Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed our audit of the financial statements of the Case Management 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —

Supplemental Schedule Required by ERISA

The supplemental schedule of assets – held at year end for June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Case Management 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 28, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CASE MANAGEMENT 401K SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND JUNE 30, 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of the Case Management 401k Savings Plan ("Plan"), sponsored by CMU provides only general information. Effective, July 1, 2021 the Plan was amended, restated, and adopted the provisions of the Pennsylvania Pension Planners, Inc.. Non-Standardized Defined Contribution Pre-Approved Plan ("Plan Document"). Participants should refer to this Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all employees of CMU who are age twenty-one or older and have attained 6 months of service. It is subject to the provisions of the Employee Retirement Income Securities Act (ERISA) of 1974.

B. Contributions

Each year, participants may contribute up to 100% of pretax annual compensation ("eligible compensation"), as defined in the Plan. Effective July 1, 2021, the Plan allows for participants to contribute to a Roth option. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan currently offers 29 investment options for participants. For all enrolled participants, CMU makes a discretionary contribution equal to 1.5% of the participant's eligible compensation. For each participant electing to contribute 2% or more of their eligible compensation, CMU makes a matching contribution equal to 1% of their eligible compensation. CMU's matching contributions are invested in a portfolio of investments as directed by the participant. Contributions are subject to certain limitations.

C. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of CMU's contribution and Plan earnings; and charged with disbursements made to the respective participant, an allocation of administrative expenses, and an allocation of investment losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are immediately vested in all contributions.

E. Payment of Benefits

For all terminations of service, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

F. Participant Loans

Participant Loans are not permitted under the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

G. Plan Termination

Although it has not expressed any intent to do so, CMU has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

H. Related Party Transactions

All Plan investments are shares of mutual funds managed by the Turnbridge Group. The Turnbridge Group is the financial advisor to the Plan and, therefore, all transactions qualify as party-in-interest transactions. Reliance Trust Company is the custodian of the Plan, and therefore those transactions qualify as party-in-interest transactions exempt from prohibited transaction rules. Transamerica Retirement Services is the record-keeper of the Plan, and therefore those transactions qualify as party-in-interest transactions exempt from prohibited transaction rules. PA Pension Planners is the third party administrator of the Plan, and therefore those transactions qualify as party-in-interest transactions exempt from prohibited transaction rules.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Plan maintains its records and prepares its financial statements under the accrual method of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Payment of Benefits

Benefits are recorded when paid.

E. Subsequent Events

The Plan has evaluated subsequent events through March 10, 2023.

CASE MANAGEMENT 401K SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2022 AND JUNE 30, 2021

NOTE 3: PLAN ADMINISTRATION

The Plan is administered by CMU. CMU has entered into a Trust Agreement with the Trustees giving them the authority to manage Plan assets, which were maintained by Reliance Trust Company. The Plan is responsible for payment of all investment management fees, except for nominal quarterly fees charged to each participant's account. For the years ended June 30, 2022 and June 30, 2021, costs paid by the Plan for these fees were approximately \$50,703 and \$24,447, respectively. All other administrative costs (i.e. payroll costs related to Trustees of the Plan) are paid by CMU and are not a deduction from Plan net assets.

NOTE 4: TAX STATUS

Effective July 1, 2021, the Plan amended, restated, and adopted the provisions of the Pennsylvania Pension Planners, Inc.. Non-Standardized Defined Contribution Pre-Approved Plan ("Plan Document"). The Internal Revenue Service has determined and informed Pennsylvania Pension Planners, Inc., by letter dated June 30, 2020, that the Plan Document is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has only elected options that are permitted under the terms of the approved Plan Document.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 5: INVESTMENTS

During 2022 and 2021 the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$(902,572) and appreciated in value by \$1,124,474, respectively.

NOTE 6: CERTIFIED FINANCIAL INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at June 30, 2022, net appreciation/(depreciation) in fair value of investments, and interest and dividends, from participants for the year ended June 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust (the trustee/custodian) of the Plan.

The following information certified by Ascensus Trust Company was relied upon in the preparation of the 2021 financial statements:

- Investment amounts included in the Statements of Net Assets Available for Benefits at June 30, 2021.
- Interest and dividends income and net appreciation/(depreciation) in fair value of investments included in the Statements of Changes in Net Assets Available for Benefits for the years ended June 30, 2021.

NOTE 7: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Registered Investment Companies: Primarily valued using market quotations or prices obtained from independent pricing sources (net asset value of shares held by the plan at year end). Money Market Fund holdings are valued at amortized cost, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7: FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021:

Assets at Fair Value as of June 30, 2022				
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 3,553,614	-	-	\$ 3,553,614
Total Assets at Fair Value	<u>\$ 3,553,614</u>	<u>-</u>	<u>-</u>	<u>\$ 3,553,614</u>

Assets at Fair Value as of June 30, 2021				
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ -	-	-	\$ -
Total Assets at Fair Value	<u>\$ -</u>	<u>-</u>	<u>-</u>	<u>\$ -</u>

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9: FUNDS HELD IN TRANSIT

On June 30, 2021, trades were processed to sell the shares of all non-common collective trust funds within the Plan. At June 30, 2021 the value of the shares held by Ascensus Trust was \$4,928,028. The funds were wired to a cash holding account, where they were subsequently disbursed to Transamerica Retirement Services (See Note 10) on July 1, 2021. The settlement of the June 30, 2021 trades occurred on July 1, 2021 (settlement date).

NOTE 10: CHANGE IN THIRD PARTY ADMINISTRATORS

CMU (the Plan Sponsor) elected to change third party administrators effective July 1, 2021. CMU has designated Transamerica Life Insurance as its record-keeper/custodian. At July 1, 2021 \$4,928,028 was wired to Transamerica (See Note 9).

CASE MANAGEMENT 401K SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2022 AND JUNE 30, 2021

NOTE 11: GUARANTEED INVESTMENT CONTRACT WITH TRANSAMERICA

The Plan entered into a benefit-responsive guaranteed investment contract with Transamerica totaling \$209,617 for 2022. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value, which for the Plan approximates fair value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.
