, LLC ("Transamerica") is the agent of State Street and processes transactions and performs record-keeping services for the Plan.

Contributions

The Plan permits eligible employees to have the Sponsor make annual contributions of up to 100% of eligible compensation, subject to a minimum of 0.50% of eligible compensation, through a salary deferral election. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Sponsor makes safe harbor-matching contributions, calculated biweekly, equal to 1,000% of elective deferrals up to the first 0.50% of compensation, plus 200% of elective deferrals up to the next 2.50% of compensation. Contributions are subject to certain limitations.

Participant Investment Account Options

Each participant has the option of directing contributions into any of the investment account options selected by the Sponsor and may change the allocation to the extent permitted by the individual agreements.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Sponsor contributions and (b) Plan earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on a participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (*continued*)

Advance Employer Account

The Plan and Transamerica have entered into a revenue sharing arrangement whereby a portion of the revenue earned by the custodian from certain funds is passed through to the Plan for payment of permitted Plan expenses. In order for the Plan to receive credits as a result of this arrangement, and to use this credit to pay Plan expenses, the Sponsor created the Advance Employer Account under the Plan. The Advance Employer Account is a nonparticipant directed account within the Plan, and is used to record the redistribution of Plan-generated fund revenue that exceeds the costs associated with Plan administration. The Advance Employer Account balance was \$13,734 and \$13,374 at May 31, 2022 and 2021. During May 31, 2022, there was \$13,723 used from the Plan Credit Account to offset plan expenses.

Notes Receivable from Participants

The Plan document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are secured by the balance in the participants' accounts and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence which is not to exceed ten years). Interest on the loans is prime rate plus 1.00%.

Vesting

Participants are 100% vested in their contributions and the Sponsor's contributions plus actual earnings thereon at all times.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or designated beneficiary may elect to receive either a lump-sum amount equal to the value of his or her account or an annuity contract (if assets are held in a custodial account) or convert to an income option (if assets are invested in an annuity contract). A participant may elect to receive a distribution of his or her rollover contributions at any time. Withdrawals, other than for termination, are permitted under circumstances provided by the Plan. In-service withdrawals are permitted for participants who have reached age 59 ½. Terminated employees with account balances of less than \$1,000 may be paid out automatically by the Plan upon termination. A terminated participant with a balance between \$1,000 and \$5,000 can be paid out automatically by having his or her balance rolled into a qualified individual retirement account. Hardship withdrawals are permitted as defined by the Plan document.

1. Description of Plan (*continued*)

Expenses

Certain expenses for maintaining the Plan were paid by the Sponsor and are excluded from these financial statements. Administrative fees for transaction charges were paid by the Plan. Investment related expenses are included in net depreciation in fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. As of May 31, 2022 and 2021, the Plan's investments, that were valued at fair value, were valued using level 1 inputs.

Investment Valuation and Income Recognition

Investments in shares of mutual funds are stated at fair value as determined by quoted market prices, which represent the net asset value of shares held by the Plan at year end. The guaranteed investment contracts were valued at contract value and represented contributions made under the contracts, plus interest credited, less benefits paid and expenses. Purchases and sales of securities are recorded on a trade-date basis. The Government Fixed Fund was a pooled separate account and was valued at contract value, which represented the fair value of the underlying portfolio, accrued interest on the underlying portfolio assets, the fair value of the contract, and the adjustments to contract value. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (*continued*)

Notes Receivable from Participants

Notes receivables from participants are valued at their outstanding balances, plus any unpaid interest. Delinquent notes receivable from participants are recorded as deemed distributions.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is March 13, 2023.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held at May 31, 2022 and 2021, and net depreciation in value of investments, interest, and interest on notes receivable from participants for the year ended May 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by State Street Bank and Trust Company and Transamerica Financial Life Insurance Company (through March 1, 2022), qualified institutions.

4. Investments

The Plan's investments consisted of the following at May 31:

	<u>2022</u>	<u>2021</u>
Investments, at fair Value		
Mutual Funds	<u>\$ 9,944,017</u>	<u>\$ 7,297,337</u>

Notes to Financial Statements

5. Guaranteed Investment Contracts

TFLIC Fixed Fund

The Fixed Fund, which was an investment option under the Plan, was provided under a group annuity contract issued by TFLIC. The Fixed Fund sought to provide maximum yield consistent with a guarantee of principal. The Fixed Fund provided participants with book value distributions at retirement and other events as described in the group annuity contract. Both principal and interest were guaranteed by TFLIC. The Fixed Fund was supported by TFLIC's general account. The general account of TFLIC invested in investment grade fixed income securities, including US Government, Agency, and corporate issues; as well as individually underwritten mortgage loans, and private placements.

No monies could be transferred by participants to fixed income funds (competing funds). Monies transferred to non-fixed income funds could not be transferred to fixed income funds or back to the Fixed Fund for 90 days. Monies transferred back to the Fixed Fund or withdrawn within the 90-day period were subject to a 5% charge. Monies withdrawn or transferred by the Sponsor and monies withdrawn by participants not due to benefit withdrawals, hardships and loans could be subject to a withdrawal charge. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The TFLIC Fixed Fund is no longer a Plan investment option as May 31, 2022. The TFLIC Fixed Fund represented approximately 16% of the Plan's total assets as of May 31, 2021.

TFLIC Stable Fund

The Stable Fund, which was an investment option under the Plan, was provided under a group annuity contract issued by TFLIC. The Stable Fund sought to provide maximum yield consistent with a guarantee of principal. The Stable Fund provided participants with book value distributions at retirement and other events as described in the group annuity contract. Both principal and interest were guaranteed by TFLIC. The Stable Fund was supported by TFLIC's general account. The general account of TFLIC invested in investment grade fixed income securities, including US Government, Agency, and corporate issues; as well as individually underwritten mortgage loans, and private placements.

No monies could be transferred by participants to fixed income funds (competing funds) except at a segment maturity date. Monies transferred to non-fixed income funds could not be transferred to fixed income funds or back to the Stable Fund for three months. Monies withdrawn or transferred from the Stable Fund by the Employer at any time and/or by participants during the 6-month period preceding contract suspension could be subject to restriction and/or adjustment in accordance with contract provisions.

The TFLIC Stable Fund is no longer a Plan investment option at May 31, 2022. The TFLIC Stable Fund represented approximately 4% of the Plan's total assets as of May 31, 2021.

ACMH, Inc. Tax Deferred Annuity Plan

Notes to Financial Statements
May 31, 2022

6. Pooled Separate Account

The TFLIC Government Fixed Fund was an actively managed guaranteed pooled separate account of TFLIC. Both principal and interest were guaranteed by TFLIC. Interest was declared quarterly for new deposits received during that quarter and were guaranteed for the balance of that calendar year. Renewal rates were declared annually on a calendar year basis for existing assets.

No monies could be transferred from the TFLIC Government Fixed Fund by participants to fixed income funds (competing funds). Monies transferred to non-fixed income funds could not be transferred to fixed income funds or back to the TFLIC Government Fixed Fund for 90 days. Monies transferred back to the TFLIC Government Fixed Fund or withdrawn within the 90-day period were subject to a 5% charge. Monies withdrawn or transferred by the Sponsor and monies withdrawn by participants not due to benefit withdrawals, hardships and loans could be subject to a withdrawal charge. Participants were generally permitted to make benefit distributions at contract value.

Because the TFLIC Government Fixed Fund was fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Account. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The TFLIC Government Fixed Fund is no longer a Plan investment option at May 31, 2022. The TFLIC Government Fixed Fund represented approximately 9% of the Plan's total assets as of May 31, 2021.

7. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. Tax Status

On March 31, 2017, the Internal Revenue Service ("IRS") issued an opinion letter indicating that the Plan, as then designed, qualifies under Section 403(b) of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is currently compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2019; however, there are currently no examinations for any tax periods in progress.

ACMH, Inc. Tax Deferred Annuity Plan

Notes to Financial Statements
May 31, 2022

9. Party-in-Interest Transactions

Investment management fees paid by the Plan to State Street are shown as reductions of the investment return on each fund. In addition, the Plan paid \$17,267 of contract administrator fees to TFLIC for the year ended May 31, 2022.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA and are reflected in the statements of net assets available for benefits as notes receivable from participants.

Certain employees of the Sponsor, who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

10. Risk and Uncertainty

The Plan invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to May 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
